112th Annual Session

June 30, 1986–July 4, 1986
Westin Bonaventure Hotel
Los Angeles, California

AFTERNOON SESSION
JUNE 30, 1986
THREE-FIFTEEN O'CLOCK P.M.

The Public Opening Session of the One-Hundred Twelfth Imperial Council Session was called to order at three-fifteen o'clock p.m., in the Grand Ballroom of the Westin Bonaventure Hotel, Los Angeles, California, Noble John Walter, Deputy Imperial Marshal, opening the Session.

NOBLE JOHN WALTER: Will you please come to attention.

May I apologize, Nobles, because I keep forgetting that I am not in a court room. May I please have everyone's attention.

We believe we have all of the Grand Masters present sitting in this section to my right. However, if there are any Grand Masters sitting in the audience, will you please do us the honor of presenting yourself up front so that the proper recognition can be given you at the appropriate moment this afternoon.

Ladies and Gentlemen, Nobles: It is my distinct pleasure to introduce to you the Director General of the One Hundred Twelfth Imperial Council Session of the Ancient Arabic Order, Nobles of the Mystic Shrine, Past Potentate of Al Malaikah Temple and the Executive Officer of DeMolay in California—Illustrious Sir Tom Boles.

... The assembly arose and applauded as Illustrious Sir Tom Boles approached the microphone ...

DIRECTOR GENERAL BOLES: Thank you, Brother Walter, thank you very much and thank you, ladies and gentlemen.

Welcome so much to this One Hundred Twelfth Imperial Council Session.

In case you find any mistakes today, I want you to know this is the first time I have been Director General and next year, to whomever it may go, my congratulations. (Laughter)

There are some changes here that we put into the script some two weeks ago. Nevertheless, I do want to again welcome you and, under the Honor Guard of Al Malaikah Temple, I would like to present to you the Civic, Masonic and Shrine dignitaries as they are escorted to the front and as they are here with us today to help us celebrate this grand opening of the One Hundred Twelfth Imperial Council Session.

I will ask the Commandant of Units to present the Honor Guard.

... Whereupon, the Al Malaikah Temple Color Guard was presented at the front of the auditorium ...

DIRECTOR GENERAL BOLES: Now, will the Commandant of Units of Al Malaikah Temple please escort to the platform, Illustrious Sir Dale R. Bacon, Potentate of Al Malaikah Temple, the Host Potentate.

... Rising applause ensued as Illustrious Sir Bacon was escorted to the stage ...

DIRECTOR GENERAL BOLES: Thank you very much. Will all of you please remain seated and in that manner those sitting on the sides can see who is coming down the center aisle. (Applause)

Now, will the Imperial Aides please escort the Grand Masters from the forty-seven different Jurisdictions of this great continent.

... Escorting of Grand Masters then ensued ...

DIRECTOR GENERAL BOLES: What an inspiring sight.

Will the Imperial Aides please escort our other distinguished Masonic guests and heads of other Masonic bodies.

... Whereupon, these dignitaries were likewise escorted to the stage ...

DIRECTOR GENERAL BOLES: Will the Imperial Aides please escort to the platform members of the National Board of Trustees.

... Whereupon, members of the National Board of Trustees were escorted to the stage ...

DIRECTOR GENERAL BOLES: Will the Imperial Aides now please escort to the platform our own Past Imperial Potentates.

... Whereupon, the Past Imperial Potentates were likewise escorted to their places on the stage ...

DIRECTOR GENERAL BOLES: I am privileged and very proud to ask the Imperial Aides to please escort the Imperial Divan of the Shrine for North America.

... Whereupon, the members of the Imperial Divan were escorted to their places on the stage ...

DIRECTOR GENERAL BOLES: Will the Aides please escort to the stage the Mayor of Los Angeles, the Honorable Tom Bradley.

... Whereupon, the Honorable Tom Bradley was escorted to the stage ...

DIRECTOR GENERAL BOLES: Now, ladies and gentlemen, escorted by his three brothers, Alexander J., Albert B. and David A. Kisselburgh, his brother-in-law Bill Tondro and Imperial Aide, Arthur Burgan, the Imperial Potentate of the Shrine for North America, from Al Malaikah Temple, Imperial Sir Walker S. Kisselburgh.

... Whereupon, Imperial Sir Walker S. Kisselburgh, Imperial Potentate of the Shrine for North America, was escorted to the stage as rising applause ensued ...

DIRECTOR GENERAL BOLES: Will you please remain standing. You know, I knew I would get some of you. (Laughter)

... Whereupon, a musical selection, "Hail To Our Imperial Potentate" was rendered by the Al Malaikah Chanters ... (Applause) ... At this point, a Noble from each of the fifty states presented his State's Flag in column formation ... (Applause)

DIRECTOR GENERAL BOLES: We are extremely privileged to have most of the states and provinces of the North American continent present and presented today and we thought it would be very delightful and prideful for each of us to recognize these great institutions within our continent. So, ladies and gentlemen, will you join with me in receiving these great State Flags. (Applause)

I will now ask the Commandant of Units to present the Colors of the Shrine.

... Whereupon, the Color Guard of Al Malaikah Temple presented the Colors of the three nations of the Shrine ...

... There then followed the Shrine Pledge of Allegiance and the playing of the three National Anthems by the Al Malaikah Temple Band, following which the Colors were retired ... (Applause)

DIRECTOR GENERAL BOLES: I now present to you the Imperial Chaplain of the Shrine for North America, the Reverend Dr. J. Whitcomb Brougher, Jr.

REVEREND DR. J. WHITCOMB BROUGHER [Imperial Chaplain]: May we pray.

Almighty God, our Heavenly Father, we thank thee that in thy word we have heard "blessed is the nation whose God is the Lord."

May thy blessing be upon the nations of our continent. May thy blessing rest upon the members of this hemisphere. May thy blessing rest upon people throughout all the world.

Also, today, we pray thy blessings upon us who are assembled here. We thank you for the beginning of our great Sessions together.

Bless, we pray, our Imperial Potentate, Walker Kisselburgh, as he presides over all of the business that is ours and, Heavenly Father, we pray that we may learn to live together peaceably, with friendship, with good will, with enthusiasm to live and do the things that thou would have us do, that we will not have met in vain but that we have met to thy glory.

All of this we pray in thy name. Amen.

DIRECTOR GENERAL BOLES: You may now all be seated. I am sure you have been waiting for me to say this for the last fifteen minutes. (Applause)

Thank you, Dr. Brougher.

I do not know how many of you might have been at the Imperial Council Session held in Atlanta last year but let me ask, how many were there last year?

. . . Many hands were raised . . .

DIRECTOR GENERAL BOLES: To those of you who were there, I want you to know that this is my voice, my own voice.

. . . Laughter and applause ensued . . .

DIRECTOR GENERAL BOLES: At this point, it is my distinct honor to declare the One Hundred Twelfth Imperial Council Session now open.

Will you please recognize with me the entertainment provided for us prior to the opening and the assistance given us during our introductions by the Al Malaikah Band, directed by Noble Paul W. Galloway. (Applause)

As a Past Potentate of Al Malaikah Temple, being the Director General this year, obviously I am honored and very privileged and proud and with that pride comes, of course, a great deal of humble feelings that each one of us has, I am sure, who gets this privilege of occupying this podium.

However, for all of the children in our hospitals and for all of the members throughout North America who could not come, I extend to them a welcome in absentia.

To our Imperial Potentate, Walker S. Kisselburgh, I obviously will be forever indebted for all the fine things he has given me, including an ulcer, headaches, sleepless night, etc. (Laughter)

Other than that, Walker, let me say that I am very privileged and glad to have had this honor. (Laughter)

However, I think, most important of all, we all are proud of this community and that Walker Kisselburgh did choose Los Angeles as his city for this Imperial Council Session. As you all know, the Imperial Potentate has the privilege of choosing the city of his Session and, in my opinion, he could not have chosen a finer city with warmer people than we have in Los Angeles. (Applause)

And with those words, I am now privileged to introduce to you the man that makes this community what it is. He is a man of great leadership, who has come up through the ranks of serving the public right from the police force on up.

My son happens to be a policeman and so I had to give him a few words. His name is "Boles," Mayor. (Laughter)

Now, I do not know if he is up for promotion or not, but I would just like to mention that to you, Mayor. (Laughter)

Seriously, however, Nobles and gentlemen, I am proud to present to you the Mayor of Los Angeles, the Honorable Tom Bradley.

. . . Rising applause ensued . . .

THE HONORABLE TOM BRADLEY [Mayor of Los Angeles]: Thank you very much.

I want you to know that despite that connection with you, we are going to take care of Officer Boles. (Laughter)

Imperial Potentate Kisselburgh, I am delighted, on behalf of the people of the City of Los Angeles, to extend to the members of your family, those in attendance here at the One

Hundred Twelfth Imperial Council Session of the Shrine for North America, a hearty Los Angeles welcome.

We know it has been a long time since you journeyed to our city. In fact, in 1950, when you last met here, Harold Lloyd was Imperial Potentate.

Also, we have undergone a transformation in this city since you were last here in that official capacity. We are proud of this city and what it has accomplished and what it means to this country.

You were a part of 2.5 million who witnessed the 1984 Summer Olympics and one that made us so very, very proud to be Americans. (Applause) It is also one that made us feel good ourselves; one that helped the whole world recognize the kind of hospitality which we might exhibit here in the City of Los Angeles.

So I am pleased that you have come to enjoy, to experience not only the great climate we told you we have but we likewise want you to enjoy our places of entertainment, our restaurants, hotels and our places where you will get a chance to get to know and meet our greatest resource, the people of this great city.

They are a hospitable group. They want you to feel at home.

We invite you to enjoy our city and our environment. We also invite you to leave some of that long green for which you are well reputed—to deposit it generously whenever you meet. We have just finished our budget but we can always use a dollar or two extra here and there. (Laughter)

Now, not only has this city undergone a transformation in terms of its physical development that has taken place here, but we have grown in terms of the numbers of people and the diversity of people of this great city.

We also have grown in terms of the diversity of our economy.

We are pleased to tell you that the economy of Los Angeles is strong; that even in the roughest of times we have been able to manage to ride above the stormy seas. This is largely due to the great partnership which exists between the business community and Los Angeles and City Hall.

We have determined that this is the best way to keep the city alive—that it is the best way that you revitalize a city which itself is beginning to feel the effects of age and deterioration and blithe.

So we began thirteen years ago, with the renovation and revitalization of downtown Los Angeles and we are now calling it “Renaissance Los Angeles” because we are at the height of development that has taken place here.

We invite you to enjoy the great cultural activities of this community. We know that wherever you may come from, you will find somebody from home. We sometimes think, you know, that all the world came to Los Angeles, well, not entirely, but enough of us that we can tell you wherever you come from, you will find some of your home folks here in this city.

We are a community that wishes you the best.

Just as Shriners know how to enjoy themselves, so do we, but just as you never forget that you have a serious business to conduct, so do we remember that serious side of life.

We are proud of what you have accomplished in the way of serving the young and the ill—those who are in need of medical care, in outstanding hospitals which you have built all over this country. You have brought to this country and to this continent as a source of pride, a feeling of envy, I am sure, in various parts of the world. The folks here really know how to do it.

We hope that you will enjoy your business session and we hope also that you will get a chance to see some of the sights of the city.

It is a place where, within an hour, you can be at the beach or in the mountains or in the desert.

We hope that you will have an opportunity to go and plant your feet in the foyer of the Chinese Theatre, where you will find the footprints of some of the famous in the entertainment industry. If you do not find them there at the Chinese Theatre, walk down Hollywood Boulevard and you will find people scattered all over the place and I mean in terms of the footprints in the sidewalk. (Laughter)

Yes, you will find of these live bodies scattered here and there also but I will tell you, just as during the 1984 Summer of the Olympics, even they extend a hand of welcome to you.

You just reach out, touch and enjoy.

Let me not take any more of your time. I am delighted to have been able to come and to welcome all of you to this great city. I am pleased we have been able to work with those of you who have been involved in the planning for this great assembly.

We have a saying in our city—"My house is your house, enjoy."

Thank you very much.

... Rising applause ensued ...

DIRECTOR GENERAL BOLES: Thank you very much, Mayor, and before you leave, do not mention what I said to my son or he will shoot me. Nevertheless, thank you, sir. (Laughter)

Now, as a Past Potentate of Al Malaikah Temple, it is with great pride that I introduce the Illustrious Sir Dale R. Bacon. (Applause)

ILLUSTRIOUS SIR DALE R. BACON [Potentate, Al Malaikah Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Sirs, Illustrious Sirs, Nobles, Ladies and Guests: On behalf of the 23,000 members of Al Malaikah Temple, we welcome you. Our Nobles and their families are delighted to see you here.

We invite you to our home, which is the Shrine Auditorium.

Further, it is going to be a warm convention, going to be a delightful convention and, again, we are delighted to see all of you here.

Thank you very much. (Applause)

DIRECTOR GENERAL BOLES: For the next introduction, I will now call upon our Imperial Potentate, Imperial Sir Walker S. Kisselburgh. (Applause)

IMPERIAL POTENTATE WALKER S. KISSELBURGH: Thank you, Tom. I appreciate the honor of having you introduce me.

It is now my pleasure and an opportunity to introduce these wonderful gentlemen who have really honored us with being in Los Angeles. We have the largest number of Grand Masters from the Grand Lodge Jurisdictions of the North American Continent that we have ever had.

I would like to individually introduce them, if I may.

I have already apologized to these gentlemen if I do not pronounce their names correctly but I want to try.

Now, with regard to this first individual, I want to tell you (laughter) that he is not only a big man but comes from a big state.

He is a former Potentate of Al Aska Temple.

May I present to you Most Worshipful Gunnar Flygenring, Grand Master of Alaska.

Will you remain standing, Worshipful Sir, until we have introduced the rest of your Brethren.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you.

Now it is my great privilege and honor to present to you for a few words of welcome, the Most Worshipful John W. Driskell, Grand Master of California.

Most Worshipful John and I served the Grand Lodge of California in 1974. He has always held it against me. (Laughter) He never let me forget it—that I made a better Grand Officer than he did. (Laughter) I was the Grand Orator and he was a mere Grand Senior Deacon. (Laughter)

So at this time I present to you Most Worshipful Brother John W. Driskell, Grand Master of California.

... Rising applause ensued as Most Worshipful Brother Driskell approached the podium

... MOST WORSHIPFUL JOHN W. DRISKELL [Grand Master, California]: Thank you so very much.

You know, the only reason Walker was appointed as a Grand Lodge Officer of the Grand Lodge of California is he made so many mistakes it made the rest of us look good. (Laughter) You know, he keeps forgetting that I get the last word. (Laughter)

Now, Illustrious Sirs, Grand Masters, all of you Nobles, Ladies and Beautiful People, we welcome you to California in behalf of the 175,000 Masons we have in California and we extend to you a very hearty Masonic welcome and we hope you enjoy this tremendous Session, the One Hundred Twelfth Imperial Council Session in this beautiful Bonaventure Hotel.

I think I have to tell you a little story at this point.

The Mayor was talking about where some of the people in the city came from and, in that connection, let me say that I come from a tremendously large town up in the mountains, named "Twin Bridges." (Laughter) As a matter of fact, we have a total population of ten. (Laughter) The reason we do not grow is every time a lady gets pregnant another guy leaves town. (Laughter)

We are so really small that we even do not have a town drunk. We all take turns. (Laughter)

I just cannot get Eleanor to take her turn and so I have to take two. (Laughter)

We did have a beautiful Fire Department but we lost it a couple of weeks ago. It was a three-legged black dog. (Laughter) That is all right, I will wait for you. (Laughter)

You know, Walker said he and I go back a long ways. We can kid each other and enjoy each other's company and, further, I am sure all of you have learned that during this past year and the years he has been involved in the Imperial Line, he has been a tremendous man, a very dedicated individual. As a matter of fact, he lives and breathes Shrine Masonry twenty-four hours a day. Of course, that does not leave much time for Neita but he goes along and he tries to do things for this Shrine and for the Masonic Fraternity in North America and we are tremendously proud of him here in California and, Walker, I wish you God speed and all luck for your One Hundred Twelfth Imperial Session.

Congratulations and we welcome you back to California. (Applause)

IMPERIAL POTENTATE KISSELBURGH: You know, I wish he had not hugged me here in California. (Laughter) However, the thing that bothers me is that I enjoyed it. (Laughter)

Well, it is with great honor that I now introduce to you other Masonic dignitaries here and present on the stage with us.

May I first present to you Brother and Noble Henry E. Stickney, Grand Master, Order of DeMolay. (Applause)

Most Excellent Companion Walter H. Winchester, General Grand High Priest, Royal Arch Masons, International. (Applause)

Most Illustrious Companion Bernard Mandlebaum, General Grand Master, General Grand Council, Cryptic Masons. (Applause)

Sir Knight Donald H. Smith, Grand Master, Grand Encampment of Knights Templar. (Applause)

Illustrious Francis G. Paul, Sovereign Grand Commander, Ancient and Accepted Scottish Rite, Northern Jurisdiction. (Applause)

Illustrious C. Fred Kleinknecht, Sovereign Grand Commander, Ancient and Accepted Scottish Rite, Southern Jurisdiction. (Applause)

Let me say that those of you who have not been to Binghamton, you have missed one of the most exciting experiences of your life. (Laughter) You know, they watch the grass grow there for entertainment. (Laughter)

I will now turn it back to the Director General, Tom Boles, and I will be back with some very intelligent words of wisdom in a little while and so please do not leave. (Laughter and applause)

DIRECTOR GENERAL BOLES: Well, we are down to really the people who do a lot of the hard work. Ladies and gentlemen, I would like to present to you the members of the National Board of Trustees. I will ask you to please hold your applause until they have all been introduced.

Robert J. Turley, Past Potentate, Oleika Temple.

Mahlon W. Hessey, Past Potentate of Boumi Temple.

C. Howard Bozeman, Past Potentate of Kerbela Temple.

William E. Mattison, Past Potentate of Arabia Temple.

Winner F. Delp, Past Potentate of Lu Lu Temple.

DIRECTOR GENERAL BOLES: Let us give them all a big hand. (Applause)

And now I would like to introduce to you our Past Imperial Recorders who are present—Robert J. Turley of Oleika Temple. (Applause)

You know, he just never quits working.

Now it is my sincere pleasure to introduce to you the Past Imperial Potentates each of whom have contributed so greatly to the great success of our beloved Shrine.

As you all know, every building has a foundation and it is from that foundation we get the strength and the future and the stability of that building.

I know you share with me the pride of the Past Imperial Potentates because each one of them have put together a block into that great building we call Shrinedom. Therefore, it is my great pleasure and privilege to introduce them to you.

Gene Bracewell, Imperial Potentate, 1984–1985, Yaarab Temple, Atlanta, Georgia.

DIRECTOR GENERAL BOLES: Ladies and gentlemen, it is with high privilege and a distinct honor, also with a deep sense of personal pride, that I present to you the number one Shriner in North America and, to put aside all rumors, he is not my uncle. (Laughter) However, I do present to you my "Grand Pappy" in the Shrine, one whom I really have loved with all my heart, Imperial Sir Walker S. Kisselburgh.

. . . Rising applause ensued as Imperial Potentate Kisselburgh approached the podium . . .

IMPERIAL POTENTATE KISSELBURGH: Thank you, Illustrious Sir Tom, for doing a magnificent job in putting this program together. You know, it just does not happen, it takes a lot of people.

I also wish to thank you Al Malaikah Band and, of course, our Al Malaikah Chanters and, last but not least, thank you, Al Malaikah Temple and also, Illustrious Sir, thank you for allowing the troops to come out and put this grand pageantry on display.

This is the name of the game—this is the pageantry of the Shrine that we all love so much. I am really proud to stand here as a native son of Los Angeles and bring you greetings from Los Angeles.

You know, they say that it is rare to be a native son. Well, my wife and I are both natives. She was born up in the middle part of the state, I was born in the southern part of the state and being from California you must realize that we are under scrutiny. You know, they say that being from California is like being a breakfast cereal—you take away the fruit and the nuts and you still have a bunch of flakes left. (Laughter) That bothers me a great deal. (Laughter)

You know, I have been on the Imperial Divan for quite a number of years now and I am just about ready to go out and I want to tell you that it weighs heavily upon me to be from California and the Grand Master does not have to go out into the big world to be subjected to the abuse of being from California.

You know, I was labeled as a fruit fly not too many years ago and a lot of people had a lot of fun with that. I was in Bismarck, North Dakota. How many of you have been to Bismarck, North Dakota, or to Binghamton and the Twin Cities? (Laughter)

No, actually, I had a wonderful time in Bismarck. I was the guest of the Potentate of El Zagal Temple. I gave a magnificent talk and after a long standing ovation was over, the Mandan Indians came in through the back door, dressed in their full Indian regalia. They are an off-shoot of the Sioux Tribe of Indians and they proceeded to ask me to come down to the dance floor where they laid out an Indian blanket and that scared the hell out of me for a moment there but they asked me to come down and smoke the peace pipe with them and so I sat cross-legged and did smoke the peace pipe and then they waved a magic wand and said some very serious words and I can tell you it was a serious ceremony and they proceeded to make me an Honorary Indian Chief. They gave me the Indian name of "Wakia Honegena," which, in the English translation means "Chief Fruit Fly." (Laughter) Therefore, you can understand what it means to be from California. (Laughter)

Welcome, welcome to Los Angeles. We are proud and pleased to have you with us. We hope that you have the time of a lifetime.

We have tried to anticipate your every need and we are prepared for you.

We have a little surprise now and then. We do have a few reporters around and I am sure you Potentates are being asked some questions. However, we are handling that.

We took care of some of that at a major press conference we held at one-thirty this afternoon to answer, hopefully, those questions being put forth by the investigative reporters.

We had the national networks represented there and a myriad of reporters and they had their television cameras there. I am sure that you are going to see a lot of exposure on television day and night and probably for the rest of the week.

You should know about it because it is important to you as not only Shriners but members of the Shrine, women who are married to Potentates, Chief Rabbans and Nobles—you should know what is going on.

These investigative reporters, they do not do this job to print positive things—they print the negative aspects and in our conversation with them today, we told them, for example, how proud we were to take care of just under 300,000 kids who normally would not have been helped because of their inability to pay. We take care of them regardless of race, color and creed. We do not have a cash register, do not take any money from the federal government nor from any insurance companies.

However, these reporters do not want to hear that because, as I said, they only want to hear the negative side of things.

Initially, these two investigative reporters were led to believe, in Orlando, that the money from the circuses was going to Shriners Hospitals for Crippled Children and it did not happen that way and, as a result, the Orlando Sentinel and these two reporters were hurt. They smelled a rat—and said, "Really, if it stinks or smells at the local level, think how it must smell on the national level."

That is why we have to be so careful in relation to what we do in the eyes of the public.

We all, in the Shrine, run circuses in our Temples. As a matter of fact, it is the biggest fund

raising event of our year, of the Potentate's year but the most important part of this is that, on the part of activities of some of the Temples, it does not generate money for Shriners Hospitals. There are some of these Temples we are in the process of attempting to identify now. We told these reporters that we would censure the Temples that are crossing over this line and inferring that the money raised is going to help that unfortunate child, the crippled child when actually it may be going elsewhere.

However, think of the thousands and hundreds of thousands of kids that we bring into these circuses to see that event. However, these reporters do not want to hear that. These reporters have taken this story and labeled it with a byline saying that one-third of the money raised from Shrine Temples goes to Shriners Hospitals for Crippled Children. They are implying something is wrong. They also are saying that we have a confusing organization. We have the Iowa Corporation, we have the Colorado Corporation, we have 188 Potentates, we have 188 Shrine Temples, all autonomous unto themselves.

So, again, we are trying to properly handle this thing.

Also, let me ask you, how many of you read the retractions that are put into the newspapers? They never retract, do they, and, if they do it, they do it in the want ads. (Laughter)

At any rate, they have written their story, Nobles and Ladies, and the first one came out yesterday, the second one will come out today and then there will be one tomorrow and the last one will be the day after tomorrow. They have given us a black eye because that is what these investigative reporters are supposed to do, I guess. Therefore, I guess we are going to have to live with it.

However, we are a good fraternal organization, we are a pure philanthropy and, Mr. Newspaperman, give us the exposure that we deserve.

The image of the Shrine we are projecting is a positive, good image.

Welcome to Los Angeles. Have a good time. If you are approached by a reporter, tell him the truth, tell him that you are proud to be a Shriner and that you are proud to support Shriners Hospitals for Crippled and Burned Children and turn it around.

. . . Cheers and rising applause ensued at this point . . .

IMPERIAL POTENTATE KISSELBURGH: Thank you for your applause—thank you very much.

I now declare the Public Opening Ceremonies of the One Hundred Twelfth Imperial Council Session to be closed. Thank you all for coming and enjoy yourselves.

. . . Whereupon, at three-forty-five o'clock p.m., the Public Opening Ceremony was adjourned . . .

AFTERNOON SESSION TUESDAY, JULY 1, 1986 THREE O'CLOCK P.M.

The One Hundred Twelfth Annual Session of the Imperial Council was convened in the Ball Room of the Westin Bonaventure Hotel, Los Angeles, California, on Tuesday afternoon, July 1, 1986, at three o'clock p.m., Imperial Potentate Walker S. Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: Will the Representative please take their seats. We have a good deal of business to conduct this afternoon. May you please take your seats and be quiet so that we may get started.

Waiving all forms and ceremonies, I now declare this One Hundred Twelfth Annual Session open for business.

I will now call upon our Imperial Chaplain, Dr. J. Whitcomb Brougher, for the Invocation.

IMPERIAL CHAPLAIN BROUGHER: Gentlemen, in light of the news reports of this day and yesterday, I want to read first from God's Word and then I will pray.

"The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid?

When wicked, even mine enemies and my foes, came upon me to eat up my flesh, they stumbled and fell.

Though an host should encamp against me, my heart shall not fear; though war should rise against me, in this will I be confident.

One thing have I desired of the Lord, that I will seek after; that I may dwell in the house of the Lord all the days of my life."

Heavenly Father, we thank you that you have urged us to have faith and not be filled with doubt and perplexity or worry or anxiety or fear.

Now we come to the opening of your very important work and a very important Session. We pray thy blessing upon our Imperial Potentate and upon all who will report and will give a word concerning the activities.

Lord, bless each one of us and not only our leaders but may everyone of us assembled in this room have the feeling that thou art here and that thy blessing may rest upon us and we can work diligently and courageously and gladly. Bless this Session, we pray in thy Name. Amen.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Dr. Brougher.

Now, Noble Roger Murdock, a Representative from Al Malaikah Temple, may I have your report concerning the Credentials Committee, please?

NOBLE ROGER MURDOCK: Imperial Sir, Members of the Imperial Divan, Representatives of this Session of the Imperial Council: I will not read all the names but I will give you the total figures and the names will be placed in the files of the Imperial Recorder.

IMPERIAL SIR, MEMBERS OF THE IMPERIAL DIVAN AND REPRESENTATIVES OF THIS SESSION OF THE IMPERICAL COUNCIL:

I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

Imperial Sir, I respectfully request that this report be approved.

IMPERIAL POTENTATE KISSELBURGH: It has been moved that this report be approved. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that the report of the Credentials Committee be approved.

All in favor say aye; those opposed. So carried and thank you, Roger, I appreciate it.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I now proclaim this One Hundred Twelfth Imperial Council Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and it will remain open until the Session is adjourned.

Now, as Representatives all, you are entitled to know exactly as to what has been going on during the past two days.

As you know, the Shrine of North America has never been under attack like it has been for the last two or three days.

We have a couple of investigative reporters, one in particular, who is living on the premises, and he, needless to say, is making himself known.

This issue has been all over the country. You have received calls and, as responsible officers of your Temples, it is incumbent upon us, the Imperial Officers, to report to you in detail so that you as Potentates and Chief Rabbans and Divan members, either on the telephone or when you get home, can deal with the press in your own manner.

Now, before proceeding further in connection with this issue, I would like to apologize to the Potentate of Bahia Temple, Illustrious Sir Bruce Thomas. I believe that in my announcement of this problem yesterday at the Opening Session, which was a Public Session, I threw a blanket of blame, or it was so construed, over the entire membership of Bahia Temple and I want to apologize for that.

The incident that was involved and which I commented on, the circus ad that the Orlando Sentinel was concerned about, is something that was done some three years ago and, therefore, there should be no blame regarding this placed on the present officers of Bahia Temple. So, Illustrious Sir Bruce, I apologize to you for that and I also hope that will get me back into your good graces.

Now, I also want you to know that when we learned of the investigation that was being conducted by these two gentlemen and we realized that we had to face the issue, we on the Joint Boards, that I, as Imperial Potentate, appointed a committee to handle this matter. This committee consisted of Dick Olfene as Chairman of the committee, Bob Turley as a member of the committee, because I do not know of anyone that is more knowledgeable about both corporations than Bob Turley is and then I also appointed Everett Evans, Imperial Second Ceremonial Master, for the purpose of being on the committee because he is the Chairman of the Imperial Public Relations Committee.

So now, in all fairness to you, we would like to have you listen to this report in its entirety. You may take notes and, as a matter of fact, as responsible officers, you should take notes so that you can report back home, either by telephone or in person to your local newspaper and radio stations.

So, with these preliminary remarks, I would like to call upon the Chairman of this committee, Dick Olfene, to give you his entire report.

PAST IMPERIAL POTENTATE OLFENE: Thank you very much, Imperial Potentate.

Fellow Representatives, a number of months ago, our staff at our Headquarters in Tampa became aware that there were two investigative reporters from the Orlando Sentinel who

were beginning to gather information to write a story about the Shrine for North America and Shriners Hospitals.

Following some telephone calls from these reporters to Tampa and following the Tampa response of going to the proper authorities, certain pieces of information were provided these two reporters.

To my knowledge, the first official inquiry from these reporters was a letter sent to Tampa under date of October 17, 1985. This told that these two reporters were going to do their story on the Shrine.

They had requested of us several pieces of information and we responded in this manner. First of all, we did, as I said earlier, respond by sending certain pieces of information and, at that time, also began to take these fellows seriously.

The Imperial Potentate answered them on two or three occasions with letters saying we were restricted as to what we could and could not do as to releasing information but yet they kept pressing. However, I guess we really knew at the outset that whatever they wrote, it would be written in a negative fashion.

With that in mind and, as the Imperial Potentate has already indicated to you, the National Board unanimously decided, as a method of damage control, that a committee be appointed to act as spokesman for our organizations. Therefore, the Imperial Potentate announced the make-up of the committee as indicated to you.

Now, they, the investigative reporters, subsequently requested a meeting with us, in relation to which we answered that we would meet with them if we were assured they would treat us fairly. They answered in writing saying that they would.

So, on April 26th, the committee, accompanied by our Executive Vice President, Lewis Molnar, and the Executive Director, Charlie Cumpstone, we met with these reporters at our new Tampa Hospital Unit to answer their questions.

We wanted to provide them answers which were true and factual and we believe we did that.

We had already provided them with copies of the Book of Reports, the financial statement, the Articles of Incorporation and the By-Laws and the General Orders that pertain to the special purpose funds. They already had these before we went to that meeting.

Well, we met with these gentlemen for some six hours.

Now, there is one thing that I want your Temples to know and that is that we refused to give them, and they kept boring in on it, your individual Temple 990 forms. We felt that was your private business and we likewise had that ruling in writing from our General Counsel.

I want to leave that for a moment and say to you, do not be surprised if one of these reporters is listening right now. He is in town. We met with him and if you are in a room, I am going to tell you, wherever you are, just the way it was and you can tape it if you so desire.

At any rate, as I previously indicated, we spent some six hours with these men. We answered their questions and why? Because we wanted them to have factual information so that they would write a story that would be truthful and factual.

They were deeply interested in our fund raising activities pertaining to both the hospitals and the fraternal organization. They also wanted to know all about how the circuses were handled and other fund raising activities and I am sure you have already seen one or two articles that indicate that was really the goal they were boring in on.

They told us, for example, that there were Temples out in the field that they had found, in relation to their investigation, that were misleading the public by inferring in some fashion, either through advertising, programs or letters of introduction in magazines, that in certain fund raising activities, these Temples were misleading the public by telling the public, in essence, that the funds raised from the activities were going directly to help the children in our Crippled Childrens Hospital program.

Gentlemen, clearly, we told them that we would not tolerate nor would we defend any Temple that broke the By-Laws or General Orders of the Shrine for North America and if they would interpret to us from their investigation which of these Temples were involved and which they were referring to, we would investigate and take any action to discipline those Temples.

Now, do you know what their answer was when we indicated that to them? They said, "You can read it in the article." Is not that typical—"You can read it and find out the Temples involved in the article."

Well, again, during that interview we answered their many questions and provided them factual information.

In the process, we undertook to minimize the total damage and, Nobles, I am pleased, from the articles that I have seen, we have indeed been successful to a degree in doing that.

Then we later learned, only within the last week or ten days, as you also did perhaps for the first time, that this story was coming out in a series of four articles out of the Orlando Sentinel Newspaper—coming out on four consecutive days, which were this past Sunday, yesterday, today and tomorrow and from the evidence we have seen thus far in relation to these two articles, we sincerely believe that they are mixing the two corporations together—they are mixing the fund raising activities and receipts of one corporation and combining them in with the fund raising activities and receipts of the other corporation, which, in turn, led us to continue to believe that these two reporters were confused and did not understand in detail the running of these two magnificent corporations. This was after we had provided them with all of the information I previously indicated.

Now, on the basis of all of this, we still believe that their story, in and of itself, is inaccurate and misleading. Also, we look with great interest in relation to what will follow today and tomorrow in relation to their articles.

Now, what can you do at this point? The articles were printed and I am sure we all had an opportunity to read them.

Also, please do not think for a moment they did not have this all planned so that this would be in the papers during the week of this great convention. This is all a part of selling newsprint.

Now, what sells newsprint—is it positive news? No, it is something negative and this is why they handled it the way they did.

Now, what have we done to help the situation?

Well, since we have arrived here, we have held a news conference, held it yesterday afternoon at one-thirty. That was comprised of the attendance of all the local news reporters from the local papers and also the major network media. Personally, I thought it was a very positive news conference. I congratulate the Imperial Potentate and, in particular, my colleague and committee member, Bob Turley, who answered many of these questions.

At that news conference, we once again answered many of these questions factually—we answered all of the questions that were asked of us in about a forty-minute time frame and I think, without a doubt, as a result, we have neutralized the Orlando Sentinel by giving the other media the facts. In fact, we gave them the same facts that the representatives from the Orlando Sentinel appeared to be confused over. We think, by so doing, this will minimize the issue in the other media services.

The sense I got from that press conference yesterday as the questions unfolded from the other members of the media, were that the other members of the media, I thought, in a sense, were kind of saying to these guys—"Why in the world did not you have your facts straight before you wrote your stories?"

REPRESENTATIVE: Let me ask you, why did we not answer them a year ago when all of this started? In other words, the story is now approximately eight months old and we are just finding out about it. All of a sudden we are talking with them for six hours almost a year later.

PAST IMPERIAL POTENTATE OLFENE: Just a moment now, you do not have the podium. If you will let me finish, then perhaps the Imperial Potentate will want to go beyond that. However, I was merely asked as the Chairman of this committee, to bring you up to date on where we are concerning this situation and, if you do not mind, I would like to finish that presentation. Is that okay?

... Cries of "yes" ...

PAST IMPERIAL POTENTATE OLFENE: Now, up to this point, you now know where we are as of one-thirty or two o'clock yesterday afternoon.

Now, I think that several of you, perhaps many of you, have seen the television blurb on

this issue and also the articles in the Los Angeles Times. Now, we felt that we came out all right, as I said earlier, by minimizing what could have been a serious situation.

Now, what are we going to do from here on and particularly to help you upon your return home? Well, the reason we are not doing anything up to this point is that we are aware of at least two more articles that will appear and we want, in turn, after they appear, to be able to review and analyze those articles and then, on conclusion of analyzing all of these articles and based on questions we think will be seriously proposed to you upon your return home, we will be preparing for you and have available for you before you leave this Session, a fact sheet which we believe will contain information that will enable you to answer any predominant questions that will be asked of you by your local media upon your return and also give you what we believe are the correct factual answers to those questions. We promise that we are going to have this prepared for you and that we will have this in your hands before you leave.

Now, on the other hand, if you are not comfortable in giving an answer when you are called or asked a question, we would then ask you to do what I think we all want to do—that is, get the right information and give the proper answer by again asking you to call our Tampa Headquarters, who will assist and take care of any problems that we believe you may have and thus again attempting to minimize things at the local level.

Now, I had an opportunity to read the first article and I also believe I speak for my committee, when I say that I did not believe that article was nearly as damaging as it might have been and, also, as I said before, we believe we have minimized the situation right at the outset by that six hour meeting we had in Tampa and we likewise found that we have minimized it for the future by holding this press conference we had here in town and, again, that is where we are today.

Now, I am sure there are a lot of questions in relation as to why we did not do this earlier, why we did not do this or that.

However, I will tell you this, that we did, after we were assigned to this, asked by the Imperial Potentate, what we felt was the right thing. We felt, for example, this was not one individual's decision, that it was the decision of many. Also, we felt this was the best route to go and to take under the conditions presented to us.

Therefore, what has happened, has happened. It is out and we are going to have to live with it and, as a matter of fact, who is to say that we cannot take a negative and make a positive out of. Let us turn this thing around.

... Cheers and applause ensued ...

PAST IMPERIAL POTENTATE OLFENE: Fellows, there is not anything in North America that the Shrine cannot do if it so desires. We can do whatever we need to do.

We not only have (and excuse me, Mr. Reporter) the funds to do it, but we have more than that, we have the talent to do it. As a matter of fact, we have some 880,000 salesmen out there who can speak positively for us and, further, if these people are concerned about how we raise money, I have news for them—that is, why do they not go and interview some of those poor, unfortunate kids and their parents and let them tell them about the Shrine of North America?

... Further cheers and applause ensued ...

PAST IMPERIAL POTENTATE OLFENE: And so, Imperial Sir, this is an update report from your committee and we feel that it is also important for you to have more information as we move along and so we will keep you updated as events progress. However, again, let me remind you that we will have this fact sheet presented to each of you before you leave here.

Imperial Sir, that is our report at this time.

IMPERIAL POTENTATE KISSELBURGH: Thank you. Is there a motion to receive the report?

... It was severally moved, seconded and unanimously carried that the report as presented by Imperial Sir Olfene be accepted ... (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will bring you up to date further than that because he spoke about "talent." Well, that talent appeared on television—me. (Laughter)

I had been interviewed during the parade. I have been interviewed by NBC, been notified that I will be on the Tom Brokaw news tonight at six-thirty.

I think you know that they just passed up CBS in the ratings and so that is going to hit the

services and television wires. It will probably be on in the East right now and it will be on at six-thirty out here on the West Coast.

Then, likewise, I was interviewed by Channel 11.

I promise you, we are on a positive note. I told them, for example, that I was a little bit upset, as the leader of some 800,000-odd Shriners, that inaccurate forecasting was being disseminated by these two reporters. (Applause) I also told them that probably these Shriners were not very happy about this information that was being inaccurately put across the wire services and so maybe we can turn this thing around.

Now, I do not want to belabor this but I heard some comment from the floor asking as to why we did not do this over a year ago.

Well, to tell you the truth, we did know about it a year ago but we were kept advised about it by our Executive Director, Charlie Cumpstone, and I told him to watch it.

Really, what can you do but, for example, you know that a reporter or reporters are beginning to smell around—what can you do to stop it?

The problem actually started in Orlando and what we are seeing here is a climax to this problem and we hope that when we leave here it is going to be put to bed.

I have also learned, in connection with marketing, that seventy percent of what you hear, feel, smell, taste and sense, you will forget in seventeen days and that the other thirty percent will take you a bit longer—twenty-nine days. As a matter of fact, that is why Coca-Cola advertises everyday, because there is always somebody everyday that is forgetting that information. Therefore, as time passes, maybe if somebody looks back on this a year from now, it will then not be such a big deal.

Now, moving right along, I would like to call on Past Imperial Potentate Peter Val Preda to make the report as Chairman of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE VAL PREDa: To the Representatives of the Imperial Council: Your committee on Transactions of Imperial Officers, as required by 108.7(b) of the By-Laws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well prepared and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee, and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate, Walker S. Kisselburgh, for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He and his lovely wife Neita, have never hesitated a moment in giving of their utmost in their visitations to our Shrine Temples, Hospitals and other Masonic organizations. They each deserve the sincere thanks and appreciation of all Nobles for their dedication to Shrine work and ideals. They have endeared themselves to the hearts of all with whom they have come in contact. Their year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Twelfth Session of the Imperial Council, and move for its adoption.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: Thank you, Imperial Sir Peter. That was a fantastic report and I appreciate you giving it in such a positive manner. (Laughter)

It has been moved and seconded that the report be adopted.

All in favor say aye; opposed no. It is carried and so ordered.

Now, the next item concerns the Imperial Potentate's Report. It is my responsibility to make my report to you for this past year and I want you to know that I had the time of my life. I have worked my tail off.

I sought this job thirteen years ago, twelve years, eleven years ago and ten years ago and I finally got elected to the Office of Imperial Captain of the Guard, not dreaming that this job would entail such energy.

I moved right into Endowments, Wills and Gifts and I found that I was a round peg in a round hole. I loved it, and I took hold of it and I enjoyed doing what I was doing. However, I never dreamed that it was such a heavy responsibility.

Then I subsequently became Imperial Potentate and had to travel for the entire year, and that is what it is, acting as a good will ambassador for you Representatives for the Shrine for North America at the invitation of Potentates to visit their Temples, at the invitation of Shrine Associations to visit their Associations and at the invitation of football games and classics, to attend their events and also at the invitation of other Masonic concordant bodies to visit their organizations and represent the Shrine and bring greetings from the 868,000 members and all our kids in the hospitals.

Wherever I have presented my messages and talks, I have purposely started off those talks and messages with some light-hearted fare, not wanting to injure anyone in any particular place or spot and I do not think I did.

My intent was to start my message off lightly and subsequently get the message to convey that we are a fun organization and that we should never forget that we are a fun organization. It was founded that way, for fun and fellowship.

The image of the Shriner we are trying to project now is a little bit different than the image of the Shriner that was projected during the first fifty years. You were encouraged to have press conferences for the Imperial Potentate, as you will be encouraged to have press conferences in the future and that is only right that it should be that way, for the Imperial Potentate to speak to the press and to give his message, along with the Potentate of the Temple that he is visiting.

My subject for the entire year was, "Mr. Newspaperman, the image of the Shriner has changed and you should realize it has changed and give us a break. Sure, we are a fun loving outfit and we always will be a fun loving outfit but give us credit for being a fun loving outfit with this very, very serious purpose of ours and that is of helping the crippled and burned child. We are doing magnificently in relation to that particular task and so write it up in a positive manner."

Now, would you believe me when I say that we actually got some newspapermen and women to do just that and, in turn, received some favorable press across the country?

Now, I might add there that you have all received the most beautiful annual report that we have put out thus far and our Public Relations Department, under the supervision of Imperial Sir Everett Evans, should be highly congratulated for putting out such a wonderful annual report, which should likewise be a compliment to the Public Relations Committee. It is of the highest quality and it really tells the story in every respect. Further, I am sure that the investigative reporters have a copy and will be digesting it but, as I said in that beautiful report that the reason the Shrine exists today is not only to have fun but to help those less fortunate children who need the type of care our twenty-two specialty hospitals offer at no cost.

I have traveled the North American continent as far south as Anezeh Temple in Mexico City and Abou Saad Temple in the Republic of Panama, which is alive and well and they have fine, dedicated Shriners down there working for Shriners Hospitals for Crippled Children and are sending kids of their area to our Shreveport Unit.

I have been as far east and north as St. Johns, Newfoundland, Mazol Temple and I even kissed the cod and for those of you who have not kissed the cod, try it sometime. (Laughter) It is a sickening experience. (Laughter)

Also, I have been as far west as Aloha Temple at Honolulu, who is taking care of the South Pacific.

If you think you have problems with your Temples in a small geographic area, think of Aloha Temple, 3,000 members but 1,500 of them are scattered around the globe and 1,500 of them are home on the Islands to take care of their magnificent hospital that they have in Honolulu with kids from all over the South Pacific. You are to be commended, Aloha Temple, and, I might mention at this point, I would like to have these investigative reporters go over and see how hard you fellows work. (Applause)

The first visit of an Imperial Potentate's agenda is traditionally Hadji Temple.

Hadji Temple started this, well, at the time they received their Charter, namely, that when an Imperial Potentate is elected to the Outer Guard position, he gets a letter of invitation from Hadji Temple extending an invitation to visit on a certain date eleven years from that time. The guy that wrote the letter may not even be living at that time. (Laughter) I have seen some of the guys at Hadji Temple and it probably is true. (Laughter) I am only kidding, J. B. I love you like a brother.

You know, it is an experience of a lifetime to visit Hadji Temple as the Imperial Potentate.

Further, I have been to all of the Shrine Associations. I have been to all of our wonderful Temples of Mercy, our Shriners Hospitals for Crippled Children, with the exception of two, Erie and Springfield. It has been a great experience.

I represented our great Shrine at the International Order of Job's Daughters. I represented all of you at the Triennium of the York Rite in Cincinnati. I also represented you at the Northern Jurisdiction of the Scottish Rite in Detroit and I represented you at the Southern Jurisdiction of the Scottish Rite in Washington, D.C.

I likewise gave major addresses to the Ladies of the Oriental Shrine and the Daughters of the Nile and I want all of you here today to know, if you do not already know it, that these two ladies' organizations combined gave us approximately \$1.8 million in help for our Shriners Hospitals for Crippled Children. We are proud of their support. They want to be thanked and so please, when you go home, thank them for your Shrine and for our Shriners Hospitals. (Applause)

I was very proud and pleased to be the second Imperial Potentate, after Imperial Sir Gene Bracewell, to address the Conference of Grand Masters in Washington, D.C. We have come to the point where we are actually talking with the Grand Masters and fraternizing with them and they are now recognizing that we are one of the most important arms of the Masonic Fraternity—we are the window of Masonry—and it was a very proud moment for me today to see all of these Grand Masters assembled in a body—all Shriners walking in the Shrine Parade. (Applause)

Football games. Golly, what a magnificent job we do in connection with our football games. I think that outside of the circuses, the Shrine is famous for its football games, in relation to which Shriners Hospitals for Crippled Children is the recipient.

I attended the Maple Sugar Bowl Game at Hanover, a magnificent affair, held on the

campus of Dartmouth College. The Temples in the northeast area are to be highly commended for that activity. There was a great turnout for a beautiful parade and a great football game.

Likewise, I want to pay honor to the six Temples in the Carolinas for their great competitiveness—three Temples in North Carolina and three Temples in South Carolina, all competing together for a whole year with all kinds of fund raising activities, knowing that they are a competitive spirit to beat last year's figure and, I might add, last year's figure was just a little over \$2 million—six Temples raising over \$2 million.

I also know of Omar Temple at Charleston, South Carolina, that raised \$170,000 selling candy. By golly, did you ever realize that you could make that much money by just selling candy? I did not.

Also, during this year of my being your Imperial Potentate, I attended the Carolina Bowl Game in December, at Charlotte, North Carolina. It was a magnificent spectacle—an attendance of 22,000 people filling that stadium—but the most important thing was the parade beforehand and then the half-time activities. During the half-time activities the whole football field is filled with high school bands, very well trained, very well rehearsed and they bring out a king and queen, patients of our hospital, dressed in their robes down the fifty yard line to the center where they have a platform with a throne for the two of them. The reporters were there and we had good exposure, excellent exposure. Also, during that time, the bands were playing "You'll Never Walk Alone"—a tremendous emotional impact and then those six potentates of these wonderful Temples in the Carolinas unfurled a giant check for the television cameras and reporters to see which was in the amount of \$2,501,000. (Applause)

I am sure that Imperial Sir Russell Anthony is going to come back to you next year and he is going to report to you that it is even going to be higher next year, mainly because that is the way they do it down there—competitiveness—and I would also urge each of you in your respective states to get into that type of competitiveness. It works, it works real good and the beneficiaries and winners are our kids.

Then also there was the East-West Game, which has had an up and down history over the last twenty or thirty years and right now they are working just very feverishly to hold it at its present level. Last year they had the biggest crowd they ever had, some 77,000 people.

I might add that we lost the major part of our network coverage because they found out that all-star football games do not have any ratings—there is too much competition with the professional games, with collegiate classifications. People identify with team names and not with all-stars and so the ratings were dropping and, as a result, CBS chose not to pick it up.

The fellows at Islam Temple had to fight and go out and scratch and they finally came up with Mislou and this is an independent network but, do you know something, the Shrine came out better because they televised the entire half-time festivities of the East-West Game. Also, they gave the Imperial Potentate two minutes to put across his message about Shriners Hospitals for Crippled Children and that exposure was absolutely priceless because, before, CBS would only give us about ten or fifteen seconds. So we are very fortunate to have them pick us up for two more years with the East-West Game.

Also, they started something new last year in that they brought in some Canadian all-star football players and if you do not think that has not worked out, you should see the press reports.

At the Canadian breakfast the other morning, we presented pictures of two players that played and the Mislou Network was all across Canada and we received some very good exposure in relation to Shriners Hospitals concerning this. It did us a lot of good and, as I say, they are going to continue on with it.

That is an Islam Temple project, with the support of the other Temples in Northern California and they are all doing a magnificent job.

So my experiences this past year as your Imperial Potentate have been absolutely wonderful and I can stand before you today as a humble man and say that I never expected to ever reach this level.

Now, when I became the Master of my Lodge, I thought I would never reach that level; when I became the President of my Shrine Chanters at Al Malaikah Temple, I thought that

would be the peak of my desires; and then when I was appointed in the Line at Al Malaikah Temple as Second Ceremonial Master, my father passed away at that particular point and never lived to see me become Potentate. However, I thought, "Here I am, I just cannot believe it, the Potentate of my Temple, 28,300 members." I was absolutely overwhelmed.

Then I was appointed Grand Orator of the Grand Lodge of California, was absolutely amazed and did not even know, as a matter of fact, how I was going to handle that job.

I then subsequently ran for the Imperial Line and here today I stand before you as Imperial Potentate and tell you that I did not plan that—I did not plan that at all. It happened. However, I am glad it happened. It gave me an opportunity to do something, to accomplish something of my life and I have enjoyed it, I have enjoyed it immensely.

My talks have been reaching out and touching someone and I have attempted to reach out all year and touch the various audiences to whom I have spoken. When I have done that, I have attempted to touch them with a story of the Shrine, the Story of Shriners Hospitals for Crippled Children. I have reached out and touched people so emotionally that they have gone home and they have changed their wills or even written wills involving Shriners Hospitals when they did not have any and, as a result of this past year, we, in relation to Endowments, Wills and Gifts, are doing a tremendous amount of raising money and, further, we are doing something with that money. We have been attempting to build new hospitals because many of our hospitals are sixty years of age and they are all worn out and, therefore, we have to replace them and we would even have to replace them if we did not have the money with which to do it.

Therefore, that is why it is incumbent upon all of you leaders of your various Temples to know the Story of the Shrine. It is encapsulated in a little green pamphlet that our Tampa Public Relations Department will give you, give you as many copies of it as you want. If you are on the Divan of your Temple, make sure you know that story so that when you get to a microphone you can reach out and touch someone because that is how we are going to continue with this great philanthropy and we will continue with it regardless of the investigative reporters that have been on our necks for the last six months, we will continue with this great philanthropy because it is the heart and the soul of our Fraternity. (Applause)

I was also very proud, as Imperial Potentate, to have presided over the dedication of our brand new Tampa Unit of Shriners Hospitals. For those of you who have not been there, let me say that it is an absolutely magnificent sight. Also, I was privileged to be Imperial Potentate at the time when the Shreveport Unit was ready for rededication, a brand spanking new hospital. It likewise is absolutely magnificent.

We have entered a new era in relation to our hospital system. You just cannot believe, in connection with our newer hospitals, that these are actually hospitals when you walk in the front door and, of course, that is only as it should be because, after all, our kids are not sick—they are healthy kids that have been born with some deformities that we try to straighten out for them.

So, if you have an opportunity, get by and see Shreveport, get by and see Tampa, get by and see the one we have here in Los Angeles because if you do not, you are not fulfilling your responsibility as a Shrine leader.

Likewise, the Los Angeles Unit is absolutely magnificent.

So, I think you Representatives, even though as I look out among you, I see that there are, outside of maybe a hundred or so, many of you who did not initially vote for me ten years ago. (Laughter) Of course, ten years ago there was a different audience out there, a more intelligent group of people who saw fit to vote for me. (Laughter and applause)

Well, I am only kidding. Once again, thank you. I have thoroughly enjoyed my year as Imperial Potentate and to state otherwise would be lying to you. I have enjoyed it immensely.

I am exhausted, I am tired and in three days I am going to turn over the gavel to Imperial Sir Russ Anthony and he will also be very happy and proud to be your Imperial Potentate. Personally, I want to go home and collapse—I want to forget about you guys. (Laughter)

Again, I am kidding but, again, God bless you all and thank you for giving me this opportunity.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: I would now like to take this opportunity to recognize the Illustrious Potentate of Islam Temple for a brief presentation.

ILLUSTRIOUS SIR RAY PALANGE [Potentate, Islam Temple]: Imperial Sir, Imperial Sirs and Representatives: Last year a cannon was presented to Imperial Sir Gene Bracewell. However, Islam Temple, being the Temple that it is, the Mother Temple of the West, home of the East-West Shrine Football Classic, we took pity upon Imperial Sir Bracewell and brought it to Los Angeles to present to you, Imperial Sir.

We put it in your hands for your custody and control and the love and appreciation it deserves. Thank you, Imperial Sir.

... Laughter and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Just a moment, what am I going to do with a cannon? Well, do not answer that question. (Laughter)

- IMPERIAL POTENTATE KISSELBURGH: May I now call upon a man who has not represented the Southern Jurisdiction of the Scottish Rite before because he has just been elected to that office. I refer to the Illustrious C. Fred Kleinknecht, Sovereign Grand Commander, Ancient and Accepted Scottish Rite, Southern Jurisdiction, for a word of greeting.
- Honorable Sir, will you please do that for us?

ILLUSTRIOUS C. FRED KLEINKNECHT [Sovereign Grand Commander, Scottish Rite, Southern Jurisdiction]: Imperial Sir and Imperial Sirs, it is a distinct pleasure for me to be with you here representing the Supreme Council of the Southern Jurisdiction and to greet you at this One Hundred Twelfth Imperial Council Session.

First off, I would like to say that the Supreme Council has a Special Meritorious Service Award which I am going to present to Walker Kisselburgh for his outstanding efforts in behalf of Freemasonry and Shrinedom and the Crippled Childrens Hospitals.

As I said, this is a special award. Now, Walker, I was not able to bring it with me but I will certainly see that you receive it. I might add that this is a special award, one not given to very many individuals by our Supreme Council and Walker, you will receive this within the next ten days. (Applause)

You know, true charity involves both the heart and the hand. It is not enough just to feel charitable. Action must accompany the sentiment. How well the Shriners prove this is true for you not only care about children, you do something for their cause and that something is magnificent.

Consider your Shrine Hospitals—no fewer than twenty-two—and three of these especially for victims of burns. What great accomplishment these represent. Because of Shriner efforts, thousands upon thousands of crippled children have been helped to live normal, productive lives. Because of Shriners' compassion, children terribly disfigured by burns have been restored to health and happiness.

And what have you gained? What is the "bottom line" of your profit? In dollars and cents, of course, nothing. However, each Shriner here has benefitted in a far more important way. By extending himself to these innocent children, he has brought his own humanity, his sense of what it means to be a sharing, caring human being—no small accomplishment in this hustling, bustling, dog-eat-dog world. No Shriner can help a child without becoming himself a better, happier person.

Once wealth was counted by children. The more children a man had, the richer he was. They would work his land and increase his crop. Today's Shriner is truly a rich man. His children are legion. His inheritance is their gratitude and the benefit that they will, as adults, bring to others.

The children assisted by the Shrine will always know that they are what they are only because the Shrine cared, and they will repay this debt many times in acts of charity to others.

In helping these children, every Shriner brings an arc of human concern that goes well beyond his personal involvement and reaches to others he will never know.

Speaking for all the Brethren of the Scottish Rite, Mother Jurisdiction of the World, I congratulate you on this great philanthropy. We are proud of your achievements. We encourage you to continue this noble work for in it is expressed Freemasonry's essential message—that all our fellow beings are the children of one loving Creator and that in serving them, we serve Him.

Thank you and God bless you.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you and please take to all of the members of the Scottish Rite of your Jurisdiction our warm greetings.

I will now recognize the Chairman of the Jurisprudence and Laws Committee, Past Potentate Walter Pettit, of Abou Ben Adhem Temple, to present to you and explain the procedure that will be used during this Session.

NOBLE WALTER PETTIT: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I would just like to take a moment to discuss with you the procedures which we will take into consideration, items of legislation and other matters before this One Hundred Twelfth Imperial Council Session.

The Jurisprudence and Laws Committee will again, as it has in the past Annual Sessions and meetings, report to you on the form of each proposed amendment to the By-Laws and upon the proposals and their consistency with other provisions of the By-Laws and Articles of Incorporation of the Iowa Corporation or of the Colorado Corporation, as the case may be.

Likewise, we will report to you and our reports are not meant to indicate that the committee as such is either in favor of or in opposition to any of the proposals. In their capacity of Representatives, the members of the Jurisprudence and Laws Committee, while presenting their report, may have strong feelings one way or another with respect to the legislation and they may wish to speak to you as an individual Representative. If that individual does so, he will make sure that you understand that it is in his capacity as an individual Representative and not as a member of the committee.

Again this year, your committee will make a report to you and when it does, it will, at the commencement of the report, refer to the appropriate page on the Call where the proposal appears so that you can identify it.

I am confident that most of you have studied the proposals and are prepared to consider them but I would urge you, if you have not done so, to do so quickly.

You have a heavy schedule of legislation, you have a difficult schedule of other matters and you are Representatives to this Imperial Council but please bring your Call with you. It will help you and you will need it. It is essentially important when there is so much legislation to consider.

Now, in most cases, the pending proposals, resolutions and requests will be considered in the following order.

First, the report of the Committee on Jurisprudence and Laws. Secondly, the report of any other committee to which the matter has been referred. Thirdly, recognition of the sponsor for his motion to adopt the resolution and to make an explanation of the proposal if worthwhile and, fourthly, your consideration, debate and action.

Now, there are, as you know from looking at the Call, several matters concerning the presentation of new Temples for dispensations and for Charters for new Temples, and different procedures will be followed regarding these matters. I will make a separate explanation at that point in time and, likewise, we will do them altogether so they are easier to consider in that fashion.

As you have also noticed from your Call, there are several matters for you separately to consider that are of similar nature but separate, in fact, from the Iowa Corporation and the Colorado Corporation. We will make every effort to group those so that the discussions on one may relate to discussions on the other so that we may act upon those with considered judgment and do them together.

I once again would solicit your courtesy that you have historically shown to your fellow Nobles when it is their turn to speak on matters under consideration.

In order to speak, first please obtain recognition from the Chair. Once you are recognized, move forward to the microphones which are provided so that all in the hall may hear you. Also, at the time you are recognized, please identify yourself and make known to the whole assembly those matters for which you rise. We have too much to accomplish to do this in any other fashion and I am sure you will agree with that.

Finally, I would hope that you would understand that the Jurisprudence and Laws Committee is here to serve you as Representatives of the Imperial Council. The committee is prepared to answer any questions concerning the legal effects of any proposal and to answer any other appropriate questions in our particular area of expertise.

Also, we will try again, as we have for the past couple of years, and I think you will agree with this, the Jurisprudence and Laws Committee, to continue the procedure to coordinate its efforts with the other committees so that it will be necessary to read into the record that proposal and that legislation only one time.

Now, if there are no questions or other matters to be asked of your Chairman, then, Imperial Sir, I thank you for the opportunity to comment on procedures.

IMPERIAL POTENTATE KISSELBURGH: I would like to make a couple of announcements at this point.

First of all, make sure you bring your Call with you. You have had one furnished you and you should not have to be borrowing it from your neighbor and bothering him. Bring your Call.

Also, have in your possession your ballot at all times. Put your ballot in your pocket. That is the important thing.

Also, some 834 Representatives, as I understand, have registered and I would urge your presence at all sessions. Especially tomorrow, you had better be here, because we are going to draw at random a Temple's name out of the hat and then we will have a roll call of the Representatives of that Temple and if you are not here you will jeopardize your mileage and per diem check.

... Laughter and applause ...

IMPERIAL POTENTATE KISSELBURGH: I will give you a demonstration at this time to show you how it will work. I will call on Everett Evans to pull a name from that hat here.

The name of the Temple pulled from the hat is Tangier Temple. We will now read the names of the Tangier Representatives and as your name is called will you please say "here" and stand up.

... Whereupon, the Temple Representatives' names were read and being indicated that, in this case, the Potentate of the Temple was not present ...

IMPERIAL POTENTATE KISSELBURGH: At any rate, fellows, that is the way we are going to do it and this can happen at any time. I just do not think it is fair to the Representatives who are here industriously representing their respective Temples to not have the same procedure followed by the other Representatives. (Applause)

I will now call upon the Chief Teller of the Election Tellers Committee, Joe C. Howell, to explain the election procedures.

NOBLE JOE C. HOWELL: Imperial Sir, Imperial Sirs and Fellow Representatives: This is a reminder that when you registered you received a packet and in that packet was a ballot book. Be sure and keep the ballot book with you at all times.

When balloting is required, the Imperial Sir will select a number. No other number will do. Be sure and use that particular number.

Also, when you tear the particular ticket out of the book to be used, be sure and watch so that you do not tear out two of them. Every year we have several ballots like that.

That is all I have to say, Imperial Sir.

IMPERIAL POTENTATE KISSELBURGH: Are there any questions about that?

At this point, I will call upon our Imperial Recorder, Jack Jones, for the presentation of a resolution.

IMPERIAL SIR JACK JONES: Imperial Sir, Imperial Sirs and Representatives: Section 206.2(a) of the Imperial By-Laws provides that the election of the Imperial Potentate shall be the last order of business on the first day of the Session unless otherwise ordered by the Imperial Council.

Imperial Sir, I move that the Imperial Council, all of the officers except for the Imperial Outer Guard, be elected today so that we can commence the next day's business with the election of the Imperial Outer Guard.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: Do you all understand the motion? It has been seconded.

All in favor say aye; opposed. It is carried and so ordered.

I would now like to call upon Imperial Sir "Sid" Morris, Potentate of El Kahir Temple, for a nomination for Imperial Potentate.

ILLUSTRIOUS SIR "SID" MORRIS [Potentate, El Kahir Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Delegates and Nobles All: It is a great honor for me, as Potentate of El Kahir Temple, at Cedar Rapids, Iowa, to place in nomination the name of a man who has devoted much of his life to the Shrine for North America, has worked hard for many, many years. You all know him well—a man who will keep that enthusiasm that you just heard exhibited by your present Imperial Sir, moving in 1986–1987.

Therefore, I would like to place in nomination the name of Dr. Russell Anthony, D.V.M., of Cedar Rapids, Iowa, a member of El Kahir Temple, for the Office of Imperial Potentate for 1986–1987.

IMPERIAL POTENTATE KISSELBURGH: Are there any further nominations? Are there any further nominations? Are there any further nominations?

ILLUSTRIOUS SIR MORRIS: Imperial Sir, I move that nominations cease, the rules be

suspended and the Imperial Recorder be directed to cast a unanimous ballot for Dr. Russell H. Anthony for the Office of Imperial Potentate.

... The motion was severally seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have heard the nomination, are you ready for the question?

... The question was severally called for ...

IMPERIAL POTENTATE KISSELBURGH: All in favor please say aye; opposed. You have elected a new Imperial Potentate. Thank you.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: I am now required to ask what appears to be a silly question—Imperial Sir Russ, do you accept? (Laughter)

IMPERIAL SIR ANTHONY: Imperial Sir, Imperial Sirs, My Fellow Representatives and, of course, my very good friends, the Grand Masters: I want to tell you and assure all of you that I do accept with all humility and I also want to tell you that I will do my very best to make you proud of me as your leader.

I promise you that we will go out, despite all of the adversity that has been coming before us, and come out representing this organization as a credit to each and every one of us, some 800,000 strong.

Thank you very, very much. (Laughter)

IMPERIAL POTENTATE KISSELBURGH: You know, I just asked him for the time and he built a watch. (Laughter)

I will now ask our Imperial Recorder to cast the unanimous ballot for the election of Dr. Anthony as Imperial Potentate for the ensuing year.

IMPERIAL SIR JONES: It gives me a great deal of pleasure to cast a unanimous ballot for the election of Imperial Sir Dr. Russell Anthony to serve in the Office of Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Noble Milton Frazier, Recorder of Habibi Temple, for a nomination for the Office of Deputy Imperial Potentate.

ILLUSTRIOUS SIR MILTON FRAZIER [Habibi Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: It is indeed a pleasure to have the opportunity to nominate Habibi Temple's number one Noble. He has served you well on all committees.

It is therefore indeed an honor to place in nomination, for the Office of Deputy Imperial Potentate of the Shrine for North America, Imperial Sir Voris King.

IMPERIAL POTENTATE KISSELBURGH: Are there further nominations? Are there further nominations? Are there further nominations?

ILLUSTRIOUS SIR FRAZIER: Imperial Sir, as there are no other nominations, I move you, Imperial Sir, that the rules be suspended, that the Imperial Recorder, Imperial Sir Jack Jones, be instructed to cast a unanimous ballot for Imperial Sir Voris King to serve in the Office of Deputy Imperial Potentate for the Shrine for North America for the ensuing year.

IMPERIAL POTENTATE KISSELBURGH: Thank you, sir.

All those in favor say aye; opposed. It is unanimous and so ordered.

IMPERIAL SIR JACK JONES: Imperial Sir, it is certainly a pleasure for me to cast the unanimous ballot of this Imperial Council for the election of Imperial Sir Voris King to the Office of Deputy Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Illustrious Sir.

Imperial Sir Voris King, do you accept?

IMPERIAL SIR VORIS KING: Imperial Sir, I accept this tremendous honor with deep humility and hope that I can serve you well during the coming year. Thank you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will now recognize Illustrious Sir Harry Alger, Past Potentate of Al Azhar Temple, for the nomination of a candidate for the Office of Imperial Chief Rabban.

ILLUSTRIOUS SIR HARRY ALGER [Past Potentate, Al Azhar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Representatives and Nobles All: I stand before you today to put in nomination for the Office of Imperial Chief Rabban the name of Edward G. McMullan, Past Potentate of Al Azhar Temple of Calgary, Alberta, Canada.

Imperial Sir, Ed has served us well for the past eight years and we are looking forward to his serving a further two years in a very energetic manner.

If there be no further nominations, Imperial Sir, I move that nominations cease and the Imperial Recorder be instructed to cast a single unanimous ballot in favor of Edward G. McMullan for the Office of Imperial Chief Rabban of the Imperial Council.

IMPERIAL POTENTATE KISSELBURGH: Are there any further nominations? Are there any further nominations? Are there any further nominations?

ILLUSTRIOUS SIR HARRY ALGER: Again, Imperial Sir, I move that nominations cease.

IMPERIAL POTENTATE KISSELBURGH: That is a new way of doing it. (Laughter)

All in favor please say aye; opposed. It is unanimously carried and so ordered.

Would you cast a unanimous ballot, please, Imperial Sir Jack Jones?

IMPERIAL SIR JACK JONES: Imperial Sir, it is certainly a pleasure for me to cast the unanimous ballot of this august body for the election of Edward G. McMullan to serve in the Office of Imperial Chief Rabban for the ensuing year.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much. Imperial Sir Ed, do you accept?

IMPERIAL SIR McMULLAN: Thank you.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Fellow Members and Nobility All: I accept this great office with honor and humility and I will certainly do my utmost to carry on in the tradition of those who have gone on before me.

I know, for example, that Walker this year has set a great example and I also know that Russ will do likewise. Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I would like to remind you that all officers who are being elected will be subject to installation at a later date, which is Friday.

I would now like to call upon Illustrious Sir Don Carnes for a nomination for the Office of Imperial Assistant Rabban.

ILLUSTRIOUS SIR DONALD CARNES [Crescent Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Fellow Representatives All: It is my distinct privilege to present in nomination for the Office of Imperial Assistant Rabban, one whom I have known for twenty-five years, one that originally approached me even before considering entering the Line of Crescent Temple.

As a Past Potentate of Crescent Temple and an Imperial Sir who has served this Council well, I wish to place in nomination the name of Imperial Sir George W. Powell for the Office of Imperial Assistant Rabban for the ensuing year.

If there be no objection from the Nobility, I move that nominations be closed, the rules suspended and that the Imperial Recorder, Imperial Sir Jack Jones, cast a unanimous ballot for George Washington Powell for the Office of Imperial Assistant Rabban.

ILLUSTRIOUS SIR GOSSETT: Imperial Sir, can I say one thing as a point of personal privilege?

I am very proud of this Fez and in view of what has been going on with the media, etc., I would like to pass along one thought that I heard expressed through the radio of my pick-up truck when coming down to the Southeastern last year. It is a quotation that came from somebody whose name I do not remember but it went something like this:

"It would be a shame to die until you have done something good for humanity."

I think that this applies to the Shrine for North America. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much.

I will recognize our Imperial Recorder.

IMPERIAL SIR JACK JONES: Imperial Sir, it is a pleasure for me to cast a unanimous ballot

I direct my apologies to the Most Worshipful and Right Worshipful Grand Masters who are at the Imperial Council Session and have been invited as our guests to this Imperial Council Session.

I beseech you to accept my profound apologies for deficiencies in our planning which resulted in hardships to you in relation to today's parade. I can assure you that the problems have been corrected. We pray for your forgiveness.

If you desire to participate in the parade on Thursday evening, and we hope that you do, our planning and arrangements will not cause any inconvenience to you. Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much.

At this point I have one more special announcement.

It has been brought to the attention of the Chair that the media from different areas report that some Temples that have been contacted are saying "We have been instructed against talking to you."

We suggest that you tell that Temple, tell your officers, if contacted, that the Temple Officers are in Los Angeles and will be back next week and they will be happy to get back to those people at that time. That is better than saying "We have been instructed not to talk to you." Will you pass along that word to the officers of your various Temples.

With that, I will now declare this Imperial Council Session in recess until the Pageant Ceremonies scheduled for tomorrow morning at nine o'clock a.m.

. . . The One Hundred Twelfth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at five o'clock p.m., to reconvene following the conclusion of the Pageant for the incoming Imperial Potentate on the following morning . . .

MORNING SESSION
WEDNESDAY, JULY 2, 1986
NINE O'CLOCK A.M.

The Pageant honoring Imperial Potentate-Elect Russell H. Anthony, D.V.M. convened in the Grand Ball Room of the Westin Bonaventure Hotel, Los Angeles, California, at nine o'clock a.m., Illustrious Sir Richard Land, Past Potentate, Zelzah Temple, presiding.

ILLUSTRIOUS SIR LAND: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles and Ladies: Good morning and welcome to the pageantry for Imperial Sir Elect, Dr. Russell H. Anthony.

My name is Richard Land, Zelzah Temple, and I will be the Director General for the One Hundred Thirteenth Imperial Council Session to be held in Las Vegas, Nevada, another Los Angeles suburb.

I would now like to call upon the El Kahir Color Guard under the direction of Captain Dean Roberts, to present the Colors, followed by the Shrine Pledge of Allegiance led by Jerry Nixon, El Kahir Imperial Chief Aide, then our three National Anthems sung by Wayne

Dunlevy, El Kahir Temple and played by Al Malaikah's Million Dollar Band and then the Invocation by Dr. Arnold Herbst, Abu Bekr Temple, the Imperial Chaplain designate.

Would you all please rise.

... There then followed the posting of the Colors by the El Kahir Temple Color Guard, the rendering of the Shrine Pledge of Allegiance, the singing of the three National Anthems, followed by Dr. Arnold Herbst of Abu Bekr Temple, presenting himself at the podium at this point ...

DR. ARNOLD HERBST: Permit me just a moment to set the context for the Invocation this morning.

For eleven and a half years at Country Club Parkway, Cedar Rapids, Iowa, we lived across the street from the Anthony family.

In the summer, I watched them mow their lawn and they watched me mow ours. In the wintertime, I watched them clear the snow from their driveway and they watched me clear the snow from ours.

During this period of time, we observed the growth of their lovely daughter, Donna, and sons, Mark and Ross, grow from youth into young womanhood and young manhood and they watched our son, John Allen do the same.

Never in my wildest imagination did I ever dream that on a day like this we would be here in Los Angeles, California, participating in this tremendously significant event in the lives of the Anthony family. It is thus, as we come to this moment, we do so with a tremendous amount of emotion.

Let us pray.

O, God, who are the creator of all ages, thou who does love us, your children, more than we can ever understand, we pause to thank you for the gift of life which you have entrusted to each one of us and, with the gift of life, certain abilities—abilities which you discover early in life, nurture and then use—use for the support of ourselves and our families and use to make this world in which we live a better place for us and for those yet to come.

Today we are met to celebrate this discovery early in his life; who discovered that he had the talent of leadership and has used that talent so generously in so many areas of life—with his family, his neighbors, his church, his community and, indeed, wherever he has been, he has touched the lives of so many because of his unique ability to lead and to inspire.

So, Heavenly Father, we meet to thank you that you gave him that ability. We thank you that he has discovered it and we thank you that we have been and are and will continue to be blessed by it.

To this end we celebrate this day and significant moment. Amen.

ILLUSTRIOUS SIR LAND: Thank you, and please be seated and remain uncovered so the people around you will be able to see all right.

I would now like to introduce the Past Potentates and their ladies from El Kahir Temple. Will you please hold your applause until we have introduced them all.

1964, Illustrious Sir Hugh DeWees.

1967, Illustrious Sir George Clifford and his wife, Lillian.

Iowa, and at this time I would like to ask the Divan and their ladies to please come to the stage.

I would first like to introduce to you our Recorder, Dr. Gordon N. Freeburg and his lady, Rosanne.

Our Treasurer, George A. Chmelick and his lady, Marilyn.

Our Oriental Guide, Shannon Murchison and his lady, Wanda.

Our High Priest and Prophet, George E. Little and his lady, Lavonne.

Our Assistant Rabban, Frank E. Mead and his lady, Greta.

Our Chief Rabban, John R. Ketelsen and his lady, Marjorie.

And, last but not least, my lady, Alvira.

. . . Applause then ensued with these individuals then likewise leaving the stage and resuming their places in the audience . . .

ILLUSTRIOUS SIR MORRIS: Now, Nobles and Ladies, it gives me a great deal of pleasure as the Potentate of El Kahir Temple, to introduce to you Most Worshipful Brother, Harold Paschal, Grand Master of Masons in Iowa and his lady, Leona. Please welcome them. (Applause)

Most Worshipful Sir, we are very happy that you are here.

Now, I have been given just a moment to speak for the Representatives, as a Representative of the other three Temples in Iowa—Illustrious Sir Tom Gerkin, Potentate, Abu Bekr Temple; Illustrious Sir Jack M. Stamm, Potentate of Kaaba Temple and Illustrious Sir Billy Joe Handsacker, Potentate of Za-Ga-Gig Temple and, of course, for myself as Potentate of El Kahir Temple.

We have a message to Dr. Anthony. We want you to know that we are very proud as Iowans, as Nobility in Iowa, that you are being honored today and that you are going to be serving as our Imperial Potentate for 1986–1987. We are extremely proud and I know that those Illustrious Sirs would want me to convey to you that their support and help and their congratulations are all due to you.

Also, as the Representative of El Kahir Temple, let me say that our 4,000 members of El Kahir Temple are all honored and truly proud that you are to be the Imperial Potentate of the Shrine for North America. We congratulate you and we offer our Temple and our support and our help to you, Imperial Sir. Thank you very kindly. (Applause)

ILLUSTRIOUS SIR LAND: Thank you, Illustrious Sir.

And now, on the big screen we are going to present to you a film entitled "A Gentle Doctor and Shrine Mason."

. . . The film presentation entitled "A Gentle Doctor and Shrine Mason" portraying the life and accomplishments of Dr. Anthony ensued . . . (Applause)

ILLUSTRIOUS SIR LAND: And now, moving right along, it is my pleasure to present to you a Las Vegas spectacular from the Bally Hotel and the Las Vegas Convention and Visitors' Authority, and as soon as we can get this podium properly adjusted, we will move right on with this spectacular.

. . . The presentation of the Las Vegas spectacular then ensued . . . (Applause)

ILLUSTRIOUS SIR LAND: Did you enjoy that entertainment? (Applause)

And now we will introduce to you the Imperial Potentate-Elect, Dr. Russell Anthony and his lady, Shirley.

. . . Whereupon, Dr. Anthony and his lady, Shirley, were escorted to the stage amid rising cheers and applause . . .

ILLUSTRIOUS SIR LAND: And now, Imperial Sir Russ, would you like to take the microphone?

IMPERIAL POTENTATE-ELECT ANTHONY: First of all, I would like to thank all of my very, very dear friends for attending this Pageant today.

As you might surmise, and there is no doubt about it, this is probably the most important time in both Shirley's and my life.

Now, also, I realize we are running a little bit late and I promise you that we are going to go right on time.

Now, if you will bear with me, I would like to have my family stand and be introduced and I will ask that you hold your applause until they have been introduced.

... At this point, Dr. Anthony began his family introductions with the introduction of his mother-in-law, continuing with the introduction of various in-law members of the family and then continuing as follows ...

IMPERIAL POTENTATE-ELECT ANTHONY: And now, of course, I come to a most important time in my life and I would like to have my family please come up on the stage here with me.

First let me say that my older son who you saw by the airplane in the picture was unable to be with us today. His ship was docked somewhere and so he could not get here. However, I would like to continue with the introduction of my daughter, Donna, and her husband, Mike. (Applause)

Then my son, Ross and his lovely wife, Laurie. (Applause)

Then my daughter-in-law, Marjorie and grandson, Mark. (Applause)

And, of course, last but not least, my First Lady for the coming year and I am sure also your First Lady, my wife, Shirley. (Applause)

You know, a bit earlier a statement was made to the effect that this is what the Shrine is all about and I am sure you will all agree with me.

Now, I wonder if my son, Ross, would please come forward and my son-in-law, Mike. They have a duty to perform.

... Whereupon, at this point, Dr. Anthony was presented with the Imperial Potentate's Fez by his sons ... (Applause)

IMPERIAL POTENTATE-ELECT ANTHONY: Thank you both very much and I believe there is another little Fez in there if you can find it in that box. I wonder if my grandson Mark would come forward.

... At this point, grandson Mark was presented with a Fez saying "My Grandpa Is A Shriner" ... (Applause)

IMPERIAL POTENTATE-ELECT ANTHONY: And now I guess we will proceed. However, I guess I had better get a program and see where we are going to proceed to.

ILLUSTRIOUS SIR LAND: I think we will have some presentations now and, first of all, I would like to invite Imperial Sir Jack Jones to the podium, please.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, Illustrious Sirs, Representatives and Ladies and Nobles All: It certainly is an honor for me to be able to perform this duty this morning, replacing a great Shriner who has done this for many, many years. We regret that Imperial Sir George M. Saunders, Imperial Recorder Emeritus, could not be with us for this Session. I believe this is the first Session he has missed in more than sixty years. His health is fine and he sends all of you his warmest regards.

Imperial Sir Russ, it gives me a great pleasure to present to you, in behalf of the Imperial Council of the Shrine for North America, your Imperial Potentate's Flag, bearing the Official Seal and Title, along with your name.

May this flag, with our three National Flags, stand as a symbol of your authority and of the importance of your high office.

As you lead the Shrine Masons of this great Fraternity, may it ever be mindful of our dedication to Freemasonry and our devotion of service to mankind through our world's greatest philanthropy, Shriners Hospitals for Crippled Children.

Imperial Sir, representing all of the Nobles assembled here today and all Shriners everywhere, I present to you this Fraternal Flag with love, respect and best wishes for a grand and glorious year as Imperial Potentate of the Shrine for North America and, Imperial Sir, thank you for allowing me this privilege.

Presentation of Shrine Flag to Dr. Anthony and applause ensued at this point ...

ILLUSTRIOUS SIR LAND: And now, we will have John Plum, President of Al Malaikah's Caravan Patrol and Nick Thomas, Commandant of Units, recognized for the purpose of making another presentation.

NOBLE NICK THOMAS: Imperial Sir Russ, in keeping with the tradition of Al Malaikah Temple, which was started in 1950, when we presented our first Imperial Swagger Stick to then Imperial Potentate Harold Lloyd, at this time I likewise would like to present to you, in behalf of our Caravan Patrol, your swagger stick which is emblematic of your Masonic and Shrine career. I hope you will carry it with dignity, honor and pride during your term in office. Thank you very much.

... Presentation of swagger stick and applause ensued ...

NOBLE E. T. "TOM" FJELDE [Chief Rabban, Zuhrah Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives and Guests: The Midwest Shrine Association has, for 1987, had a special pin cast. It is made out of Black Hills Gold and we felt, Russ, because of your work, especially in relation to membership, we wanted to take this opportunity to present to you a pin like ours but with the five Imperial Stars and the years 1986-1987 on it.

Thank you so very much for being a part of this year and we are looking forward to your work during the next year. Thank you very much.

... Presentation of pin and applause ensued ...

ILLUSTRIOUS SIR LAND: I would now like to introduce, for a presentation, John T. Webb, Potentate of Aloha Temple, and his wife, Joellen, for the purpose of making a presentation.

ILLUSTRIOUS SIR WEBB [Potentate, Aloha Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Sirs, Illustrious Sirs, Nobles, Ladies and Guests: It is a tradition in Hawaii that nobility and royalty are privileged to wear the maile lei. It is reserved for royalty and I feel it is most fitting that our Imperial Potentate-Elect and his Lady, Shirley, are considered royalty. They are Shrine royalty and, therefore, it is my pleasure, in behalf of the State of Hawaii and Aloha Temple, to present you with the maile lei.

... Whereupon, the presentation of the maile lei to Dr. Anthony and his Lady Shirley ensued ... (Applause)

ILLUSTRIOUS SIR LAND: I would now like to recognize Imperial Sir Edward McMullan.

IMPERIAL SIR MCMULLAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Lovely Ladies and Guests: It is my pleasure as an Imperial Officer and, not only that, but as a Canadian, to introduce to you the Officers, Potentates of the Canadian Temples.

We now have twelve Temples whereas, when we started this in 1980, we only had ten Temples.

I might say, before I introduce these Nobles, that the Canadian Temples this year will receive three of the trophies for membership out of the entire Nobility of seven trophies being issued throughout North America. (Applause)

Also, because of the adverse publicity going out through the newspapers, I thought you would like to know that of the less than three percent of the Nobility in Canada with under 27,000 members, that last year we donated \$2.3 million to the hospitals from Canada. (Applause) We also donated an additional \$1.2 million to the corporation.

I would now like to take this opportunity to introduce the Potentates representing the Temples in Canada.

Starting on my left, from the beautiful country of British Columbia and Vancouver, where they are now holding the 1986 Exposition, we have Illustrious Sir W. Derek Whiles from Gizeh Temple.

From Calgary, Alberta, in the foothills of the Rocky Mountains, home of the 1988 Winter Olympics, I would like to introduce to you Illustrious Sir W. V. "Wally" Dowhaniuk, Potentate of Al Azhar Temple, in the beautiful town of Banff. (Applause)

The baby Temple of the Canadian Temples, Al Shamal, represented by Illustrious Sir John L. Pedden, Potentate. I might say that we are very pleased because this Temple is U.D. and they should receive their Charter at this Session. (Applause)

Then, from Wa-Wa Temple, which is headquartered in Regina, Saskatchewan, has as its Potentate, Illustrious Sir Bruce M. Smith. (Applause)

From Khartum Temple in Winnipeg, Manitoba, I present to you its Potentate, Illustrious Sir D'Arcy L. Pagan. (Applause)

From Mocha Temple, located in London, Ontario, I am happy to present Illustrious Sir Raymond M. Watson, Potentate, who resides in St. Thomas, Ontario. (Applause)

From Rameses Temple, Toronto, Ontario, where we will be holding the 1989 Imperial Council Session, we have with us Potentate Peter E. Rhodes. (Applause)

From Tunis Temple, Ottawa, Ontario, we have with us Potentate Walter J. Grabiec. (Applause)

From Karnak Temple, Montreal, Quebec, the home of the Montreal Unit, I would like to present Illustrious Sir James F. Mahaffey, Potentate. (Applause)

From Luxor Temple, Saint John, New Brunswick, we have Illustrious Sir Ronald G. Cornell, their Potentate. (Applause)

From Philae Temple, Halifax, Nova Scotia, we have with us their Potentate, Illustrious Sir David W. Quinn. (Applause)

From Mazol Temple, St. John's Newfoundland, we have with us their Potentate, Illustrious Sir Gerald M. W. Hewitt. (Applause)

This is the smallest Temple in Canada, in North America, even smaller than Mexico by a few feet.

Now, if you want to take a look from coast to coast and beyond, it is smaller by a third from St. John's Newfoundland to the British Isles than from St. John's Newfoundland to British Columbia. Figure that out.

Now, Imperial Sir, we have a presentation for you.

... Whereupon, at this point, the Potentates of Khartum and Rameses Temples unfurled the Canadian Flag . . . (Applause)

IMPERIAL SIR MCMULLAN: Imperial Sir, in behalf of the Canadian Temples, it gives me great pleasure to present to you our Canadian Flag. (Applause)

Also, Imperial Sir Russ Anthony, each year since I was Imperial Marshal and we instituted this great honor, we have given the Imperial Potentate a tray which depicts each Temple in Canada from sea to sea and now we have grown larger and the trays have become more beautiful because we have been able to collect more money from each of the Temples. (Laughter)

I would like to say, in behalf of the Canadian Temples, that they will support you in your year as they have other Past Imperial Potentates. However, we would like to present this to you, Russ, with our compliments and love.

... Presentation of tray and applause ensued . . .

ILLUSTRIOUS SIR LAND: In the interest of time, we are going to skip over the musical overture scheduled to be played by the orchestra of Imperial Sir Dr. Anthony's favorite tunes.

However, we have found out, really within the last month or so, that he is really a ham singer but we are now going to conclude this and, I think, with a little applause, you can convince him to sing for us a little song in order to close this session.

IMPERIAL POTENTATE-ELECT ANTHONY: Seriously, I would like to end this ceremony here on a high note and ask you all to stand and sing along with me, "He's Got The Whole World In His Hands."

... Whereupon, the session was concluded on a very high note with Dr. Anthony leading the assembly in the singing of "He's Got The Whole World In His Hands" . . .

MORNING SESSION WEDNESDAY, JULY 2, 1986 ELEVEN-FORTY-FIVE O'CLOCK A.M.

The One Hundred Twelfth Session of the Imperial Council reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at eleven forty-five o'clock a.m., Imperial Potentate Walker S. Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: May we now reconvene.

I would now like to call upon our Imperial Chaplain, J. Whitcomb Brougher, to give the Invocation. Please give him your attention.

REVEREND DR. BROUGHER: Gracious Heavenly Father, you have all time in your hands. We feel hurried. Bless us quickly and may we do our work well and get it done with speed.

We pray all of this in thy Name. Amen.

IMPERIAL POTENTATE KISSELBURGH: Is everyone satisfied that the room is properly in order?

... Cries of "yes" . . .

IMPERIAL POTENTATE KISSELBURGH: One more time. Will all of those who are not Representatives or those not entitled to be here please leave the room.

I am informed that the stage crew will have to keep working. They will not interrupt their work.

I would now, as Imperial Potentate, like to declare this Session open again.

I would now like to have Illustrious Sir Fred H. Wackerhagen come forth to the podium.

... Cheers and applause ensued as Illustrious Sir Wackerhagen approached the podium

... IMPERIAL POTENTATE KISSELBURGH: I am sure many of you will notice how slowly he approached down the middle aisle. (Laughter) Would you come up on the stage, sir, so that everybody can see how young you are. (Laughter)

Illustrious Sir, I have a letter here signed by all of the Potentates of the Central States Shrine Association.

It is addressed to me, Imperial Sir Walker S. Kisselburgh, Imperial Potentate of the Shrine for North America and it is from the Potentates of the Central States Shrine Association. It reads as follows:

"In light of the fact that our colleague, Illustrious Sir Fred Wackerhagen, Potentate of Tangier Temple, was detained in the mens room as a result of a serious medical problem (laughter) we, the undersigned request that you excuse him from the untimely roll call you imposed upon him during yesterday's session. We are not certain what he was trying to pass but we know him to be highly honest." (Laughter)

That is signed by all of the Potentates. I leave it to you Representatives.

All in favor of giving him a second chance please say aye; opposed. (Laughter) It is carried.

Now, Illustrious Sir Fred, in light of the problems that I understand you have, I would like to have you receive this gift from the Imperial Potentate and ask you to open it in front of your peers.

... Whereupon, Illustrious Sir Wackerhagen opened the gift which turned out to be a box of All-Bran ... (Laughter)

IMPERIAL POTENTATE KISSELBURGH: Now, are the nominators for the two candidates for the Imperial Outer Guard standing by?

I now declare nominations open for the Office of Imperial Outer Guard. I now will also determine who is going to be the first and second nominator. It will be between Illustrious Sir Earl Brown and Everett W. Larson.

... Whereupon, a drawing for nominating position then ensued ...

IMPERIAL POTENTATE KISSELBURGH: The result of the drawing indicates that the first one to be nominated is Illustrious Sir Oakes and his nominator is Earl Brown, Past Potentate, Medinah Temple.

I will now recognize Illustrious Sir Earl Brown.

ILLUSTRIOUS SIR EARL BROWN [Past Potentate, Medinah Temple]: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Representatives to this Great Imperial Council and My Fellow Nobles: My name is Earl P. Brown, Past Potentate and Representative of Medinah Temple in Chicago, Illinois.

It is my privilege, on behalf of the Nobility of Egypt Temple, to place in nomination for the Office of Imperial Outer Guard, Charles A. "Chuck" Oakes, Past Potentate of Egypt Temple, Tampa, Florida.

A year ago, when Chuck Oakes was nominated for this high office, he received very strong support and a large number of votes. Because of this endorsement, the persuasion of many Temples and Nobles, and his dedication to Masonry, Chuck was encouraged to continue to offer himself in service to Shrinedom and the crippled and burned children we serve so well.

During the past year, since our meeting in Atlanta, Chuck has traveled thousands of miles in an effort to meet us, to know our needs and to share in our fellowship. He has visited many Shrine Associations and Temples and participated in special programs all across North America. He could not get everywhere, but he certainly tried.

Since committing himself to our craft twenty-four years ago, Chuck has frequently demonstrated his ability to step into a leadership position. He has shown boundless enthusiasm for our common goals and a willingness to perform any task to achieve them.

His many accomplishments include the Honorary DeMolay Legion of Honor Degree. He currently serves on the Board of Governors and is Chairman of the Planning and Facilities Committee of our newly constructed Tampa Hospital. All of these have resulted from his dedication and overwhelming desire to succeed.

Chuck has proven that he can adapt to change and continue progress toward our ultimate goals—a strong membership, financially sound Temple and helping our crippled and burned children.

He is forty-six years young and brings experience with youth; enthusiasm with a team work of attitude; and a capacity to continue to develop and utilize his leadership attributed over the next ten years and beyond.

In casting your ballot, you must choose a man who will join a very select group of men; a man who has demonstrated not only commitment and dedication, but who also has the vitality and determination to assume greater obligations.

Chuck's untiring efforts and achievement in his own Temple have given him the wisdom and foresight to confront the critical challenges facing all of us, strengthening our membership base and achieving financial stability for all Shrine Temples.

Nobles, I urge you to elect this man, whose experience and qualifications give him the strength and courage to reach our goals.

Now, it is with great personal pride and pleasure that I place in nomination for the position of Imperial Outer Guard, Illustrious Sir Charles A. "Chuck" Oakes of Egypt Temple, Tampa, Florida. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you.

I will now call on Everett Larson, Chief Rabban of Sesostri Temple, for another nomination.

NOBLE EVERETT W. LARSON [Sesostri Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful and Right Worshipful Grand Masters, Distinguished Guests and Fellow Nobles All: As Chief Rabban of Sesostri Temple in Lincoln, Nebraska, it is my honor to represent our Nobility in nominating John D. VerMaas for election to the Office of Imperial Outer Guard. We, the Nobility, wish to thank John D. for allowing us this privilege.

Once in a great while, a very special person comes down the road, offering to help us. John D. VerMaas is one of those very special people.

John has been very active in the leadership of our community, not only from a business and political standpoint, but also through a great deal of personal involvement and self-sacrifice. He believes that we must put back into our communities more than we take out. John certainly has done that.

John's Masonic history is well known. He has been Master of his Lodge twice, a member of the York Rite, the Scottish Rite Thirty-Third Honorary, active Shrine Motor Corps member, a Past Potentate of Sesostri Temple, a member of the Board of Governors for the Twin Cities Hospital. His dedication to our entire Fraternity is beyond question.

John's record in business again proves his ability to manage not only a business and its finances, but most importantly, people. The greatest and most effective way to manage is by example and John has set an example for all of us to follow.

He has a sincerity and a sense of fairness and compassion that makes other people want to follow his lead. There is nothing phony about John D. VerMaas. He says what he means and means what he says.

Let me mention another important factor.

John's wife, Jan, who I am sure most of you have met, has been and will continue to be a tremendous source of encouragement, support and help.

All of us know what that means to a man in a leadership role and those that know Jan, know that she has the ability and the desire to be that much needed support.

Most all of us recognize membership as one of our major concerns. John has made membership an important part of his Masonic and Shrine commitment. He personally has introduced over fifty men into our ranks and almost all of those men are still active members. John will do more than just talk about membership.

The Shrine has two basic purposes. The founding purpose of our Order was fun. John feels that we must put more fun back into the Shrine in order to provide an additional

attraction to new members. As a member of our Motor Corps, as a Divan member and as our Potentate, John was able to bring fun to the people around him, and, more importantly, it was the type of fun that we could all be proud of.

Our second purpose and now our most important purpose is our philanthropy. We have helped hundreds of thousands of kids who needed us.

We must also make a commitment to help even more kids in the future. In order to do this, we must have the type of leader who can mix the fun and the philanthropy in such a way that we build a stronger group of Nobles each and every year.

This is not something that we should do, this is something which we have to do. We must take the time-honored principles of our Order and use them creatively to further our cause.

Our Shrine and our philanthropy need this type of leadership and we need it now. John VerMaas will provide it for us as Imperial Outer Guard. We ask only that you use your ballot wisely and "Follow John." (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you.

Are there any other nominations for the Office of Imperial Outer Guard?

Do you want the candidates to stand up?

. . . Cries of "yes" . . .

IMPERIAL POTENTATE KISSELBURGH: Will you, Illustrious Sirs, please stand?

On the left, which will be your right, you have Charles Oakes, Past Potentate of Egypt Temple. On your left is Illustrious Sir John VerMaas, Past Potentate of Sesostri Temple. Thank you very much.

Now, I want this to be clearly understood.

Of course, I realize that it is almost lunch time and I want to give these two candidates the fairest vote that we possibly can give them. I am going to hold you in this room until you have voted and have passed your ballot to the proper Tellers. I hope you will appreciate that and I hope that the candidates will thank you for having received a fair vote and that we have not rushed this election.

I now will call upon Illustrious Joe Howell, Chairman of the Tellers Committee, to give you the necessary instructions.

ILLUSTRIOUS SIR JOE HOWELL: Imperial Sir and Fellow Representatives: We will use ballot number one. No other ballot will do but ballot number one.

Also, please do not fold your ballots. It will fit right into the ballot box unfolded and, in turn, help us a whole lot in trying to properly count them. By you complying with this request, we will not be having to unfold these ballots.

Now, if there is anybody sitting on the right or left of these (indicating) three sections, you will have to come into those sections. We only set up for three sections. Thank you.

IMPERIAL POTENTATE KISSELBURGH: Ballot number one. Are there any questions about that? It is a white ballot, ballot number one.

. . . Whereupon, balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE KISSELBURGH: The Tellers are now going around the room and as soon as I am satisfied everybody has placed their ballot in the proper ballot box, I will excuse you for lunch and we will be back here, and I mean this, at exactly one-thirty. We have a lot of business to conduct.

Do not leave, Nobles; I mean it, please do not leave. I want to be sure everything is in order. I do not want to short change these candidates.

We have, I believe, 834 Representatives that are registered and there are just 700 ballots cast or 750. So let us give the Tellers an opportunity to collect these ballots. It will only take a moment.

In the meantime, we have some very important announcements and I would ask you to please listen to the Imperial Recorder.

. . . Various announcements by Imperial Sir Jones then ensued . . .

IMPERIAL POTENTATE KISSELBURGH: I have one more announcement for you and I would like to have you listen to it because it is very, very important.

I have appointed, as Parliamentarian for this One Hundred Twelfth Session, Illustrious Sir Judge Sewell Lamdin, Past Potentate of Boumi Temple and he has an announcement to make and so please give him your attention.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir and Fellow Members, in all seriousness, under Robert's Rules of Order, you cannot interrupt an election with any business that requires a vote and, therefore, I move you sir, that your vote taken in relation to the Potentate of Tangier Temple was out of order. (Laughter)

IMPERIAL POTENTATE KISSELBURGH: Well, enjoy the All-Bran anyway, Illustrious Sir Fred. (Laughter)

Has everybody voted that desires to vote? Are there any who have not voted? Hold up your hands if you still have a ballot.

Seeing no hands raised, I now declare the ballot closed and I thank you for your cooperation and, again, please be back here at one-thirty and we will proceed with the business.

. . . The One Hundred Twelfth Annual Session of the A.A.O.N.M.S. recessed at twelve o'clock p.m. . . .

AFTERNOON SESSION
WEDNESDAY, JULY 2, 1986
ONE-THIRTY O'CLOCK P.M.

The One Hundred Twelfth Annual Session of the Imperial Council reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at one-thirty o'clock p.m., Imperial Potentate Walker S. Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: Representatives, please take your seats so that we can commence our meeting.

I will now call upon the Chairman of Election Tellers, Illustrious Sir Joe Howell.

ILLUSTRIOUS SIR JOE HOWELL: Imperial Sir and Representatives: It is with a great deal of pleasure that I give you the results of ballot one for the Office of Imperial Outer Guard.

There were a possible 834 votes; 803 actually voted. There were three spoiled ballots. Necessary for choice was 402. The votes were distributed as follows: Oakes 337; VerMaas 463.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE KISSELBURGH: I hereby declare Illustrious Sir John VerMaas of Sesostri Temple elected to the Office of Imperial Outer Guard. John VerMaas, would you come up and accept, if you wish?

ILLUSTRIOUS SIR OAKES: Imperial Sir, I would like to move that we cast a unanimous ballot for John VerMaas. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, that is very nice.

I will ask our Imperial Recorder to cast a unanimous ballot for Illustrious Sir John VerMaas.

ILLUSTRIOUS SIR JONES: Imperial Sir, it is a pleasure for me to cast the unanimous ballot for the election of John D. VerMaas, elected to serve in the Office of Imperial Outer Guard for the ensuing year.

IMPERIAL POTENTATE KISSELBURGH: Let me ask you, John VerMaas, do you accept?

ILLUSTRIOUS SIR VERMAAS: Imperial Sir, I do accept and I would like to thank everybody across the country who supported me. I will continue to represent Masonry and the Shrine as you would like to have it represented and I thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Let me inform you, John, you are invited to a seat on the platform up here if you so desire.

. . . Business was conducted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KISSELBURGH: It is a great pleasure for me to introduce to you for a brief word of welcome, Donald Smith, Grand Master of the Grand Encampment of Knights Templar from Richmond, Kentucky.

GRAND MASTER DONALD SMITH [Grand Encampment of Knights Templar]: Imperial Sir Walker, Imperial Sirs, Distinguished Guests, Illustrious Sirs, Representatives and My Brothers All: I bring you sincere Fraternal greetings of the Grand Encampment of Knights Templar of the United States of America and all the Sir Knights who are present here today from almost every state of this great nation and from eight countries.

We wish you the very best in your deliberations.

I want to thank you for all of your courtesies and friendships. Imperial Sir Walker, thanks for inviting us.

As a Noble of the Mystic Shrine, I do not forget why I joined this great organization—because Shriners, in reality, are givers and not takers, workers not watchers and builders and not destroyers.

Thank you and God bless you all. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Imperial Sir Jack Jones to give us the report on Masonic Relations and Membership Development.

IMPERIAL SIR JONES: Thank you.

Imperial Sir, Imperial Sirs, Distinguished Masonic Guests, Illustrious Sirs and My Fellow Representatives: As General Chairman of Masonic, DeMolay and Shrine Development, I am pleased to provide this Imperial Council with a highlight of information relative to those areas. More detailed information can be found in the Imperial Recorder's Report, pages 2 through 15, of the 1985 Book of Reports which was sent to all Representatives just prior to this Session. Each of you has probably reviewed this report so I would just like to take a very few minutes to comment on two or three special items.

First, let me refer to the membership of the principal bodies of Masonry on page 15. This chart provides the membership and net gain or loss of Grand Lodges, Grand Commanderies, Scottish Rite and Shrine by states, provinces and country. The Grand Lodge figures in the first two columns are for 1984 because the 1985 figures are not yet available.

On June 19th, I telephone Stu Pollard, Executive Secretary of the Masonic Service Association, who informed me that the Grand Lodge membership reports for 1985 would not be available until sometime in August. Considering those he had already received, I asked if he had an idea of what the net loss figure might be. He estimates that it will be roughly 60,000 which would be less than the total net loss for 1984. He feels that the pendulum has begun to swing the other way and that the total net loss will continue to decline.

Brother Pollard stated that, during his frequent visits to various Grand Lodge communications, he was extremely impressed with the togetherness and cooperative efforts between Grand Lodges and the Shrine Temples. This type of relationship will certainly enhance our Masonic ties and help to promote the growth of our entire Masonic family.

Now, to continue with the other principal bodies of Masonry, the report shows that the Grand Commanderies in North America had a net loss of 6,557 and that the Scottish Rite had a net loss of 19,445, and as you know, our net loss in the Shrine was 16,598.

Imperial Sir Burt Ravellette will give you a more detailed report on Shrine membership later in this session.

At this point, I would like to make a few remarks about the Order of DeMolay, an outstanding Masonic youth group for young men between the ages of thirteen and twenty-one. Few organizations enjoy the dignity that DeMolay imparts to its members. Their teachings, which are based on the seven precepts—Love of Parents; Reverence for Sacred Things; Cleanliness of Mind, Word and Deed; Courtesy; Comradeship; Fidelity and Patriotism—make these young men the best source of raw material for future Shrine Masons.

Last April I had the pleasure of attending the DeMolay International Supreme Council Session in Jackson, Mississippi, and I am pleased to report that they had a very productive Session. They have established new goals and directions that hopefully will reverse their declining trend within the immediate future. Their "Twice As Great By '88" program was designed to double their number of initiates by 1988 and they are working hard to accomplish that goal.

While at the Supreme Council Session, numerous Executive Officers lavishly praised many Shrine Temples for various types of assistance they have provided to the Order of DeMolay. One of the Executive Officers that I spoke with was Tom Boles, who also happens to be the Director General of this convention. Tom informed me that, within the Southern Jurisdiction of California, there were at least ten Shrine Clubs that totally sponsored DeMolay Chapters and provide the adult leadership so badly needed to run these Chapters.

One of the greatest problems facing DeMolay today is the lack of adult leadership to fill the positions on their Advisory Council.

Last May, the Imperial Potentate sent a letter to all Temple Potentates strongly urging their support of DeMolay activities in their areas and urging them to encourage their Shrine Clubs to get involved with DeMolay Chapters in their respective communities.

Last May, the Imperial Potentate sent a letter to all Temple Potentates strongly urging their support of DeMolay activities in their areas and urging them to encourage their Shrine Clubs to get involved with DeMolay Chapters in their respective communities.

The letter also stated that if a club is interested in sponsoring a Chapter, they should contact their local DeMolay officials or the state or province Executive Officer and inform him of their interest.

I would like to conclude this report by commending all thirty-five Temples that reported net gains in membership for 1985. I would also like to praise those who are working so diligently to reverse the net loss trend and all of you are to be commended for your accomplishments in the area of Masonic relations. The proof of the pudding is the fact that we have forty-six Grand Masters in attendance at this Session, thus allowing them to see first-hand how the Shrine for North America operates. We are certainly pleased and honored to have them here.

Imperial Sir, that concludes my report and I move for its acceptance.

IMPERIAL POTENTATE KISSELBURGH: We have a motion for the acceptance of this report. Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: All in favor of acceptance say aye; opposed. It is declared to be accepted.

Imperial Sir Jack, thank you from the Chair for doing a magnificent job. It is too bad we have to produce some minus figures but we just have to keep pecking away on it and working harder and harder.

While we are on this subject, let me give you a little story while it is fresh in my mind.

I made a visit to Kalurah Temple at Binghamton, New York, and they had about seven or eight of the visiting Potentates from the Northeast and among those seven or eight Potentates was one of the Potentates that had reached the top seven, that went over the quota set by the Imperial last year of five percent. That Temple was Ismailia Temple of Buffalo, New York.

It is in the Rust Belt.

Sixty miles away from Erie, Zem Zem Temple is one of the seven Temples. Why in that area that is supposed to be depressed and people vacating it to go to the Sun Belt, do they show a gain?

Well, of course, I can understand Zem Zem—because they have a new Mosque and so they had an incentive to get new candidates to show off their new Mosque.

However, I asked the Potentate of Ismailia Temple, "How did you do it, sir, in Buffalo? You do not have a new Temple."

He stood up and said, "Imperial Sir, we worked out butts off." (Laughter)

Well, it seems to me that is the answer. Sure, these candidates are tough to get and it is getting tougher to get them all the time but that means that we have to work a little bit harder.

I understand that the Most Worshipful Grand Master of Kentucky has just arrived and I would like to have you pay honor and respect to him. Will you stand, Most Worshipful Sir, Brother Joseph R. Conway, for proper recognition. (Applause) Thank you for coming.

Now, because I mentioned Binghamton, New York, and Kalurah Temple, I would now like to present to you to bring greetings from the Northern Jurisdiction of the Ancient and Accepted Scottish Rite, Illustrious Francis G. Paul, Sovereign Grand Commander. May we, sir, have a few words of wisdom from you at this time?

ILLUSTRIOUS FRANCIS G. PAUL [Sovereign Grand Commander, Northern Jurisdiction, Ancient and Accepted Scottish Rite]: Illustrious Sirs, Grand Masters, All Imperial Officers and Fellow Representatives: Let me first say that I am a Representative today and very

proud to be a Representative as well as to bring you the greetings of the Scottish Rite of the Northern Jurisdiction, some 465,000 of us in fifteen states east of the Mississippi and north of the Mason-Dixon Line.

I am also proud that the Imperial Potentate was talking about Kalurah Temple. I do not think that I will ever forget Kalurah Temple at Binghamton—the place where the grass is green and sometimes grows.

Walker, you are terrific. I must also say that we had a wonderful two days. We did have ten of the Potentates from New York State come down and join us at our party when Walker joined us and when this Potentate of that great Temple out there in Buffalo said he was going to exceed his quota, we were all very proud and those of us in New York took our Fez off to him. However, we are going to try to work hard and catch him, at least this year and I am sure the rest of you are also going to do that.

I have been in this new job of mine—well, I was elected last September, enjoying, as Walker has, getting out into the field, getting out and meeting with our Valleys and our Grand Lodges.

I have been at reunions for at least seven or eight weekends, at least it seems to me, in Illinois, Chicago, Ohio, Pennsylvania, Maine, Connecticut and other places.

Three or four of those states, including my own state, which happens to be New York, I will tell you, we can be very proud of the Masons in those areas because they are working and they are active, they are Masons and they are good Masons and I just know that with the feeling of cooperation I feel here with our Grand Masters and all of us that are active in Masonry, we will turn it around and, as Walker said, by working out butts off, we will turn it around.

Really, there are a lot of things going on. We are doing a public relations job internally to get out men motivated and we are doing a public relations job externally and we are going to do more.

I am very enthusiastic, very positive about Masonry and I hope it comes through.

I feel that after you are here a couple of days, you really have to take after Walker. He is positive, he is working hard. I have been privileged to know leaders of the Shrine in the last two years and we are very, very lucky to have had the kind of leaders we have had in the past and also know the one coming up.

Our former Sovereign Grand Commander said this, and I would like to leave you with this admonition—he said, “The best is yet to be.” I said last year in Detroit, when I happened to be elected to take his place, “The best is yet to be.”

We have men of vision in our organization, have had them for over hundreds of years, and we did not get here because we had guys who were not willing to do the job but men who were men of vision and willing to work and I think that if we can remember that, that we essentially all got to this point because of their hard work, then I am sure, with appropriate stimulation, we can keep this going.

I have been so very, very proud to have been a Mason. I am also proud to be a York Rite Mason. I am proud to be a Scottish Rite Mason and certainly proud to be a Shrine Mason.

Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will next call upon, for the purpose of bringing greetings, Bernard Mandlebaum, General Grand Master of the General Grand Council of Cryptic Masons from Lawrenceville, Oklahoma, and member of Akdar Temple. Would you please extend your greetings to us, sir?

ILLUSTRIOUS BERNARD MANDLEBAUM [General Grand Master, Council of Cryptic Masons]: Imperial Sir, thank you very much for allowing me to approach the microphone.

You know, some men go to conventions and talk about their wives. That is like going game hunting with the warden. (Laughter)

Some of you go to conventions and buy your wife a present—others have nothing to hide. (Laughter)

Your Imperial Potentate looked at me and said I was not a member of the Shrine. However, Nobles, I would like to correct that impression by saying that I am a member and I might say to you, Walker, that I had to appoint some fourteen General Grand Officers in the

General Grand Council and everyone appointed was a member of the Shrine, was a Past Potentate and six or seven of these fourteen or so showed activities in various Units in their respective Shrine Temples. We are working for Masonry in the same way.

I would like to say this—that this is the first time in some twenty-five or more years that a General Grand Master has appeared before the Shrine of North America and so in behalf of our 240,000 members, thank you very much for allowing me the privilege of this microphone. As I say, this has been the first time in twenty-five years that this has happened and, of course, I am also glad that it was during my term of office. Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you.

Now, would the members of the Emeriti Committee who have nominees to present please come up to the stage.

I would now like to call on Imperial Sir Peter Val Preda, Past Imperial Potentate, to handle the subject of Emeriti Members.

PAST IMPERIAL POTENTATE VAL PRED: Imperial Sir, Imperial Sirs, Nobles and Representatives: It is a distinct pleasure for me today to present those who are going to receive their Emeritus certificates here today.

I stand before you here today as Chairman of the Committee of Emeriti Members and standing with me up here are members of my committee. I will now ask all of those Representatives who have been notified of their eligibility for Emeritus membership to please come forward.

While they are coming up here, let me also remind you that in prior years, you Representatives have requested that the biographical data submitted on each one of these outstanding Representatives not be read but, rather, placed into the record.

If that is your desire, your committee will honor your request. Is that your desire?

... Cries of "yes" ...

IMPERIAL POTENTATE KISSELBURGH: Let us vote on it.

All in favor of this procedure please say aye; those in opposition no. It is carried and so ordered.

PAST IMPERIAL POTENTATE VAL PRED: As you know, Imperial Council Law, Section 203.4, reads as follows:

"Emeriti Representative: Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session."

I will now call on the individual members of my committee to place in nomination the name of one or more Representatives for Emeritus status.

... At this point, the following individuals were placed in nomination for Emeriti membership by various members of the committee ...

Billy Dean Clark, Cahaba Temple
 Winner F. Delp, Lu Lu Temple
 Howard O. Jornod, Mizpah Temple
 Gerald W. Groat, Jr., Moslem Temple
 Imperial Potentate Walker S. Kisselburgh, Al
 Malaikah Temple

PAST IMPERIAL POTENTATE VAL PRED: Those are the nominees. I understand that because there is presently a ballot in the process of being counted, that we cannot proceed with any further action concerning the election of these individuals until that ballot has been announced. Therefore, I will turn it back to the Imperial Potentate at this point.

Also, being as the Imperial Sir is one of the nominees for Emeriti membership, I would suggest, that when the action is finally taken, that the Imperial Potentate-Elect take the ballot and present these nominees with their certificates.

IMPERIAL POTENTATE KISSELBURGH: While we are waiting, I would like to call upon Dr.

Walter Winchester, General Grand High Priest, Royal Arch Masons. Doctor, will you please come forward and bring us your greetings, please.

COMPANION WALTER L. WINCHESTER [General High Priest, Royal Arch Mason]: Imperial Sir, Imperial Sirs, Most and Right Worshipful Grand Masters, Distinguished Nobles and Brethren, Past, Present and Future: I bring you greetings and say it is a joy to be back with you again.

I had the privilege of being with you at your Session at Atlanta last year.

It is great to be with active Masons and, on this occasion, let me bring you the greetings of the Royal Arch Masons of North America, from Latin America, from South America, and from the Far East, where we also have Chapters.

I would like to again salute you for having had great Shrine leadership during the past year and such a great spokesman for all of Freemasonry.

You have, of course, been visible and we do need visibility. Also, you are doing a superb job and I salute you for it and I also salute you for the great work that the hospitals are doing.

I have a little ulterior motive in being a physician because I can appreciate what is going on among the hospital Units and that is something which keeps our light burning before the American public.

Also, there is one other thing that I noticed and that is your Imperial Sir, who is to be "dislocated" (laughter) into a situation of enforced retirement, is not a temporary, casual worker in the vineyards but he is a man who works twenty-four hours a day and those of you who work in that same manner, twenty-four hours a day, can help this great Fraternity of ours prosper and go forward with positive gains instead of subtractions.

I salute you for having such a great leader and active program. Thank you so very, very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much, sir, for those very intelligent remarks. Thank you very much. (Applause)

I would next like to call on Illustrious Bill Vaughan, who will give us a report on Shrine Rooms East and while he is coming up here, I should like to announce that bus service tonight for our grand affair at Al Malaikah Temple will begin at six-thirty and they will be shuttling back and forth. Also, I would advise you, because this is going to be such a spectacular event, and there are so many of you going down there, that you make plans to take other means of transportation. Also, we have some 134 Oldsmobiles and they should be used for transportation back and forth also.

We also have a tram called "Maid of the Mist" and then, also, from Rameses Temple, we have a cable car and, really, that is a fantastic event. Did you realize, for example, that they left Rameses Temple a week ahead of time to drive these vehicles, one all the way from Toronto and the other from Buck County in Pennsylvania, from Lu Lu Temple? Can you imagine passing one of these things on the highway? (Laughter) They have to give up drinking, there is no doubt about it. (Laughter)

Thank you, Illustrious Sir Pete Rhodes and Illustrious Sir George Berg. It is absolutely fantastic. That is what makes the Shrine.

Here is another man that makes the Shrine so noticeable, Bill Vaughan, who has been working in the vineyards for many, many a year and who is going to give a report on Shrine Rooms, East.

NOBLE WILLIAM VAUGHAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Potentates and Nobles All: I am not going to give the whole report. I will turn it in to the office because I feel there is so much important business before you. Now, I do not mean that our activities are not important but it will be in the report.

However, let me take this opportunity to say that we have at Shrine Rooms, East, a great amount of Masonic history and a display of our real purpose, our hospitals, pictures of our Past Imperial Potentates, etc., all of this being located on the George Washington National Masonic Memorial.

Now, in the event that some of you do get an opportunity to come to Washington, we would like to invite you to take time and come over to Alexandria, where it all started, and see and view and be a part of our heritage and history. Take a part in what our forefathers put forth and gave to us.

I especially call your attention to our first President, George Washington, who was initiated in Fredericksburg Lodge No. 4. He was Master of Alexandria-Washington Lodge and, when there, you may also be able to arrange to sit in the Chair that he used as Master. I would urge, if possible that you do bring a group of your Nobles to the Washington Memorial and view the great history and what we have there.

I am sure that our Nobles who are the custodians there will do a great job of entertaining you and I am sure that we at the Temple in the area there, should you decide to come, will be happy to work out any arrangements with you. You know, I think that we have so much history there in Washington and Virginia that it is a shame that more Shriners do not take the opportunity to come and see what we have to offer them.

Thank you for your kindness in permitting these few remarks.

REPORT OF THE SHRINE ROOMS-EAST COMMITTEE LOS ANGELES, CALIFORNIA JULY 1986

TO THE IMPERIAL POTENTATE, IMPERIAL DIVAN AND IMPERIAL REPRESENTATIVES TO THE 112TH IMPERIAL COUNCIL SESSION, A.A.O.N.M.S.

Your Committee is pleased to submit its report on the administration of Shrine Rooms-East, located in the George Washington Masonic National Memorial for the year June 1, 1985, through May 31, 1986.

The Committee met twice during the year, October 21, 1985, and May 19, 1986. Both meetings were held in the Board Room of the Memorial. Both meetings were well attended, all business was properly discussed and appropriate action taken. Items notable of reporting are as follows:

A complete inventory of items both on display and in storage along with his annual report was forwarded to Shrine Headquarters by Chief Custodian Frank L. Dority on June 1, 1986. All displays and memorabilia are in excellent condition with several exceptions as herein detailed.

Fezzes from the three Temples under dispensation, Al Shamal, Shaddai and Beja have been added to the Fez Case, bringing the total up to 188. The topographic map has been updated to include these three Temples as well as the hospital unit in Tampa.

For many years seventeen items of Past Imperial Potentate Freeland Kendrick's memorabilia were displayed in a niche in a wall at the Philadelphia Unit, Shriners Hospital. Very few people viewed this display. At the recommendation of Committee Vice-Chairman Edward Buckley and with the approval of the Board of Governors, Philadelphia Unit, the legal office in Tampa, the Chairman of the National Board of Trustees and the Imperial Potentate, these items were transferred to the Shrine Rooms-East. An appropriate walnut display case is now being built which will be mounted on the wall beneath the portrait of Imperial Sir Kendrick in the Hospital Room. This display will be tied into the security system that now protects the many valuable artifacts in the Imperial Room. In the meantime the seventeen items of memorabilia are stored in the vault of the Memorial. It is expected this new display will be ready by late summer.

In our report to the Imperial Council last year, it was noted that the Shrine Rooms-East, after some forty years, had finally obtained a photostat of the first Imperial Treasurer. Using this picture as a model, a charcoal drawing was made of Imperial Sir Aaron L. Northrop by an artist employed at the Capitol of the United States. The portraits of the other early Imperial Treasurers appear to be charcoal. All who have seen the drawing of Imperial Sir Northrop, including the present Imperial Potentate, are very satisfied with the rendition. The gallery of the past seven Past Imperial Treasurers is now complete.

During recent months the mechanical Shrine Parade has been cleaned and refurbished. This work was done by a Restoration Expert from the Smithsonian Institute in Washington. The Committee is quite pleased with the results. This was the first time the seable parts of the parade had been touched since the entire production was disassembled and returned to

the factory for complete overhaul in 1975. Naturally the non-seeable parts need mechanical maintenance periodically which is usually done by a member of Kena Temple at no charge.

Last year we reported a change in administration of the George Washington Masonic National Memorial. Our rapport with the new administrator has been exceptionally good and the new President of the Association has ordered several changes very much to our advantage.

At the meeting of the Committee on October 21, we were honored to have Imperial Potentate Walker Kisselburgh in attendance. He expressed his satisfaction with the Rooms and conveyed his appreciation to both the Custodial Staff and the Shrine Rooms-East Committee. Several days later we were further honored by a visit from Imperial Treasurer, Webber Harrington. He likewise expressed favorable comments.

The Grand Masters Conference was held in Northern Virginia in February 1986. The opening session took place in the Memorial. The Imperial Potentate, most of the Imperial Divan and the Executive Director were present. All spent some time in the Shrine Rooms. These visits by the Imperial Officers are most helpful to all concerned.

During the past year we were pleased to receive caravans from Syrian, Melha, Zem Zem, Abu Bekr and Islam Temples. We feel the fact sheets sent out from the Public Relations Office in Tampa have done much to encourage these pilgrimages. We trust further efforts will be made in this area. A total of 43,239 people signed our visitors register during the period of this report.

Expenditures, now reported on a calendar year basis were \$39,129 for 1985 which was \$871 under budget. The only unusual expense anticipated through the year 1987 is herein detailed.

The slide projector in the Hospital Room continues to be bothersome. This unit shows the crippled and burned story to the visitor. It is in use seven days a week and constantly requires repair. It needs to be replaced and we will be recommending a replacement to Tampa in the very near future.

The dioramas of the Orthopaedic Hospitals are in bad shape. However, since some of the facilities they portray have been replaced or remodeled and others will be as the program continues, it is thought best to defer updating this area for the present.

Due to health problems it was necessary to replace Noble Harry Shaffer, a member of the Custodial Staff for the past twelve years. In appreciation of his dedicated service over these years Noble Shaffer was presented a beautiful plaque from the Imperial Council and a letter from the Imperial Potentate. His replacement was illustrious Jack Callahan, a member of Kena Temple. This change was made April 14, 1986.

We the Committee conclude this report by conveying to the Custodial Staff our thanks for the pleasing and efficient manner they present the Shrine Rooms-East to the public and by expressing to the Imperial Potentate our appreciation for permitting us to serve in this capacity.

Respectfully submitted,

INTERNATIONAL SHRINE ROOMS WEST

The following is a report of the International Shrine Rooms West Museum Committee for the Shrine year 1985-1986 for inclusion in the Imperial Council Sessions.

The Museum continues to grow each year. The items were donated by Shrine Temples,

the Nobility, Potentates and Past Imperial Potentates. A good number of the Shrine artifacts were donated by relatives of Nobles now deceased.

Besides having a display of the Fezzes of the 188 Temples in North America, we display jeweled Fezzes which were once the property of Nobles of the various Temples. These are displayed around the perimeter of the East Room. Our lighted map (by the tip of the switch) shows the location of the Eastern Temples, the Central Temples, the Western Temples, the Spinal Unit, the Burns Institutes and the Orthopedic Hospitals.

There are so many items on display it would be difficult to list them in this report. My suggestion would be for each one of you to visit our Museum and see for yourself the accomplishment made in the last few years. You could spend an hour or a day and you could come back and do it all over again. We would call your attention to our model train donated to the Museum in 1972. It was built in a private home in 1951. It is a drawing card for all the train enthusiasts and for the children in our Shriners Hospital.

We appreciate the support of the Imperial Officers. It has been a pleasure to serve our Shrine. Incidentally, for 12½ years someone was in attendance in the Museum each work day.

Respectfully submitted for the Committee,
 Thomas A. Davis, Chairman

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: We are now going to go into the presentation of trophies to the seven Temples that have exceeded the quota set by the Imperial for membership.

The first Temple, the number one Temple, the champion of all Temples of 188 Temples for 1985, was Alee Temple of Savannah, Georgia, with a percentage of 7.2 percent increase over their total members. Give them a big hand. (Applause)

I will ask Illustrious Sir Tom E. Newsome to please come forward.

This, Illustrious Sir, is the magnificent trophy you are going to receive. We have one just like this one that we are shipping to you.

Nobles, this is what these Temples will receive.

Now, Illustrious Sir, I wonder if you have any words of wisdom to us as to how you did such a marvelous job. If you do, will you kindly state them to us?

ILLUSTRIOUS SIR NEWSOME [Potentate, Alee Temple]: We have had a very dedicated Noble in our Temple who is a Past Master of his Lodge. He worked for two years. He visited all the Blue Lodges and he carried with him the film, "A Special Place." He would first show the film and then give a little talk at the various Blue Lodges in our areas.

He is the man that is responsible for the winning of this trophy.

His name is Del Smith and he is critically ill at this time.

IMPERIAL POTENTATE KISSELBURGH: I am sorry to hear that. However, let me ask you, Illustrious Sir, has he been your Membership Chairman for just this past year or for quite awhile?

ILLUSTRIOUS SIR NEWSOME: For two years.

IMPERIAL POTENTATE KISSELBURGH: So he had two years to work at the job and did such a fine job that you took first place. Thank you very much.

How many candidates did you have for the year?

ILLUSTRIOUS SIR NEWSOME: We had 247.

IMPERIAL POTENTATE KISSELBURGH: Excellent.

Again, give Illustrious Sir Tom Newsome and his Temple a big hand. (Applause)

The second place Temple was Mazol Temple of St. John's, Newfoundland. I would ask the Potentate, Dr. Gerald Hewitt, to come up and if your Divan is with you, please ask them to come up also.

Let me say, Nobles, this is a brand new Temple at St. John's, Newfoundland, and they really worked at it this year and had a 7.22 percent gain.

Let me ask you, Illustrious Sir, do you have any words of wisdom to give us in relation to your accomplishment?

ILLUSTRIOUS SIR G. M. HEWITT [Potentate, Mazol Temple]: Imperial Sir, let me just say that our Nobles all worked together. We had a Ceremonial this last weekend and also presently have some sixteen more waiting and so if the trophy is still available next year, I will be back for that one. (Laughter)

IMPERIAL POTENTATE KISSELBURGH: Very nice. Well, you may not all have heard what he said but he indicated that they were doing just as much this year as they were doing last year and he expects to win the trophy again next year, is that right?

ILLUSTRIOUS SIR HEWITT: That is correct.

IMPERIAL POTENTATE KISSELBURGH: I am happy to hear that and congratulations to you. (Applause)

The next winner was another Canadian Temple, Luxor Temple of Saint John, New Brunswick. The Potentate is Illustrious Sir Ronald Cornell. I would like to have you come to the podium, Illustrious Sir, together with any of your Divan members and Past Potentates.

You know, this is also a proud moment for Luxor Temple. They are also from a city by the name of Saint John but they are at New Brunswick. They had a total gain of 5.9 percent. Do you have any words of wisdom for us as to how it was done in your case?

ILLUSTRIOUS SIR CORNELL [Potentate, Luxor Temple]: Imperial Sir and Representatives, we had a terrific Membership Chairman, an individual who has been working for two years and we also have a very active Past Masters Unit and that is our key and, also, we are going to win the trophy again next year. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Give them a big hand. (Applause)

We next come to Zem Zem Temple of Erie, Pennsylvania, Illustrious Sir Robert A. Detzel, Potentate. Will you, Illustrious Sir, approach the podium together with any of your Divan members or Past Potentates.

For the record, they had a 5.4 percent increase. My congratulations to you.

As I understand it, Past Potentate John Lasher, you are responsible for the results this particular year. Do you have any words of wisdom as to what happened? In other words, was this something unusual that took place or did you just work as hard as you could?

NOBLE JOHN LASHER [Past Potentate, Zem Zem Temple]: Imperial Sir, I made a commitment to attempt to get this trophy and our Membership Committee was made up of our complete membership. They all worked their tails off and we are, of course, exceedingly happy to receive this.

We also would like to add that we will win it again next year. If we do, I wonder if we can have a plate put on it because it is quite a big thing and we have a new Temple and do not want to clutter it up. (Laughter)

IMPERIAL POTENTATE KISSELBURGH: Illustrious Sir, would you come over here for just a moment? Can you tell us what you did this year?

ILLUSTRIOUS SIR DETZEL [Potentate, Zem Zem Temple]: We were right on target. I do not know if we are going to beat it but we are going to match it this year. We, throughout the whole Jurisdiction, all have been working hard. We had a nice class this year and we will have a big Ceremonial coming up in August and we are going to be back here next year again. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Let me ask you, what is the average age of your candidates? In other words, are you seeing younger candidates in your classes now?

ILLUSTRIOUS SIR DETZEL: Certainly, yes, but then we attribute that to our new Temple. There is a great deal of interest. We are now the showplace of the area and, as a result, we are getting all kinds of membership applications.

IMPERIAL POTENTATE KISSELBURGH: I believe you had a fire and your Temple burned down. What money did you use for the construction of your new Temple—was it insurance money or did you have a nest egg?

ILLUSTRIOUS SIR DETZEL: Unfortunately, we took the insurance money and tried to open the old Temple. We then went out and raised \$2.5 million. We have just put in two more heating and air-conditioning units and have three more to go. Other than that we are paid for.

IMPERIAL POTENTATE KISSELBURGH: Congratulations, Illustrious Sir. (Applause)

Again, let us give Zem Zem Temple a big hand. (Applause)

Now, the next one is Ismailia Temple, Buffalo, New York, Illustrious Sir Daniel J. McGilvray, Potentate.

Will you please approach the podium, Illustrious Sir, and bring any of your other officers with you.

Representatives, this is the man that I was previously telling you about. He worked his tail off. As he walks up these stairs up front here, let me know what you think. (Laughter)

I believe, Illustrious Sir John Bauer, you were responsible for this figure. Tell us what you did in regard to Ismailia Temple, which is right in the heart of the Rust Belt and the Snow Capital of the United States.

ILLUSTRIOUS SIR JOHN BAUER [Past Potentate, Ismailia Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles All: I will tell you how we did it. We put together a committee of one man from each club and unit in our Temple, which totals forty-four and formed an altogether brand new Membership Committee. We then went to the Masonic Service Bureau and gathered, from their records, the names of Third Degree Masons who had not gone any further and found out that within our Jurisdiction there were some 6,000 Masons who were only Third Degree Masons and had never gone one step further. From that, we went to work.

Also, we did something that has only been done twice in Ismailia Temple's history. This was the second largest year in the Temple's history, the first being right after World War II when Nobles joined the Temple without an initiation fee.

We are quite proud and do thank all of the officers and people that made this possible for us. I would like to say, and maybe it does not look that way, that I did work my tail off. (Laughter) However, the officers and the other members of this committee certainly did a marvelous job for us and, in our case, we believe this was a different approach but that it worked.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Illustrious Sir John, Past Potentate.

ILLUSTRIOUS SIR BAUER: One more thing, Imperial Sir.

I would like to say that in our class of new candidates, I am proud to tell you that we took in Congressman Jack Kemp into our Temple. I just talked to him two weeks ago and he said, "Be sure and give my regards to all of my new Brothers."

IMPERIAL POTENTATE KISSELBURGH: Thank you very much, I appreciate that.

Now, Illustrious Sir McGilvray, would you like to take the microphone and say something? (Laughter)

ILLUSTRIOUS SIR MCGILVRAY [Potentate, Ismailia Temple]: Imperial Sir, I really have nothing to add. I think you have heard from John how it was done in our case.

We have the Temple, an Oasis out there which we are very proud of and, to my knowledge, I do not know whether you have visited us out there, Imperial Sir, but I extend to you, before the year is over, an invitation to visit Ismailia Temple.

IMPERIAL POTENTATE KISSELBURGH: Thank you. I have been to your Temple and I know it is a beautiful Temple. When I campaigned eleven years ago, I came to your Temple and it did not make a hill of beans by way of difference. (Laughter) However, I will be back. Thank you very much. (Applause)

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: The next Temple we have is Amara Temple, Palm Beach Gardens, Florida.

I would like to have the Potentate, Illustrious Sir James A. Dungan approach the podium and if you have any Divan members with you, kindly bring them up here also.

Let me first ask you, Illustrious Sir, for some words of wisdom. In other words, how did you do it?

ILLUSTRIOUS SIR DUNGAN [Potentate, Amara Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Fellow Representatives and Most Worshipful Grand Masters: Let me say it is with pride that we representing Amara Temple come up here to receive this award.

I think basically the way we accomplished this is through the efforts of all the Nobility of our Temple. We really did it in effect through our great hospital program that we have. I think that was a great influence in enabling us to do the job that we have done this year. Thank you very much.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much, Illustrious Sir. Let us give them a round of applause. (Applause)

Our last Temple, I believe, is Khartum Temple of Winnipeg, Manitoba, Canada.

The Potentate is Illustrious Sir D'Arcy Pagan. Will you please approach the podium and if you have with you Tom Sidebottom, will you please bring him along with you, as well as members of your Divan.

They had a five percent increase. Can you tell us, Illustrious Sir, what happened last year?

ILLUSTRIOUS SIR PAGAN [Potentate, Khartum Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: As Imperial Sir Walker indicated previously, we had one whale of a committee chaired by a Past Master of a Lodge and, as indicated before, he likewise worked very, very hard.

We had an expanded committee this year which included the immediate past top officers of all of our bodies, the Scottish Rite, the York Rite and the Immediate Past Grand Master. These were all members of the committee.

We hope to duplicate if not surpass what we accomplished this year.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Illustrious Sir. Let us give Khartum Temple a big hand. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: Now, for a report from the Jurisprudence and Laws Committee, I would now like to call on Judge Cooper.

NOBLE ROBERT E. COOPER [Reading]: To the Representatives of the Imperial Council:

The Imperial Recorder's list of all new and amended Temple Bylaws which were approved by the Jurisprudence and Laws Committee and the Imperial Potentate since the last Annual Session was submitted pursuant to Section 331.4 (a) of the Bylaws of the Imperial Council, an Iowa Corporation. Summaries of the list were included in the registration envelopes given to all Representatives at the time they registered for their Annual Session. The matter has been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that the approvals were lawfully issued and in all respects are consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such approvals.

Your committee further reports that the Imperial Recorder's list is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

IMPERIAL POTENTATE KISSELBURGH: Inasmuch as Imperial Sir Anthony is not here, I will ask Imperial Sir Ed McMullan to conduct the vote.

(1) Failure to Grant Waiver To Initiate. A Temple which is denied a waiver from another Temple to act upon a petition for initiation of a candidate under § 328.4 may appeal the denial to the Grievances and Appeals Committee. In such event, each Temple involved may submit the facts and pertinent information concerning the application for waiver and the denial, and any other information requested by the committee, in writing to the committee. The committee shall then determine the issue solely on the submitted information. § 329.1 Petition for Dispensation. Dispensation for a new Temple may only be granted by the Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder and who reside in the proposed territory of the new Temple.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the Temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial

committee. All Temple records concerning the complaint or charges shall be made available to the foregoing for copying.

§ 330.3 Definitions. In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a Temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the Temple.

(h) "Prosecutor" is the Noble representing the Temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice notify, provide, deliver or file" means to mail, first class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given Temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ 330.4 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the Temple. The Complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be

in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4 (c) (2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the Temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the Temple. Neither the complaining Noble, the accused Noble, the Temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who willfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the

trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The Chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the Temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the Temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the Temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the Temple is permitted to attend the trial; however, notice of the trial date to Temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the Temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the Temple or the accused Noble has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

SOLICITATION OF DEMITS

It appearing to the Imperial Potentate that the interests of the Order would be well served by the issuance and observance of the following, IT IS ORDERED:

That the proselytization of members of other Temples by soliciting them to demit from the Temples to which they belong and affiliate with Temples across state lines pursuant to § 328.6(e) is prohibited; and

It shall be the responsibility of the Potentate and the Recorder of any Temple to which such a petition for affiliation is presented to ascertain that the petitioner was not solicited.

CORPORATIONS

The Recorder of each Temple shall send to the General Offices at the close of each calendar year a copy of the audit report (preferably by a C.P.A.) and a copy of the budget report of the succeeding administration of the Temple. This also should be supplied for each and every Corporation under the Temple's control. This includes all the following types of corporations:

1. Temple Corporations and/or Temple Holding Corporations;
2. Shrine Club Corporations and/or Shrine Club Holding Corporations;
3. Any other appendant or affiliated Corporations of his Temple.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all Temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is ORDERED:

Potentates and Recorders of Temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of Temples are further directed to inform all Shrine Clubs to follow this same procedure should the Shrine Club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All Temples and Shrine Clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a Court Receipt by a representative of the Temple or Shrine Club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such Court Receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of Temples are further directed to see that their Temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in Temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1986 IMPERIAL COUNCIL SESSION SPECIAL CONVENTION NOTICE

The 1986 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the City of Los Angeles, California, the week of June 30, 1986. The Director General is Thomas M. Boles, 1761 E. Woodcrest Avenue, LaHabra, CA 90631; telephone (213) 748-0173.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in the Los Angeles area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's bylaws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Los Angeles, California, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee — **CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY** — and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1986 Session in Los Angeles, California.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial Representatives; (2) Uniformed Units; (3) the General Nobility; and (4) the general public—in that order of precedence. The official Representatives are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade.

Hotel room assignments at Los Angeles are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Los Angeles is Lynn Whitesides, 2424 Sunnyside Ridge Road, Rancho Palos Verdes, CA 90274; telephone (213) 831-3773.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the Representatives and other Temple Officers who are not Representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, Temple or any Noble violating either the spirit or the letter of this Order.

RESPONSIBILITY OF POTENTATES

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the Bylaws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. The Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your Temple and Shrinedom. He would like to have a short meeting with the Temple Divan and Representatives who are not members of the Divan.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE DIRECTOR AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE DIRECTOR.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all Shrine meetings.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

SHRINE PROTOCOL

All Temples are urged to use the provisions of this section of Shrine Law which will be found in the forward pages of your Imperial Council Directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any Shrine activity, be it parade—meeting—banquet—seating arrangement; or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Director at the General Offices. At Shrine activities, Masonic dignitaries are guests. Therefore, protocol requires that the highest ranking Shrine Officer speak last.

IMPORTANT

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities including tours or cruises for their administration to the Temple membership at a stated meeting and proceed in accordance with the vote of the membership.

CEREMONIAL SECOND SECTIONS

§ 335.1 of the Bylaws of the Imperial Council states that Shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter came on regularly for consideration by the Board of Directors at their recent quarterly meeting. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all Temples, Officers, and Nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your Temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any Temple, Officer, or Noble has any concern or question concerning the applicability of this Order, that the Potentate or Temple attorney immediately communicate with the General Counsel of the Imperial Council, A.A.O.N.M.S.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Director of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimage tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive

care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second slated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Director.

10. Tours and cruises sponsored by Shrine Clubs, Units, or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, national or international Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance by all Temples with the provisions of Section 334.2 of Article 34 of the Bylaws of the Iowa Corporation, and it appearing that the interests of the ORDER and the Nobility would be well served by the issuance and observance of the following, it is ORDERED:

1. Insurance Advisory Committee

That each Temple shall appoint an "Insurance Advisory Committee" which shall consist of at least four members, three of whom shall be skilled and knowledgeable in Property and Casualty insurance matters, and the fourth member shall be the Temple Legal Counsel.

2. Duties and Responsibilities

The Insurance Advisory Committee shall have the following duties and responsibilities:

A. Review all Temple, Shrine Club and Unit operations and activities, including fund-raising events of any kind or nature.

B. Review, analyze and, where appropriate, appraise all Temple properties, whether real, personal, or combinations thereof (including properties held by any holding corporations or affiliated corporations operated in conjunction with the Temple), as well as Shrine and/or Unit properties.

C. Review and analyze the current Temple insurance program and all insurance policies owned by the Temple, its Shrine Clubs, Units, and any holding or affiliated corporations, in order to determine the adequacy and the extent of the coverages afforded compared to the evaluation of the operations, activities and values determined necessary by the Committee in the light of the suggested minimum liability limits and recommended coverages as outlined.

D. Annually prepare a written report to the Potentate and Officers of the Temple setting forth their findings with regard to the sufficiency of limits and adequacy of

coverage in the insurance program for the Temple activities and exposures known at that time. The report should also include recommendations with regard to insurance coverages or policies necessary to comply with the suggestions outlined in this General Order and to assure adequate protection of the assets of the Temple, its Shrine Clubs and Units, and should also include the best estimates available of the annual cost of the entire insurance program that is recommended.

This Annual report of the Insurance Advisory Committee shall be completed and submitted to the Potentate, and other elected Temple Officers, in sufficient time for it to be used by the Chief Rabban in preparation of the proposed Temple budget for the following year.

Supplements to this report shall be made in writing during the year as events, activities or exposures change, which may require adjustments in insurance coverage to insure proper protection.

A copy of the Annual Insurance Committee report and any supplements thereto shall be sent by the Temple Recorder to the Executive Director by March 1, of each year.

3. Named Insureds

In all Casualty and Liability insurance policies written for the Temple and its appendant bodies, the following SHALL be included as additional named insureds, only as respects to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, Shriners Hospitals for Crippled Children, a Colorado Corporation and all its affiliated Corporations."

IT IS FURTHER ORDERED that the Potentate of each Temple is charged with the duty and responsibility of personally seeing to compliance with this General Order; and he shall cause to be sent to the Executive Director in our Tampa office Certificates of Insurance on all Workers' Compensation and Liability coverages evidencing compliance with this General Order each time such policies of cancellation or material change to the certificateholder.

THE FOLLOWING, WHILE NOT MANDATORY, ARE INCLUDED AS SUGGESTIONS FOR TEMPLE INSURANCE COVERAGES

The Insurance Advisory Committee shall in their ongoing review and analysis of the current and proposed insurance program for the Temple (including Shrine Clubs, Units, holding corporations, appendant or affiliated corporations) consider all Temple and affiliated bodies related activities, operations, and fund-raising events. The Committee shall evaluate the Temple and affiliated bodies Insurance Program under the following suggested insurance guidelines:

Note: A voluntary mass-marketed Property and Casualty insurance program is now available to each Temple and Association. The broad liability coverages (similar to Umbrella coverages) are specifically designed for fraternities such as ours. The requirements of the Imperial Council, A.A.O.N.M.S. are automatically included, and in most cases the premiums are lower because of the bulk discounts for Liability and Property insurance that are applied. Contact the Executive Director or the Chairman of the Insurance Committee for further details.

Minimum Liability Limits and Recommended Coverages

A. Comprehensive General Liability insurance, including medical payments for guests and/or members, covering all activities of the Temple, Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased with *suggested minimum* Primary limits of \$500,000 per occurrence. Consideration should be given to providing the following coverages:

Liquor Law liability and Host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages; fire legal liability, including explosion, for real or personal property whether owned or leased; products liability and/or completed

operations coverage; blanket contractual liability for all written (oral, if available) agreements; parade and/or spectators liability; carnival show or athletic event liability; etc. Separate policies may also be required for some portions of owned and non-owned watercraft and owned and non-owned aircraft liabilities, and for physical damage insurance on owned items.

B. Comprehensive Automobile liability insurance covering all Shrine activities of the Temple and its Shrine Clubs, Units, holding corporations, appendant or affiliated corporations and organizations should be purchased by the Temple and with *suggested* minimum limits of \$500,000 per occurrence. Coverage should include all Temple exposures for owned vehicles, hired cars or trucks and non-owned vehicles. Physical damage insurance for owned vehicles in order to protect these assets and medical payment coverages should also be considered for purchase.

It is recommended that where Temple Units and Shrine Clubs include Member-owned vehicles used in Temple activities, that certificates of the owner's current liability insurance coverage be permanently on file at the Temple. The decision regarding the minimum amounts of insurance protection required for these Member-owned vehicles rests with the Potentate and/or the Temple, but it is recommended that the highest limits available and economically feasible, up to the Temple's non-owned insurance limit, be secured.

Note: Liability limits in excess of the suggested minimum \$500,000 are recommended in most instances and wherever feasible consideration should be given to the purchase of "Umbrella" or similar coverages for general and automobile liability, etc., protection.

C. Workers' Compensation insurance, as mandated by your state law, including coverage for both paid employees and "volunteer" workers, is required.

D. "Named peril" (Fire, E.C.E., Theft, etc.) or "All-Risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (building, contents, uniforms, etc.) of the Temple, Shrine Club(s) and Units.

E. Fidelity insurance for those persons holding Temple funds or property in trust (including Shrine Clubs and Units) must be purchased in amounts sufficient to cover the immediate and long-term exposures where applicable. Fidelity insurance for others, payable in your favor, should always be considered necessary when those outside the Shrine have access to funds for which you are or could be held accountable.

F. Boiler and Machinery coverage, both for physical damage and legal liability, should be purchased if any exposures exist.

G. Any other insurance coverages warranted by the operations and activities of the Temple, Shrine Clubs and its Units, should be considered for purchase (i.e., medical expense reimbursement insurance for participants, livestock mortality coverages, etc.).

H. Any Temple sponsoring Football Games and other Athletic or Fund raising Event should consider any potential exposure athletes and other participants may have to injury, during events. Proper Medical/Accident Insurance Coverage should be purchased providing sufficient limits of protection for all such participants.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that the Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some Temples, either directly or through special purpose funds, have accumulated funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns

institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

It therefore appearing that the interests of the Order would be well served by the issuance and observance of the following. IT IS ORDERED:

1. Neither the Temples nor their Shrine Clubs, nor their Units, nor their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children; except only that, with the prior written consent of the Board of Directors of the Iowa Corporation, a Temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions of this General Order.
2. All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of account of all Temples, Temple affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards, or other entities subject to the supervision or control of any Temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of Section 334.5 of the Bylaws of the Imperial Council.
3. The custody and administration of all charitable funds and assets under the control of any Temple, including those of Temple-affiliated corporations, Shrine Clubs, Uniformed Units, committees, boards and other entities subject to the supervision or control of any Temple, shall be the responsibility of the same Temple Officers, committees, or boards who are charged with the custody and administration of the general funds of the Temple.
4. Any Temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under Paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under Paragraph 1 hereof after the Temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
5. Upon written request to and written authorization by the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half ($\frac{1}{2}$) of the net profits of a designated fund-raising activity may be held by a Temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient and/or parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the Temple or one of its members. Such retained funds shall be maintained in a separate account designated as the "Hospital Transportation Fund." The aggregate amount of the "Hospital Transportation Fund" shall not exceed twice the amount of the expenditures made from such fund during the preceding year; and any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason the "Hospital Transportation Fund" should terminate, any and all balances in the Fund revert to Shriners Hospitals for Crippled Children.
6. In the event a Temple is experiencing an undue hardship in meeting the expenses enumerated in paragraph 5, its written request should so specify. When such a request is received, the Imperial Potentate and the Chairman of the Board of Trustees may refer the request to the Special Purpose Funds Committee for review and appropriate action, if any. After review and examination of all the circumstances, this committee shall, when it makes a finding of undue hardship, refer the matter to the Board of Directors. The Board, if it deems it appropriate, may authorize the Temple to retain a percentage in excess of 50% of the net profits of a designated fund-raising activity, solely for the uses enumerated in paragraph 5. This authorization shall apply only to a specific fund-raising event or activity, and that event or activity can have a duration of no longer than one year.

7. Prior to the granting of authorization to retain funds from fund-raising events, as outlined under paragraph 5 hereof, the Temple must submit its request therefor in writing and must attach to the request:
 - a. Audited statements of its transportation fund for the past three (3) years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - b. A statement of all income and disbursements since the last audited statement and a current balance sheet.
8. No permission will be given for the retention of funds or for the use of the name Shriners Hospitals for Crippled Children or any fund-raising event if any activity report for a previous fund-raising event authorized to be held by the Temple or any of its Shrine Clubs or Units is remaining outstanding for more than 120 days after the event was held at the time the request is made.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation; and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1984, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1984.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct; (2) the Temple exercises control over each of such funds, corporations, and other activities; and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

Given under our hands and the seal of the Imperial Council this First day of September, A.D., 1985, and of the Order A.H. 1405.

GENERAL ORDER No. 2
SERIES OF 1985-1986

OFFICE OF THE IMPERIAL POTENTATE
MAY 30, 1986, TAMPA, FLORIDA

CALL FOR THE ANNUAL SESSION OF 1986

*To the Representatives of the Imperial Council, Potentates, elected Officers
of the Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

You and each of you are hereby notified that the One Hundred Twelfth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Los Angeles, California over the dates of July 1, 2, 3, & 4, 1986. The PUBLIC OPENING Session will be held in the CALIFORNIA BALLROOM of the WESTIN BONAVENTURE HOTEL at 3:00 P.M. on Monday, June 30, 1986. The OFFICIAL OPENING Session will be held in the CALIFORNIA BALLROOM of the WESTIN BONAVENTURE HOTEL at 3:00 P.M. on Tuesday, July 1, 1986. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or the Imperial Council. The Imperial Potentate is calling this session as a four-day session, and each Representative attending will receive per diem for four days (i.e., Tuesday, Wednesday, Thursday and Friday).

REPRESENTATIVES HEADQUARTERS HOTEL

The Representatives headquarters hotel is the WESTIN BONAVENTURE HOTEL. The Imperial Council Sessions will be held in the CALIFORNIA BALLROOM of the WESTIN BONAVENTURE HOTEL and all Imperial Council Committee meetings will be held in the WESTIN BONAVENTURE HOTEL as detailed in this General Order.

THE OFFICES OF THE EXECUTIVE DIRECTOR FOR FRATERNAL AFFAIRS AND THE EXECUTIVE VICE PRESIDENT-SHRINERS HOSPITALS will be in the SAN PEDRO ROOM, which is located on the Lobby Level of the WESTIN BONAVENTURE HOTEL, and the Office of the GENERAL COUNSEL will be in the LA CIENEGA which is on the same floor of the same hotel.

REGISTRATION

Registration for the REPRESENTATIVES will be in the Foyer of the CALIFORNIA BALLROOM which is located on the 2nd floor of the WESTIN BONAVENTURE HOTEL starting on Saturday, June 28th through Tuesday, July 1st at Noon—the hours will be as follows:

Saturday, June 28	9:00 a.m.-5:00 p.m.
Sunday, June 29	9:00 a.m.-5:00 p.m.
Monday, June 30	9:00 a.m.-5:00 p.m.
Tuesday, July 1	7:00 a.m.-Noon

It is suggested that it would simplify the details of registration if the Representatives of the various Temples would arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIAL CARD, his CURRENT DUES CARD, and his HOTEL CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy.

IMPORTANT: In order to register for the 1986 Imperial Council Session and receive your Mileage and Per Diem payments, you must bring your completed "mileage reimbursement payment form" and your ORIGINAL return airline tickets and present them to the SPECIAL REGISTRARS who will be working the above hours, and in the same place. After you have completed your work with the SPECIAL REGISTRARS, you may proceed to the regular registration desk for your badge and registration packet. PLEASE NOTE—YOUR RECORDER CANNOT REGISTER FOR YOU. EACH REPRESENTATIVE MUST REGISTER IN PERSON IN ORDER TO RECEIVE MILEAGE AND PER DIEM.

NOTE: Each Representative will receive a ticket book including, among others, Exchange Coupons for the Imperial Potentate's Extravaganza and the Representatives' Ladies Luncheon. These coupons must be EXCHANGED for actual tickets to the two events at the Exchange Desk which will be located in the REGISTRATION AREA in the PRE-FUNCTION LOBBY of the CALIFORNIA BALLROOM on the 2nd level of the WESTIN BONAVENTURE HOTEL. The tickets will be numbered and will be assigned on a first-come, first-serve basis. If you want all of the Representatives from your Temple sitting together, you will have to exchange your tickets all at one time. THE DEADLINE FOR EXCHANGING COUPONS FOR THE IMPERIAL SIR'S EXTRAVAGANZA AND THE LADIES LUNCHEON WILL BE BY NOON ON TUESDAY, JULY 1st. THE SOUVENIR EXCHANGE WILL BE LOCATED IN THE SAME AREA DURING THE SAME HOURS.

CHURCH SERVICE

The Church Service will be held on Sunday, June 29, 1986, at 1:30 P.M. at the Shrine Auditorium in Al Malaikah Temple, located at 665 West Jefferson Boulevard.

1986 IMPERIAL COUNCIL SESSION HEADQUARTERS

The Office of Director General Tom Boles is located at 15107 S. Main Street in Gardena, California 90248, area code (213) 321-0404. On Monday, June 23rd, an office will be opened for the Director General in the SAN BERNARDINO ROOM, located on the Lobby Level of the WESTIN BONAVENTURE HOTEL for the duration of the convention.

The Imperial Potentate's Extravaganza for the Representatives and their Ladies will be held on WEDNESDAY, JULY 2, 1986 in the SHRINE AUDITORIUM of the AL MALAIKAH TEMPLE. A delightful evening has been planned. The Entertainment will start at 8:00 P.M. in the Shrine Auditorium, 665 West Jefferson Boule-

SPECIAL NOTICE TO RECORDERS

In order that proper tribute may be paid to our departed Nobility, Recorders of Subordinate Temples are requested to immediately send direct to the Chairman of the Necrology Committee, c/o The Executive Director, P. O. Box 25356, Tampa, Florida 33622, memoranda relative to the distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of the Recorders for this information.

ARTICLE 3, SECTION 203.4 EMERITI REPRESENTATIVES

"Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that session and who has been a Representative for at least 15 years, including that session."

The Executive Director shall be notified of any Representative who qualifies, not later than June 6, 1986.

NOTICE TO POTENTATES AND RECORDERS

In order to expedite the preparation of the necessary reports to the Imperial Council, it would be a great accommodation if the Potentates and Recorders would forward any changes in Representatives so as to reach the Tampa Office on or before June 6, 1986.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 OF ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION, THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THAT APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. ON THE 5TH DAY PRECEDING THE NEXT OPENING SESSION OF THE IMPERIAL COUNCIL, IN ORDER TO QUALIFY THE REPRESENTATIVE. THIS MEANS THAT SUCH APPOINTMENT MUST BE RECEIVED BY THE IMPERIAL RECORDER ON OR BEFORE 9:00 A.M. ON THURSDAY, JUNE 26, 1986.

PAGEANT FOR NEWLY ELECTED IMPERIAL POTENTATE

The Pageant for the newly elected Imperial Potentate will take place in the CALIFORNIA BALLROOM of the WESTIN BONAVENTURE HOTEL on Wednesday, July 2nd at 9:00 a.m. All Nobles, their ladies, and friends are invited to attend and honor our newly elected Imperial Potentate.

ROLL CALL

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the session of the Imperial Council.

Section 205.2 of Shrine law states "Each Representative who attends a Session of the Imperial Council shall be paid per diem...."

Please take due notice and maintain constant attendance at all business sessions of the Imperial Council. Mileage and Per Diem are paid for this purpose.

SPECIAL NOTICE

BE SURE TO CARRY YOUR BALLOT BOOK AT ALL TIMES

COMMITTEE REPORTS

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to Section 208.8 of the Imperial Council by-laws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

[§334.8] §334.9 INCORPORATION OF TEMPLES OR AFFILIATES

(a) Any temple now incorporated pursuant to a state statute which authorizes the formation of a fraternal corporation, not for profit, deriving its rights and powers from a Grand or Imperial body, and any affiliated organization incorporated pursuant to a not-for-profit statute, may continue its corporate existence so long as its charter or bylaws contain provisions that the corporation (1) yields obedience to Shrine law; (2) exists solely as a nonprofit corporation having no purpose other than that of acquiring, owning, selling or otherwise disposing of, and mortgaging real estate, and the erection, maintenance and operation of buildings thereon, for its own use; (3) no part of its assets or funds shall inure to the benefit of individuals personally except in payment for services actually rendered or performed; and (4) in the event of dissolution, the assets and funds remaining after the payment of all debts of the corporation shall be conveyed to the temple or Shriners Hospitals for Crippled Children.

M. E. "Gene" Morrison, Potentate and Representative of Oasis Temple, proposes the following Resolution:

RESOLUTION

WHEREAS, some Temples desire to sponsor a credit card program which would provide badly needed additional revenue to those Temples; and

WHEREAS, §335.6(a) of the Imperial Bylaws prohibits the furnishing of the names of members of Temples for business purposes and such would be an essential requirement for a successful program; and

WHEREAS, it is apparent from previous rulings of Imperial Council sessions that the furnishing of names of members of Temples for such programs is not allowed under the present Imperial Bylaws;

NOW, THEREFORE, BE IT RESOLVED, that the Imperial Potentate appoint a Special Committee to study the matter concerning the sale of credit card programs by Temples, its feasibility and possible mechanics for its use;

BE IT FURTHER RESOLVED, that such Special Committee report to the 1987 Annual Session and make such recommendations as it deems appropriate and present such proposals for amendments to the bylaws to the Imperial Council, if any, as it deems would be in the best interest of the Imperial Council and the subordinate Temples.

M. E. "Gene" Morrison, Potentate and Representative of Oasis Temple, proposes the following:

Amend Section 335.6(a) of Article 35 of the bylaws of the Iowa Corporation by adding certain language so that the section as amended will read as follows, with new language italicized.

ARTICLE 35

Prohibited Practices

§335.6 (a) Furnishing List of Names

(a) A Temple or Noble must not furnish a list of the names of the members of the Temple to anyone to be used to circularize or solicit the members for business purposes. *However, a Temple may circulate offerings to its Nobility from an approved credit card company.*

Walter S. Pettit, Jr., Past Potentate and Representative of Abou Ben Adhem Temple proposes the following:

Amend subsection (c) of §337.7 of Article 37 of the bylaws of the Iowa Corporation by adding certain language so that such subsection, as amended, will read as follows, with new language italicized:

ARTICLE 37

Shrine Clubs

§337.7 Incorporation of Shrine club holding company

(c) The articles of incorporation or association must include the following provisions:

(1) It must be a non-profit corporation or association and for the sole purpose of holding title to real or personal property other than cash and securities owned by the club.

(2) The trustees and managing officers of the corporation or association shall be members in good standing in the club and remain subject to the bylaws of the authorizing Temple and the control of the Potentate.

(3) The potentate shall have power to remove from office in the corporation or association any trustee or managing officer for disobedience of his orders or for any violation of Temple bylaws with respect to the conduct of the affairs of the corporation or association.

(4) *The sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all, the property and assets of the corporation, may only be upon such terms and conditions and for such consideration as shall first be authorized by a vote of the temple having jurisdiction of the Shrine club at a stated meeting of the temple, or at a special meeting which sets forth in the notice of the meeting the specific nature of the business to be transacted.*

(5) *When a change is made by the Imperial Council affecting Shrine law, and the change affects the articles of incorporation or bylaws of this corporation, the articles of incorporation and the bylaws of this corporation, unless prohibited by state law, are thereupon changed to conform with those of the Imperial Council and appropriate action shall be taken by the corporation to evidence the same.*

BE IT FURTHER RESOLVED, that no settlement of a claim shall be binding upon the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America until it has first been reviewed, considered and ratified by its Board of Directors.

BE IT FURTHER RESOLVED, that The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America reserves the right to amend, modify, revoke or terminate this indemnity resolution at any time hereafter without notice, provided, however, that this indemnity shall not be amended, modified, revoked or terminated as to any occurrence which has already taken place.

RESOLUTION

Theodore Corsones, Past Potentate and Emeritus Representative of Cairo Temple, and General Counsel, proposes the following:

WHEREAS, it has been the past practice of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa cor-

poration, to provide insurance coverage for its property, and also for its personnel while they are conducting the business and affairs for the corporation, including professional liability insurance; and

WHEREAS, the historical exposure of The Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to large liability claims (professional or otherwise) has been much lower than organizations of similar size and function; and

WHEREAS, in recent months full and adequate insurance coverage has been difficult to obtain and, when obtainable, has been extraordinarily expensive; and

WHEREAS, temporary measures have been adopted by your Board of Directors to provide indemnification protection to our personnel in areas previously covered by insurance; and

WHEREAS, it appears in the best interests of the corporation to explore all reasonable methods of providing adequate protection for our property and for our personnel while they are discharging their duties for the corporation.

NOW, THEREFORE, BE IT RESOLVED, that:

1. The Board of Directors is hereby authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging of their duties to the corporation.

2. The investigation shall include, but shall not be limited to, the formation of a captive insurance company.

3. Upon the completion of its investigation and review, the Board of Directors is authorized to take such action, including the formation of a captive insurance company as the Board of Directors, in its discretion may determine will be in the best interests of the corporation and which will provide adequate and economically feasible protection for our property and for our personnel while they are discharging their duties to the corporation.

RESOLUTION

Houston Haugo, Potentate and a Representative of El Riad Temple, proposes the following resolution:

WHEREAS, the bylaws of the Imperial Council provide for exclusive and concurrent jurisdiction for the subordinate Temples; and

WHEREAS, some states with more than one Temple provide for the Temples to have concurrent jurisdiction in the entire state except for the home county of a Temple; and

WHEREAS, the Imperial Council and subordinate Temples should encourage petitioners to join a Temple where they will become active and dedicated Shriners; and

WHEREAS, the current use of exclusive jurisdiction in more than the home county of a Temple appears to be restricting membership growth; and

WHEREAS, it appears in many instances the limitation placed on concurrent jurisdiction by state lines restricts the freedom of a petitioner to join the Temple of his choice;

NOW, THEREFORE, BE IT RESOLVED, that the Imperial Potentate direct the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee to draft legislation for consideration by the Imperial Council Session of 1987 which would limit exclusive jurisdiction of Temples to their present home county with concurrent jurisdiction throughout all other areas of the jurisdiction of the Imperial Council without regard to county, province, state, or national borders.

RESOLUTION

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Director General Tom Boles, 15107 S. Main Street, Gardena, CA 90248, area code (213) 321-0404. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below.

POTENTATES PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

Parades

The DAY PARADE will start promptly at 9:00 A.M. on Tuesday, July 1st. The route of the parade will be:

The parade will assemble in the parking lot of the Los Angeles Convention Center on Pico Boulevard at Figueroa Street. The Parade will start at Pico Boulevard and Figueroa Street, go south on Figueroa to 32nd Street; west on 32nd Street to Royal; south on Royal to Jefferson Boulevard; east to Figueroa and then south on Figueroa to King Boulevard where it will disperse in the parking lot of the L.A. Sports Arena.

The Reviewing Stand will be on Royal Street to the right of the line of march.

The NIGHT PARADE will start promptly at 6:00 P.M. on Thursday, July 3rd. The route of march will be the same as for the day parade.

SPECIAL MESSAGE RELATING TO SHRINE PARADES

I. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement of the parade as a whole.**

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall "march" at the end of the column.

Most recently, direct orders forbidding any but "forward marching movements," although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Los Angeles, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Los Angeles will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Los Angeles, only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial Bylaws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violations of the above rule at an official reviewing stand.

PARADE REGULATIONS

It appearing that the interests of the Order would be well-served by the issuance and observance of the following regulations with respect to all Shrine parades, it is ORDERED:

1. The parade reviewing stand shall be at the right of the parade movement.
2. **No national Flag shall be lowered or dipped when passing the reviewing stand or elsewhere.**
3. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.
4. No vehicle shall be equipped with either flashing lights or sirens.
5. Motorcycle and scooter units shall obey local laws regarding use of hard helmets instead of the Fez.
6. Neither Outhouses, stills, bathtubs nor any other item that is considered to be in poor taste will be permitted in any Shrine parade.
7. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.
8. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

Furthermore, with respect to parades at Sessions of the Imperial Council, it is ORDERED:

1. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade, plus one person from each motorized unit that they may have participating in the parade.
2. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.
3. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.
4. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.
5. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.
6. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.
7. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the parade route, but simply wave to spectators.

UNAUTHORIZED EQUIPMENT ON MOTORIZED VEHICLES

NO CYCLES, CARS, SCOOTERS OR OTHER MOTORIZED VEHICLES SHALL AT ANY TIME BE EQUIPPED WITH ANY SIRENS, FLASHING OR COLORED LIGHTS (EXCEPT TURN INDICATORS AUTHORIZED BY LAW).

LOTTERIES AND RAFFLES

It has come to the attention of the Imperial Potentate that one or more Temples and several Shrine clubs have recently promoted lotteries or raffles. Federal law in the United States prohibits the use of the mails for lotteries or raffles and the practice is also contrary to state law in most states. Attention is invited to § 335.1 of the Imperial Bylaws which makes such a practice contrary to Shrine law as well.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation, and charitable fund-raising activity sponsored by or related to each Temple shall be furnished to the Imperial Recorder by the Potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of December 31, 1985, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1985.

The statement or statements of each Temple shall be accompanied by a certificate of the Potentate to the effect that: (1) each of the statements is true and correct, (2) the Temple exercises control over each of such funds, corporations, and other activities, and (3) there are no charitable funds, corporations, or activities sponsored by or related to the Temple other than those for which statements are submitted.

TOURS AND CRUISES INSTRUCTION

1. The Potentate of any Temple which intends to sponsor a tour, shall give notice in writing to the Executive Director, of such intent; and the notice shall include the proposed dates and itinerary of such tour. This provision shall not apply to those pilgrimages which are limited to Shrine Association Meetings and Imperial Council Sessions, and return.

2. No tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be scheduled for dates which will conflict with the dates of either the Imperial Council Session or the Imperial Potentate's tours and cruises.

3. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point outside the continental United States, Canada, or Mexico, shall be responsible for seeing that such tour is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board.

4. The Potentate of any Temple which intends to sponsor a tour, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tours shall clearly state the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property. It is recommended that any disclaimers of liability by the travel agent and/or carrier in the promotional material provided to the public also include (in close proximity) the name of the Temple, Shrine Club or Unit, if applicable.

5. All pilgrimages, tours and cruises when sponsored by a Temple or otherwise identified with the Order are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the Potentate of the Temple having jurisdiction of the territory where such public appearance

is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance.

6. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that the attorney for the Temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

7. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see the fiscal responsibility of the tour agent handling the tour or cruise; and he may satisfy this requirement by either (1) Requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

8. No tour or cruise may be sponsored by any Temple unless the proposal therefor has been first approved by the members of the Temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the Temple. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain.

9. The Potentate of any Temple which intends to sponsor a tour or cruise shall himself have the responsibility to see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his Temple no later than its second stated session next following the conclusion of the tour or cruise; and a copy of such accounting shall be furnished at the same time to the Executive Director.

10. Tours and cruises sponsored by Shrine Clubs, Units or other organizations affiliated with or appendant to any Temple shall be considered as having been sponsored by such Temple and shall be subject to all of the terms and provisions of this General Order.

11. Tours and cruises sponsored by Associations of Temples, National or International Associations of Units, and other organizations not affiliated with or appendant to any Temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were Temples; and the President or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibilities as those of the Potentate of a Temple which intends to sponsor a tour or cruise.

SHRINE CIRCUS & OTHER SOLICITATION IMPROPER IDENTIFICATION WITH SHRINERS HOSPITALS

Recently, complaints have been received at International Headquarters indicating that some temples may be permitting solicitation groups and material to imply the association of Temple circuses and other activities with Shriners Hospitals for Crippled Children where funds are not payable to that charity. An example is publication of letters of governors, mayors or other dignitaries praising the work of Shrine hospitals and/or philanthropies, published in circus programs when the proceeds are locally used.

It is natural to associate the fez with our philanthropy. Therefore, more attention will be required to make certain our hospital image does not suffer by leading contributors to believe their gifts are tax deductible as charitable deductions when such is not the case.

Therefore, it is hereby ordered that all Temple potentates, officers and Nobles responsible in any manner for the promotion and/or operation of Temple circuses and other fund-raising activities meticulously examine all phases of advertising, promotion and solicitation so as to comply completely with §§335.3 and 503.6 of the Imperial and Hospital bylaws.

Further, the foregoing responsible parties shall screen all such advertising, promotions and solicitations so that none shall directly or indirectly use the name of

Shriners Hospitals for Crippled Children, or refer to them in any manner, expressly or impliedly, without the prior written consent of the Imperial Potentate and the Chairman of the Board of Trustees as provided in the bylaws. Each Temple potentate shall be the officer with the ultimate responsibility for enforcement of this General Order.

NOTE: ENCLOSED WITH THIS GENERAL ORDER NO. 2 IS A CAMERA-READY SHEET CONCERNING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN. SHOULD YOUR CIRCUS **NOT** BE FOR THE BENEFIT OF SHRINERS HOSPITALS FOR CRIPPLED CHILDREN AND YOU WISH TO PROVIDE IN YOUR CIRCUS PROGRAM INFORMATION CONCERNING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN, THE ENCLOSED MUST BE USED IN ITS ENTIRETY. NO OTHER INFORMATION CONCERNING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN WILL BE PERMITTED IN A PROGRAM OR OTHER ADVERTISEMENT FOR A CIRCUS **NOT** BENEFITTING SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

RESOLUTION

Theodore Corsones, Past Potentate and Emeritus Representative of Cairo Temple, General Counsel and a member of the Colorado corporation, proposes the following:

BE IT RESOLVED, that Shriners Hospitals for Crippled Children, a Colorado corporation; The Shriners' Hospital for Crippled Children, a Massachusetts corporation; Shriners Hospitals for Crippled Children, a Canadian corporation; Shriners' Hospitals for Crippled Children (Quebec), Inc. a Quebec corporation and Hospital Shriners Para Ninos Lisiados, A.C., a Mexican Civil Association, have the power to, and hereby do indemnify and hold harmless the personnel of their hospitals to the same extent, as to limits, persons insured and coverage, and under the same terms and conditions as previously provided for them by Aetna Casualty and Surety Company comprehensive general and professional umbrella liability policy number

08XS3305SCA which was in effect on October 30, 1985, (as if it had not been short rated, but had been issued on an annual basis) including, without limitation, the obligations imposed on the persons insured thereunder.

BE IT FURTHER RESOLVED, that said corporations and the Mexican Civil Association, have the power to, and hereby do, indemnify and hold harmless their members of the Board of Directors and Trustees, officers, members of the various Boards of Governors, General Counsel, Assistant General Counsel, all Associate Counsel, and paralegals, staff members, committee members, advisors, whether salaried or not, to the same extent, as to limits, persons insured and coverage, and under the same terms and conditions as previously provided for them by the said Aetna Casualty and Surety Company comprehensive general and professional umbrella liability policy number 08XS3305SCA which was in effect on October 30, 1985 (as if it had not been short rated, but had been issued on an annual basis) and as provided for them by International Insurance Company Directors and Officers liability policy number 524-025394-2 in effect April 16, 1985, including without limitation, the obligations imposed on the persons insured thereunder.

BE IT FURTHER RESOLVED, such personnel must promptly notify General Counsel of any litigation involving them which is covered by this resolution, and, thereafter, the General Counsel shall determine whether such personnel would have been covered under the applicable said insurance policies, and if so, then said corporations or association, as applicable, shall provide a defense including an attorney for such individual; and

BE IT FURTHER RESOLVED, that no settlement of a claim shall be binding upon any of said corporations or association until it has first been reviewed, considered and ratified by such corporation's or association's respective Board of Directors.

BE IT FURTHER RESOLVED, that said corporations and association reserve the right to amend, modify, revoke or terminate this indemnity resolution at any time hereafter without notice, provided, however, that this indemnity shall not be amended, modified, revoked or terminated as to any occurrence which has already taken place.

RESOLUTION

Theodore Corsones, Past Potentate and Emeritus Representative of Cairo Temple, General Counsel and a member of the Colorado corporation, proposes the following:

WHEREAS, it has been the past practice of Shriners Hospitals for Crippled Children, a Colorado corporation, to provide insurance coverage for its property, and also for its personnel while they are conducting the business and affairs of the corporation, including medical and professional liability insurance; and

WHEREAS, the historical exposure of Shriners Hospitals for Crippled Children to large medical and professional liability claims has been much lower than general hospitals of similar size and function; and

WHEREAS, in recent months full and adequate insurance coverage has been difficult to obtain and, when obtainable, has been extraordinarily expensive; and

WHEREAS, temporary measures have been adopted by your Board of Directors to provide indemnification protection to our personnel in areas previously covered by insurance; and

WHEREAS, it appears in the best interests of the corporation to explore all reasonable methods of providing adequate protection for our property and for our personnel while they are discharging their duties for the corporation.

NOW, THEREFORE, BE IT RESOLVED, that:

1. The Board of Directors is hereby authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation.

2. The investigation shall include, but shall not be limited to, the formation of a captive insurance company.

3. Upon the completion of their investigation and review, the Board of Directors is authorized to take such action, including the formation of a captive insurance company, as the Board of Directors, in its discretion may determine will be in the best interests of the corporation and which will provide adequate and economically feasible protection for our property and for our personnel while they are discharging their duties to the corporation.

NOTICE

The following members of the Colorado corporation, listed alphabetically by Temple name, have served notice that they will be candidates for election or re-election for the two 3-year terms on the Board of Trustees, to be elected at this Session:

Imperial Sir, I move that the Imperial Potentate's Special Orders (Series 1985-1986) be approved, and I recommend that you allow a member of the Imperial Divan to conduct the vote as this motion involves your Orders.

IMPERIAL POTENTATE KISSELBURGH: I will call upon the Imperial Recorder at this time.

IMPERIAL SIR JACK JONES: Is there a second to the motion?

... The motion was duly seconded ...

IMPERIAL SIR JONES: All those in favor of the motion as presented please say aye; contrary no. The motion is unanimously carried.

THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

Special Order No. 1
(Series of 1985-86)

November 21, 1985

TO: ILLUSTRIOUS SIR LARRY SOWDER

Continuing problems at Syrian Temple have been brought to my attention. I have reviewed the entire record of matters in Syrian Temple concerning controversy between its Potentate and Recorder, namely, you and Past Potentate Settle, respectively.

It would appear to me:

1. That the STAY ORDER, issued by the Imperial Council Committee on Grievances and Appeals on May 23, 1985 may have been violated by you.

2. That the "Agreement" entered into in good faith by all parties following mediation with the Chairman of Grievances and Appeals Committee and dated August 14, 1985 is being violated by you.

3. That the internal harmony of Syrian Temple is being disrupted and the duly elected officers, boards and committees are being compromised in their duties by your actions.

Pursuant to the power vested in me by §206.5(a)(6) of the Imperial Bylaws, you, Illustrious Sir Sowder, are ORDERED to:

A. *Cease and desist* from:

- (1) violation in any form, directly or indirectly of the letter or spirit of the STAY ORDER issued May 23, 1985.
- (2) engaging in any conduct or activity, individually or in consent with others, which may in any fashion be fairly interpreted as creating or promoting dissension or disharmony in Syrian Temple, or among the Nobles thereof.
- (3) interference with the lawful function or directives of the Board of Trustees of Syrian Temple or of the Syrian Temple Holding Corporation.

B. On or before December 9, 1985 *Show Cause* to me, by written answer to the complaint of Charles S. Settle, P.P., Recorder of Syrian Temple dated November 1, 1985 and addressed to I. Sewell Lamdin, Chairman of the Imperial Grievances and Appeals Committee, why you should not be disciplined for violation of the Orders of the Imperial Council and your own "Agreement" of August 14, 1985.

Special Order No. 2
Series 1986-1986

Post Office Box 25356
Tampa Florida 33622
April 9, 1986

TO THE POTENTATE, OFFICERS AND NOBILITY OF TANGIER TEMPLE, A.A.O.N.M.S., ES
SELAMU ALEIKUM:

The matters of the estate of Worth C. Dowling was brought to my attention and to the attention of the board of directors of Shriners Hospitals for Crippled Children on April 8, 1986, by the Special Purpose Funds Committee. The issues were deliberately and carefully reviewed and full discussion had thereon. It was the considered and unanimous judgment of the board of directors and myself that the monies in this estate are the assets of Shriners Hospitals for Crippled Children for the use and benefit of the crippled children in its hospitals. Now, therefore, by virtue of the authority in me vested by §206.5(a)(5) of the bylaws of the Imperial Council and with the concurrence of the board of directors, you are hereby ordered and directed:

1. By June 1, 1986, to submit to me, in writing, at the address indicated on this Special Order, a plan for the repayment of the sum of \$69,556.00 to Shriners Hospitals for Crippled Children.

2. That until the foregoing money has been received by Shriners Hospitals for Crippled Children:

(a) Tangier Temple's share of the proceeds from the Nebraska Shrine Bowl is to be remitted to Shriners Hospitals for Crippled Children at its Tampa, Florida, office; and

(b) All net proceeds from paper sales and other fund raising activities conducted by Tangier Temple using the name of Shriners Hospitals for Crippled Children are to be remitted to Shriners Hospitals for Crippled Children at its Tampa, Florida, office.

TO THE POTENTATE, OFFICERS AND NOBILITY OF KISMET TEMPLE, A.A.O.N.M.S., Es
SELAMU ALEIKUM:

The matters of the estate of Ray James Hawkins was brought to my attention and to the attention of the board of directors of Shriners Hospitals for Crippled Children on April 8, 1986, by the Special Purpose Funds Committee. The issues were deliberately and carefully reviewed and full discussion had thereon. It was the considered and unanimous judgment of the board of directors and myself that the monies in this estate are the assets of Shriners Hospitals for Crippled Children for the use and benefit of the crippled children in its hospitals. Now, therefore, by virtue of the authority in me vested by §206.5(a)(5) of the bylaws of the Imperial Council and with the concurrence of the board of directors, you are hereby ordered and directed:

1. To forthwith remit to Shriners Hospitals for Crippled Children at its Tampa, Florida, office all monies heretofore received from the estate, or if not heretofore received from the estate, to remit all monies when received from the estate; and

2. Send a written communication by May 1, 1986, executed by the potentate and recorder, acknowledging that all monies to be received from the estate will be promptly remitted to Shriners Hospitals for Crippled Children at its Tampa, Florida, office, and your best opinion as to the date by which this will occur.

I am confident that the full import, significance and authority of this Special Order will not be misunderstood by the Potentate, Officers and Nobility of Kismet Temple.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: Is there discussion?

I will now call upon Illustrious Sir Pettit for a resolution involving insurance.

ILLUSTRIOUS SIR PETTIT: Imperial Sir, Imperial Sirs and Representatives, the next four items, if we have time to get to them, Imperial Sir and Representatives, will be matters concerning the insurance resolutions and review. These are the items I spoke to you about in connection with the procedure for this Session.

The next two items will be items 12 and 24. They are similar and inasmuch as you are sitting as members of both the Colorado and Iowa Corporations, they may be considered together but must be voted upon separately.

First, with respect to item 12, this is the report of your Committee on Jurisprudence and Laws relative to this item.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 12 on the Call of the Annual Session of 1986, located on page 21 of the Call. It is a resolution for insurance indemnity. Such resolution reads as follows:

RESOLUTION

BE IT RESOLVED, that the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa Corporation, has the power to, and hereby does, indemnify and hold harmless its members of the Board of Directors, its Officers, the Executive Director of Fraternal Affairs, its Chairman of the Jurisprudence and Laws Committee, its General Counsel, Assistant General Counsel and all Associate Counsel and paralegals, its staff members and advisors to the same extent, as to limits, persons insured and coverage, and under the same terms and conditions as previously provided for them by Aetna Casualty and Surety Company comprehensive general and professional umbrella liability policy number 08XS3305SCA which was in effect on October 30, 1985, (as if it had not been short rated, but had been issued on an annual basis) and as provided for them by International Insurance Company Directors and Officers liability policy number 524-025394-2 in effect on April 16, 1985, including, without limitation, the obligations imposed on the persons insured thereunder.

BE IT FURTHER RESOLVED, such personnel must promptly notify General Counsel of any litigation involving them which is covered by this resolution, and, thereafter, the General Counsel shall determine whether such personnel would have been covered under either of said insurance policies, and if so, then this corporation shall provide a defense including an attorney for such individual; and

BE IT FURTHER RESOLVED, that no settlement of a claim shall be binding upon the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America until it has first been reviewed, considered and ratified by its Board of Directors.

BE IT FURTHER RESOLVED, that the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America reserves the right to amend, modify,

revoke or terminate this indemnity resolution at any time hereafter without notice, provided, however, that this indemnity shall not be amended, modified, revoked or terminated as to any occurrence which has already taken place.

The committee reports that the resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Burton Ravellette, Jr., of the Insurance Committee, for its report.

IMPERIAL POTENTATE KISSELBURGH: The Chair now calls on Imperial Sir Burton Ravellette for his report.

IMPERIAL SIR RAVELLETTE: To the Representatives of the Imperial Council: There has been referred to your Insurance Committee item number 12, which appears on page 21 of the Call. It is a resolution of insurance indemnity as recited in the report of the Committee on Jurisprudence and Laws which has just been read to you.

A hearing on this resolution was held before your committee. No person appeared in opposition to this resolution.

Your committee finds that a crisis does now exist in liability insurance coverage for the Officers, Directors and other persons described in the resolution while performing official duties in behalf of the Imperial Council. Your committee further believes that it is only fair, reasonable and just that such persons be indemnified and held harmless for such official acts in your behalf.

The Insurance Committee recommends the adoption of this resolution.

Imperial Sir, if there are no questions or comments on this report, I request that you call upon the proponent, Ted Corsones, for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: I would now call on our legal counsel, Ted Corsones, for an appropriate motion.

NOBLE CORSONES: Imperial Sir, I would move for the adoption of this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that this resolution be adopted. Is there any discussion? I believe our legal counsel wishes to discuss this.

NOBLE CORSONES: Imperial Sir, I am just going to take a minute. It will not be very long.

My remarks will be addressed to all four items so that we will have it out of the way.

I need not tell you, first of all, that there is presently in existence an insurance crisis. I do, however, need to tell you that the insurance crisis did not stop at the doorsteps of individuals and businesses. It entered our Temples, our Associations, our Imperial Council and our Colorado Corporation.

We found that insurance premiums were escalating faster than we could modify our budgets to modify them. Furthermore, when we found enough money to meet the increased premiums, we were often informed that the insurance coverage was no longer available.

At the Imperial level, this crisis was referred to Imperial Sir Burton Ravellette and Imperial Sir Voris King and the Insurance Committee for resolution in association with your

General Counsel. We were directed to take all necessary and appropriate measures to protect our personnel and to make plans for the future.

Items 12 and 24 are for your personnel interim protection and items 13 and 25 grant the Board of Directors authority to study the problem in-depth and to take such action as will be in the best interest of the corporations.

Frankly, we do not know where this study will take us. We do know we have a problem of considerable magnitude. We do know that we have to review the entire area in-depth. This may lead to creative and innovative solutions, all of which will be presented to your Board of Directors.

Only one thing is sure—we cannot afford the luxury of doing nothing.

IMPERIAL POTENTATE KISSELBURGH: Thank you. Are there other questions or comments or discussion?

We have before us a motion and a second that this resolution be adopted.

All those in favor of the adoption of this resolution please say aye; opposed no. It is unanimously carried. Thank you.

Again, for the record, item 12 has just been unanimously adopted.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will again call on the Committee for Jurisprudence and Laws for a report concerning item 13 on the Call to be presented by Illustrious Sir Tingle.

NOBLE J. M. TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 13 on the Call of the Annual Session of 1986, located on page 21 of the Call. It is a resolution authorizing the Board of Directors to investigate alternate methods to provide adequate liability protection for the property and personnel of the Iowa Corporation. Such resolution reads as follows:

RESOLUTION

WHEREAS, it has been the past practice of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa Corporation, to provide insurance coverage for its property, and also for its personnel while they are conducting the business and affairs for the corporation, including professional liability insurance; and

WHEREAS, the historical exposure of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to large liability claims (professional or otherwise) has been much lower than organizations of similar size and function; and

WHEREAS, in recent months full and adequate insurance coverage has been difficult to obtain and, when obtainable, has been extraordinarily expensive; and

WHEREAS, temporary measures have been adopted by your Board of Directors to provide indemnification protection to our personnel in areas previously covered by insurance; and

WHEREAS, it appears in the best interests of the corporation to explore all reasonable methods of providing adequate protection for our property and for our personnel while they are discharging their duties for the corporation.

NOW, THEREFORE, BE IT RESOLVED, that:

1. The Board of Directors is hereby authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation.

2. The investigation shall include, but shall not be limited to, the formation of a captive insurance company.

3. Upon the completion of its investigation and review, the Board of Directors is authorized to take such action, including the formation of a captive insurance company as the Board of Directors, in its discretion may determine will be in the best interests of the corporation and which will provide adequate and economically feasible protection for our property and for our personnel while they are discharging their duties to the corporation.

The committee reports that the resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Burton Ravellette of the Insurance Committee for its report.

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Imperial Sir Burton Ravellette.

IMPERIAL SIR RAVELLETTE: To the Representatives of the Imperial Council: There has been referred to your Insurance Committee item number 13, which appears on page 21 of the Call. It is a resolution authorizing the Board of Directors to investigate alternative methods of providing adequate liability coverage for the Iowa Corporation.

A hearing on this resolution was held. No person appeared in opposition to this resolution. Your committee found that it is imperative that adequate and economically feasible protection for our property and our personnel be provided and that the adoption of this resolution will afford the Board of Directors another option in their continuing efforts to solve the presently existing insurance crisis.

The Insurance Committee recommends the adoption of this resolution.

Imperial Sir, if there are no questions or comments on this report, I request that you call upon the proponent, Ted Corsones, for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: I will now recognize our legal counsel, Ted Corsones.

NOBLE CORSONES: Imperial Sir, I would move for the adoption of this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that this resolution likewise be adopted. Is there any discussion?

NOBLE WILLIAM NIGH [Bedouin Temple]: My name is Bill Nigh and I am the Chief Rabban of Bedouin Temple.

I question in this resolution where it says, "shall include but shall be limited to the formation of a captive insurance company."

Gentlemen, if you form a captive insurance company, you have to go before the Insurance Commission of every State in the Union and you are setting a precedent of losing your non-profit organization because the only thing an insurance company does is collect premiums and what you should do is to become self-insured, which means that you will pay all the damages regardless of what they are, which would be the same as if you owned the insurance company but you would not be in danger with the IRS.

NOBLE CORSONES: Let me answer this and say, as you might surmise, we are aware of the comments that you make. The federal government is considering also captive insurance companies, which could make them national in scope.

In addition, if you will be good enough to look at the resolution, you will find that what you are doing is authorizing an investigation. It says that the Board is authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property.

Really, the entire purpose of this involves investigation and the investigation must show this is economically feasible for you. It must show it is something that would be in your best interests.

If it turns out, for example, that Bill's remarks prove to hinder us from going forward with

this, we would make a report, of course, to the Board of Directors and the Board of Directors, as it says, has the final say on it, Bill.

NOBLE NIGH: It says that upon the completion of this investigation, the Board of Directors, at its discretion, may form a captive insurance company. So we are authorizing them to investigate and then to do it.

IMPERIAL POTENTATE KISSELBURGH: Let me clarify this.

You are authorizing them to investigate. Then it goes to the Board of Directors in between the Imperial Sessions for them to make the determination.

NOBLE NIGH: It says, including, sir, the formation of a captive insurance company.

NOBLE CORSONES: That is what is says. However, we do not know what the investigation will show. If it shows that is one alternative—if it shows that it is in the best interests of the Colorado Corporation and Iowa Corporation to form such a company—if it should turn out to be in your best interests, we would so report to the Board of Directors. However, if it turns out that it is not in your best interest, we would likewise report that.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion?

If not, all those in favor of the motion please say aye; opposed no. I hereby declare that this has passed by the necessary two-thirds majority.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I would now like to call upon Walt Pettit for an announcement and then I likewise wish to say something to all of you.

NOBLE PETTIT: I hope I do not steal his thunder away but I do want to congratulate all of you for the manner in which you have conducted yourselves in relation to the business of this organization on this particular day. You have done a splendid job. We have a lot to do and you have made significant impact in that respect to end up on an upbeat note.

In connection with that, let me say that we are fortunate to have a magnificent array of Nobles working for us on our standing committees. They have given every matter assigned to them sound and fair consideration and as a result of the forums which they have provided for the proponents of legislation, many problems from the Representatives have been resolved at that level and before they have reached this floor.

I am proud to announce to you that at this point in time the proponents of four items of legislation have asked we present withdrawals to you and two others have asked for direction in that regard. In the morning, I suspect one of the first items of business will be the withdrawal of from four to six items.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Walt.

I will now call upon our Imperial Recorder, Jack Jones, for some announcements.

... Various announcements concerning the status of planned social facilities were then made by Imperial Sir Jones ...

IMPERIAL POTENTATE KISSELBURGH: At this point I would like to call upon Imperial Sir Everett Evans. I believe we do have a problem and he will explain it to you.

IMPERIAL SIR EVANS: Imperial Sir and Fellow Representatives: We do not have a problem—we have had a problem.

When you leave here, if you are unfortunate as I have been and most of us up here on the stage have been, you are going to run into these two strangers out there with whom, I am sure by now, you have become familiar. They are right outside the door and they are waiting for somebody to talk to. If you want to talk to them, however, be my guest. However, I am not about to talk to them because I have heard all I wanted. Please be careful when you talk to them because they are waiting for somebody to make a mistake. You have done so well and we are making progress and everything is going good and I thought you ought to have that information. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you for your attention. You have been magnificent. As Walt indicated, we did get a lot of work done today and I know you are going to have an exciting program tonight. I think you are going to be very pleased with it.

We are now in recess until nine o'clock tomorrow morning.

... The One Hundred Twelfth Annual Session of the A.A.O.N.M.S. recessed at five o'clock p.m. ...

MORNING SESSION
THURSDAY, JULY 3, 1986
NINE O'CLOCK A.M.

The One Hundred Twelfth Annual Session of the Imperial Council reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at nine o'clock a.m., Imperial Potentate Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: May we get started, please. It is nine o'clock.

I would now like to call on our Imperial Chaplain for the Invocation. I will now recognize Dr. J. Whitcomb Brougher, our Imperial Chaplain, to give us the Invocation.

REVEREND DR. J. WHITCOMB BROUGHER [Imperial Chaplain]: Heavenly Father, give us courage and strength and the assurance that right will come out victoriously. We do pray for thy blessings upon our Masonic Shrine throughout all of this country and, likewise, bless now this meeting this morning.

Also, bless our Imperial Potentate as he presides. Bless every person who speaks over the microphone to be heard.

May we listen and think and may we study thy will and do that which thou wouldst have us do and do it gladly. In thy Name we pray. Amen.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Reverend Brougher.

Representatives, let me say that we again ask for your cooperation today because we do have a very full day of business. We have a lot of legislation to take place and it can only be done with your cooperation.

Further, I hope you all had a good time last night. I never received so many congratulatory remarks.

... Cheers and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Let me also announce that tomorrow morning at nine o'clock we will have a patriotic program for you, not only in celebration of the birthday of the Statue of Liberty but our independence.

At that time, we are going to give a special Imperial Potentate's Award to all of the members of the Shrine who have been made famous through the Hollywood movie industry. We are also going to have a fine choir to sing for you. We believe you are going to enjoy the program tomorrow morning. It will likewise be open for the ladies. We are going to try to get about 3,000 people packed in this room. Also, the Governor of California is going to be present to give us a message.

At this time, I would like to recognize, for a few remarks, the Grand Master of Masons of California. I would like to request him to bring you greetings as well as to perhaps speak for all of the Grand Masters of all the forty-six Grand Masonic Jurisdictions represented here.

At this time, may I present to you Most Worshipful Brother John Driskell, a very close friend of mine—not too bright but he is the Grand Master anyway.

... Rising applause and laughter ensued ...

WORSHIPFUL BROTHER DRISKELL [Grand Master, California]: He had to start the morning that way, did he not? (Laughter)

At any rate, let me, on behalf of the Grand Masters assembled here, once again welcome you to this great State of California and to this wonderful, wonderful One Hundred Twelfth Imperial Council Session.

I have to tell you a little story first. Some of you people look too serious this morning and so I have to warm you up so that you will be in a good mood.

You know, I went to the doctor's office the other day and as I started to go into the door, an elderly lady came running out screaming. So when I got in there, I said, "Doc, my golly, what did you tell that lady? What did you do to her?" He replied, "Well, I just told her she was pregnant." (Laughter)

I said, "Well, you and I know that is highly improbable in her case." He replied, "Well, yes, you and I know it but it is one hell of a way to cure the hiccups." (Laughter)

You know, I get a lot of kidding. For example, like Walker, I come from a real metropolitan city of ten up in the High Sierras. However, I do want you to know that we have a very, very progressive town and I can tell you this story here because there are no ladies present.

Just recently we had a 400 pound Avon lady move in and that is our heaviest industry. (Laughter)

You know, very often I put my foot in my mouth without thinking. For example, I was telling a story the other day at a function up in Paradise Park, California. This is a Masonic community in relation to which the residents live there on the property, etc.

I was telling the story about the Presbyterians, and, of course, I am one of them.

I said, "You know, you show me four Presbyterians and I will show you a fifth." (Laughter)

But, at any rate, I do want to get serious for a moment.

I would like to say to the other Grand Masters here that I called my office yesterday and found we were getting a great number of telephone calls from irate Masons in California who were asking, "What is the Grand Lodge going to be doing about the articles in the paper indicating the Shrine is collecting money illegally?"

Well, I told them to inform the staff in that office that the first statement they made to anybody over the telephone is that it is not true. I also told them to have their Shrine Temples in their local area available and tell these individuals calling to call back next week and that they, at that time, would have the information available to them.

At any rate, I just wanted to forewarn you in relation to what is transpiring in some of these Grand Lodges and some of these other "Grand" organizations. I have talked to the Grand Masters this morning and find they are also receiving some of these types of calls.

Therefore, when you go back, please be informed and inform your staff that they will be receiving these calls and the first thing you have to do when they call you, because essentially all of them are mad, is to be gentle with them, even though you might like to say something to the effect, "You are an idiot for believing that in the first place."

As a matter of fact, if these people were to look far enough and deep enough, they would have found that the Colorado Corporation, when it was audited some three years ago, that 98.6 percent of every dollar that is collected actually does go directly toward child care. What these reporters have been doing was to intermingle the two corporations and you have already been told all about that. As a matter of fact, that is the thing that sells newspapers. It is unfortunate that this situation has actually happened out there but if we continue to give these people the actual facts, we are going to be in a much stronger position than we were previously. (Applause)

At any rate, I just wanted to bring you that information this morning with the consent of our Imperial Potentate so that you can be prepared when you return to your Temples.

Also, again, I would suggest to all of the Grand Masters present here that you refer them to your Shrine Temples closest to that particular area and let them answer the questions. Once they realize, our people really know that there were false statements made in the papers, we, as American people in this continent, are going to grow and become twice as strong as we were before. I truly believe that.

Thank you much for allowing me this privilege. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, Most Worshipful Sir. Those are kind words to follow up on what was said previously. However, I also want you to know that our Public Relations Department is feverishly working on a packet for each of you to take back home with you tomorrow. I mean that sincerely. They are working very, very feverishly and we will have that information for you in detail.

Now, yesterday, just as I was coming back to the meeting, I ran into one reporter I had not met and he recognized me because I, at the time, was talking to some ten or twelve members of Divans of various Temples and he thought that I was the Imperial Potentate. He interjected himself in this conversation and asked if he could talk with me.

I said, to him, "I know who you are, I saw you on television yesterday and I want you to know that you look a lot better on television than you do here in person." (Laughter)

Well, with that, let us get out our Call and go to work.

Well, before that, I believe our Imperial Recorder has a couple of announcements he desires to make.

IMPERIAL SIR JONES: Yes, Imperial Sir, I do have a couple of announcements that I would like to make at this time, if I may.

. . . Various announcements were made by Imperial Sir Jones . . .

IMPERIAL POTENTATE KISSELBURGH: Thank you, Imperial Sir Jack.

I will now call on Illustrious Sir Walter Pettit, Chairman of the Jurisprudence and Laws Committee, for some information relative to the Call.

NOBLE PETTIT: At this time, I would like to call to your attention some withdrawals of legislation.

To the Representatives of the Imperial Council: I have before me a written request to withdraw item 2 which appears on page 15 of the Call for the Annual Session. It reads as follows:

It is signed by William H. Wood, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

Walter S. Pettit, Chairman

JURISPRUDENCE AND LAWS COMMITTEE

IMPERIAL POTENTATE KISSELBURGH: Do you all understand what is being requested here? As the Chairman of Jurisprudence and Laws has said, to have this officially withdrawn it must require the unanimous consent of the Representatives.

Are you ready for the question?

All those in favor of withdrawing item 2 please say aye; opposed no. It is unanimously carried and item 2 is therefore withdrawn.

NOBLE PETTIT: Imperial Sir and Representatives, the next item concerns the withdrawal of item 5 in the Call.

To the Representatives of the Imperial Council Session: I have before me a written request to withdraw item 5, which appears on page 17 of the Call for the Annual Session. It reads as follows:

Walter S. Pettit, Chairman

IMPERIAL POTENTATE KISSELBURGH: Again, do you understand what you are going to vote on? Are you ready for the question?

. . . The question was severally called for . . .

IMPERIAL POTENTATE KISSELBURGH: All in favor indicate by saying aye; opposed no. It is unanimously carried and it is so ordered.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw item 6, which appears on page 17 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 6 on the Call for the Annual Session of 1986."

tives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

Walter S. Pettit, Chairman

JURISPRUDENCE AND LAWS COMMITTEE

IMPERIAL POTENTATE KISSELBURGH: You have before you a request to withdraw item 6 in the Call. Is there any discussion on that? Are you ready for the question?

All in favor of withdrawal please say aye; opposed no. It is unanimously carried and so ordered.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw item 8, which appears on page 19 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 8 on the Call for the Annual Session of 1986."

It is signed by Illustrious Sir Gordon B. Anderson, the proponent.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representative. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

Walter S. Pettit, Chairman

JURISPRUDENCE AND LAWS COMMITTEE

IMPERIAL POTENTATE KISSELBURGH: Are there any questions insofar as the request to withdraw item 8 in the Call is concerned?

If not, all in favor say aye; opposed no. It is unanimously carried and so ordered.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw item 9, which appears on page 19 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 9 on the Call for the Annual Session of 1986."

It is signed by Illustrious Sirs Layton Rhew and Robert A. Jones, Sr., the proponents.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

Walter S. Pettit, Chairman

JURISPRUDENCE AND LAWS COMMITTEE

IMPERIAL POTENTATE KISSELBURGH: You have before you the request to withdraw item 9. Is there any discussion? If not, I will call for the vote.

All in favor please say aye; opposed no. It is unanimously carried and so ordered.

Let me ask, do we have any legislation left? (Laughter)

I will next call on Illustrious Sir Gerald Davis, a member of the Jurisprudence and Laws Committee, to present a report concerning item 3 of the Call.

NOBLE DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 3 on the Call of the Annual Session of 1986, located on page 15 of the Call. It is a proposal to amend Section 332 of Article 32 of the Bylaws of the Imperial Council, an Iowa Corporation, so that the Section, as amended, will read as follows:

ARTICLE 32

Initiation Fee; Dues; Hospital Levies; Assessments

Section 332.1, Initiation Fee.

(a) no change

(b) no change

A new subparagraph

(c) "A Temple may provide a variable rate of initiation fee based upon the age of its initiates provided no such fee is less than \$100."

(c), (d), (e) and (f) relettered to become subsections (d), (e), (f) and (g).

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Walter Pettit, Chairman

Gerald L. Davis

William A. Buckaway, Jr.

Robert C. Lake

R. E. Cooper

J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Sam Erickson, Chairman of the Finance and Accounts Committee for its report.

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Illustrious Sir Sam Erickson, the Chairman of the Finance and Accounts Committee.

NOBLE SAM ERICKSON: To the Representatives of the Imperial Council: The proposed amendment to Section 332.1 of Article 32 of the Bylaws of the Iowa Corporation has been referred to your Committee on Finance and Accounts for a report to you. It is item 3 on page 15 of the Call.

The committee reports that the proposed amendment has been considered by this committee which finds that the subject matter of the proposed legislation is not in the best interest of the financial well being of our Temples throughout Shrinedom and unanimously recommends against the passage of this amendment.

Respectfully submitted,

COMMITTEE ON FINANCE AND ACCOUNTS

Imperial Sir, if there are no questions concerning this report, I recommend that you now call on the proponent, Dr. Richard A. Petersen, for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Dr. Richard A. Petersen, the proponent.

NOBLE RICHARD A. PETERSEN [Tangier Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives All: I realize that there is some controversy over this amendment. However, there are some Temples that have done this in the past.

IMPERIAL POTENTATE KISSELBURGH: Excuse me, sir, would you start off by making a motion and then we will subsequently have the discussion?

NOBLE PETERSEN: Imperial Sir, I would move for the passage of this amendment.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: We are now open for discussion. Go ahead, Dr. Petersen.

NOBLE PETERSEN: Like I was saying, Imperial Sir, there are some Temples in the past that have been doing this for under age thirty and some Temples doing it for individuals over the age of sixty.

We are seeking to increase our membership and some of these young men who are raising families and while they want to also be active in Masonry, they have quite a bit of expense progressing through the Blue Lodge, the York Rite and the Scottish Rite bodies.

I believe this would be in the best interest of some of the Representatives and I do recommend that my fellow Representatives vote favorably upon this amendment.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much. Is there any further discussion on the proposal? Is there any further discussion on the proposal, either for or against? The microphones are open in every aisle. Is there any further discussion on the proposal?

ILLUSTRIOUS SIR JAMES A. SKELTON [Hamasa Temple]: Imperial Sir, I am sorry I am a little late but I was having breakfast with Shirley Jones. (Laughter)

There is something that concerns me here and I should like to get it clarified, if I can.

I would like to refer you to Section (c)—“A Temple may provide a variable rate of initiation fee based upon the age of its initiates, provided no such fee is less than \$100.”

Now, suppose that we have some individuals in a Temple who want to charge more than that—perhaps charge \$800. This does not say anything about a limit. How are we going to deal with that, Imperial Sir?

IMPERIAL POTENTATE KISSELBURGH: I will call upon the Chairman of Jurisprudence and Laws for an explanation to the man from Mississippi.

NOBLE PETTIT: The manner in which initiation fees may be established and charged is through your Temple Bylaws.

In order to establish an \$800 initiation fee, for example, or any other fee, for that matter, it would have to be placed before the Nobility of your Temple in connection with proper notice and I suspect they may not say that was advantageous to the Temple. Does that answer the question?

IMPERIAL POTENTATE KISSELBURGH: Do you desire an interpretation on that? (Laughter)

I will now recognize Illustrious Sir Henry E. Pearce, Potentate of Salaam Temple.

NOBLE HENRY PEARCE [Potentate, Salaam Temple]: The only comment I would like to make on this is that I recall yesterday when we were giving out awards, that one Temple had one of its largest classes by foregoing the initiation fee on the one Ceremonial. In this, however, that would not be possible.

In addition, as just stated, the Temple Bylaws dictate what is to be done, dictate, for example, what the initiation fee shall be in relation to that particular Temple.

Now, if Tangier Temple, for example, feels that they need a lesser amount in order to bring in younger people, then they should change their Bylaws.

It has been said, under this, that it would not be possible to bring in members without charging them the minimum of \$100. Is that correct?

IMPERIAL POTENTATE KISSELBURGH: That is correct, the figure of \$100. You are speaking in opposition to the resolution?

NOBLE PEARCE: Yes, I am speaking in opposition to the resolution.

IMPERIAL POTENTATE KISSELBURGH: Thank you.

NOBLE WILLIAM C. VAUGHAN [Kazim Temple]: I want to point out a question I have in relation to this.

Under paragraph (c), it says that the Temple may provide a higher rate of initiation fee according to the proximity of the candidate's residence to the location of the Temple. Personally, I do not see that where a man lives should have an effect on that. I would go along on the age but where a man lives, I do not go with that.

NOBLE PETTIT: Let me say, Representatives, that paragraph (c) is not a matter for your decision.

(c) has been passed by this body in previous Sessions and is now a part of the Imperial Bylaws, which are not to be changed by this resolution.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion? Are there any further questions?

... The question on the motion was called for ...

IMPERIAL POTENTATE KISSELBURGH: The question has been called for.

All in favor of this resolution as presented, indicate by saying aye; those opposed, no. It is not passed.

Now, I have a request to extend a moment to Illustrious Sir Chuck Oakes.

NOBLE OAKES: Imperial Sir and Representatives, there seemed to be a lot of confusion by the time you got out of here yesterday about whether I made the vote unanimous and I want to make sure the record shows I did make it unanimous and I will be back again next year. Thank you.

... Cheers and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you.

I will now call on Illustrious Sir Bill Buckaway to present a report from the Committee on Jurisprudence and Laws concerning item 4 in the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 4 on the Call of the Annual Session of 1986, located on page 16 of the Call. It is a proposal to amend Article 34 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding a new Section 334.8, amending and renumbering the present Section 334.8 as Section 334.9, and renumbering the present Section 334.9 as Section 334.10, so that such sections, as amended, will read as follows:

ARTICLE 34

Temple Business Affairs and Fiscal Regulations

Section 334.8 SALE OF TEMPLE ASSETS. Any Temple, or any of its affiliates, contemplating the sale, lease, exchange, mortgage, pledge or other disposition of all or substantially all of its property and assets, may only do so upon such terms and conditions and for such consideration as shall be first authorized by a vote of the Temple at a stated meeting, or at a special meeting which sets forth in the notice of the meeting the specific nature of the business to be transacted.

Section 334.9 INCORPORATION OF TEMPLES OR AFFILIATES

(a) Any Temple now incorporated pursuant to a state statute which authorizes the formation of a fraternal corporation, not for profit, deriving its rights and powers from a Grand or Imperial body, and any affiliated organization incorporated pursuant to a not-for-profit statute, may continue its corporate existence so long as its Charter or Bylaws contain provisions that the corporation (1) yields obedience to Shrine law; (2) exists solely as a non-profit corporation having no purpose other than that of acquiring, owning, selling or otherwise disposing of, and mortgaging real estate and the erection, maintenance and operation of buildings thereon, for its own use; (3) no part of its assets or funds shall inure to the benefit of individuals personally except in payment for services actually rendered or performed; and (4) in the event of dissolution, the assets and funds remaining after the payment of all debts of the corporation shall be conveyed to the Temple or Shriners Hospitals for Crippled Children.

(b) New corporations organized by Temples are prohibited unless:

(1) An application is presented to the Imperial Potentate stating the reasons why a corporation is necessary.

(2) A draft of the proposed Articles of Incorporation or Association is attached to the application.

(3) The Articles of Incorporation or Association include provisions that (i) it exists solely as a non-profit corporation having no purpose other than that of acquiring, owning, selling or otherwise disposing of, and mortgaging real estate, and the erection, maintenance and operation of buildings thereon, for its own use; (ii) it is subject to control by the Temple at all times; (iii) the Directors and Managing Officers shall be members in good standing in the Temple; (iv) no part of the assets or funds may inure to the benefit of individuals personally except in payment of services actually rendered or performed; (v) in the event of dissolution the assets and funds remaining after the payment of all debts of the corporation shall be conveyed to the Temples or the Hospitals; (vi) no amendment of the Articles shall be effective unless first approved by the Chairman of the Jurisprudence and Laws Committee, General Counsel and the Imperial Potentate; and (vii) when a change is made by the Imperial Council affecting Shrine law, and the change affects the Articles of Incorporation or Bylaws of this corporation, the Articles of Incorporation and the Bylaws of this corporation, unless

prohibited by state law, are thereupon changed to conform with those of the Imperial Council and appropriate action shall be taken by the corporation to evidence the same.

(4) The Chairman of the Jurisprudence and Laws Committee, General Counsel and the Imperial Potentate approve the application.

(c) A corporation organized by a Temple is required to maintain its records in accordance with the Uniform Chart of Accounts prescribed by the Imperial Council.

(d) The corporation is required to file annually with the Imperial Recorder an operating statement for the previous year showing all income and expenditures and a balance sheet showing the financial conditions of the corporation at the end of the previous year.

(e) The sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all, the property and assets of the corporation, may only be upon such terms and conditions and for such consideration as shall first be authorized by a vote of the Temple at a stated meeting of the Temple, or at a special meeting which sets forth in the notice of the meeting the specific nature of the business to be transacted.

Section 334.10 CORPORATE DOCUMENT FILED WITH IMPERIAL RECORDER

Copies of the Articles of Incorporation or Association and the Bylaws of every Temple corporation and affiliated or appendant corporation must be filed with the Imperial Recorder.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Walter S. Pettit, Jr., for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Illustrious Sir Walter Pettit.

NOBLE PETTIT: Imperial Sir and Representatives, let me first say that I apologize for the length of that. However, it was required by the Imperial Bylaws.

However, I think when we talk about item 7 in the Call, we will, with your consent, shorten that up a little bit.

Now, let me say that I would move for the adoption of this proposal, if I may.

... The motion was duly seconded ...

NOBLE PETTIT: Also, if I may be permitted to do so, I would like to speak to it.

It is easy to say that this is a housekeeping situation and it is all too complicated for that. Well, it really is not that complicated.

The reason for this legislative proposal and that concerning item 7, is in relation to requests that we have had over the past two years, numerous in number, from different Temples around the country requesting assistance and direction with respect to the sale of assets and properties.

Our feeling was that we could and have given you some positive direction in how that may be done and have covered, at the same time, in this and also Article 7, all of the appendant corporations.

Again, this all relates to the sale of your Temple property, gives you direction as to how that is to be accomplished and accomplishes those directions in your Temple corporation and your Shrine Club corporation.

Therefore, I would urge and ask that you vote in favor of this proposal.

IMPERIAL POTENTATE KISSELBURGH: Thank you. The resolution has been moved and seconded. Is there any discussion? Is there any further discussion?

... The question was called for ...

IMPERIAL POTENTATE KISSELBURGH: The question has been called for. We are dealing with the adoption of item 4 in the Call.

All in favor will please say aye; opposed no. I will declare it to be unanimously adopted. I would now like to call on Judge Cooper for the presentation of the companion Article, Article 7 in the Call.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 7 on the Call of the Annual Session of 1986, located on page 18 of the Call. It is a proposal to amend subsection (c) of Section 337.7 of Article 37 of the Bylaws of the Imperial Council, an Iowa Corporation, so that such subsection, as amended, will read as follows:

ARTICLE 37
Shrine Clubs

Section 337.7 Incorporation of Shrine Club holding company

(c) The Articles of Incorporation or Association must include the following provisions:

(1) It must be a non-profit corporation or association and for the sole purpose of holding title to real or personal property other than cash and securities owned by the Club.

(2) The Trustees and Managing Officers of the corporation or association must be members in good standing in the club and remain subject to the Bylaws of the authorizing Temple and the control of the Potentate.

(3) The Potentate shall have power to remove from office in the corporation or association any Trustee or Managing Officer for disobedience of his orders or for any violation of Temple Bylaws with respect to the conduct of the affairs of the corporation or association.

(4) The sale, lease, exchange, mortgage, pledge or other disposition of all, or substantially all, the property and assets of the corporation, may only be upon such terms and conditions and for such consideration as shall first be authorized by a vote of the Temple having jurisdiction of the Shrine Club at a stated meeting of the Temple, or at a special meeting which sets forth in the notice of the meeting the specific nature of the business to be transacted.

(5) When a change is made by the Imperial Council affecting Shrine law, and the change affects the Articles of Incorporation or Bylaws of this corporation, the Articles of Incorporation and the Bylaws of this corporation, unless prohibited by state law, are thereupon changed to conform with those of the Imperial Council and appropriate action shall be taken by the corporation to evidence the same.

(6) No amendment of the Articles of Incorporation shall be effective unless first approved by the Temple Potentate, the Chairman of the Jurisprudence and Laws Committee, General Counsel, and the Imperial Potentate.

(7) In the event of dissolution, the assets and funds remaining after payment in full of all debts of the corporation or association shall be conveyed to the Temple or Shriners Hospitals for Crippled Children.

No part of the assets or funds may inure to the benefit of any member of the corporation or association, nor revert to any officer or trustee thereof.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Walter S. Pettit, Jr., for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: I will now recognize Illustrious Sir Walter Pettit.

NOBLE PETTIT: Imperial Sir and Representatives, I would move for the adoption of this proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have before you a motion to adopt this Article. Is there any discussion? Is there any discussion?

If not, all in favor please say aye; opposed no. It is unanimously carried and so ordered.

Now we will have a little variation and I will now call upon the Chairman of the Grievances and Appeals Committee. I want you to know this is one of the toughest standing committees there is. This is where all of the unhappiness of the Shrine comes to roost and I also want to indicate to you that the man who is going to present this report to you has been the Chairman of this Committee for many, many years. He is one of the kindest, most intelligent men insofar as law is concerned and has a great deal of compassion.

I now give you Illustrious Sir Judge Sewell Lamdin.

NOBLE LAMDIN: Thank you very much, Imperial Sir.

I would like a point of personal privilege before I present these reports.

I am sure that the Potentate of Ismailia Temple is tickled to death that last year in your wisdom, for the first time, you adopted a limitation on any action that could be brought for conduct unbecoming a Noble for any violation of the Imperial Bylaws.

When that gentleman said that they gave a free initiation, they violated the Bylaws but the statute of limitation covers it and they are in the clear.

This is a hard-working committee and I would like to introduce them before we make the report.

From Meridian, Mississippi, we have a practicing attorney, Jim Singley, over here (indicating).

From down in the panhandle, from Pensacola, Florida, we have J. B. Hopkins.

From Nashville, Tennessee, we have Judge Gale Robinson.

All the way up from British Columbia, we have Past Imperial Potentate, a member of the Queen's Bench, Jack Streight.

From Peoria, we have Bill Christison, a practicing attorney in Peoria and then we likewise have that prosecutor from Detroit, Michigan, who received his Emeriti membership yesterday, Gerald Groat.

Now, Representatives, while you were having fun between sessions, we had referred to us several matters which I would like to present to you.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Illustrious Sir J. Dan Hogan, Jr., Potentate of Alcazar Temple, appealing the finding of guilty and the penalty of indefinite suspension, returned by the Trial Committee of Alcazar Temple, together with a request for stay of the imposition of any penalty.

The appeal was timely filed and the matter was scheduled for hearing before the Imperial Council Committee on Grievances and Appeal on Friday, November 1, 1985, in the Shrine Headquarters Building, 2900 Rocky Point Drive, Tampa, Florida, beginning at nine-thirty a.m. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and was well attended by members of Alcazar Temple. Both sides were given an opportunity to be heard and to submit evidence, both oral and documentary.

After a thorough and complete discussion of all the evidence submitted, oral arguments and the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals was of the unanimous opinion that the charges were not supported by the evidence and should be dismissed and that the request for a stay of the imposition of any penalty should be granted as of November 1, 1985.

In view of the above, your Committee on Grievances and Appeal recommends that the appeal of Illustrious Sir L. Dan Hogan, Jr., be sustained and the action of your committee in granting the request for a stay be ratified.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals present and participating in the hearing held on November 1, 1985, in Tampa, Florida.

Respectfully submitted,

COMMITTEE ON GRIEVANCES AND APPEALS

Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: This affects an action of the Imperial Potentate and so I will call upon Imperial Sir Evans to take the vote.

IMPERIAL SIR EVANS: Representatives, you have before you a motion and a second to accept this report. Is there any discussion?

If not, all in favor say aye; opposed no. It is unanimously carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: By your unanimous vote in Atlanta, Georgia, on July 5, 1985, Syrian Temple was directed to conduct a trial of the charges against both Illustrious Sir Larry Sowder and Noble Charles S. Settle, and, that the incoming Imperial Potentate, Walker S. Kisselburgh, appoint a committee to investigate whether or not Illustrious Sir Larry Sowder had violated the Order staying the imposition of any penalty imposed against Noble Charles S. Settle.

Shortly after the Imperial Council Session adjourned, inquiry was made by several Past Potentates and Nobles of Syrian Temple as to the possibility of avoiding these trials and the devastating effect they would have upon the Temple. These inquiries were directed to the Chairman of your Committee on Grievances and Appeals, who agreed to meet with all parties concerned in Cincinnati, Ohio, on August 14, 1985.

The meeting was held as scheduled in the Mosque of Syrian Temple and resulted in a written agreement between the parties effectively resolving the issue in dispute as per copy of said agreement attached hereto and made a part of this report.

In view of the above, your Committee on Grievances and Appeals recommends that the agreement, dated August 14, 1985, between Illustrious Sir Larry Sowder and Noble Charles S. Settle be ratified.

Respectfully submitted by your Committee on Grievances and Appeals and signed by all members.

Respectfully submitted,

AGREEMENT

IN RE: SYRIAN TEMPLE A.A.O.N.M.S. in the matter of charges against Nobles Charles Settle, Recorder and Larry Sowder, Potentate.

WHEREAS, it is believed to be in the best interest of Syrian Temple and Shrinedom that the parties hereto resolve this dispute by agreement;

IT IS THEREFORE AGREED by and between the parties hereto as follows:

1. That both parties hereto agree to withdraw all charges pending against them in Syrian Temple and that no future charges shall be filed against either party hereto or any other Noble of Syrian Temple concerning any of the matters or activities which gave rise to this disciplinary action.

2. Both parties hereto agree that no civil or criminal proceedings shall be filed in any court by or against any Noble or Officer of Syrian Temple, past or present, or the Imperial Council, where such proceedings are predicated on any incident or occurrence which gave rise to this disciplinary proceeding, or arose out of the disciplinary proceeding and matters directly or indirectly connected therewith.

3. The Potentate, Larry Sowder, agrees to place the Lock Box banking procedure on hold, unless or until, the Syrian Temple Bylaws are properly amended.

4. The Recorder's desk will be returned to the Alcove heretofore used by the Recorder as his private office. Temple Officers shall use the Past Potentate's Room when necessary and required.

5. The Recorder's salary shall be based on members in good standing as of December 31 of each calendar year. Good standing means that the member has paid his current dues and all proper assessments.

6. The Recorder shall submit proper vouchers to the Syrian Temple Treasurer and/or the Temple Auditor for any and all proper expenses connected with the carrying out of his duties as Recorder.

7. Syrian Temple shall not be liable for any legal fees incurred by the Recorder relative to this matter.

8. Noble Settle shall be entitled to credit for all clown Jewels found to be due him after an audit to be done by Nobles Thorai Schehr and Donald Beirman. Each Jewel shall be on the basis of the cost in the year in which they were earned subject to a credit due Syrian Temple in the amount of \$3,351.

9. The parties hereto agree that in the event of any dispute as to the terms of this agreement, such dispute shall be submitted to Noble I. Sewell Lamdin, Boumi Temple, for arbitration, prior to the filing of any charges. If dissatisfied with the ruling of the arbitrator, either party may take proper Shrine action.

10. Noble Settle shall be reimbursed for the charges deducted from his salary for transportation in the Syrian Temple hospital van.

11. The Potentate, Larry Sowder, agrees to have all further travel funds channeled through a Noble.

12. Both parties hereto shall be permitted to complete their present term of office in Syrian Temple without any interference from each other and to be candidates for election to any office they so desire in the future in Syrian Temple.

13. The parties hereto agree for themselves and for their officers, agents and employees, that they will not engage in any conduct or activity which will create dissension or disharmony in Syrian Temple, among the Nobles thereof or in Shrinedom in general.

14. The parties hereto agree that this agreement shall be for the sole purpose of resolving and settling all issues arising out of the activities which gave rise to the disciplinary proceedings pending against each other.

15. All parties hereto agree that there shall be no publication in any form of the terms and conditions contained herein. Any violation hereof shall subject such Noble to sanctions and disciplinary action under Article 30 of the Imperial Council Bylaws.

Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL SIR EVANS: You have before you the motion and the second, which is to adopt this report. Is there any discussion?

If not, all in favor please say aye; opposed no. It is unanimously carried.

IMPERIAL POTENTATE KISSELBURGH: You know, you can always tell a Texan—not much—but you can always tell a Texan. (Laughter)

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed on behalf of the Durham Shrine Club, alleging that the action of R. A. Jones, Potentate of Amran Temple in disbanding the Durham Shrine Club was arbitrary and capricious.

The appeal was timely filed and the matter was scheduled for hearing before the Imperial Council Committee on Grievances and Appeals on Monday, June 30, 1986, at two o'clock p.m., in the Westin Bonaventure Hotel, Los Angeles, California. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and was well attended by Nobles from Amran and Sudan Temples. Both sides were given an opportunity to be heard and to submit evidence, both documentary and oral.

After a thorough and complete discussion of all the evidence, oral arguments and the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals was of the unanimous opinion that the action of Illustrious R. A. Jones, Potentate of Amran Temple in disbanding the Durham Shrine Club was authorized under Article 37, Section 337.2 of the Imperial Council Bylaws and was not arbitrary or capricious.

In view of the above, your Committee on Grievances and Appeals recommends that the appeal be denied.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Respectfully submitted,

Imperial Sir, I would move the adoption of the report and denial of the appeal.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KISSELBURGH: Is there any discussion?

If not, all in favor of the adoption of the report, which recommends denial of the appeal, please say aye; opposed no. It is unanimously carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble Raymond E. Beisel of Rajah Temple from the finding of "no probable cause" returned by the Rajah Temple Grievance Committee which investigated the complaint filed by Noble Beisel against Illustrious Sir Howard E. Twyford of Rajah Temple.

The appeal was timely filed and the matter was scheduled for hearing before the Imperial Council Committee on Grievances and Appeals on Sunday, June 29, 1986, in the Westin Bonaventure Hotel, Los Angeles, California, beginning at eleven o'clock a.m. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled. Rajah Temple was represented by the Illustrious Sir Walter G. M. Schneider, Potentate and Normal L. Baringer, Chief Rabbah. The appellant, Noble Raymond E. Beisel did not appear, but submitted on the basis of a written brief filed by his attorney, Noble Frederick G. McGavin, Past Potentate of Rajah Temple. Both the Illustrious Sir Walter G. M. Schneider and the Chief Rabbah Norman L. Baringer were heard.

After a thorough and complete discussion of all the evidence submitted, oral arguments and the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals was of the unanimous opinion that the Rajah Temple Grievance Committee was in substantial compliance with the Imperial Council Bylaws.

In view of the above, your Committee on Grievances and Appeals recommends that the appeal filed by Noble Raymond E. Beisel of Rajah Temple be denied.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have before you the motion and the second, which is to adopt this report. Is there any discussion?

If not, all in favor indicate by saying aye; opposed no. It is unanimously carried.

NOBLE LAMDIN: The last and final report was one that gave the committee considerable difficulty.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Noble Charles J. Foster of Syrian Temple, from a finding of "no probable cause" by the Grievance Committee of Syrian Temple in his complaint against Noble D. Winston Franks, Potentate of Syrian Temple.

The appeal was timely filed and the matter was scheduled for hearing on Sunday, June 29, 1986, in the Westin Bonaventure Hotel, Los Angeles, California, at ten o'clock a.m. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled. The appellant, Noble Foster, did not appear but submitted on the basis of all the documentary evidence together with a transcript of the proceedings before the Temple Grievance Committee. Nobles D. Winston Franks, Potentate; Harry Skiff, Jr., Assistant Rabban; Charles Settle, Recorder and Curt Landsperger, Trustee, all of Syrian Temple, were present and testified before your committee.

After a thorough and complete discussion of all the evidence submitted by the applicable Imperial Council Bylaw provisions, your Committee on Grievances and Appeals was of the unanimous opinion that the Syrian Temple Grievance Committee, appointed by Past Potentate, Larry Sowder, while in compliance with the Imperial Council Bylaw provisions of Article 30, Sections 330.3(d) and 330.4(a)(2), said committee was so similar in make-up with the two prior Grievance Committees appointed, one by Past Potentate Sowder and the other by Illustrious Sir Franks, as to give the appearance of bias and prejudice which should have been avoided. Further, your committee feels that the conduct of Illustrious Sir Franks during the episode complained of was unbecoming a Noble, although it was not such as would merit severe punishment.

In view of the above, your Committee on Grievances and Appeals recommends that this Imperial Council reprimand both Nobles Larry Sowder and D. Winston Franks for their actions in this matter, and

Your committee further recommends that this Imperial Council urge all Nobles of Syrian Temple to put this unfortunate incident behind them and move forward in the work of not only our Order but also in our great philanthropy. Further, if the Council agrees with this recommendation, the newly elected Imperial Potentate be instructed to transmit your feelings on this matter to the Nobility of Syrian Temple.

Respectfully submitted and signed by all members of the Committee on Grievances and Appeals.

Respectfully submitted,

I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that this report be adopted. Is there any discussion?

I would like to recognize Illustrious Sir Edward G. Maag, Past Potentate of Ainad Temple.

NOBLE EDWARD MAAG [Ainad Temple]: Imperial Sir, I would like a ruling of the Chair as to whether or not the adoption of this motion will constitute a reprimand by this body of either of the Nobles mentioned in that report? I would like to have a ruling of the Chair concerning that.

IMPERIAL POTENTATE KISSELBURGH: I will call upon the Chairman of Jurisprudence and Laws.

NOBLE PETTIT: It is the recommendation of the Imperial Sir that it does so constitute a reprimand from this body.

NOBLE MAAG: Then I would respectfully speak in opposition to the adoption of this motion.

I, for one, will never vote to reprimand another Noble for conduct unbecoming a Noble when I have no knowledge whatever of the nature of the conduct involved.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE KISSELBURGH: The Chair will recognize Sewell Lamdin.

NOBLE LAMDIN: Imperial Sir and Representatives: This could go on and on and on.

As a matter of fact, your Chairman spent an entire day last August, and I want to tell you it was a hot day, attempting to bring harmony out of this situation. The result of that full day was a written agreement signed by both of the participants, and I use the word "participants" rather than "combatants."

In addition, the elected officers of that Temple signed the agreement. Likewise, the attorney representing Illustrious Sir Larry Sowder signed the agreement. Also the attorney representing Illustrious Sir Settle signed the agreement. Your Chairman signed it and then another gentleman who brought this altogether also signed it.

Your committee considered this total situation, particularly this last one.

Now, it was our feeling that we had two ways to go. We could send it back to Syrian Temple and they "try Illustrious Sir Franks on these charges." There was ample in the transcript and in the testimony for the Grievance Committee to come up with a finding of probable cause.

Now, we felt that if we sent it back to Syrian Temple this would just widen the gap that is already there because every time you have one of these situations, all it does is split the Temple because they choose up sides, which is only natural because you are going to be for one or the other. Therefore, we felt that rather than send it back in that fashion, that a reprimand from the Council, and you are the bosses, you run the show, whether you know it or not and all we do is recommend to you—you are the jury, you are the judge and you make the final decision and it is up to you, would be in order.

We believe that sooner or later somebody has to put this situation to bed. Syrian Temple has a problem and so do other Temples. However, Syrian Temple has a problem and until this body says, "Hey, get your act in order, straighten up, put this behind you and go forward," it is going to continue to fester.

Gentlemen, I urge you sincerely that this is the easiest and best way to bring this to an end and to eventually get these two sides and these two factions in Syrian Temple to walk more shoulder to shoulder.

Therefore, I would urge that you please adopt this resolution.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion?

. . . The question was called for . . .

IMPERIAL POTENTATE KISSELBURGH: The question has been called for.

All in favor of the adoption of this report please say aye; opposed no. It is carried and so ordered.

NOBLE LAMDIN: Imperial Sir, that completes our work.

IMPERIAL POTENTATE KISSELBURGH: Thank you for a magnificent job. Let us give this committee one great big hand. (Applause)

I would now like to call upon Imperial Sir Everett Evans to say something for just a moment.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Fellow Representatives: My report will probably be given tomorrow. However, I would just like to indicate that we are still in the process of putting together the package that will be given to you tomorrow.

Now, if I may be permitted to do so, I would like to do three things in connection with my report and I would like to do them at this time.

First of all, I would like to have our Imperial Sir step up here to the podium for a moment.

Now, we all know that our Imperial Sir has traveled all over the country. We know how he thinks of himself, which is pretty high sometimes. (Laughter) However, it is utterly ridiculous to have his face put on Mount Rushmore, such as we have indicated in this (indicating) picture we have.

... Whereupon, Imperial Sir Kisselburgh was presented with a picture of the distinguished American leaders now carved on Mount Rushmore, together with the face of Imperial Sir Kisselburgh (Applause) ...

IMPERIAL SIR EVANS: Now, also, our Imperial Sir, Walker Kisselburgh, has been a great Imperial Potentate and still is, at least until he turns over the reins to Russ Anthony on Friday. However, as always, the Public Relations Department tries to come up with pictures of his visits and activities during his year and, as I say, during this past year, our Imperial Sir has been very active and has done a super job and, therefore, it gives me a privilege at this time, Imperial Sir, to present you with your book of pictures.

... Presentation and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: At this time, I would like to recognize Judge Lamdin for a point of personal privilege.

NOBLE LAMDIN: Like you, Imperial Sir, I, too, have been prone to make mistakes. As a matter of fact, that is why we have Appellate Courts in the State of Maryland. However, in introducing the committee, I forgot to introduce one member of the committee, a gentleman from Beni Kedem Temple, a Past Potentate of that Temple and a member of this committee—Warren Upton, a practicing attorney. (Applause)

Also, Imperial Sir, I would like to ask you this question.

Does the roll call apply to the Imperial Divan and Members of the Trustees?

... Laughter and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Do you know what a definition of waste is? It is a busload of lawyers going over a cliff with four empty seats. (Laughter)

Thank you, Judge.

Now, we will have some reports from the Finance and Accounts Committee and the first report will be a report of the Finance and Accounts Committee for the Imperial Council, in relation to the Iowa Corporation.

NOBLE D. SAM ERICKSON: Imperial Potentate Walker Kisselburgh, Imperial Officers and Representatives: Your Committee on Finance and Accounts submits to you for approval, the following reports with respect to income and expenditures for the Imperial Council (Iowa Corporation):

1. Report for the Year 1985.
2. Report for the adjusted budget for the year 1986.
3. Proposed budget for the year 1987.

The report for 1985 has been reported to you in the Book of Reports, which you have already received. No inquiries having been received, your committee recommends ratification and approval of the report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of the Report for the Year 1985 as submitted.

Included in your registration package you have a breakdown of the operating expenditures showing amounts appropriated for 1986 including the adjustments made by the Joint Boards and the proposed figures for 1987.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the budget for year 1987 so as to provide funds for the incoming Imperial Potentate. Your proposed budget will be more accurately presented for your approval at the subsequent Imperial Council Session.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1986 and 1987 proposed budget be approved as submitted.

NOBLE ERICKSON: Imperial Sir, if I may be permitted to do so, I would like to amplify a little bit concerning some of these figures.

The first page, the first column, shows the figures that were approved at Atlanta, the adjustments made during that period of time and then we have the 1986 adjusted budget. At the bottom of the first page it says, "Excess of (expenses) over revenues."

Under the third column, 1986 adjusted budget, it shows a loss of \$79,833. There will be a subsequent report presented by Imperial Sir McMullan that will change that loss to excess income.

I would like to go through a few of the adjustments, not too many, that begin on page 2 and that show adjustments made to the approved budget at Atlanta.

The last item on page 2 is "Temple Micro-Computer Support." Because of increased use by your Temples of the data processing center at Headquarters, there is a \$43,000 adjustment and that all reflects the Temple use.

In relation to page 3, the adjustments that are reflected here, are not material adjustments and I will bypass those particular adjustments and thus take you to page 4.

The second category on page 4 is "Imperial Divan." There was approved an increase in the contingency fund for the Imperial Potentate of \$12,500 and the other items consist of airline memberships so that it reflects an increase of \$22,000.

The "Imperial Council," which is the third item on page 4, reflects an increase of \$48,000 and \$46,000 of this is for Imperial Potentate's rings.

In relation to the last item under "Imperial Council Session," you approved last year \$1.7 million for the cost of this Session but because of the availability of using the May 1 airline costs, there is a proposed \$670,000 savings and that is the major increase in this budget that was approved at Atlanta.

Now, the only major change between the 1986 and the 1987 budget is on page 4 and, again, the last item of the "Imperial Council," because at this point the Board does not know what the airline fares will be next June and so it is impossible to use the airline fares that are effective at this point.

So the line item for mileage and per diem is showing \$1,663,000. However, we do not know what that figure will be, at least at this point, next year.

With that, Imperial Sir, if there are no questions, I would move the ratification, approval and the adoption of the adjusted budget for the year 1986 and 1987 proposed budget be approved as submitted.

... The motion was severally seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded for the ratification, approval and adoption of the adjusted budget for the year 1986 and 1987 proposed budget be approved as submitted. Is there any discussion?

I will recognize the Illustrious Sir from Oriental Temple.

NOBLE R. E. BAILEY [Potentate, Oriental Temple]: Imperial Sir, I do have a question.

I do note, for example, that the contingency fund for the Imperial Potentate for 1987 has been increased by \$25,000. This represents a little bit over forty percent. I would like to know your reason for this and, secondly, I think this body should have a reasonable answer as to why the Imperial Potentate needs to increase that figure.

IMPERIAL POTENTATE KISSELBURGH: The Chairman of this Committee wishes to make that answer but, in all honesty and sincerely and out of courtesy, the Deputy Imperial Potentate is out of the room having pictures taken and he should be directly answering that question himself. However, may I call on the Chairman of the Finance and Accounts Committee for that answer at this time.

NOBLE ERICKSON: Beginning this month, we have a tax law going before the Joint Committees. One of the changes in the tax law involves the deductibility of entertainment expenses from the 100 percent that we have been using to eighty percent, so that there will be a twenty percent decrease in deductibility of these expenses.

When the budgets are established, there is also provided a travel fund for the Imperial Potentate.

The travel fund, all of those costs, are deducted and submitted for approval by the Tampa Headquarters. However, there are other expenses that are incurred which will not be

allowed through the normal IRS deductions, such as certain types of entertainment expenses.

Also, I feel now that the tax law will pass because both the House and Senate have passed the same portion of that bill disallowing twenty percent.

In addition, several years ago, there was a policy statement prepared by the Imperial Divan, the Board of Directors of the Iowa Corporation and when this was prepared, they established the original contingency fund at \$40,000.

Yes, there is an increase in the contingency fund here but we have had a cost of living increase and the expenses are necessary for the Imperial Potentate's travel and with this new tax law, I feel it is justified for that reason.

I would also like to explain that the Imperial Session does issue to the Imperial Potentate each year a 1097 information return for the contingency fund. It is then up to that individual to account for that contingency on that tax return and reflect it in the expenses for that particular item.

IMPERIAL POTENTATE KISSELBURGH: Fellows, I am going to be honest and direct. I am going to defer action on this until the Deputy Imperial Potentate is in the room and I do that so that everybody will be completely satisfied. I think it is only fair to handle it in that fashion. It is also the honest way to do it and so, again, I will defer—I will use the power of the Chair to defer action on this.

May I have unanimous consent to do that?

... It was severally moved and seconded that such be done ...

IMPERIAL POTENTATE KISSELBURGH: I have a motion and a second to defer as indicated. Is there discussion?

If not, all in favor indicate by saying aye; opposed no. It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: The Chair will now bring up on the floor the motion which was made and seconded concerning the ratification, approval and adoption of the Iowa budget and the request that came from the floor concerning justification of the twenty-five percent increase in relation to the Imperial Potentate.

I believe that question was brought up by Illustrious Sir Raymond Bailey, the Potentate of Oriental Temple. Would you like to go to the microphone, Illustrious Sir, and restate your question for the Chair, please?

NOBLE R. E. BAILEY [Potentate, Oriental Temple]: Imperial Sir and Fellow Representatives, first I would really like to clarify what my position is here.

I am not here to prevent the Imperial Potentate from performing any of his duties in relation to his term in office but the gentleman from the Finance Committee indicated this involves inflationary costs and so he will have to assure me as to where thirty-eight presents a true inflationary cost in this country.

I also feel, as a voting Representative, we should be aware of any of these hidden increased costs and that the Boards should be made aware of the fact that, as voting Representatives, we are not here to give them power to do what they like.

For example, if they can raise the contingent fund \$25,000 in one year, then what about next year and the year after that. I think you have to look at that and, again, I would like to have some clarification on that.

IMPERIAL POTENTATE KISSELBURGH: Thank you. And now I will call on the Deputy Imperial Potentate to answer that.

IMPERIAL SIR ANTHONY: I am prepared to answer the question with regard to my request for an increase in the contingency fund.

I am sure, as you are all aware, the contingency fund is to cover all expenses of the Office of Imperial Potentate other than directly reimbursed travel expenses.

Now, in preparation for my year, I did meet with my accountant on quite a few occasions and together we determined that the estimated expenses that I would incur in carrying out the duties as your Imperial Potentate and the duties of my office, would require an increase of \$25,000.

Representatives, that is my request which I have presented to you and I humbly ask that you support me in it. However, of course, I will abide by any decision you make.

Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion on that particular point? Are there any questions?

... The question on the motion was then severally called for ...

IMPERIAL POTENTATE KISSELBURGH: Again, I do not want to cut off debate. However, I believe the question has been called for and it is on the motion for ratification and approval and adoption of the Iowa Corporation budget as presented by the Chairman of the Finance and Accounts Committee. Is that true?

NOBLE ERICKSON: Yes, Imperial Sir.

IMPERIAL POTENTATE KISSELBURGH: I will then put the question.

All in favor of this motion indicate by saying aye; opposed. The motion is carried.

We are now going to get into another part of the business here. Again, we are back in the Iowa Corporation, the Fraternal part of the organization.

By the way, I hope you appreciated that explanation concerning the Shriners Hospitals for Crippled Children. I thought it was a very clear and concise report. (Applause)

Before we continue, I will call on Imperial Sir Jack Jones for a couple of announcements.

IMPERIAL SIR JONES: Thank you, Imperial Sir.

... Various announcements were made by Imperial Sir Jones ...

IMPERIAL POTENTATE KISSELBURGH: Thank you, Jack.

I will now call upon Illustrious Sir Walter Pettit to explain the procedure regarding requests for Charters.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: This is a supplement to my legislative procedures statement made earlier in the Session. We are now going to take up and consider those items in the Call regarding requests for Charters and Dispensations for new Temples. I think we will be able to take up all three of these matters before we break for lunch. So I congratulate you for what you have done legislative-wise up to this point in the Session. You have conducted yourselves very well. Without any doubt, this will be the toughest day that you will face insofar as legislation is concerned.

Now, with regard to the subject at hand, I think it is important for you to realize that for three days preceding this Session, a great deal had been done by the standing committees of your Fraternity and they have gotten this procedure down so that it will be a joy and a pleasure to all of us, I am sure.

The procedure concerning these matters is that there will really only be one vote taken. There will only be one motion. However, there will be three reports on each of the petitions and requests but only one vote.

The procedure that has been established is that, first, the Standing Committee on Dispensations and Charters, having received the applications and met, will present their report to you. If this report is in the affirmative, then the Jurisdictional Lines Committee will have taken a look at the application and will subsequently make their report to you and then refer to the Jurisprudence and Laws Committee for the appropriate review and report. The Jurisprudence and Laws Committee will then report to you and make the appropriate motion to the Imperial Sir, at which time the Jurisdiction involved should be prepared to second the motion and then the Chair will call for discussion.

I believe that this procedure will, in general, tend to expedite these matters. Is there any question about the procedure? Let me say that it worked last year and I hope you will appreciate doing it in this fashion again this year. Again, there will be three reports but only one motion presented in connection with each matter.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Walt.

Now, please forgive me but I would like to say that I gave one of the Temples notification this would be done the first thing after luncheon and we are moving right along and so I thought we might move into it before the luncheon break. However, that particular Temple is not here at this time and I think that it would be appropriate for them and their Nobility to be here to experience the excitement of all of this.

Now, as it has been explained to you in such depth, I think that you should have had a good luncheon hour in order to digest what Walt has just said to you.

Hold it just a moment, Representatives. This does not mean to say that we go to lunch right now.

I would, at this time, ask that the Potentate of Islam Temple, Illustrious Sir Raymond Palange to please approach the podium.

I would like to ask you to do something for us, Ray.

We have done a very lovely thing here for a man who has devoted many, many years as the Curator of Shrine Rooms West, Noble Thomas A. Davis and this plaque (indicating) is being given to him for his courage to envision a dream and the commitment to making this dream a reality.

"The A.A.O.N.M.S. hereby recognizes Thomas A. Davis, Chairman Emeritus Shrine Rooms West, in grateful recognition for fifteen years of dedicated service in developing and maintaining a most precious monument, the Shrine of North America extends its sincere appreciation, gratitude and respect for his unselfish contribution."

This plaque is signed by myself as Imperial Potentate and Jack Jones as Imperial Recorder.

Illustrious Sir, Ray, I would ask if you would take this to Noble Davis with a big hug from the Imperial Potentate.

ILLUSTRIOUS SIR PALANGE [Potentate, Islam Temple]: Imperial Sir, I will be happy to take this plaque to him. Thank you very much.

IMPERIAL POTENTATE KISSELBURGH: At this point, I will declare this meeting in recess until one-thirty p.m.

. . . The One Hundred Twelfth Annual Session of the A.A.O.N.M.S. recessed at twelve o'clock noon to reconvene at one-thirty o'clock p.m. . . .

AFTERNOON SESSION
THURSDAY, JULY 3, 1986
ONE-THIRTY O'CLOCK P.M.

The One Hundred Twelfth Annual Session of the Imperial Council reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at one-thirty o'clock p.m., Imperial Potentate Walker Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: It is now one-thirty o'clock p.m., and I will ask the Representatives to please take their seats.

We will now have the Invocation by the Imperial Chaplain. Will you please rise.

REVEREND DR. J. WHITCOMB BROUGHER [Imperial Chaplain]: Our Heavenly Father, we do need to be quiet and know that you are God and we are your people.

Bless us, guide us, show us the way and may we walk in it gladly.

This we pray in thy Name. Amen.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE KISSELBURGH: I will now continue from where we left off just before lunch. I would like to call on Walter Pettit to further consider the new Charters. Will you please come up here.

NOBLE PETTIT: I think we are ready, Representatives, to consider the application for new Charters, items 17, 18, 19 and 20 in your Call.

That is correct, is it not?

ILLUSTRIOUS SIR PEDDEN: Thank you very much, Imperial Sir. We are deeply grateful for the confidence placed in us and we shall endeavor to be a credit to the Shrine. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much.

Next I would like to recognize Illustrious Sir Hales, the Potentate of Shaddai Temple. I know you, Illustrious Sir, and you are going to be Potentate for another time, is that correct, and that is why you formed your Temple? (Laughter)

ILLUSTRIOUS SIR HALES: That is correct, sir.

IMPERIAL POTENTATE KISSELBURGH: Well, I am only kidding.

However, it is my pleasure, as the Imperial Potentate of the Shrine for North America, on this great day in Los Angeles, July 3, 1986, to present to you your Charter and tell you that you are now officially a Temple called Shaddai, is that correct?

ILLUSTRIOUS SIR HALES: Yes, Imperial Sir, that is correct.

IMPERIAL POTENTATE KISSELBURGH: What does that mean?

ILLUSTRIOUS SIR HALES: That means "The Mighty One." (Laughter)

IMPERIAL POTENTATE KISSELBURGH: That is a mis-call if I ever heard one. (Laughter)

At any rate, "Mighty One," I present to you your Charter. Congratulations to you, Shaddai Temple.

. . . Presentation of Charter and applause ensued . . .

ILLUSTRIOUS SIR HALES: Imperial Sir, I would like to present to you a medallion of Shaddai Temple.

Also, if you would not mind, Imperial Sir, I would like to have come up here the Past Potentates of Hadji Temple, Illustrious Sir William F. Thompson.

IMPERIAL POTENTATE KISSELBURGH: Let me say to you, Bill Thompson, it is sure nice to see you.

ILLUSTRIOUS SIR THOMPSON: Imperial Sir, I merely wish to say—God bless you for granting this Temple a Charter. Thank you very much.

ILLUSTRIOUS SIR HALES: Again, Imperial Sir, I wish to present you with this medallion.

. . . Presentation of medallion and applause ensued . . .

IMPERIAL POTENTATE KISSELBURGH: Thank you, Illustrious Sir. I shall treasure this and if you believe that, I have some land in Death Valley I want to sell you. (Laughter)

And now I would like to have Illustrious Sir Meyer, the Potentate of Beja Temple, please come forward.

Illustrious Sir, as the Imperial Potentate of the Shrine for North America on this beautiful day in Los Angeles, July 3, 1986, I hereby present you with your Charter for a Temple called Beja. Let me ask you, what does that mean?

ILLUSTRIOUS SIR MEYER: That is a country in Africa, Imperial Sir, a good place in a peace loving nation and we believe it is just a fine country for us to be patterned after.

IMPERIAL POTENTATE KISSELBURGH: It is my pleasure to give you your Charter now and may you have an awful lot of luck in the future.

. . . Presentation of Charter and applause ensued . . .

ILLUSTRIOUS SIR MEYER: Imperial Sir and Representatives, we thank you in behalf of all

of the fine members of Beja Temple in Northern Wisconsin. We are really grateful to have had this Charter granted to us.

We have a song but I will not sing it at this time but it is entitled, "Beja Will Shine Tonight" and, of course, we will really shine tonight. However, we hope to sing it in the future for Shrine Masonry and we are going to do our best to warrant the confidence that you have shown in us and thank you so very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: We next have a very important subject that will be discussed and I would like to have everybody in the room please take particular note of this and to make sure that you pay attention to it.

I now call upon Imperial Sir Edward McMullan, who will give us the report of the Circus Committee.

IMPERIAL SIR EDWARD McMULLAN: Imperial Sir, Imperial Sirs and Representatives: You just saw a demonstration involving some fine gentlemen and also a patient who subsequently became a Doctor of Medicine. You see before you now medical doctors sitting in attendance and, of course, you can understand how very important it is to all of us that we protect the Shrine image and our hospitals.

The report that I am going to present to you this afternoon is of the most vital importance to each and every Noble in this room and every Noble outside this room throughout our 188 Shrine Temples in North America.

IMPERIAL SIR McMULLAN: It is my responsibility as your Circus Chairman of the Circus Committee, to address a matter of great importance and I need your undivided attention.

You have heard, for example, that calls have been received at our International Shrine Headquarters in Tampa indicating that some Temples may be using materials permitting solicitation groups to imply a connection between Temple Circuses or other fund raising activities and Shriners Hospitals for Crippled Children when the funds are not payable to that charity. This, of course, is a violation of our Bylaws.

Please let me give you an illustration.

[Slide]: This is an ad from a Temple magazine. Even though the words "Shriners Hospitals for Crippled Children" do not appear, the public could legitimately conclude that the proceeds are for the benefit of our hospitals. As such, it is misleading and is a violation of our Bylaws.

[Slide]: This is an ad from a Temple magazine and, once again, the public could legitimately conclude that the proceeds are for the benefit of our hospitals.

Nobles, the public, in this case, is receiving good and proper value for its money. There is no need to encourage purchase by an inappropriate statement.

[Slide]: This is an actual exchange coupon for a circus ticket issued by a Temple. As you can see, Nobles, it plainly states "Benefit, Twenty-Two Shrine Orthopedic Hospitals and Burns Institutes." Unfortunately, however, no permission was ever obtained to use the name of our hospitals.

As stated to you earlier, this organization has had a Bylaw in effect for many, many years prohibiting solicitation without permission. As your Circus Committee Chairman, it is obvious to me, as a result of recent newspaper articles, that it is incumbent upon me to review the Bylaw with you.

[Slide]: This is Article 35 concerning prohibited practices regarding use of the name Shriners Hospitals for Crippled Children. It reads as follows:

"The use of the name Shriners Hospitals for Crippled Children or reference to the hospitals in connection with any fund raising activity by a Temple or Noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the hospitals is prohibited."

Nobles, what could be clearer? Yet, my recent investigation reveals that in 1985, only nine Temples had permission to conduct a circus fund raising activity for the benefit of Shriners Hospitals for Crippled Children. Their solicitation material was reviewed and after certain modifications, was approved. No other Temples had received authorization for circuses.

However, many of them did indeed have circuses and some of them did indeed imply that proceeds would go for our hospitals.

I reported my findings to the Imperial Potentate. With no hesitation whatsoever, he issued a General Order on this subject matter.

[Slide]: This slide indicates that wording of the General Order, which is as follows:

"Recently, complaints have been received at International Headquarters indicating that some Temples may be permitting solicitation groups and material to imply the association of Temple circuses and other activities with Shriners Hospitals for Crippled Children, where funds are not payable to that charity. An example is publication of letters from Governors, Mayors or other dignitaries praising the work of Shriners Hospitals and/or philanthropies, published in circus programs when the proceeds are locally used.

"It is natural to associate the Fez with our philanthropy. Therefore, more attention will be required to make certain our hospital image does not suffer by leading contributors to believe that their gifts are tax deductible as charitable deductions, when such is not the case.

"Therefore, it is hereby ordered that all Temple Potentates, Officers and Nobles responsible in any manner for the promotion and/or operation of Temple circuses and other fund raising activities, meticulously examine all phases of advertising, promotion and solicitation so as to comply completely with Section 335.3 and Section 503.6 of the Imperial and Hospital Bylaws.

"Further, the foregoing responsible parties shall screen all such advertising, promotion and solicitations, so that none shall directly or indirectly use the name of Shriners Hospitals for Crippled Children, or refer to them in any manner, expressly or impliedly, without the prior written consent of the Imperial Potentate and the Chairman of the Board of Trustees, as provided in the Bylaws. Each Temple Potentate shall be the officer with the ultimate responsibility for enforcement of this General Order."

Nobles, this is perfectly clear. Furthermore, the same General Order contains disclaimer language as follows:

"Should your circus not be for the benefit of Shriners Hospitals for Crippled Children and you wish to provide in your circus program information concerning Shriners Hospitals for Crippled Children, then the following must be a part of the material."

Now, there is a way you can use hospital information in your promotional material. Beginning on page 28 of the Call for this Session, General Order 2, Series of 1985-1986, there is a section that will explain how this can be done.

[Slide]: Please note, in the case of this particular slide, each page has a disclaimer stating that proceeds from this Shrine Circus benefit Shrine Temple operations only. They do not benefit Shriners Hospitals for Crippled Children. Now, it is not mandatory, unless you promote or imply otherwise.

Just a moment ago, you saw a circus coupon claiming that proceeds were for the benefit of Shriners Hospitals for Crippled Children, when actually it was not for the benefit of the hospitals. The ticket should not have made any statement about proceeds or imply such.

[Slide]: This slide shows how a ticket or coupon could read by printing the disclaimer across the bottom section. This would absolve the Temple from any inference that the proceeds are for Shriners Hospitals. This is one of the best ways to utilize a disclaimer. The ad copy contract should also have a disclaimer.

Additionally, the gravity of this situation has prompted your Board of Directors and Board of Trustees to, jointly and unanimously, adopt the following resolution:

"1. The Chairmen of the two Boards shall, at the conclusion of this Session, issue censure letters to each Temple which has been identified by the Imperial Recorder and/or Circus Committee as having misrepresented to the public the purpose and use for the funds raised by the circuses.

"2. A copy of the censure letter shall be sent to each of the seven elected Divan Officers of the affected Temples.

"3. The censure letter shall include a paragraph that it shall be read at, and made a part of, the minutes of the next stated meeting of the affected Temples.

"4. That you be notified at this Session that the Board of Directors and the Board of Trustees will not tolerate such conduct by any Temple or Noble.

"5. The Circus Committee is instructed to educate our Temples and Nobles, at its seminars, as to the proper method of fund raising as it relates to our hospitals."

Now, if any Noble still has not gotten the message, you are directed to see General Counsel, Ted Corsones, at your very earliest convenience.

Looking to the future, you have a right to inquire as to what action your Imperial Officers are taking to assist to communicate and educate.

On October 25-26, 1985, your Imperial Circus Committee conducted its Twelfth Annual Meeting at Murat Temple in Indianapolis, Indiana. There were 279 Nobles present, representing ninety-nine Temples and nine circus producers. At the meeting, important workshop seminars and open forums were held.

One of the most important topics discussed was the formation of a Shrine Circus Association.

[Slide]: Shortly after the seminar, interim officers, consisting of a President; First, Second and Third Vice Presidents; and a Secretary-Treasurer were appointed and subsequently met to formulate Bylaws and submit a request to the Board of Directors of the Iowa Corporation to form SCANA—the Shrine Circus Association of North America. The request was approved at the January Board meeting and SCANA thus became a bona fide Association.

[Slide]: One of the primary purposes of the Shrine Circus Association of North America is to properly present and promote circuses to the public. In other words, to avoid practices which would leave the Shrine open to criticism.

The Association will also revise and improve the existing Shrine Circus Manual.

The annual membership fee is \$150. This also includes the Shrine Circus Manual. Presently, eighty Temples have joined the Association. I sincerely hope that every Temple Potentate will direct its Circus Chairman, Director or Committee to join this worthwhile international organization. This is the one organization that can effectively disseminate, communicate and educate our Nobles and Temples concerning the proper presentation of circuses.

The next Shrine Circus Seminar will be held in Toronto, Canada, on October 2-4, 1986. All High Priests and Prophets please try to accompany your Circus Chairman and visit the 1989 housing office at Rameses Temple in order to assist you in your requirements for the 1989 Imperial Session.

This concludes my report, Imperial Sir, and I would move for its acceptance.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that the report of the Circus Committee be accepted. Is there any discussion? I believe we have some discussion.

ILLUSTRIOUS SIR JACK CALLAHAN [Potentate, Kena Temple]: I have a question.

We were asked at the outset to get out paper and pencil and take notes because there was some very good information contained in this report. Now, I would agree, there was conveyed some good information to us concerning this report but then somebody, in all of their wisdom, turned the lights out and we could not see in order to write anything. Also, there was material contained on those slides that we could not read from our seats.

My question is this—can copies of this report be made available to the Temple Potentates so that they may go over it with the lights on and gain the information more easily?

IMPERIAL POTENTATE KISSELBURGH: We will certainly put that in your packet. We will see that it gets in the packet.

IMPERIAL SIR McMULLAN: We will have it ready for you at the seminar. However, do I understand you want it before you get home so that you can read it at your leisure? Is that what you are saying?

ILLUSTRIOUS SIR CALLAHAN: I believe it pertains to more than just a circus. We would not be interested, at least personally, from the circus standpoint, but there are surely other items we can let slip into some ads if we have not been forewarned. We merely wish to be more alerted to it.

IMPERIAL POTENTATE KISSELBURGH: Again, it will be in the packet and thank you very much. In the interest of time, it will be in the packet.

Now, a motion has been made and seconded to accept the report of the Circus Committee.

All in favor of accepting the Circus Committee report say aye; opposed. It is carried.

Thank you for your presentation.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: Ed McMullan, can you give your report on mileage and per diem while we are waiting here?

IMPERIAL SIR McMULLAN: To the Imperial Potentate, Officers and Members of the Imperial Council: As provided in Article 5, Sections 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse, if she accompanied him. If a Representative lives outside the state in which the Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of ninety-six dollars (\$96) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive ninety-six dollars (\$96) plus twenty dollars (\$20) per day for four extra days. All members of the Committee on Finance and Accounts shall receive ninety-six dollars (\$96) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive ninety-six dollars (\$96) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive ninety-six dollars (\$96) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Grievances and Appeals shall receive ninety-six dollars (\$96) plus twenty dollars (\$20) per day for two extra days.

Your committee recommends the adoption of this report and I so move.

Respectfully submitted,
COMMITTEE ON MILEAGE AND PER
DIEM

... The motion was duly seconded. . .

IMPERIAL POTENTATE KISSELBURGH: You have a motion and a second for the adoption of the report concerning mileage and per diem. Is there any discussion?

IMPERIAL SIR McMULLAN: Imperial Sir, I also have a notation to the effect that the preliminary computation of mileage reimbursement to the Representatives to the Los Angeles Session indicates a savings of over \$200,000, this savings being due to the cooperation of you, the Representatives, in complying with the spirit of the new reimbursement policy. You are to be complimented on your part because we are now going to have the Imperial Council in the black for 1986.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion concerning the motion?

If not, all in favor indicate by saying aye; opposed. It is unanimously carried.

Will you now pay attention to Illustrious Sir Roy T. Lord, Chairman of the Necrology Committee, for the report of the committee and the Necrology Service.

NOBLE ROY T. LORD: Imperial Sir, Imperial Sirs and Representatives, this is the report of the Necrology Committee.

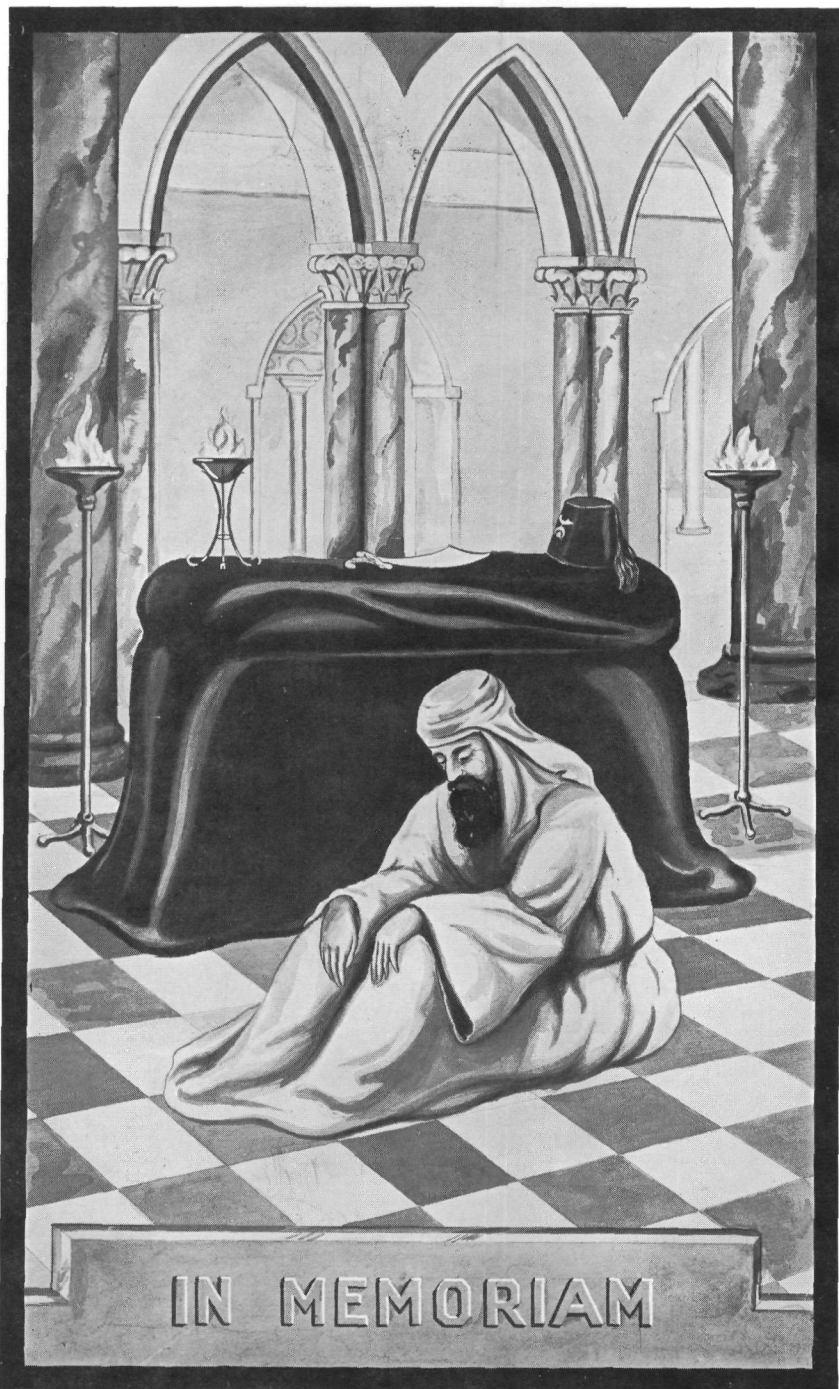

Let me first say we realize we are a little bit tardy here in our business this afternoon and so we will go through it rather hurriedly. With the indulgence of the Chanters and other members of the committee, we shall proceed as rapidly as possible.

In rendering this report and out of respect to our deceased Nobles, we ask that you uncover and observe strict silence for the next few minutes while Noble Dr. J. Whitcomb Brougher, Jr., our Imperial Chaplain, opens the Memorial Report with prayer.

REVEREND DR. BROUGHER [Imperial Chaplain]: Almighty God, we look to you as the eternal one.

We realize that those of our Brothers who have gone on have gone into eternity and we thank you for their faith that life is everlasting.

We thank you for our Brothers who have gone. We thank you for the memories that we have of their lives and the inspiration they have been to us in doing the things that need to be done, in accomplishing the work that has been accomplished.

We pray that we may ever have the memory of their lives to inspire us.
Our Heavenly Father, we pray that we will remember them always. Bless us in this hour of remembrance, we pray in thy Name. Amen.

NOBLE LORD: As we increase our faith and understanding we are reminded of our losses in these words:

"Day by day our numbers lessen,
Year by year they slip away,
To the unknown land far distant
In the realm of endless day.

Some have left us in the morning,
Some at noontime took their flight,
Some in evening twilight shadows,
Some in darkness of night.

We shall miss them—ever miss them,
Miss their hand clasps, words of cheer,
Miss their smiles of welcome
That we knew when they were here."

We, your Necrology Committee sadly report that during the past year, 23,443 distinguished Nobles of our beloved Shrine have passed to the "Other Shore" where in peace and tranquility they rest from their earthly chores. We pause during this busy Annual Session to pay a lasting tribute to those Nobles who lived among us and who worked so diligently to advance the cause of the crippled and burned child. God has blessed us in our endeavors and to express our thanks to Him in song, we will now be favored with a hymn by Al Malaikah Temple's famed Chanters under the Presidency of Noble Francis Atkinson.

... There ensued the rendition of a hymn by the Al Malaikah Temple Chanters ...

Included in the large list of deceased Nobles was Past Imperial Potentate Marshal M. Porter of Al Azhar Temple in Calgary, Alberta. He died at the age of ninety on Monday, July 29, 1985, at Rockyview Hospital in Calgary and was buried with Masonic Honors as a Thirty-Third Degree Scottish Rite Mason on Wednesday, July 31st in his home city. His wife Lillian preceded him in death in 1981 and he is now survived by three daughters, Betty, Kathryn and Lois, whose husbands are Nobles of Al Azhar Temple.

Imperial Sir Porter had a long and very successful career in law and the business world as well as in Masonry and the Shrine. He was our Imperial Potentate in 1961-62 and was an Emeritus member of the Board of Trustees of our hospitals at the time of his death. Several years ago he was largely instrumental in the introduction of the Shriners Burns Institutes. His legal talent both as a lawyer and Judge was most helpful in the affairs of our beloved Shrine. We extend our deepest sympathy to his fine Shrine family.

THE IMPERIAL COUNCIL
of the
ANCIENT ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA

IN MEMORIAM
MARSHALL M. PORTER
Past Imperial Potentate
1961-1962

OFFICE OF THE IMPERIAL POTENTATE
Tampa, Florida

To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and the Nobility of the Order:

"Now the laborer's task is o'er;
Now the battle day is past;
Now upon the farther shore
Lands the voyager at last.
Father, in Thy gracious keeping,
Leave we now Thy servant sleeping."

Past Imperial Potentate Marshall M. Porter, 90, died on Monday, July 29, 1985 at Rockyview Hospital in Calgary, Alberta. He was an Emeritus Member of the Board of Trustees of Shriners Hospitals for Crippled Children at the time of his death.

Imperial Sir Porter had a very distinguished career in law and the business world and was equally successful in the Shrine. He was born in 1894 in Sarnia, Ontario. He began to study law as an articled student with a law firm in Medicine Hat, Alberta and later entered Dalhousie University in Halifax, Nova Scotia, graduating in 1917 with a bachelor's degree in law. In 1919 he was called to the Bar of Alberta and practiced law in Calgary. Imperial Sir Porter was created a King's Counsel (now referred to as Queen's Counsel), in 1930 and founded and headed a law practice until his appointment as Justice of Appeal of the Supreme Court of Alberta in 1954. During his career, Imperial Sir Porter served as Counsel to the Alberta Wheat Pool and represented the Province of Alberta for the return of natural resources from the Dominion Government.

In the business world, Imperial Sir Porter served as a vice president of Home Oil Company, Ltd. (then the largest independent producer of crude oil in Canada) and also served as president of the Alberta Salt Company, Ltd. until its sale in 1951. Imperial Sir Porter was president of Western Printing and Lithographing Limited and The Farm and Ranch Review. He also served as director of both Burns & Company, a meat packing organization, and the Bank of Nova Scotia.

He was a founding member and past president of the Kinsmen Club and a long-time member of the Ranchmen's Club and the Calgary Golf and Country Club. Imperial Sir Porter was awarded honorary degrees from Dalhousie University, Indiana Technical College and Curry College in Boston.

Imperial Sir Porter was Past Potentate of Al Azhar Temple and served as Imperial Potentate of the Shrine from 1961-62, and was largely instrumental in the introduction of the Shriners Burns Institutes. He was a member of: Zetland Lodge No. 83, A.F. & A.M., G.R.A.; Cyprus Preceptory Commandary; Taylor Conclave, Red Cross of Constantine; the Royal Order of Scotland; Calgary Court No. 42; the Royal Order of Jesters and the Cabiri. He was also a 33rd degree Scottish Rite Mason in the Valley of Calgary.

Imperial Sir Porter was married to Lillian Mae Forbes, who passed away in 1981. He is survived by three daughters: Betty Engbloom, Kathryn Price and Lois Marshall. He had nine grandchildren and seven great grandchildren. His three sons-in-law are all Nobles of Al Azhar Temple.

Funeral services were held on Wednesday, July 31, at McInnis and Holloway Funeral Home in Calgary.

His many friends in the Imperial Council and in all Shrinedom join with the Imperial Potentate in expressing sincere condolences to his loved ones.

“Last Night I had a Dream,
About a world that cared,
Where each and every scene,
Concerned a life we shared.

Their little limbs did heal,
You made them walk again,
They run, and play, and feel,
Anew, their life begin.

So, for each life you touch
A crown of glory wear,
For you deserve so much,
For this, the life you share.”

ES SELAMU ALEIKUM

Let this memorial be read at the next Session of your Temple following its receipt and let the same be made a matter of record in your Temple's minutes.

Given under our hands and seal of the Imperial Council, this 29th day of July, 1985, and of the Order A.H. 1405.

Imperial Potentate

Attest:

Imperial Recorder

As we have paused for a short while in honor of our departed Nobles, many of whom were likewise distinguished, your committee thinks that this Memorial will have been in vain if it has not caused us to pause for a moment of reflection upon our own lives, and that long journey we too must take.

The relentless wheels of time roll on slowly, but surely, bringing us to the time when we shall make the pilgrimage through the land of death. How vainly we strive to peer into that promised land, but not until we take that pilgrimage shall we know the splendors awaiting our eager eyes.

We would recall those who labored diligently in our midst, who blessed us with the radiance of their spirits and left us desolate by their departure. By those memories, let us exemplify in our life the virtues of faith, hope and charity which characterized theirs.

To the unbeliever, death is a blind leap into the perilous dark, the promise of eternal life, a bewildering fantasy. The believer is sustained by the unfaltering trust that eternal life is a glorious reality, the gracious gift of God through faith. The spirit is returning to the Father

who gave it. Walking with our Father's hand in ours through life assures us that His hand will be in ours through death. It is not a blind leap into the dark, not a journey into a far and unknown country, but simply the soul's change of residence. Challenging though it is, the hand of death cannot impede the spirit's upward surge, nor divert its instinctive flight to the Father who gave it. The unerring hand of Him who guided us through this life will lead us triumphantly through the portals of death.

Prior to closing this Memoriam we think again of the bereaved families and of the unknown who phrased it best in these words:

"No one hears the door that opens
When we pass beyond the call;
Soft as loosed leaves of roses
One by one our loved ones fall.
From our chain these links have fallen,
In our land their stars have set,
But enshrined on memory's tablet,
Their true worth we'll ne'er forget."

We will now close this Necrology report with the rendition of the "Lord's Prayer" by Al Malaikah's fine Chanters.

In conclusion, Imperial Sir, I would like to indicate my appreciation to Noble Francis Atkinson for putting this part of our program together. Further, I do not know what happened to "Taps," but this has been a day of changes and so we accept it as such.

I move you, Imperial Sir, the acceptance of this report in behalf of your Necrology Committee.

IMPERIAL POTENTATE KISSELBURGH: I would now like to call on the Grand Master of the Order of DeMolay, Henry E. Stickney, for a few words of greeting.

NOBLE HENRY E. STICKNEY [Grand Master, Order of DeMolay]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Brother Nobles: It is a pleasure to be here today and to bring the fraternal greetings from 75,000 DeMolays across this great land of ours, the 14,000 Advisors who help and assist them and the over three million Senior DeMolays who have knelt at the Altar during the last sixty-seven years.

Nobles, I heard it once said that as the entrepreneur would invest in the future, if this be the case, then the Shrine for North America could truly be called the largest entrepreneurial Fraternity in the world—an organization who has invested in a philanthropy that has touched everyone's hearts, crippled children and the like; an organization that is now actively supporting our Masonic youth groups and especially the Order of DeMolay.

Nobles, I salute you for your far-sighted efforts, for your bold leadership and for your continued dedication to DeMolay.

I also congratulate you for your continuous quest for excellence—an excellence that we in DeMolay are also striving for.

Nobles, if DeMolay were a stock traded on one of the major stock exchanges, I would urge you to buy now because that stock is entering a rather dramatic swing, especially in relation to our impressive new Headquarters Building on a major freeway from the airport, which stands proud for all to see.

Our involvement this year with the DeMolay Dream Factory, where we are granting wishes for chronically ill children, is filling our hearts and inspiring our young members to greater heights.

Our new membership and leadership development programs are targeting those men who should be DeMolays and I can tell you that this afternoon we are all excited about what is going on in DeMolay.

I invite you to visit our meeting in your local areas and I challenge you to become an Advisor or sponsor a local Chapter—join us in our quest for excellence and experience the thrill of a lifetime toward inspiring a young DeMolay into a responsible, committed leader, capable of mutually leading our craft or perhaps our country.

In closing, I would like to share with you the thought that all progress of civilization is due to the constructive thinking of folks like you. The records of history are brilliant with the deeds of men and women who said, "I can be involved."

Stand up and be counted for what you believe in and, more importantly, be a building and not a caretaker. Please help me and our Order to secure the future of our youth, our Fraternity, our country and join the commitment to DeMolay excellence.

Thank you and God bless you. (Applause)

Also, Imperial Sir, last fall the Shrine for North America sponsored one of our four issues of our Cordon Magazine, which is distributed to over 88,000 DeMolays and Advisors. In it we told the Story of the Shrine and I would like to present you, Imperial Sir, the cover, for your permanent keeping, that was used. This contains a tribute to the Shrine for North America for assisting in these efforts.

Thank you very much.

... Presentation and further applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you, Noble Stickney. Again, we appreciate

your words and we will endeavor to, in every way, help your great DeMolay organization, especially knowing that a great man founded that organization, an individual who served as Imperial Potentate in 1952, Frank S. Land. Thank you very much.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: We will next proceed to the matter of membership.

You know, that is the only thing we have not solved in the last four or five years and I really do not know what the answer is. As a matter of fact, who has the wisdom of a King Solomon to know, except perhaps the Potentate of Ismailia Temple, when he said you have to really work hard and that is the only thing you can do in order to get it accomplished.

I now want to call on our Membership Chairman, Imperial Sir Burt Ravellette, for his report. Therefore, will you please proceed with your report.

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs, Distinguished Guests, Illustrious Sirs and My Fellow Representatives: As Chairman of the Imperial Membership Committee, I would like to give the following report concerning our membership situation since the last Session in Atlanta.

Regrettably, our net loss of 16,598 in 1985 was up slightly over the previous year and our creations of 23,259 were down considerably from the number created in 1984. On a more positive note, the number of suspensions, while still extremely high at 16,069, was down by almost 2,000 from 1984. Hopefully, the number of suspensions will continue to decline while the number of new creations will turn to an upward direction. These two areas, creations and suspensions, should be the primary areas of concern for all Temples.

I am pleased to give you the results of the 1985 creation goal program. Seven Temples reached their assigned goal which was based on creating a number that equalled five percent of their Temple membership. Those Temples and their creation percentages are as follows:

Alee Temple	7.24
Mazol Temple	7.22
Luxor Temple	5.9
Zem Zem Temple	5.4
Ismailia Temple	5.2
Amara Temple	5.0
Khartum Temple	5.0

There were eighteen other Temples that came close to reaching their goals by attaining between 4.0 and 4.9 percent.

All Temples have been assigned their 1986 goals which were based on the same criteria as last year's program. I wish each and every one of you complete success in reaching your 1986 goals.

Now, with regard to suspensions, numerous favorable comments have been received about last year's suspension letter program in which 132 Temples participated. After receiving the lists of names and addresses of the Nobles about to be suspended from those Temples, the Imperial Recorder's Office mailed 14,111 individually addressed and signed letters from the Imperial Potentate to each Noble. This program, which began five years ago, seems to have been effective in reducing the number of Nobles suspended each year for non-payment of dues.

Imperial Sir Russ Anthony has given his permission to continue the program this fall. Your Temple will receive a letter from Imperial Recorder Jack Jones, probably sometime in August, inviting your Temple to participate in the suspension for non-payment of dues program. Instructions as to how the list should be prepared will also be included in Imperial Sir Jack's letter.

I sincerely hope that you will take advantage of this service to help reduce your suspensions. At this point I would like to emphasize that the suspension letter program should only be used as a supplement to your own Temple's suspension programs. There is no better way to prevent suspensions than through personal contact either by telephone or in person to discuss each Noble's situation.

With the assistance of our Public Relations Department, a single page slick sheet entitled "Can We Meet The Challenge" was developed and mailed to all Temples for use in their

publications. The purpose of that slick sheet was to enlighten the Nobility about our membership situation.

During this past year, we have used two membership incentive programs. One—the “Replace Yourself With One” program—was carried over from the previous year and was again made available to all Temples. Each Temple was provided “Pride Patches” for presentation to their first line signers. The other program was designated to promote competitiveness among Temple Potentates.

Here is how that program works. All Temples that have been chartered at least three years have been divided into five groups according to their size as of January 1, 1986. As an example, group one consists of thirty-five Temples having a membership between 7,000 and 23,000. Group two comprises thirty-seven Temples with membership between 4,500 and 6,999 and so on through category five.

The Temples will be competing only against those in their category. The Potentate of the Temple achieving the highest percentage of net gain in 1986 in each category will be awarded a one-week trip for two. In addition, the Potentate of the Temple attaining the overall highest percentage of net gain in North America will receive a two-week trip for two and the Potentate of the second highest Temple in that particular category will get the one-week trip for two.

Each Potentate of the winning Temples can use the trip as he sees fit. He can take the trip himself—he can use it as an incentive award—or he may want to present it to some special, deserving Noble in his Temple. All trips will be awarded in 1987.

In closing, I would just like to remind each of you that membership is our greatest challenge and must be the number one priority in every Temple. We are living in a tremendously exciting and complex age where life runs at a very hectic pace. We must keep up with that pace in order to perpetuate the philosophy and growth of our great Fraternity and ensure the future of our philanthropy. It may require us to make some changes to the way we have done things in the past—but if that is what it takes, then that is what we must do.

I might add that the Grand Lodge of North Dakota, in June of 1986, recognized the two Shrine Temples in North Dakota for the work they have done to promote Masonry—Illustrious Sir Leslie A. Schmidt, the Illustrious Potentate of El Zagal Temple and Illustrious Sir Kenneth E. Burnham, the Illustrious Potentate of Kem Temple and also Howard W. Wrigley, Past Potentate, 1985, of El Zagal Temple. Each of these individuals received a new lambskin apron from the Grand Lodge.

Also, the Most Worshipful Grand Master of North Dakota, Jack Rowe, who is in attendance here at this One Hundred Twelfth Imperial Council session, was also awarded the Distinguished Service Award from the Grand Lodge.

We believe that Shrine Masonry is working.

That concludes my report, Imperial Sir, and I would move for its acceptance.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that the report be accepted. Is there any discussion?

NOBLE WILLIAM VAUGHAN [Zem Zem Temple]: Imperial Sir, I am sure we have overlooked one of the back doors of all branches of Masonry in relation to this report and that is the issue of demits.

We should not issue a Noble a demit without getting in touch with him and finding out as to why he desires same.

I have been able to save some of them but, with regard to suspension and demits, I think we should sort of keep as close a tab on that as we possibly can.

IMPERIAL POTENTATE KISSELBURGH: I certainly do not think there is any doubt about that.

IMPERIAL SIR RAVELLETTE: I would agree with you.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion?

If not, all in favor of the acceptance of the report indicate by saying aye; those opposed. It is unanimously carried.

Now, I again want to congratulate you because you have done magnificently, done a magnificent job today and we have been moving things right along.

However, at this time, I would like to call on Illustrious Sir Graves Trumbo to present a report concerning a petition for a new Temple. Therefore, I would like to call on Graves Trumbo, Chairman of the Committee on Dispensations and Charters for a report concerning a petition from a new Temple.

ILLUSTRIOUS SIR GRAVES TRUMBO: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, a petition from Nobles residing in the Baton Rouge, Louisiana, area requesting a dispensation for a new Temple to be located in Baton Rouge, Louisiana and to be known as Acacia. It is item number 20 and is located on page 23 of the Call for the Annual Session of 1986. A hearing was held thereon before your committee on June 29, 1986, at which time the proponents were present. No persons appeared in opposition thereto.

Your committee finds that the application for dispensation was signed by more than 1,000 eligible Nobles who were in good standing in the Order at the time the petition was filed with the Imperial Recorder; that they resided in the proposed territory of the new Temple; that the dispensation form, its execution and filing were in compliance with our Bylaws; that the applicants gave satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple; that the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior to this Session, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

Your committee further found that the material and information prepared and presented by the proponents were in proper order, well prepared and met all the provisions of the Bylaws of the Iowa Corporation. The committee commends the presentation of the Nobles who appeared on behalf of the petition, as well as the spirit of cooperation, understanding and fraternal courtesy extended by the officers of Barak, El Karubah, Habibi and Jerusalem, the Temples which presently have jurisdiction in this territory. Such officers have extended to the petitioning Nobles assurances of good will and support if dispensation is granted, and all the Temples in Louisiana approve and support the petition for dispensation.

After a full discussion of the facts relating to the petition for dispensation of the new Temple, your committee met in executive session and unanimously approved and recommended the granting of the dispensation.

Your committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples, an opportunity to be heard on the matter at a joint meeting of the committees.

Therefore, your committee recommends that dispensation be granted and that the Temple be granted exclusive jurisdiction in the parishes of East Baton Rouge, Livingston and West Baton Rouge, and concurrent jurisdiction in the remaining parishes of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS AND
CHARTERS

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious Sir Aurie Thompson for the report of the Jurisdictional Lines Committee.

IMPERIAL POTENTATE KISSELBURGH: Imperial Potentate Kisselburgh: The Chair will now recognize Aurie Thompson for a report of the Jurisdictional Lines Committee concerning this matter.

NOBLE AURIE THOMPSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a petition from Nobles residing in the Baton Rouge, Louisiana area requesting a dispensation for a new Temple to be located in Baton Rouge, Louisiana and to be known as Acacia.

A hearing was held thereon before the Committee on Dispensations and Charters on June 29, 1986. As you have just heard, such committee recommends the granting of a dispensation. Your committee then met in joint session with the Committee on Dispensations and Charters, as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

This committee also commends the presentation of the Nobles who appeared as well as the spirit of cooperation, understanding and fraternal courtesy extended by all in attendance.

Therefore, your committee recommends that the Temple be granted exclusive jurisdiction in the parishes of East Baton Rouge, Livingston and West Baton Rouge and concurrent jurisdiction in the remaining parishes of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I request that you call upon Illustrious Sir Ted Corsones for the report of the Jurisprudence and Laws Committee.

IMPERIAL POTENTATE KISSELBURGH: The Chair will now recognize Illustrious Sir Ted Corsones for the report by the Jurisprudence and Laws Committee concerning this matter.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 20 which is located on page 23 of the Call for the Annual Session of 1986. It concerns a proposal to create a new Temple at Baton Rouge, Louisiana, to be known as Acacia.

In conformity with the reports and recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines that dispensation be granted and that jurisdictional lines be modified, it will be necessary to amend Article 63 of the Bylaws of the Iowa Corporation. Amended Article 63, listing the Temples in Louisiana alphabetically, will read:

ARTICLE 63 Louisiana

Section 463.1 Acacia Temple, U.D.

Has:

(a) Exclusive jurisdiction over the parishes of East Baton Rouge, Livingston and West Baton Rouge.

(b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Section 463.2 Barak Temple

Has:

- (a) Exclusive jurisdiction over the parish of Ouachita.
- (b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Section 463.3 El Karubah Temple

Has:

- (a) Exclusive jurisdiction over the parish of Caddo.
- (b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Section 463.4 Habibi Temple

Has:

- (a) Exclusive jurisdiction over the parishes of Calcosieu and Cameron.
- (b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Section 463.5 Jerusalem Temple

Has:

- (a) Exclusive jurisdiction over the parishes of Jefferson, Orleans, Plaquemines and St. Bernard.
- (b) Concurrent jurisdiction in the remaining parishes of the State of Louisiana except for those parishes over which another Temple has been granted exclusive jurisdiction.

Your committee reports that the proposed amendment is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws of the Iowa Corporation.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I move the granting of dispensation and the adoption of the amendment to the Bylaws granting jurisdiction in the parishes of Louisiana as recited herein and in the reports of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE KISSELBURGH: Is there any discussion?

ILLUSTRIOUS SIR RICARDO VITA [Potentate, Jerusalem Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Representatives and Shrine Masons All: I would like to speak on behalf of the motion that is on the floor.

For the record, we of Jerusalem Temple, the Mother Temple of the great State of Louisiana, would like all of the Nobles present here to know that we truly support the endorsement of Acacia Temple to be located in our capital city of Baton Rouge and to have exclusive jurisdiction over the East and West Baton Rouge and Livingston parishes.

We are truly supportive of this petition. We took this to the floor of our Temple and the floor unanimously supported the endorsement of the establishment of this new Temple. We look forward to working with them completely in peace and harmony for the betterment and growth of Shrinedom.

We believe that we must not look to what took place in the past but to what we together can accomplish in the future. Thank you, Imperial Sir.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much. Is there further discussion?

... The question was severally called for ...

IMPERIAL POTENTATE KISSELBURGH: I will put the question.

All those in favor of the motion indicate by saying aye; opposed no. It is unanimously carried.

I will now call upon Illustrious Sir Walter Pettit to explain a resolution.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw item 11 which appears on page 20 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw item 11 on the Call for the Annual Session of 1986."

It is signed by Illustrious Nelson T. Phillips, Potentate of Jamil Temple, the proponent.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have before you the motion and the second and, as indicated, this requires a unanimous consent.

First, is there discussion concerning this matter?

If not, all in favor of withdrawal indicate by saying aye; opposed no. It is unanimously carried.

Now, Representatives, tomorrow morning at nine o'clock you are going to see one of the great patriotic programs of your life. Please bring your wives with you. We are going to present some very excellent public relations awards and also present to you some very important movie stars who are members of the Shrine. I would encourage you to be here.

Also, before you leave, let me again admonish you to bring with you tomorrow morning your Call and your ballot book because we do have a couple of resolutions yet to take action upon and that will happen as soon as the patriotic program is over with. Following the patriotic program, we are going to reconvene in our regular business session and we are going to take some action on a few other resolutions that still remain.

Thank you for your support. This session is now adjourned.

Let us give them all a great big hand. (Applause)

This morning we are gathering together some very famous Shrine Masons. They are famous because of their contributions to not only society in their area but throughout the world.

Therefore, I am very proud to ask the Imperial Marshal's Aides to escort to their respective places on the platform, our dignitaries for this morning, as follows:

Dr. Buzz Aldrin

Rex Allen

Taf Arnold

Gene Autry

Mel Blanc

Foster Brooks

Norman L. Crosby

Royal Dano

Danny Thomas

Roy Rogers

Ben Lane

Burl Ives

Manny Harmon

Glenn Ford

Don DeFore

Let us give them all a big hand. (Applause)

And now, Nobles and ladies, please greet with me the number one Shriner in North America, from Al Malaikah Temple, Imperial Potentate Walker S. Kisselburgh.

... Whereupon, Imperial Sir Kisselburgh was escorted to the stage with the band playing "California Here I Come" and the Chanters singing "All Hail To Our Imperial Potentate" ... (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much and while you are still standing, it is my privilege and honor to present to you the Governor of the great State of California, the Honorable George Deukmejian

... Applause ensued ...

DIRECTOR GENERAL BOLES: I will ask our Al Malaikah Color Guard to please present the Colors of our three nations.

... The presentation of Colors ensued ...

DIRECTOR GENERAL BOLES: Please remain standing and repeat with me the Shrine Pledge of Allegiance following which we will have the playing of the three National Anthems, the posting of the Colors and the Invocation by our Imperial Chaplain, Reverend Dr. J. Whitcomb Brougher.

... Whereupon, the repeating of the Shrine Pledge of Allegiance ensued, following which there was the rendition of the three National Anthems by the Al Malaikah Temple Band and the Invocation by Dr. Brougher, Imperial Chaplain, as follows ...

REVEREND DR. BROUGHER [Imperial Chaplain]: We thank thee, O, Lord, for this privilege of coming together to celebrate, rejoice and be glad.

Let us remember that thou didst say in ancient times, to the leader of a nation—"There shall not any man be able to stand before thee all the days of thy life. As I was with my

servant before thee, so I shall be with thee—I will not fail thee nor forsake thee. Be strong and of good courage to serve and to do according to all the law which I have given thee. Turn not from it, to the right hand or to the left, that thou mayest prosper wheresoever thou goest.

“Have not I commanded thee? Be strong and of good courage; be not afraid, neither be thou dismayed for the Lord thy God is with thee whithersoever thou goest.”

Thank you, Heavenly Father, for this encouragement, for courage and faith in the days to come as they had at the beginning.

Now, bless us here today. We thank you for all of these wonderful friends who have come to give us an opportunity to honor them. We pray thy blessing upon each one and we pray that thy blessing rest upon the Shrine, upon the childrens hospitals, upon the work that we have to do.

On this celebration of the anniversary of the birth of our nation, may we be renewed with new spirit, new zeal, new courage, new determination to that which is right in thy sight.

All of this we pray in thy name. Amen.

DIRECTOR GENERAL BOLES: Thank you very much, Reverend Brougher.

We are now privileged to hear from what I believe is one of the finest Units, if not the finest Unit, in all of Shrinedom, at least in Al Malaikah Temple. It also happens to be my own Unit, the Al Malaikah Chanters.

We will now hear them render a short patriotic medley.

... Whereupon, a short patriotic medley was rendered by the Al Malaikah Chanters . . . (Applause)

DIRECTOR GENERAL BOLES: Thank you, and will you all now please be seated.

We are going to change our program just slightly.

Because this nation was built on the fertile hands of the youth and hearts and the future of the youth, we, the Shrine for North America, believe with all our hearts that the little children we care for in our twenty-two hospitals are the heart and the soul of a Shriner. With that heart and with that soul, we hope to perpetuate this great Fraternity, not only now but for generations and generations to come and inculcating that belief, the hearts and souls of the little people is the heart and soul of the Shriner, therefore I am very proud and privileged to present to you what is considered one of the most famous new choirs in the world.

It is called the International Childrens Choir. It was started about thirty years ago and it is just now getting its prominence and what they are doing throughout this world is promoting peace on earth.

The children in the choir are of the ages from four to sixteen and each child will be wearing the authentic costume of that child's heritage and it is under the direction of Irene Bayliss, who is a renowned choir director and with the great songs that have been given to them, one of which was authored by a lady sitting in this room, whom I will introduce to you later, I present to you the International Childrens Choir who will sing for you, “Reach Out,” “It's A Small, Small World” and “Let There Be Peace On Earth.”

... The assembly was then entertained with the International Childrens Choir rendering the songs as above indicated, upon the conclusion of which there was rising applause from the assembly . . .

DIRECTOR GENERAL BOLES: Thank you very much. I think you have just seen a little bit of what the future of America and this great world is all about. It has been through your leadership in your communities throughout this great country and through all of the North American continent, it has brought society to a real steady, forward, progressive movement. These young children are a reflection of what you are doing today and some of the things you have done yesterday and obviously everything you have done has been good because I can see and hear from these young children what you people have done has set a pattern, and through the molding of all of this togetherness, the brotherhood of man, under the fatherhood of God, I believe that patriotism is still the foundation and keeps us moving in our communities.

The spirit of God works closely with the Flag standing high in the standard where we want it. We know that patriotism still binds us together.

With that introduction, I would like to present to you one of the finest actors in all of Hollywood, a man who believes in Masonry. He goes to Lodge every week, he has held

most every office in his Blue Lodge—if not every one several times. He believes in it, he believes in everything that he does and through his words and his inspiration, let us hear Royal Dano. (Applause)

NOBLE ROYAL DANO: This nation, conceived in liberty, born out of a faith in God and dedicated to the proposition that all men are created equal and thus entitled to freedom—it is with this freedom in mind that we pay tribute to this Flag, which represents every freedom of this country—freedom that has brought to its people a degree of prosperity and happiness never even approached under any other banner; a country which derives its just powers from the consent of the government; a country with a Constitution that is the greatest single document in the entire struggle of mankind for orderly self-government.

But these blessings come not without cost and throughout our brief history as a nation, when danger has threatened, millions of Americans have left their homes and families to defend this Flag and the country for which it stands, and some never to return and yet they are here, embraced forever within her folds, for their purity is remembered in her stripes of white; their blood has given her stripes of red and their souls are cradled in her stars and their courage embedded in her blue.

And at this moment, while our Flag lays at peace in turbulent times, men and women from around the world risk their lives trudging through arid deserts, parched with thirst, crossing dark, infested waters in leaky hulks, crawling through mine fields, past barbed wires and gun emplacements and over seemingly insurmountable walls to reach these shores, to touch and stand beside this symbol of liberty, this rallying point of man's dreams, this standard of justice, this banner of the rights of man, this emblem of man's faith, this light of humanity, this beacon shining into the darkness, this Flag of the United States of America.

And today we Shriners and our families now pause to rededicate ourselves to that same love of country and devotion to freedom and unflinching ideals of those founding fathers that have made this country the hope of mankind.

... Rising sustained applause then ensued ...

DIRECTOR GENERAL BOLES: I have not forgotten to make the one introduction but leadership comes in different roles.

We heard the sounds and the words of a very beautiful song just a few moments ago, in which it truly said, "Let There Be Peace On Earth And Let It Begin With Me."

I would like to introduce the author of the words and the wife of the man who wrote the music, Mrs. Jill Jackson. (Applause)

And it will begin with us—me and me and me.

Now, I would like to introduce to you a great American, one who has brought forth leadership in his state, symbolic of the leadership that we have witnessed throughout the generations in building this great nation of ours.

We in California are extremely proud of our leadership at all levels and above all, the man at the top.

I proudly present to you, the Governor of the great State of California, the Honorable George Deukmejian.

... Rising applause ensued as Governor Deukmejian approached the podium ...

THE HONORABLE GEORGE DEUKMEJIAN [Governor, State of California]: Thank you very much for your very warm welcome.

I am indeed genuinely pleased to be able to be here with all of the members of the Shrine this morning.

You caught me at the right time, a holiday, and I do not have to get to the office today. (Laughter)

I think it was the poet, Mr. Frost, who was the one who said—"The human brain is a wonderful instrument, it begins the minute you get up in the morning and does not stop until you get to the office." (Laughter)

So, you caught me at the right time today.

When I was asked to speak here this morning, I was told you wanted to have some remarks from California's most popular politician. Unfortunately, however, Mayor Clint Eastwood was not able to make it. (Laughter)

But standing in his place, on behalf of the people of California, I am indeed delighted to

welcome the One Hundred Twelfth Annual Imperial Shrine for North America to this, our great State of California. Also, I am very glad that you chose California for this very important event and I hope you have enjoyed your visit here.

For those of you who come from outside of our state, I would like to offer each of you a special warm welcome. I hope that you will have an opportunity to enjoy many parts of our state. If you cannot do it on this particular trip, I certainly would like to invite you to come back and to visit the many, many beautiful areas that we have throughout our state.

From the beautiful coastline of California to the majestic solitude of the Sierra Nevada Mountain Range, we have many different Californias in the State of California and we think it is indeed the greatest state in the United States. (Applause)

Today, our country is celebrating the one hundredth anniversary of the Statue of Liberty and while the rest of the country is focused on the events in New York, I am very happy to be right here in California with the members of the Shrine. (Applause)

You know, for more than a hundred years, the Shriners have been serving the public without aid or assistance from government. (Applause) The charitable work of the Shriners typifies the commitment and devotion to duty that have made this country great and today is a day that we will celebrate that kind of greatness. (Applause)

Over the last two centuries, millions of immigrants have looked to America as a place of hope and opportunity. My own parents, like immigrants before and after, were drawn across a great ocean to carve out a new life in a new land. These people came from different countries, spoke different languages and practiced different customs and religions, but they all came to this vast continent for a chance to build a better life for themselves and their families.

My mother arrived at Ellis Island in new York Harbor with her mother and two sisters in 1907. My father arrived two years later. America offered my parents and my wife's parents a safe haven from the persecution and destruction of their Armenian homeland. But when they got here, there was no easy life and no guarantees waiting outside of the gates of Ellis Island. Life in America had its hardships for all of them but they did not demand the best that America had to offer—they were willing to accept even the worst because it was so much better than what they were experiencing in their home countries, where their lives were submitted and subjected to persecution, violence and a lack of freedom of opportunity.

When they got here they, of course, were welcomed and they were given the freedom of opportunity. They were also extended friendship and support of neighbors, family members and the community.

Like millions before and after, they were given a precious opportunity to pursue, through their own best efforts, their dreams of a better life for their families; although if my parents ever dreamed back then that one day their son would grow up to become the Governor of the most popular state in the United States, they never told me about it. (Laughter)

But my parents' story is not unique and that is what is so great about America. The story of dreams coming true repeats itself day after day in a million ways.

The promise of freedom and the belief that the future can be better than the past is what has guided millions of people to our shores. The freedom that we enjoy on this continent is so precious but in today's world it is a scarce commodity and that is why millions of people over the globe continue to beat on our doors to get in.

On the other hand, however, you do not see people trying to go in the opposite direction. (Applause) How many set sail in leaky boats trying to get into Cuba and into Viet Nam? How many crawled over or tunneled the Iron Curtain for a new life in the Soviet Union? All the propaganda in the world cannot change the fact that when it comes to human dignity, independence and opportunity, communism and totalitarianism are the big losers. America is the grand prize. (Applause)

We know that our society is not perfect and as leaders in our communities we must work continuously to improve upon the American dream and to make it a reality for all people, whether they lived in this country ten weeks or ten generations.

Education, I believe, is the key to opportunity and advancement. It is the soundest, wisest investment that we can make in our children's future.

Here in our state, we have made education our top budget priority.

We have also brought about the kind of reforms in our school system that are leading to rising test scores and a new commitment to serious learning on the part of our students.

Independence and individual dignity also depend upon a thriving economy. I am proud of the fact that today California is Boomtown, U.S.A., with the number one destination in the nation for major business expansion and that has meant, in turn, that over the last four years, more than 1,400,000 Californians are working than were working back in January of 1983. Our unemployment rate has been cut nearly in half.

Now, I know that there are a number of Shriners from Mexico and Canada that are with us today. I believe that our countries have a common stake in the sparkling opportunities of the Pacific Rim area. This is a \$3 trillion market that is growing at the rate of \$3 billion a week, not a month but a week and, working together, our three countries can lead the world's dynamic region into the Twenty-First Century and fulfill the potential of this great majestic continent and create the jobs that are needed for our people. (Applause)

While we seize the vast opportunities of the international marketplace, we must also direct our attention to the quality of life of the individual.

The genius of our system of government is that here the individual counts for something. Each person is unique; each deserves the respect, dignity and the support of his or her neighbors. To me, improving life with the individual residents means not only education and economic prosperity, but it also means freedom from criminal terror as well.

A society that fails to protect their most basic human rights is, in my view, failing its people in a fundamental way.

We must also respect the natural environment and keep our communities clean and healthy and we must never fail to lend a helping hand to others less fortunate.

The one hundredth birthday of Lady Liberty is an important event in America's history. I would like to share with you a statement that was made by President Ronald Reagan on his thoughts about this great symbol and what it means to him.

He said, "The glistening hope of her lamp is still ours. Every promise, every opportunity is still golden in this land and through that golden door our children can walk into tomorrow with the knowledge that no one can be denied the promise that is America. Her heart is full, her door is still golden, her future still bright. She has arms big enough to comfort and strong enough to support for the strength of her arms is the strength of her people. She will carry on, unafraid, unashamed and unsurpassed.

"In this springtime of hope, some lights seem eternal. America's is."

Today is a very special day. We have a lot to celebrate. Our country is proud—it is strong, it is respected again. Not only have we achieved the most just society but the most prosperous and generous society as well.

We have proven to the world that the combination of freedom, faith in God and commitment to each other is unbeatable. We truly are the last best hope for man on earth.

We have excelled because we are not satisfied with what is. We are committed and we are challenged by what can be and by continuing with our dedication to help others today, there is no limit to what we can achieve tomorrow.

Thank you and God bless you.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you, Governor. The Governor has another commitment and so he would like to leave. May we please have the Governor of California escorted out of the hall and let us give him a standing ovation as he leaves us.

... A standing ovation arose as the Governor of California was escorted from the room ...

DIRECTOR GENERAL BOLES: Quite a birthday party, is it not? (Applause)

You get a little sentimental about patriotism and our whole world and I just have a feeling that every person in this room shares those same feelings.

Now, for the purpose of honoring our great Shrine Masons, I would like to introduce to you again the Imperial Potentate of the Shrine for North America, Imperial Sir Walker Kisselburgh. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, thank you very much.

I have wanted for so many years to honor the following men for their outstanding

achievement in the area of entertainment. I know that they have entertained you all either through the medium of television or through the movies or through the stage. Some of them have probably entertained you back in the days of silent pictures. (Laughter)

It is a great pleasure, as Imperial Potentate, not only to honor these men today but to give them something that they can hang on their wall and say, "Gosh, the Shrine did a wonderful job and honored me with a beautiful, beautiful plaque. That was good, and, of course, I knew it all the time but the Shrine has indicated that I am good."

I want you to join with me as I present these plaques to these honored guests and, in so doing, I will ask them to come to the microphone individually to say a few words about how they feel and, to those who cannot make it to the microphone themselves, we will attempt to help them, Norm. (Laughter)

They will be called alphabetically so as not to detract from their importance.

Now, Norm Crosby has said, "Good." Well, I wish his name were Zimmerman. (Laughter)

Before introducing them, let me ask the people up in the booths, will you please give us some more lights up here. We do not have any makeup on and need some lights so we can see their faces. Hello up there, is there anybody up there, hello. (Laughter)

Will the lady who was doing the sign language previously please come back. (Laughter) May we have some lights up here on the stage.

I would like to call upon the first man who received his Degrees of Masonry and became a member of Al Malaikah Temple and then moved to Arizona and joined El Zaribah Temple in Tucson. However, he was in the class with that great immortal Shriner and Mason, John Wayne.

May I present to you for your consideration and applause, Rex Allen. (Applause)

Noble Rex Allen, for your generous contribution to the American way of life and our society, the Shrine for North America is proud to claim you as a member of its ranks and to call you a Brother and Fellow Noble. Your contributions will remain forever in the hearts and minds of millions of Americans.

This is presented to you on this 4th day of July at the One Hundred Twelfth Imperial Council Session, Los Angeles. It is signed by the Imperial Potentate, Shrine for North America.

Noble Allen, I very proudly present this to you and would you say a few words to us, please?

NOBLE REX ALLEN: Thank you very much.

For some thirty-five years I have enjoyed the fellowship and the wonderful things that the Masonic Lodge has meant to me and for some twenty years now I have enjoyed being a Shriner and a Jester. The world is a better place because of the Shrine and the Jesters. (Applause) Also, I am a better man because of it.

Sometimes I feel, well, I will go back to Arizona and sit down and waste away but after that beautiful ceremony I saw on television last night on Ellis Island, I have decided to hang around as long as I can and to try to accumulate a little more so maybe I can get David Walford to do my funeral. Thank you very much.

... Laughter and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: A man who has entertained very greatly all over the United States at Shrine Temples and Masonic Lodges; a man whom you probably will not recognize as great as the movie stars of yesterday, etc., but a tremendous individual—a man who joined Al Malaikah Temple many years ago, a great comedian, Taf Arnold.

... Presentation of plaque of Noble Arnold ensued at this point ...

IMPERIAL POTENTATE KISSELBURGH: Taf, without charging us, would you give us a few words, please? (Laughter)

NOBLE ARNOLD: Thank you, Imperial Sir.

My name is Taf Arnold and you can probably tell, which the Imperial Sir did not say, that I am not from here. I live in Sherman Oaks. (Laughter)

I am a recipient of coming to the United States as an immigrant, as an aircraft engineer, which my dad wanted me to do.

I am a coal miner's son, you know, and the opportunities in Wales were very little. I have made a lot of fun about it on stage but they were very little but my father insisted that I get a trade and I got a trade and it got me, via Canada, to all of my friends.

When I came to the United States, it was my choice to do what I wanted to do. You people gave me the heart and opportunity to do what I wanted to do and what I needed to do for Taf Arnold and, of course, there is nowhere else like that.

I am an authority on that, you know—I am from a coal mining country. God knows, you do not need any harder work than that and the people that I meet here, I am sitting between two great cowboys, Bugs Bunny, a drunkard, a guy who cannot speak English over there. (Laughter and applause) Hold it, I am on the next line here. I am still working. (Laughter)

I want to tell you something else before I leave—you know, I am so proud to be a Shriner and I did not come in through the back door—my Blue Lodge is in Detroit. (Applause) That was my Ellis Island into Shrinedom. (Laughter)

Now, I want to tell you something else in conclusion, but not to hog this thing—but I want to tell you a great honor.

The first thirteen Masons that ever started this whole deal were presented at Al Malaikah Temple last week, with Mr. Royal Dano. I want you to get this—we have one of the finest producer-directors in the business, who selected people to play these parts. I want to tell you the part I got. (Laughter) F.D.R. (Laughter)

I love you all, thank you for your kindness. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, Taf. I would appreciate it if you would not hug me in front of people. (Laughter)

Well, here he is—you have seen him longer than I have, the one and only famous Gene Autry.

... Rising applause ensued ...

... At this point, Mr. Autry was presented with his plaque of appreciation by the Imperial Potentate ...

IMPERIAL POTENTATE KISSELBURGH: Gene, would you give us a few words of wisdom, please?

NOBLE GENE AUTRY: Imperial Potentate, Fellow Shriners, Ladies and Gentlemen and especially all of those kids that we had up here on this stage this afternoon—well, rather this morning. Now, it may be afternoon for me because I just came in from Ireland yesterday. Norm Crosby and I were there, were we not? Yes.

First let me say that I have been a Mason since I was twenty-one years old. (Applause) Of course, I am not going to tell you how long ago that was (laughter) but it was quite a few years.

Just a couple of minutes ago the Master of Ceremonies up here was talking about the movies that we had made and that I had made and he insinuated that maybe I had made some pictures even before sound. (Laughter) However, I am going to tell you the truth. I made a few of them in which there had to be silence. (Laughter)

However, you have to take the good with the bad but I am just happy that I have lived long enough to make ninety-three pictures and one hundred half-hour television films and after that I figured that I had worked long enough in front of the camera and so I decided to go into baseball. (Laughter) It has really been fun for me. It is relaxing. I can go to bed and, in fact, I sleep like a baby—I sleep awhile, wake up and cry awhile (laughter) and then, if we win the game, I go back and sleep awhile again. (Laughter)

But, seriously, I have been around the different states and throughout the world, I guess, and I have found Shriners and Masons practically everywhere I go and I am so happy that I am a part of this great organization and that so many of my peers are also Shriners and Masons.

It makes me feel good when I go into some of those hospitals and see those little kids that are crippled and to meet them later and they tell me, through the great Shriners Hospitals, that they have been able to be sound and well again.

I think that I have talked here perhaps too long but I would like to read for you a little prayer here that is called "A Man's Prayer" and I think it sort of fits me and Roy and Rex Allen and every one of these men up here more than anything I can tell you.

"O, God, teach me that sixty minutes make an hour; sixteen ounces one pound; one hundred cents make a dollar. Help me so to live that I can lie down at night with a clear conscience and unhaunted by the faces of those to whom I have brought pain.

"Grant me that I may earn my meal ticket on the square and that in earning it, I may do unto others as I would have them do unto me.

"Deafen me to the jingle of tainted money. Blind me to the thoughts of the other fellow and reveal to me my own.

"Keep me young enough to laugh with little children and sympathetic enough to be considerate of old age.

"And when comes the day of darkened shadows and the smell of flowers and the tread of foot steps in the front yard, please make the epitaph short and the epitaph simple—'here lies a man.' " (Applause)

IMPERIAL POTENTATE KISSELBURGH: Gene Autry has to leave. Please excuse Gene because he has to get back to practice with his baseball team. (Laughter)

Well, here is the voice of a thousand—Mel Blanc—how about it, Mel Blanc.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE KISSELBURGH: Mel, come on over here. You above all else, I want to thank this morning because you got out of a sick bed and you came down here to pay honor and respect to us and we want to likewise pay honor and respect to you with the presentation of this plaque.

. . . Presentation of plaque and applause ensued . . .

IMPERIAL POTENTATE KISSELBURGH: Would you give us some of your advice? Was Jack Benny really cheap?

NOBLE MEL BLANC: Yes. (Laughter)

. . . At this point, Noble Blanc imitated three of his well known characters . . . (Applause)

NOBLE BLANC: I merely want to say, "hello" to all of you wonderful people, me being one of them, too. (Mr. Blanc pointing to his Fez) (Applause)

I love you all and God bless you all. Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: He has to go and get some more oxygen. He asked permission and, Mel, you can get anything you want, you have earned it. (Applause)

You know, that is a man who has given a lot of entertainment to a lot of people for a lot of years.

Well, here is a man—I straightened out his Fez and he said, "I put it on crooked to begin with." Foster Brooks.

. . . Whereupon Noble Brooks was presented with his plaque by Imperial Potentate Kisselburgh . . .

IMPERIAL POTENTATE KISSELBURGH: Foster, do you wish to say something to these folks?

. . . Whereupon, Noble Brooks, beginning with his famous "drunk" dialogue, commented as follows . . .

NOBLE BROOKS: You know, I did not want to come here but the other places have not opened up yet. (Laughter)

You know, Royal Dano was asking me to play the part of Franklin Roosevelt but I told him I did not know anything about politics and that, as a matter of fact, for twenty years I thought that Henry Cabot Lodge was a motel. (Laughter)

I really do not possess the education to make any kind of a serious speech. However, I did go to a very exclusive school—you had to be sent there by a Judge. (Laughter)

I also do recall, that I had, as many of you, straight A's; my B's were a little crooked but— (Laughter)

I would like to close now by saying something serious.

You know, I wrote a poem one time for a friend, one of the dearest men I have ever known and since I have known Walker Kisselburgh, I have met another man equally as fine, equally as wonderful a man for whom I wrote this poem. I would like to dedicate it to you, Walker, if I may.

"As I travel down the road of life
I thank the Lord for each day;

I thank him for teaching me right from wrong
 And how to kneel and pray.
 I thank him for my mother and I thank him for my dad
 And I thank him for my brothers, as fine as a man ever had.
 I thank him for the flowers in the spring
 And the heaven's skies of blue
 And thank him for special things,
 Like the day when I met you.
 I hope someday I thank the Lord,
 And I pray each night I can
 For making me just a little like you—
 I will then be a better man.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you very much, Foster.

Let me say that Foster has to leave, he has twenty-five minutes for the doors to open.
 (Laughter)

This is not very good timing—you never do this in good showmanship, never follow up a good act with a bad act but here is Norm Crosby.

... Laughter and applause ...

... Whereupon, Noble Crosby approached Imperial Potentate Kisselburgh and was presented with his plaque at this time ...

IMPERIAL POTENTATE KISSELBURGH: I would appreciate it if you would not kiss me—I am beginning to enjoy it. (Laughter)

NOBLE NORMAN CROSBY: Thank you very much.

Ladies and gentlemen, I am a humorist by profession and people expect us to say funny things, but I cannot tell you how delighted I am to be a part of this "extinguished" gathering.
 (Laughter)

You know, Walker said it would be a star-studded day. Well, I see two stars and about eleven studs. (Laughter and applause)

You know, this is what we are all about—this is what the Shrine is all about—this is what our country is all about—our magnificent Governor, who has done such a marvelous job, who is not even a citizen. (Laughter) I told you that—his mother was but he never made it.
 (Laughter)

Those kids from the International Choir—people from all over the world sat together and held hands and sang in beautiful tune and harmony because in their hearts, they were scared to death, I imagine they really were. (Laughter)

People came to this country to California, to the Olympics. People from 120 countries came here and mingled with people from 180 countries who live here. (Laughter) That is what the Shrine is, that is what democracy is.

The Olympics—that little girl—what is her name—Mary Joe Flipper (laughter) that did all of those wonderful things. That is what our future is, kids. You know, she did one trick that scared me. I do not know if you watched it on television, when she did that backbend and put her toes in her nostrils and made a hoop out of it. (Laughter) You know, that is frightening and God forbid if she sneezed. (Laughter)

And I also want to tell you this—that when Walker Kisselburgh made his infamous film, and invited all of you to come here to California—people who are migratory here just for this occasion—Shriners and their ladies, Shrinettes. (Laughter)

Just to know that there is a myth about this community—there are stories about Hollywood. We hear all kinds of lunacy—that people in show business are perverted and bisexual (laughter) and do all kinds of things. That is not true, it is not true, and I said that this morning to my husband. (Laughter)

It is important that you know by looking at these people; it is important that you realize by our presence here, that the stories that you hear about people in show business, the tremendous ego and the big conceit, are not true.

I want to thank all of you and I want to thank Walker especially, and I want to thank the President of the United States and the people of the United States and the Statue of Liberty

for having that incredible display last night—the music, the pageantry and the fireworks—just because I am receiving this award today.

... Laughter and applause ...

IMPERIAL POTENTATE KISSELBURGH: I think I wet my pants. (Laughter)

Well, you have seen him before and now you are going to give him a chance to really receive an ovation—Royal Dano—a Past Master and a Past Junior Grand Deacon of the Grand Lodge of California—a great Mason and a great Shriner. (Applause)

NOBLE ROYAL DANO: Thank you, Imperial Sir.

Brethren, Friends and Ladies: A little while ago I went down to Tucson, Arizona, to do a fund raiser for this clinic down there and they had a golf tournamnet and after we got to the eighteenth hole, I was made an honorary member of the construction union. (Laughter)

Anyway, in talking to the Illustrious Potentate, Don Jones from Sabbar Temple, we got to talking about different committees and we figured out I was on ten different committees, a couple of Grand Lodge committees, Shrine committees, Scottish Rite committees and Blue Lodge committees. He said, to me, "How do you manage to do so much work?"

Well, I started thinking about that and, golly, I found out that I enjoyed it so much that it was not work. I think that is the way the rest of you guys out there do it, too.

I merely want to say—God bless all of you for being here. (Applause)

IMPERIAL POTENTATE KISSELBURGH: You have seen this next man on television, motion pictures but I do not think you know that he has probably introduced the President of the United States before he became Governor of California more times than any single individual. Will you please greet Don DeFore. (Applause)

... At this point, Noble DeFore was presented with his plaque by Imperial Potentate Kisselburgh ...

IMPERIAL POTENTATE KISSELBURGH: Don, would you like to say something?

NOBLE DON DEFORE: Thank you, Walker, thank you very, very much.

To you other dignitaries of the Shrine, I greet you and tell you what a tremendous moment this is for me to be here being paid a tribute by you dignitaries and fellow Shriners.

At this particular point in time, I am sure all of you, most of you are like myself, are thinking about your lineage and ancestry.

I am just finishing a book and have done a little research on mine and I am very proud to say that my paternal grandparents were Huguenots. They came to this country seeking freedom. Also, my maternal grandparents were from Czechoslovakia and they, too, came to this country seeking freedom. As a matter of fact, that particular outreach for freedom has been a part of my whole being.

The thing I found in Shrinedom and Masonry is that there is that searching for dignity within the fellow Mason, fellow Shriner and searching for the dignity and respect and seeking liberty in other Masons and other Shriners. This is what I found to be a great thing in my life and I thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Now, the next fellow is one you do not see very often because he is behind the scenes. His orchestra is probably the most famous orchestra in relation to Hollywood movie stars of all time. He has played for the Democratic National Convention more times than he can remember and also the Republican National Convention.

I would like to present to you the great orchestra leader, Manny Harmon.

... Applause ensued as Noble Harmon approached the podium and was handed his plaque by the Imperial Potentate ...

IMPERIAL POTENTATE KISSELBURGH: Manny, would you like to say a few words at this time?

NOBLE MANNY HARMON: Well, I will tell you this, that with all of these great men present here today, the first thing I would like to say is that it is really a great honor for me to be here this morning and be honored by the Shrine and it has been a pleasure, in relation to various functions and things, to go to the various hospitals and do different things.

However, before I say any more, I would like to ask you, Walker, if I can have you as my Master of Ceremonies next week? We have a show we are doing and you have done such a wonderful job. Walker, will you come out? (Applause)

You know, I am just a little nervous, especially with all of these great comics and these great gentlemen present and, I might add, when I first came in, I thought I would see nothing but guitars here this morning, between Burl Ives, Roy Rogers and all the others, I thought, well, probably we would have that.

However, it has been a great pleasure and, really, a great honor to be a Shriner and also to have received this honor.

I want to thank all of you very much and I hope you have enjoyed yourselves here.

Keep up the good work because, you know, we really need you and with our children constantly getting sick and having to have orthopedic and burns treatment, we know that extra push from all of you and also the ladies, of course, that will help all of us.

Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, Manny Harmon.

And now, next, here is he, the Blue Tail Fly, Burl Ives.

... Whereupon, Noble Ives was likewise presented with his plaque by the Imperial Potentate ...

IMPERIAL POTENTATE KISSELBURGH: And now, Burl Ives, may we have a word or two from you? Thank you for coming and God bless you.

NOBLE BURL IVES: Imperial Potentate, Shriners, Ladies and Gentlemen: I feel highly honored today to receive this award and I am highly honored to be in the company of this group of gentlemen here who are likewise receiving awards.

I am also very pleased to see you all and as I look around, I see quite a few grey beards and some grey hairs. (Laughter)

I have a little poem which is a sort of salute to the aging process, which I should like to recite for you.

"It is not the grey in the hair,
that makes a man old;
Nor the far away look in his eye,
So I am told.
but when the mind makes a contract
The body cannot fill,
Then you're over the hill, brother,
You are over the hill."

... Laughter and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Thank you, thank you very much.

Another man who has also worked behind the scenes, and he has just informed me that he goes back to Our Gang comedies. He originally made up Elizabeth Taylor when she was a teenager; one of the greatest make-up men in the business. You have seen his name in the movies—"Make-up by Ben Lane." (Applause)

... At this point, Noble Lane was likewise presented with his plaque by the Imperial Potentate ...

IMPERIAL POTENTATE KISSELBURGH: Ben, can you tell us some things?

Noble Ben Lane: Imperial Sir, speaking of oldies, when I first started in the business, I started, well, in the early 1930s, I guess it was, when we did "Good Earth." Maybe you do not recall all of these—"Gunga Din" (applause), "The Hunchback of Notre Dame" (applause), "Guys and Dolls." (Applause)

In my forty-three years in this business, I think I have made up about most every memorable big star. I missed a few but I got to most of them.

I can tell you stories about them but that would take a long time and so I will pass that up.

However, in my years working in the picture business, I also had a little duty to do and that was working for the Shrine. I have been doing the Ceremonials for the Shrine, the Scottish Rite, for a great many years. (Applause)

I have traveled all over the world and while doing picture stars, I also had time to perform these Ceremonials and help with our crippled children.

You may not know it or feel it, but I also dress as a clown (applause), and entertain the children wherever I go. That is why I love the Shrine.

Also, one of the little things that I used to do is that while the Shriners were involved with their convention or had their Ceremonials, I used to sometimes get the women, the wives together, and give a lecture on make-up.

Now, my lecture always started by indicating that I was not going to talk to them about how they can make up as a movie star but explained to them how I could make all of those pretty women attractive to their husbands. I loved this, doing this, and, in turn, it did a lot for me.

Also, it is really a pleasure, Imperial Sir, for me to be here and receive this honor. Thank you very, very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Well, he is only last because alphabetically his name begins with an "R." He is the man that made Trigger famous, Roy Rogers.

. . . Cheers and applause ensued while Noble Rogers was likewise presented with his plaque by the Imperial Potentate . . .

IMPERIAL POTENTATE KISSELBURGH: Would you like to give us a few words of wisdom, Roy?

NOBLE ROY ROGERS: Thank you so much.

You know, doggone it, I feel like I have grown up with everybody. (Laughter) I believe I made my first picture in 1938 and so the kids from six to twelve at that time are the grandmothers and grandfathers of today and so I feel right at home in any audience.

I became a Mason in 1946 and before that I was making personal appearances, right after I made my first picture, and I would go into a town and find out where the hospitals were and start visiting the kids that could not come to see us. That was a "must" on my list.

I went to the Burns Hospital, Shrine Burns Hospital in Seattle back in about 1939 or 1940 and that was the start of my interest in Shrinedom Masonry. I just cannot say enough.

Since then I have had an opportunity, I guess, to play to all of the hospitals across the country and having a family and entertaining youngsters and being a part of their family has meant everything to me.

I might say that we have a great family of our own—we have six children who are called family. We had nine children and, like all families, had our share of tragedies. We lost three of them but we still have six or eight kids and we also have sixteen grandchildren and ten great-grandchildren. (Applause) I was married at nine. (Laughter)

Now, family life has meant everything to me. Dale has been such a great mother and partner and I cannot say enough for her. She is presently in Charlotte doing some Christian work, Charlotte, North Carolina, today. She flew out yesterday. (Applause)

You know, we have a very good understanding. She does not care if I go out and go hunting and stuff like that to Africa and I do not say anything with her going out every week, going to these different places and giving her testimony and singing. I just cannot say enough for her. I am just a lucky cowboy to have not only Dale and a wonderful family, but I had Trigger, too, (applause) the greatest horse that ever came along.

You know, we have a museum up in California. Some of our fondest memories are when we were kids and it seems just like yesterday. I was taking a group of people through the museum one day, and I saw that everybody was joining our group and finally we got about a third of the way through there and this lady, I had seen her, she was getting closer and closer and finally I turned around and she said, "Mr. Rogers, I have been watching you since I was a little, bitty girl." (Laughter)

I said, "Well, that is wonderful, do not stop now." I then said, "by the way, when was this, how old are you?" She replied, "Seventy-eight." (Laughter) That was fifteen years ago. (Laughter)

Well, as you can see, I have a whole lot to be thankful for.

I became a Shriner in 1950, when the great Harold Lloyd was Imperial Potentate. I went through at the big Rose Bowl, that is where they put us through the Shrine and I have been so happy to have made that decision.

I just thank the good Lord every night for all the blessings I have and our President and the wonderful people of this country. Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Roy Rogers, how about that?

Well, that is it, folks. Happy birthday, July 4th and I am proud to be an American and I am proud to be a Shriner.

Let us now get to work, Representatives. Thank you all for your attendance and will you now please leave the auditorium.

... Whereupon, to the background music of John Philip Sousa's "Stars and Stripes Forever" played by the Al Malaikah Million Dollar Band, those not duly elected Representatives left the assembly hall and a brief recess ensued as the stage setting was rearranged for a continuation of the convention ...

MORNING SESSION
FRIDAY, JULY 4, 1986
ELEVEN-TEN O'CLOCK A.M.

The One Hundred Twelfth Annual Session of the Imperial Council reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at eleven-ten o'clock a.m., Imperial Potentate Walker S. Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: If you will take your seats, gentlemen, we will start our meeting.

I will recognize our Imperial Chaplain for the Invocation.

REVEREND DR. BROUGHER: Let us pray.

Unto thee, O, Lord, do I lift up my soul. O, my God, I trust in thee. Let me not be ashamed, let not mine enemies triumph over me.

Heavenly Father, in the days to come, let us live so that the whole world will know that those who speak against us are not bringing forth the truth.

Heavenly Father, bless this last session. May it be one of courage, strength and hope and we will be grateful to you for your blessings all the days of our lives. This we pray in thy name. Amen.

IMPERIAL POTENTATE KISSELBURGH: Thank you, Dr. Brougher.

Now, let me say that our Parliamentarian, Judge Lamdin, had to leave and so I would like to appoint Judge Cooper as Parliamentarian.

Now, we will proceed with our business and next go to item 10 on the Call and, at this time, I will call on Judge Cooper of the Jurisprudence and Laws Committee to present this item to you.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 10 on the Call of the Annual Session of 1986, located on page 20 of the Call. It is a proposal to amend Section 454.2 and Section 454.9 of Article 54 of the Bylaws of the Imperial Council, an Iowa Corporation, so that the Sections will read as follows:

ARTICLE 54
Florida

Section 454.2 Egypt Temple

Has:

Exclusive jurisdiction over the counties of Citrus, Hernando, Highlands, Hillsborough, Pasco, Pinellas and Polk.

Section 454.9 Sahib Temple

Has:

Exclusive jurisdiction over the counties of Desoto, Hardee, Manatee and Sarasota.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS
Walter Pettit, Chairman

William A. Buckaway, Jr.
 R. E. Cooper
 Theodore Corsones
 Gerald L. Davis
 Robert C. Lake
 J. M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Aurie Thompson of the Jurisdictional Lines Committee for his report.

IMPERIAL POTENTATE KISSELBURGH: The Chair now recognizes Aurie Thompson.

NOBLE AURIE THOMPSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines a proposal to amend Sections 454.2 and 454.9 of Article 54 which was just read to you by the Jurisprudence and Laws Committee.

The effect of the proposal would give Egypt Temple exclusive jurisdiction in Highlands County and give Sahib Temple exclusive jurisdiction in Manatee County. Both counties are now in concurrent jurisdiction.

Your committee met with the Representatives of both affected Temples and after a full discussion of this proposal, your committee feels that the proposed amendment is in the best interest of Shrinedom and, therefore, recommends this amendment be adopted.

Respectfully submitted,
 COMMITTEE ON JURISDICTIONAL
 LINES

R. A. Posey, Chairman
 Aurie J. Thompson
 Robert A. Boylan
 Joseph I. Morris
 Glenn McMennamy
 Howard E. Smith, M.D.
 C. Douglas Mayes

Imperial Sir, if there are no questions concerning this report, I recommend that you call on Illustrious Sir Paul Jaworowski, Potentate and Representative of Sahib Temple.

IMPERIAL POTENTATE KISSELBURGH: The Chair recognizes Illustrious Sir Jaworowski.

ILLUSTRIOUS PAUL JAWOROWSKI [Potentate Sahib Temple]: Imperial Sir, based on the committee's recommendation for approval, I respectfully request approval of this amendment. I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: The motion has been made and seconded that this amendment be adopted. Is there any discussion?

I will recognize the Potentate of Egypt Temple.

ILLUSTRIOUS SIR T. L. JONES [Potentate Egypt Temple]: Imperial Sir, I realize the hour is late but I wish to point out to this body, bring to this body's attention, that there are some ninety-seven other Temples that have concurrent jurisdictions issued at one time or another.

I also wish to point out to this body that five years ago, when Sahib Temple came to the body for its accreditation, Egypt Temple was entirely for this and helped them and supported them in every way possible and we still maintain good, friendly relationships between the two Temples.

However, during that time, some things have happened.

First let me explain that Manatee County rests between Sarasota County and Hillsborough County and in that area we had two Shrine clubs by which we allowed, in the best of interest, them to vote on in relation to which Temple they would like to go with.

Those two Temples, because of the closeness to the newly formed Sahib, elected to go with Sahib Temple and so current jurisdiction in that area has created a loss totally of jurisdiction for Egypt Temple.

We still have, however, 162 Nobles in that area that have been desirous and continue to be desirous of forming a Shrine Club in that area, which, obviously, has been opposed. These Nobles have continued to meet as friends, meet at picnics, etc., but, as Nobles, they have been a lost group to Shrinedom.

I would appeal to you that in your areas, some ninety-seven other Temples, you also probably have lost Shriners to our Temples that can no longer really work in behalf of Shrinedom and I appeal to you that this is not in the best interest of all that we thought, though these members are desirous of continuing to be active.

I would also at this time like to say that Sahib Temple came to us and we met with a representative of Sahib, who is a Representative of this body, in the best interest of trying to resolve this problem and we offered a solution to this problem in that we said, "Let us take the Manatee River, which divides the counties, and let Sahib have exclusive jurisdiction south of the river and let us have jurisdiction north of it, giving them more than two-thirds of the counties and a greater, larger percentage of the population of the county.

So, we did try to work out an agreement with them. Further, we still believe that it is a good agreement and I would like to at this time amend, if I may, sir, the Sahib resolution to add that part to 454.9, add to that for Sahib that they have exclusive jurisdiction to all of that part of Manatee south of the Manatee River and add to Egypt, that the part of Manatee County north of the Manatee River.

IMPERIAL POTENTATE KISSELBURGH: Thank you. You have heard the amendment as presented. Is there a second?

. . . The amendment was duly seconded . . .

IMPERIAL POTENTATE KISSELBURGH: The amendment has been moved and seconded. Do you all understand the amendment? Is there any discussion to the amendment?

ILLUSTRIOUS SIR JAWOROWSKI [Potentate, Sahib Temple]: The area that he is referring to is our growth area.

After serving Manatee County for some four years, we have approval of 25,000 homes in that area. Egypt Temple does have ample opportunity now without claiming what has been presented.

As a matter of fact, they have an illegal group there that has been meeting for four or five years, something which they have refused to do anything about.

We agree with the committee for approval and would like to refer you to Bucky Walters.

NOBLE WALTERS [Sahib Temple]: Imperial Sir, is the discussion now strictly on the amendment?

IMPERIAL POTENTATE KISSELBURGH: Yes, strictly on the amendment at the moment.

NOBLE WALTERS: I have no discussion on the amendment.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion on the amendment? I will recognize Past Potentate Lang over here.

NOBLE LANG [Past Potentate, Egypt Temple]: Imperial Sir and Fellow Delegates: I hate to see this disagreement between these two Temples come up on the floor and I hate to consume the time of this floor because it is becoming more precious every hour and I guess, if the sun rises and sets often enough, we will eventually get all of this worked out because there is a good camaraderie and fellowship and a lot of warm feelings between these two Temples.

However, inasmuch as this issue has been brought to the floor for discussion here this morning, there is perhaps one thing that has not been said and that is that the area north of the river that was alluded to when the amendment was discussed, gave Egypt Temple the northern part of this county. However, it was not mentioned that all of that was growth area. As a matter of fact, all of the area is growth area. Basically, however, this particular section is an agricultural section. There is one small community therein and I think if we divide the areas into marketing areas, such as where the ladies purchase their dresses and we purchase our cars, probably North Manatee could be closer identified with Tampa than with Sarasota.

However, I certainly hope that the spirit of good fellowship can prevail through all of this.

On the other hand, I believe that the amendment does have some merit and I hope that the delegates will take it seriously.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion on the amendment?

NOBLE WALTERS [Past Potentate, Sahib Temple]: Since we are going to discuss this issue on the floor, we might as well get into it all the way.

Yes, you gentlemen have been held here long enough. However, I would say that you have appointed a committee, the Committee on Jurisdictional Lines, to look over the information that we have had presented. Further, many hours have been spent in preparing that information and, in their infinite wisdom, these gentlemen have indicated what we were asking for is, in fact, good for Shrinedom.

If we were to stand up here and start talking to you about Manatee County north of the river, I would venture to say that ninety percent of the Nobles in this room do not know where Manatee County north of the river is.

I would urge that you please support your Jurisdictional Lines Committee and vote this amendment down. Thank you.

... Applause ensued ...

... The question was severally called for ...

IMPERIAL POTENTATE KISSELBURGH: The question has been called for. You are voting on the amendment. Do you all understand the amendment?

All right, all those in favor of the amendment please say aye; those opposed. The amendment is defeated.

We are now back to the original motion concerning item 10. A "yes" vote indicates that you are in favor. Is there further discussion on the original motion?

... The question on the motion was again called for ...

IMPERIAL POTENTATE KISSELBURGH: Again, the question has been called for.

All in favor say aye; opposed no. The ayes have it and it is declared to be carried by the necessary two-thirds majority.

The Chair will now call upon Judge Cooper.

NOBLE COOPER: Nobles, by your action on item 10 in the Call, you have in effect acted on the resolution set forth in item 15 in the Call on the same subject.

I move, therefore, that the several committees to whom item 15 was referred be discharged from all further responsibility relative to item 15.

IMPERIAL POTENTATE KISSELBURGH: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have heard the motion and the second, which is to discharge the committees involved from any further responsibility concerning item 15 as explained to you. Is there any discussion?

If not, all in favor indicate by saying aye; opposed, the motion is carried.

I will now call on Walt Pettit, Chairman of the Jurisprudence and Laws Committee.

NOBLE PETTIT: Representatives, I have before me a request to withdraw from your consideration item 14 in the Call. It appears on page 22 of the Call of the Annual Session and the report concerning this issue reads as follows:

To the Representatives of the Imperial Council: I have before me a written request to withdraw item 14 which appears on page 22 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of the Imperial Council Session to withdraw item 14 on the Call for the Annual Session of 1985."

It is signed by Houston Haugo, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE KISSELBURGH: You have before you the motion concerning the withdrawal of item 14. As indicated, this requires a unanimous vote on the part of the Representatives. I will put the question to you.

All in favor of withdrawal indicate by saying aye; opposed no. The Chair rules it is not a unanimous vote and, therefore, the item stays in.

I will now call on Illustrious Sir Ted Corsones in regard to item 15 in the Call. I am sorry, item 15 has been withdrawn.

I will now call on Bob Lake to present item 22 in relation to the Call.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and laws, item number 22 on the Call of the Annual Session of 1986, located on page 24 of the Call. It is a request concerning the application for dispensation to form a new Temple at LaFeria, Texas, and to extend the validity thereof to July 15, 1987.

The committee reports that the proposed request for extension of the validity of the application are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Bill Barrineau of the Dispensations and Charters Committee for its report.

IMPERIAL POTENTATE KISSELBURGH: The Chair will recognize Noble William Barrineau.

NOBLE BARRINEAU: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters item number 22 on the Call for the Annual Session of 1986 and it appears on page 24 of the Call. It is a request by Nobles for a new Temple in the LaFeria, Texas area to extend the validity of their application for dispensation for one year. As you know, application for dispensations become void after the passage of twenty-four months from the date of issuance unless specifically extended by appropriate action of the Imperial Council as provided in Section 329.4(c) of our Bylaws. This application was issued on August 17, 1984.

A hearing was held thereon before your committee on July 29, 1986, at which time the proponents were present. No person appeared in opposition thereto.

Your committee finds that the Nobles have labored responsibly and diligently in their efforts to obtain adequate signatures for the application. However, there was some misunderstanding as to the eligibility of certain Nobles to sign the application. As a consequence, and in the spirit of fairness which ever governs all actions of our committee, we believe that it is appropriate to extend the validity of the application for one year.

Respectfully submitted,

Imperial Sir, if there are no questions concerning this report, I move that the validity of the application for dispensation be extended from August 17, 1986 to August 17, 1987.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have a motion and a second that the validity of the application for dispensation as presented to you, that this be extended from August 17, 1986 to August 17, 1987. Is there discussion?

ILLUSTRIOUS SIR W. C. GALBREATH [Potentate, Al Amin Temple]: This Club, Imperial Sir, has had two years and they are more confused right now than when they started and they are interfering with our membership drives.

They wanted to have a new Temple introduced and we would like to have you turn down that request.

IMPERIAL POTENTATE KISSELBURGH: Thank you. Is there further discussion? I will recognize Duke Bowman, Chief Rabban from Al Amin Temple.

NOBLE J. D. BOWMAN [Al Amin Temple]: Imperial Sir and My Fellow Representatives: This thing has been going on for some time and I think we should get it right on the floor.

IMPERIAL POTENTATE KISSELBURGH: You are speaking in opposition?

NOBLE BOWMAN: Yes, I am, absolutely.

IMPERIAL POTENTATE KISSELBURGH: Are there further comments or discussion? If not, I will put the question.

You understand, of course, an affirmative vote will grant them an extension.

All in favor please say aye; opposed no. It has failed. There is no extension.

I will now call on Bill Buckaway, a member of the Jurisprudence and Laws Committee, for the purpose of a report.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 21 on the Call of the Annual Session of 1986, located on page 23 of the Call. It is a request concerning the application for a dispensation to form a new Temple in the Republic of the Philippines and to extend the validity thereof to July 15, 1987.

The committee reports that the proposed request for extension of the validity of the application are in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

NOBLE STU LANG: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters item number 21 on the Call for the Annual Session of 1986, and it appears on page 23 of the Call. IMPERIAL POTENTATE KISSELBURGH: Is there a second to the motion?

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: Is there discussion? Does everybody understand the motion?

All in favor please say aye; opposed no. It is carried.

I will now call on Bob Lake relative to Resolution 14.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to our Committee on Jurisprudence and Laws, item number 14 on the Call of the Annual Session of 1986, located on page 22 of the Call. It is a resolution to limit exclusive jurisdiction of Temples. Such resolution reads as follows:

RESOLUTION

WHEREAS, the Bylaws of the Imperial Council provide for exclusive and concurrent jurisdiction of the subordinate Temples; and

WHEREAS, some states with more than one Temple provide for the Temples to have concurrent jurisdiction in the entire state except for the home county of a Temple; and

WHEREAS, the Imperial Council and subordinate Temples should encourage petitioners to join a Temple where they will become active and dedicated Shriners; and

WHEREAS, the current use of exclusive jurisdiction in more than the home county of a Temple appears to be restricting membership growth; and

WHEREAS, it appears in many instances the limitation placed on concurrent jurisdiction by state lines restricts the freedom of a petitioner to join the Temple of his choice;

NOW, THEREFORE, BE IT RESOLVED, that the Imperial Potentate direct the Jurisdictional Lines Committee and the Jurisprudence and Laws Committee to draft for consideration by the Imperial Council Session of 1987 which would limit exclusive jurisdiction of Temples to their present home county with concurrent jurisdiction throughout all other areas of the jurisdiction of the Imperial Council without regard to county, province, state or national borders.

The committee reports that the resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Doug Mayes of the Jurisdictional Lines Committee for its report.

IMPERIAL POTENTATE KISSELBURGH: The Chair will recognize Doug Mayes.

NOBLE MAYES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a resolution by Houston Haugo, Potentate and Representative of El Riad Temple which would direct the Jurisdictional Lines and Jurisprudence and Laws Committees to draft legislation in accordance with the resolution you have just been read by a representative of the Jurisprudence and Laws Committee.

The proponent appeared and made his presentation to the committee. After full discussion, the committee feels that this proposal is not in the best interest of Shrinedom and, therefore, recommends the resolution be denied.

Respectfully submitted,
COMMITTEE ON JURISDICTIONAL
LINES

Robert A. Boylan
Joseph I. Morris
Glenn McMennamy
Howard E. Smith, M.D.
C. Douglas Mayes

Imperial Sir, if there are no questions concerning this report, I recommend that you call upon Illustrious Sir Houston Haugo for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: The Chair recognizes Illustrious Sir Houston Haugo.

NOBLE HAUGO: Imperial Sir, Imperial Sirs and Representatives: I would move for the adoption of this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that the resolution be adopted. Is there discussion? Do you wish to comment, Noble Haugo?

NOBLE HAUGO: Imperial Sir, I asked for this motion or resolution to be withdrawn this morning because I do not think you folks consider it to be a housekeeping motion. I do, however, believe very strongly in this and I do not think this is the final draft or draft of what I was trying to get at.

Now, my goal was twofold—one was to ensure all of us to do creative thinking about what we can do for membership.

Our membership, according to the Imperial Recorder, has been going down for the last five years.

Now, that in and of itself, if it were an up and down movement, would not be bad but it seems to be going progressively down at a higher and higher rate.

The number of new affiliations is also going to be down and I do not think the time is allowable for us to let this go on for five or ten years.

I request just two considerations.

The first of these is that this be something for you to think about, secondly, that you support this great philanthropy by giving this your "yes" vote and let the Jurisprudence and Laws Committee and Jurisdictional Lines Committee bring it up to the Representatives next year for their wisdom and their thought.

I want my grandchildren and even my children to be able to see the red Fez, not in a museum but on our heads.

Our enemy is not, for example, those reporters for the Orlando Sentinel—our enemy is our declining membership. Seven Temples received membership awards this year and in their very words, they worked their butts off. However, that also left some 181 of us that did not achieve that award.

Please, for that fate of Shrinedom, let us get our heads out of the sand and do something about membership. Thank you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Is there any further discussion concerning the resolution?

NOBLE COOPER: Imperial Sir, Imperial Sirs and Representatives, in the absence of the Chairman of the Jurisdictional Lines Committee, he asked that I bring to you a reminder of that fact that in 1984, at the Imperial Council Session in Boston, a resolution was passed by you asking the Imperial Potentate to form a special committee to study current jurisdictions.

If you will remember, they sent out quite a long questionnaire and, as a result of your answers to this questionnaire, they made a report to you which you adopted.

You also amended the Bylaws to provide for waivers in a different form and much more liberal than before and also provided that any denial of this waiver could be appealed.

This year there were only three appeals on declines of waivers and those were resolved amicably.

I would like then to call your attention to the fact that in having adopted this policy, it is suggested you give it time to see if it will work. One year is not enough time. That is why I would urge you to not pass the resolution.

ILLUSTRIOUS SIR M. D. WILK [Potentate, Osman Temple]: Imperial Sir, Imperial Sirs and Fellow Delegates: I am a neighbor of El Riad Temple and I support the Potentate in his request.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion?

ILLUSTRIOUS T. J. BARSCHAK [Potentate, Ainad Temple]: I, too, am anxious to see the Shrine grow in membership and to see our membership take the kind of posture that they did years ago.

Our membership grew in the atmosphere which encouraged and promoted development of jurisdictional lines. When we had jurisdictional lines, we had areas of responsibility—we had areas of authority. Now that the jurisdictional lines are removed, we still have areas of responsibility but we have no longer areas of authority.

During the past year, and, unfortunately, this event occurred in our Temple area, a member of one of our Clubs, who belonged to another Temple, engaged in gross obscene conduct in a public parade and there were pictures of it in the newspapers. Unfortunately, under our arrangements, our Potentate was able to meet with the member of this particular Unit quickly and put an end to this because the Unit knew that the Potentate had the jurisdiction, had authority and not only responsibility but could act also.

Now, had he not had that kind of authority that exists on the basis of our jurisdictional lines, he would not have had necessary leverage and he might have been involved in a full scale trial.

We need to have the necessary authority.

When the questionnaire was sent out, some 624 members from the Imperial Council voted against the resolution. Now, let us please maintain the Shrine we have and let us work for membership and let us not destroy the existing responsibility.

IMPERIAL POTENTATE KISSELBURGH: Thank you. Is there any further discussion?

ILLUSTRIOUS SIR N. W. SEXTON [Potentate, Rizpah Temple]: You know, we find ourselves in a very unique situation in relation to this issue, in the fact that we are bordered on the north by four other states, including five other Temples, some of them quite large.

We are very concerned that once you do away with jurisdictional lines, not only on the membership issue but on the issue of control of Shrine Clubs and the fact that each Grand Lodge has different Bylaws and edicts that affect their members, we will be in difficulty. Therefore, we urge you to vote against this. Thank you.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion?

... The question was severally called for ...

IMPERIAL POTENTATE KISSELBURGH: The question has been called for.

All those in favor of the resolution please say aye; opposed. It is defeated.

Now, I would like to have you pay attention to Imperial Sir Everett Evans, the Chairman of our Public Relations Committee. This is an upbeat report, fellows, and I want you all to listen to this.

IMPERIAL SIR EVANS: First of all, Representatives, concerning our public relations, I hope you approve the packet we have placed in your hands. We have worked both night and day in an effort to provide it to you. It is the best information that we can get for you for your benefit when you return home.

A prepared statement was given to me to talk to you about what you need to do when you get home. It probably would have been better had I read it to you but let me tell you in my words what I hope you will do when you get home.

I hope that you will go home feeling proud to be a Shriner and I want you to go home with your lapel pin turned around, especially in view of the reports that have been given to you.

Also, when you go home to your friends who have helped you before with your fund raising activities and with your Temple projects, your television, your radio and your newspapers, you will thank them for the things they have brought to this issue and you will submit to them what they need to prove to their people and your town that they have generated their news media in the right direction—namely, for Shriners Hospitals for Crippled Children and your Shrine Temple.

Now, you do not need to be mad at them because, in the final analysis, they do not do anything but their job and so go home and support them. I know you will do that.

One of the things that the newspaper reporters that we have talked to—and believe me, we have talked to a lot of them and so have most of the people on the stage—but one of the things they are asking you is what are you going to do about any problems you might have had? The Imperial Potentate has said that any Temple that the committee finds to be in violation of our codes will receive a censure.

We have had our legal counsel present to us a censure statement and, at this time, I would like to have Ted Corsones read to you the censure that will be sent if we find any Temple that needs to be sent one.

NOBLE CORSONES: Imperial Sir, with your permission.

Nobles, you have been very patient with us during this entire week. Let me now review with you, first of all, the censure letter that will be sent to the affected Temples and a procedure to make sure that no Temple has fallen through the cracks.

First of all, we will have the following censure letter that will go out.

First of all, it will be directed to the Potentate and Officers and Nobility of the affected Temple.

“By unanimous direction of the Board of Directors and Board of Trustees of Shriners Hospitals for Crippled Children and the Board of Directors of the Imperial Council, A.A.O.N.M.S., your Temple is hereby censured for causing and/or permitting Temple circus publication materials and their solicitation groups to imply that proceeds of your Temple circuses would be used to support Shriners Hospitals for Crippled Children.

“You are hereby notified that such conduct will not be tolerated. You are directed to take affirmative action to ensure that it does not happen again.

“You are further directed that this censure letter shall be read to the Nobility at the next stated meeting of the Temple and made a part of the minutes of the Temple.

“A copy of the minutes shall be sent to the Imperial Recorder within ten days of said meeting.”

That will be signed by your Imperial Potentate and your Chairman of the Board.

Now, in addition, we want you to know that the mechanism up to this moment has been given to the Imperial Potentate, the Circus Committee or the Imperial Recorder to have determine which Temples are the affected Temples but the newly elected Imperial Potentate and the newly elected Chairman of the Board of Trustees, in their best efforts to make sure that no affected Temple escapes this censure, will be doing the following:

Your newly elected Imperial Potentate and Chairman of the Board of Trustees have appointed a committee to investigate these charges and report back to them within 120 days.

That does not take the place, mind you, of the earlier admonition but to make sure nothing falls through the cracks.

If you Investigating Committee finds that some Shrine Temples have violated Shrine Law, either advertising or implying that certain fund raising activities are for the benefit of Shriners Hospitals for Crippled Children when in fact they are not for that benefit but for the benefit of the Temple itself, then those Temples shall be reprimanded and directed to put their house in order or risk losing their Charter to operate as a Shrine Temple. (Applause)

One additional statement from your General Counsel.

If the affected Shrine Temple, those that receive the censure, choose to discuss this matter with the news media, one piece of advice, which does not need to be said but I will say it anyhow, is to tell the truth. You have nothing to gain but telling the entire truth. The chances are excellent that it was an honest human mistake.

Imperial Sir Evans, thank you for letting me participate in your program.

IMPERIAL SIR EVANS: At this time I would like to call on the Imperial Sir Russ Anthony.

IMPERIAL SIR ANTHONY: Nobles, as we mentioned before, these are Shrine Temples. Also, if we, as Shrine Masons, realize that we have transgressed, then we certainly want to be censured for that. Thank you.

IMPERIAL SIR EVANS: Imperial Sir, I have had the job of Public Relations Chairman now for about three years and one of my goals has been to get somebody from the National Shrine Office or one of our Officers on national television.

Well, this was not exactly what I had in mind but on Monday morning, on the "Today" show, Bob Turley will be on that show and I want to tell you he will be going ahead and, when possible, stating our side of the story.

Now, I am sure that Bob certainly does a complete and wonderful job with regard to defending and answering some of these questions.

At this time, I would like to ask Bob Turley to talk a moment with you about the statements that are in your packet, and the answers, and how we feel about them.

IMPERIAL SIR TURLEY: First of all I want to tell you that I did not ask for that job. (Laughter) It was delivered unto me.

Now, I want to talk to you about this (indicating) sheet of paper that is in your packet. On the front page of it it has the word "Statement." I want you to get it out because there are a couple of places where we are going to have to give you a correction because of a couple of errors.

Now, first of all, I think all of it is pretty self-explanatory. However, I am going to talk to you while you are getting it out. It is the one that has at the top "Statement" and I will be wanting you to turn to page 4.

This is what the Public Relations Committee and those of us who have been concerned with this adverse publicity through the Orlando Sentinel believe can be of help to you. It is not meant to put a muzzle on or to give you only one thing to say. It is meant to help you deal with these situations.

Each one of you has a copy now of all four of the articles that were published in the Orlando Sentinel or of the articles that were published on all four days. You need to read those and you will see what they have said and you will find in their statements that which you know to be untrue—statements that you know are distorted. You will find some misleading and confusing things which you yourself will recognize.

I think it is fair to tell you this, that after we saw the first day's publication and we got all of the telephone calls that we were getting at the time and when the service report was out and it was printed in hometown papers and we had a press conference, we told the truth to the networks that were represented there and the press services that were represented there.

Now, even though the Orlando Sentinel did this for the past four years, we think that once the press services and the networks heard the truth, they did not treat these Orlando Sentinel people with the same degree of credibility that they had at the outset. We think, therefore, we have made some progress there.

Now, we have given you what they said in relation to their allegations and then, on the other side, on the left, we have given you the truth, the facts as they are. These are given, as I say, to help you.

The questions that you will be asked at home are, of course, going to be different and we know that. Your hometown reporter or newscaster is not going to ask you exactly the same thing that you find in the left-hand column but if you will study these, you will feel more comfortable in dealing with the media when you do get home.

Again, in every case, tell the truth. Now, you may be asked a question to which you do not know the answer. That sometimes happens. If that does happen, do not guess. If it is information you cannot at the time provide, then tell them that you will provide it to them as quickly as you can. However, do not guess at the answers.

You know, if you guess and then give an answer and somebody else also guesses and gives a different answer, it makes us all look bad.

Now, I would like to have you turn to page 4.

I would like to have you look at the fourth line on the right and take out your pen or pencils because I am going to ask you to insert two words.

After "Better Business Bureau," insert the words "are designed," so that the sentence will read—"Shriners Hospitals believes that the evaluation criteria used by agencies such as Better Business Bureaus are designed for agencies such as the Red Cross, which depends entirely on contributions. We do not do that."

Therefore, that will make that part of the sentence more acceptable.

Then, down near the bottom, before the paragraph in parentheses, the last line, which begins with the word "Which," after that word, insert the word "has"—"Which has."

Now, so that you will understand what has been done here, these reporters have made up some figures and I say they have made them up. They may call them projections or estimates but they have made them up.

Even if the words "estimated results" were used, it would be unfair to the consolidated financial results of a fraternal organization with those of a charitable corporation and then, in turn, compare the same results with the results of other organizations, many of which have no facilities or personnel to care for patients and none of which has a fraternal relationship.

That is directed to the publication on the fourth day, on Wednesday, where therein you will find a table that compares our organization with other charities, such as you will find in the article—agencies such as the Red Cross, the Cancer Society, the Easter Seal Society, etc.

Also, in the newspaper figures, under the column "assets," the expenditures are those made up figures consolidated with the figures of the hospital corporation. We have given you a tabulation which you will find attached to this, which uses accurate figures referred to the hospitals of the Colorado Corporation alone. We hope that this will be of help to you in dealing with this situation and, gentleman, let us turn this into an opportunity of telling the Story of Shriners Hospitals the way it should actually be told. (Applause)

ILLUSTRIOUS SIR B. T. PETERS [Potentate, El Kalah Temple: Let me say, Imperial Sir, that I believe a great deal of the problem we are facing today emanates from the reporters failure to distinguish between our fraternal and our hospital corporations and it would seem to me, and I would suggest in the letter of censure that was read by our General Counsel, that you should say, "The members of the Board of Trustees and the Directors of Shriners Hospitals for Crippled Children, a Colorado Corporation." Then, when you reference the other one, you should also reference it "Iowa Corporation, a fraternal corporation." Because the letter of censure, at least as I view it, does not make that clear representation and I am sure that a letter, if it comes to a Temple, will probably go further than that and, therefore, I think it is very important that you carry that distinction in that manner.

IMPERIAL POTENTATE KISSELBURGH: We will certainly take that under advisement.

IMPERIAL SIR EVANS: At this time, gentlemen, I hope you will bear a little bit further with me because we have worked very hard and long on our public relations projects.

First of all, let me ask you, how did you like our annual report this year? Did you think we did a good job with it? (Applause)

Also, the "Between Us" Magazine, that is our second issue and we plan to put it out three times a year. We are likewise proud of that. It involves a communications tool between the Alumni Association of the doctors who have trained in our hospitals, from the hospitals

themselves, in fact, a resume of everything that is going on. We think that it will be a great tool and have more public relations value than at present.

At this time, and I hope the sound booth is ready, I want to show you an assortment of some of the older PSAs and some of the new ones to show you how far we have come on this.

IMPERIAL SIR EVANS: Imperial Sir, we have some good documents for these Nobles but I know that they are tired and I know they have airplanes to catch and so I do not want to take any more of their time. Now, I will merely tell you that these other things I will submit as a part of our convention record. However, you will have to say that you approve them. (Applause)

IMPERIAL POTENTATE KISSELBURGH: While on this subject, I would like to read an important article read by a very astute newspaperman and a very astute newscaster.

Well, let me say the article proves one very positive fact—namely, that the public is interested in our Fraternity and in our hospital program. Also, the tremendous reaction to these articles proves you can go back to your hometown people and take advantage of this great public interest now.

I think we should do our job now to set this whole matter straight, clear up all the confusion about where our money comes from and where it goes and turn this negative report or these negative reports that we have seen into very positive opportunities for our Fraternity and Shriners Hospitals for Crippled Children.

Please, Nobles, do not go back to your hometowns with the attitude of "Well, all those reporters and all the newspaper media is out to get us." If we do that, surely we will be in trouble.

Also, please do not get into a fight with the news media because you cannot win. They always have the last word. Further, most reporters and news organizations do want to tell both sides of the story. Some of you have received calls here and I am sure you will receive more when you return home. The press wants to hear our side of the story. Be armed with the facts and be ready for them. (Applause)

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now recognize our Imperial Treasurer, Webber Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and My Fellow Representatives: Before I get into the report of the Treasurer for both corporations, and I will be very brief, I do want to clarify one point.

Yesterday, I gave you a statement with respect to the fund raising costs of Shriners Hospitals for Crippled Children. The statement which I gave you yesterday is on page 3 of the statement which has been handed out to you today and I want to make sure that you understand one thing.

You will notice, for example, on the fifth line from the bottom of that page, where it says, "Shriners Hospitals for Crippled Children Fund Raising," the costs amounted to \$1,648,000, which represents one-half of one percent for 1985 total revenues and 1.4 percent of the 1985 total expense.

As a matter of fact, that is exactly what I read to you yesterday but I do not want you to be confused by the summary which is from the newspaper article, which appears two pages later and way down on the bottom segment it shows Shriners Hospitals for Crippled Children, where, with respect to fund raising, it had the correct figure, but then over in the other column it says "management and fund raising as a percent of total expenses," and it has a figure of 4.2 in that column.

Now, that includes a lot of other things, such as the Headquarters, administrative expenses and other things and that figure should not be confused by any of you as to what our fund raising expenses are. The correct figure is on page 3 of that statement.

Now, with that clarification, I would like to touch briefly on the Treasurer's report for the Colorado Corporation.

First let me say that you have it in your Book of Reports and I hope that all of you have read your Book of Reports.

In particular, I call your attention to the report of our independent auditors.

Now, I have tried not to repeat any of those numbers in my report except to highlight things which I think are important to us.

For example, I gave you a comparison of the 1985 approved budget and also the actual numbers. This is on the first page in your Book of Reports.

I also, over on the second page, gave you a list of the items which constituted the increase in the endowment fund, showing a total increase of \$213,201,397, which was a tremendous figure for the year but, in addition to that and, incidentally, included in that, were realized gains from investments of some \$98.4 million but, also, I have given you a breakdown of the excess of market values, of carrying values. In other words, those were the realized gains for last year in our portfolio of \$153,927,000.

Now, I recognize we have been in a bull market—that we have really had marvelous performance by our bank managers and I am pleased to tell you that since January 1, 1986, we have had approximately a \$300 million gain in our endowment, mostly because of the market conditions.

Now, with that, Imperial Sir, I would like to turn to the report of the Treasurer for the Iowa Corporation. There are two or three things that I think needs to be mentioned.

First of all, you will recognize that for the past two years, we have initially budgeted deficits with respect to the Iowa Corporation, which were then converted to very nice excesses of revenues over expenses because of the great savings which have been experienced on the airline fares for the Imperial Council. You Representatives deserve credit for that. That was a great job you have done in seeing that our costs were minimized both for the last year's Imperial Council session and this year's.

Therefore, what I would like to tell you is that although the insert in your packets this year showed a budget at Atlanta that was a projected deficit of \$466,983, we were able to tell, by the published airline fares as of May 1, which is what we use as our guide, that we were able to recommend to you adjustments in that budget which then brought the budget deficit down to \$79,833.

Also, I am able to tell you now that a rough calculation of the actual airline fares for this convention now leads us to believe that we will save another \$210,000 and we will indeed have a surplus instead of a deficit for the year of 1986 of approximately \$125,000. (Applause)

Just one more comment and that relates to the 1987 budget.

You will notice that a very sizable deficit is presently budgeted for 1987 but we will have to see what happens to the airline fares this year. We hope that we will be the recipients of the same kind of good fortune which we have had in the last two years but until we know what those airline fares are on next May 1, and particularly when we get the actual, we will not be able to tell.

I just want to say one more thing and that is I want to thank the Budget Committee, the Investment Committee, the Long Range Planning Committee and the Executive Vice President for the great assistance which they have been giving the Imperial Treasurer's Office, particularly with respect to the dissemination of information to the Imperial Divan and Joint Boards. I feel, as a result of this, that we have a Joint Board who are much better informed with respect to all of the financial affairs, as was the case several years ago.

Thank you. (Applause)

Imperial Sir, I would move for the acceptance of these reports.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: We have a motion and a second for the acceptance of the Treasurer's report.

All in favor please say aye; opposed. It is unanimously carried.

IMPERIAL POTENTATE KISSELBURGH: I would now like to call upon Imperial Potentate-Elect Russell Anthony for the time and place report. Well, he is not present at the moment and so I will next call on Deputy Imperial Potentate-Elect Voris King for a brief report.

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs and Representatives: Once again I stand before you as a Representative to tell you that the 1988 convention will be in New Orleans. It is well planned. Most of you have received a lot of information on it.

We have had a room and many of you have come up and talked with our Housing Chairman as well as our Director General.

I again extend a cordial welcome to you for New Orleans in 1988. The date is June 28, 1988. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you. I will next recognize the Imperial Chief Rabban-Elect, Imperial Sir Ed McMullan.

IMPERIAL SIR McMULLAN: We are going to be in Toronto Canada in July, 1981 and I want the Director General to come up.

IMPERIAL POTENTATE KISSELBURGH: Well, not necessarily, unless you want to make an announcement.

IMPERIAL SIR McMULLAN: We do have a new Director General.

IMPERIAL POTENTATE KISSELBURGH: Thank you.

I would not like to call on our Imperial Potentate-Elect, Russell Anthony, for a short statement about his convention.

IMPERIAL SIR ANTHONY: You saw it all in the film and we certainly welcome you all and we love the good time we have all had here, Imperial Sir, and we hope we can equal this great hospitality that you have shown us. The date is June 22-26, 1987, in Las Vegas. Thank you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Next we have the Assistant Rabban-Elect, George W. Powell, please.

IMPERIAL SIR POWELL: Please join me in Chicago during the week of July 2, 1990.

IMPERIAL POTENTATE KISSELBURGH: Thank you.

Next we go to the High Priest and Prophet, Joseph Padgett.

IMPERIAL SIR PADGETT: Imperial Sir, I would like the pleasure of inviting my Director General, Don Johnson, to the podium to make the announcement.

NOBLE DON JOHNSON: We invite everybody to the great City of San Francisco during the first week of July in 1991. (Applause) We do have tremendous support in connection with this invitation from all of the interested bodies and the Convention Activities Bureau. I will not go through all of this in the interest of time.

However, I would, as advised by counsel, introduce the following resolution:

"RESOLVED, that pursuant to Section 204.1 of the Imperial Bylaws, that the Imperial Council accept and approve the invitation to hold its One Hundred Seventeenth Annual Imperial Council Session in the City of San Francisco during the first week of July, 1991."

Imperial Sir, if there are no questions concerning this report, I request the adoption of this resolution.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much for that report. We appreciate it.

Will somebody make a motion to accept the time and place report and the resolution as just made?

. . . Whereupon, it was severally moved, seconded and unanimously carried to accept the report and adopt the resolution as presented . . .

IMPERIAL POTENTATE KISSELBURGH: I will now recognize Past Imperial Potentate Jack Streight, from Gizeh Temple, in Canada.

PAST IMPERIAL POTENTATE STREIGHT: Imperial Sir, Imperial Sirs and Representatives: I wish to present the following resolution of appreciation for adoption:

RESOLUTION

WHEREAS, the reception accorded the Nobles, Ladies and guests by the people of Los Angeles has been heavenly and spiritually alive.

WHEREAS, much of the success of the Annual Session can be credited to the Illustrious Potentate Dale C. Bacon, Director General Tom Boles, his staff and the Nobles and Ladies of the host Temple, Al Malaikah, for their careful planning.

THEREFORE, BE IT RESOLVED, that our official thanks and deep appreciation for the many courtesies extended for our convenience, pleasure and comfort be extended to each of the foregoing for a happy, enjoyable and successful Session in Los Angeles, in the State of California.

Respectfully submitted,
 Jack M. Streight, Q.C., Chairman
 Richard L. "Tony" Bukey
 Robert B. Bailey
 Thomas M. Boles

I would move the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: All in favor please say aye; those opposed. It is unanimously carried and adopted.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: The Chair will again recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, I would move that all of the acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: All in favor please say aye; opposed. It is unanimous.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: May I ask, in view of the shortness of time, for a resolution or a motion that the Installation of Imperial Officers take place at the two o'clock p.m. meeting of the Joint Boards. That will shorten up the time period, if somebody will make that motion.

... The motion was duly made, severally seconded, voted upon and declared to be unanimously carried ...

... Whereupon, beginning at the two o'clock p.m. meeting of the Joint Boards, following the conclusion of this Session, the Imperial Officers-Elect were, in accordance with the Constitution and Bylaws of the Shrine, given their Oath of Office and declared duly installed for the ensuing year by Past Imperial Potentate Walker Kisselburgh ...

IMPERIAL POTENTATE KISSELBURGH: I neglected to previously make one further announcement and that is that we have had, for the past few days, Noble Charlie Lembke, Past Potentate of Ballut Abyad Temple of Albuquerque, New Mexico, sitting down here with the Representatives. He has recently celebrated his ninety-sixth birthday. Let us give him a big hand.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: And now, I would like to call upon our Imperial Potentate-Elect, Dr. Russell Anthony, for his remarks and also the announcement of his appointments to the various standing committees.

IMPERIAL SIR ANTHONY: Thank you, Walker.

I will, in the interest of time, go through this as quickly as I can. If you would like to have a copy of these appointments, they will be available for you in the Headquarters Office.

... Whereupon, at this point, Imperial Potentate-Elect Anthony announced the various committee appointments ...

IMPERIAL SIR ANTHONY: That completes your standing committees at this time.

Now, I know that you are all anxious to leave and you did not come here to listen to me. You will be hearing from me a lot during the year.

All that I would like to say to you is that we must always keep in mind what we are all about and that is that little crippled child which we all love so well and then what we get out of it as Shrine Masons is nothing more than their love for us in return.

I will do my best at all times. I hope I minimize the number of mistakes I make.

Believe me, I require the support of everyone on the Imperial Divan, all of my Trustees and, of course, last but not least, all of our administrative personnel at our International Headquarters.

Thank you so very, very much for letting me serve.

... Rising applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: I will now introduce Imperial Sir Tony Bukey for the purpose of presenting a thank you resolution.

IMPERIAL SIR BUKEY: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives, I want to acknowledge before the Representatives of this One Hundred Twelfth Imperial Council Session how important that committees are who serve our needs during the Imperial Council Session to expedite the business of these Sessions.

I would like to say to the Imperial Marshal's Aides, whose work has been outstanding, that you gentlemen that you members of this committee, as well as those of you serving on the Imperial Outer Guard Committee, we cannot tell you how much we appreciate what you have all done for us. We could not have nearly as great a Session without your help and we appreciate it very much.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much for that.

IMPERIAL SIR RAVELLETTE: Imperial Sir, I would like to second the comments made by Tony Bukey. Thank you.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: As Imperial Potentate, I now declare this One Hundred Twelfth Imperial Council Session to be officially adjourned and I thank you one and all for your cooperation. I think the program this morning was worth the entire effort. Thank you very much. (Applause)

Just a moment, Nobles, I am sorry.

I believe the Imperial Recorder has a cablegram that he wishes to read and so I will now recognize our Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: I have this telegram which was sent to Mike Andrews, our Director of Public Relations and it reads as follows:

"I am pleased to send my warmest greetings to all those gathered for the Annual Convention of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America and to offer my personal congratulations to Dr. Russell Anthony on his installation as Imperial Potentate.

Since the founding of the first Shriners Hospital in 1922, you have labored selflessly to help crippled children without regard to race, creed or color and without charge. The Shriners Hospital Orthopedic Units, Burn Institutes, Spinal Cord Injury Units and notable research facilities are a few examples of the abundant reservoir of your compassion. Your willingness to sacrifice your time and talents for the good of others symbolizes the best in the American tradition of voluntarism.

I am especially pleased to honor Dr. Russell Anthony as he is promoted to the highest ranking office of the Shriners.

Nancy joins me in commending your spirit of community responsibility and we extend our best wishes for a productive convention and for continued success in the future."

That is signed "Ronald Reagan." (Applause)

IMPERIAL POTENTATE KISSELBURGH: You know, I did something I should not have done.

I am going to recognize our Imperial Chaplain, Dr. Brougher, to give us the Benediction but before I do, I want to present him with his Past Imperial Chaplain's Jewel and to tell him from all of us that we think that he has done one magnificent job during this Session in asking for guidance and help of our Supreme Architect.

Therefore, will you please come forward, Dr. Brougher, and permit me to present this Past Imperial Chaplain's Jewel to you.

. . . Whereupon, Dr. Brougher was presented with his Past Imperial Chaplain's Jewel . . . (Applause)

IMPERIAL POTENTATE KISSELBURGH: And now, will you give us a rousing Benediction and send us on our merry way:

REVEREND DR. BROUGHER: Heavenly Father, we thank you for the assurance that life is eternal and that we have a job to do here, a very improtant one and, Heavenly Father, help us as we close this Session of the Imperial Shriner for North America and we see the new year coming along, that all will be well and we will do our best to serve you faithfully. For this we pray in thy Name. Amen.

IMPERIAL POTENTATE KISSELBURGH: I would now like to call on our Imperial Potentate-Elect to close this Session.

IMPERIAL POTENTATE-ELECT DR. RUSSELL ANTHONY: I now declare this One Hundred Twelfth Session of the Nobles of the Mystic Shrine closed.

. . . Whereupon, at one-ten o'clock p.m., the One Hundred Twelfth Annual Imperial Council Session was adjourned sine die . . .

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

JANUARY 1-DECEMBER 31, 1985

Imperial Potentate Walker S. Kisselburgh, Officers and Members of the Imperial Council, A.A.O.N.M.S., in meeting assembled at Los Angeles, California, July 1986.

IMPERIAL SIR, IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

The change of method of paying mileage and per diem, approved at the 1984 Imperial session in Boston and applicable for the first time to the 1985 session in Atlanta, resulted in impressive savings to the Imperial Council because of the outstanding cooperation of the Imperial representatives. The efforts which you, the Imperial representatives, made to save money for the Imperial Council, and ultimately for your temples or yourselves, were outstanding. We believe that we need one or two more years of experience to determine whether any fine-tuning is needed to the system now in place, as we are cognizant of the higher transportation costs for Imperial sessions in the West. This is the principal reason why we are presently budgeting a deficit of \$466,983 for the year 1986. With the continued cooperation of the Imperial representatives, we may be able to substantially reduce that budgeted deficit.

The excess of revenues over expenses for the year 1985 amounted to \$562,282 compared to an anticipated surplus of \$94,917 in the adjusted budget adopted at Atlanta. The improvement in results was due to reduced expenditures in Data Processing, Public Relations, Board and Committee expense, Imperial Divan expense, and particularly in Imperial Council Session expense. It is important to note that nearly one-half of the Iowa Corporation's budget relates to the cost of the Imperial Council session. A comparison of actual vs. budgeted amounts for each category of income and expense for the budget year 1985 is shown in the report of the Finance and Accounts Committee in this Book of Reports. A report on both the 1985 and 1986 Iowa Corporation budgets will be made by the Finance and Accounts Committee at the Imperial Session.

Respectfully submitted,

Yours in the Faith,

WEBBER C. HARRINGTON

Imperial Council, A.A.O.N.M.S.*

ANNUAL REPORT OF JACK H. JONES IMPERIAL RECORDER, A.A.O.N.M.S.

To: *Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1985 to December 31, 1985 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1986 election returns of the 185 Temples reflect that there are Representatives to the 1986 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	18	18
Emeritus	119	99
Elected	733	733
Appointed	2	2
Total		865

At the end of 1985, the Temple's Annual Reports showed a total of 867,843 Nobles plus 5,670 Associate Members on the active roles of membership. Permanent Contributing Membership Certificates were held by 67,708 Nobles, which relieves them from paying the Annual Shriners Hospital Assessment.

The net loss in Shrine membership for the year 1985 was 16,598 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It should be noted that only 35 Temples reported a net gain in membership while 150 had losses during the year. There were three new Temples under dispensation.

The net loss of 16,598 has progressively increased each year since 1979. There are two major problems confronting us—declining number of creations and the high number of suspensions. Last year, we created only 23,259, the lowest number since 1942; and we suspended 16,069 Nobles, it is imperative that we find ways to attract new members and we must utilize programs to retain our present members.

Every Potentate must make membership the number one priority in his Temple. He must analyze his Temple's past programs, closely scrutinize its present operation and develop innovative programs that will enhance membership. Here are some thought provoking questions. Does your Temple have the best qualified Noble as Membership Chairman? Does he have a budget and a hard working committee? Is it possible that your Temple has a great

recruiting program but does not have enough activities—social and otherwise—to keep the interest of its members or to attract non-Shriners? How is your Temple's image in the communities throughout your jurisdiction? Is your Mosque building in good condition? Is it located in a desirable area and is there adequate parking? If you don't have your own Mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? Do you have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country?

The Imperial Membership Committee has developed some great membership recruitment programs. Please use them. Watch your suspension list closely and develop programs that will curtail or even eliminate suspensions. If a Noble is about to be suspended for non-payment of dues, investigate his situation and try to determine why he is in arrears. If he is experiencing financial difficulties and cannot afford to pay, the Temple should remit his dues. Also, many Nobles who have been previously suspended for non-payment of dues would like to be restored but cannot afford the restoration fees. If this situation exists, it would be in the best interest of the Shrine to charge him only the current years dues and/or hospital assessment to reinstate. Generally, a Noble is proud to pay his hospital assessment.

While on the subject of membership, I urge all Temple officers to work in close harmony with all Masonic organizations to develop programs that will benefit all of our Masonic family. We must work hand in hand with the Scottish Rite, York Rite and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. It is a part of the philosophy of Masonry to help and encourage youth, and what better way is there to invest a part of our time and money than in prospects for future members. Besides, even those who don't join Masonry will become better citizens because of what they are taught in DeMolay. They need our help. Please contact the DeMolay Executive Officer of your state or province to find out their greatest needs.

Imperial Potentate Walker Kisselburgh has done a magnificent job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership; and for this I compliment him on an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership in your Temple with that of others. Work hard to promote the best interest of our great fraternity and insure the future of our hospitals, the World's Greatest Philanthropy.

ES SELAMU ALEIKUM

Respectfully submitted,

JACK H. JONES

Imperial Recorder

ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA**

We have examined the balance sheet of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (an Iowa Corporation) as of December 31, 1985 and 1984, and the related statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1985 and 1984, and the results of its operations and the changes in its financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization—THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, nonprofit corporation incorporated under the laws of the State of Iowa. The organization is the representative and supreme authority of the Shrine Temples of North America and is exempt from federal income tax under Section 501(c)(10) of the U.S. Internal Revenue Code.

Dues and Fees—The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Per capita dues are assessed effective December 31 of each year and are remitted by the temples to the Imperial Council during the subsequent year. Included in the annual dues of \$3.00 per capita is \$.20 which is designated for the annual Imperial Council Session and is credited as a liability to the session.

Automobiles—Automobiles, used by employees of the Imperial Council, are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the automobiles.

Reclassifications—Certain reclassifications have been made to the 1984 financial statements to conform to the 1985 presentation.

2. DUE FROM IMPERIAL COUNCIL SESSION CORPORATIONS

A separate corporation is formed for each of the annual Imperial Council Sessions. Per capita tax amounts are advanced to the Imperial Council Sessions to assist in defraying the expenses of these convention corporations including the reimbursement of travel costs of the Central Office staff. Any unused per capita tax advances are required to be repaid to the Imperial Council. Reimbursement of costs of \$9,948 and estimated repayment of unused per capita tax of \$10,000 were received from the Boston convention corporation in 1984. An additional refund of unused per capita tax of \$6,659 was received in 1985 and is included in current year revenues. Reimbursement of costs of \$19,952 from the Atlanta convention corporation was received prior to December 31, 1985. A refund of unused per capita tax of \$50,000 from the Atlanta convention corporation is included in receivables at December 31, 1985 and was received on January 23, 1986.

3. TRANSACTIONS WITH SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$444,244 and \$184,827 were due to SHCC at December 31, 1985 and 1984, respectively.

4. RETIREMENT PLAN

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. Changes in actuarial assumptions in 1984 for expected earnings on investments of the retirement plan resulted in no cost being allocated to the Imperial Council and had the effect of decreasing expenses by \$16,000. There was no contribution to the plan in 1985 and consequently no cost was allocated to the Imperial Council.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

Revised
January, 1985

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags. If there are only one or two flags, such as state, province, and Shrine flags, they may be paraded on the marching left of the three national flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs

of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Secretary for Fraternal Affairs at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representative should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Secretary for Fraternal Affairs at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

When an Imperial Officer is assigned by the Imperial Potentate as his official representative, that Imperial Officer is accorded the

same protocol pattern appropriate for the Imperial Potentate. These same courtesies apply to all visiting Imperial Officers.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

Reckless behavior with motor vehicles is also forbidden. Movement should always be forward, and minimal distance between Units should be maintained in all parades.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another Temple, they will also need the permission of the Potentate of that Temple. NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the

Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon

reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of..... Temple,(City),(State or Province.)"

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of..... Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHERE OTHERS WILL BE ASKED TO SPEAK, THE IMPERIAL POTENTATE WILL ALWAYS BE THE LAST SPEAKER.

Ceremonial or program then proceeds as arranged.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Secretary at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL

Banquets:

In Canada a toast is always given to Her Majesty, The Queen:
"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to the "Office" of the President of the United States.

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his

glass to the Piper who will return the greeting [slang avough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy of the Executive Secretary for Fraternal Affairs, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly

admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada, and Mexico. The fez is never removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officers return the salute.

Salute to the Flag

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

THE IMPERIAL COUNCIL

O CANADA!

O Canada! Our home and native land!
 True patriot love in all thy sons command.
 With glowing hearts we see thee rise.
 The true North, strong and free!
 From far and wide, O Canada,
 We stand on guard for thee.
 God keep our land glorious and free!
 O Canada, we stand on guard for thee.
 O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
 By the dawn's early light,
 What so proudly we hail
 At the twilight's last gleaming,
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be non-denominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).

5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

§ 323.1 **Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ 323.2 Petition, form. Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

§ 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these bylaws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

§ 323.4 Residence.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; when initiated.

(a) A Temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second Temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) Application for associate membership shall be subject to the same requirements as those relating to affiliation by demit, including jurisdiction, except that the applicant need not hold a demit to make an application for associate membership. An application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

(c) Upon election of an applicant for associate membership, the second Temple shall notify the other of which the Noble is a

member that he has associate membership; and thereafter he shall be considered an active member of both Temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second Temple shall not affect his membership in the Temple to which he first belonged; but his suspension for nonpayment of dues to the first Temple shall ipso facto affect his suspension in the second. His suspension for any other cause or his expulsion from either Temple shall ipso facto affect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either Temple shall be given to the other Temple and to the Imperial Recorder.

(e) Election of an associate member to life membership in one Temple does not constitute his election to life membership in the other.

(g) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the second.

(h) Associate membership is terminated by:

(1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the Temple by an associate member who is in good standing and free from charges;

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the Temple.

(f) A demit entitles the holder to affiliate with a Temple only pursuant to these bylaws.

(g) When a demit is issued to a Noble residing outside the exclusive or concurrent jurisdiction of the issuing Temple and in the jurisdiction of another Temple, the Recorder of the issuing Temple must give written notification within 30 days of the issuance to the Recorder of the Temple in whose jurisdiction he resides. In the event such Noble resides in territory in concurrent jurisdiction (which is not concurrent with the issuing Temple) the Recorder of the Temple located nearest his residence shall receive the foregoing notification. The notification shall recite the Noble's name and address and the date the demit was issued.

Amend. 1982

(1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;

(2) Without a vote of the Temple upon terms authorized by the Temple; and

(3) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

(a) Honorary membership may be conferred by a Temple upon any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

(b) The issuance of annual membership cards to honorary members is prohibited.

ARTICLE 28

Temple Jurisdiction and Waivers

§ 328.1 **Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ 328.2 **Extent.**

(a) Unless otherwise determined in Part IV of these bylaws, the territorial jurisdiction of each Temple extends in all directions to $\frac{1}{2}$ the distance by direct line between itself and the nearest Temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected, or for the limited purpose authorized by § 328.6(e), or upon the vote of the Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the state Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.

§ 328.3 Change in jurisdictional lines.

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least sixty days prior to the session of the Imperial Council at which it is to be submitted. Every such proposal shall be published with the notice of the session.

Amend. 1984

(b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these bylaws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples, if it appears for the best interests of the Order to do so.

Amend. 1976

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candi-

date must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no Temple is located and when no Temple is located within 50 miles of petitioner's residence in petitioner's state of residence may petition for membership in the nearest Temple located in an adjoining state to his state of residence, if the location of that Temple is within 25 miles of his residence; and no waiver from any Temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the Temple to which the petition is presented.

Amend. 1976

Amend. 1979

(f) A Temple which initiates a petitioner under § 328.6(e) shall notify the Temple in the petitioner's State of residence and nearest such residence within 30 days after the initiation.

Amend. 1979

§ 328.7 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be returned to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29***Dispensation and Charter for New Temple***

§ **329.1 Petition for Dispensation.** Dispensation for a new Temple may only be granted by the Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder, and who reside in the proposed territory of the new Temple.

Amend. 1984, 1985

§ **329.2 Meeting Place.** The petitioners must give satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new temple.

Amend. 1984

§ **329.3 Required Signatures and Effect on Other Temples.**

(a) **General.** The petition must be signed by 1,000 Nobles, and the membership of any temple in the same jurisdiction or the nearest temple in another jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

(b) **Exceptions.** Notwithstanding the requirements of subsection (a), dispensation may be granted:

(1) In any state in which there is no temple or in the capital city of Canada or in unoccupied territory, upon a petition signed by 300 Nobles.

(2) In any state in which the petition is approved and supported by all other temples in the state, and its location is not less than 300 miles from any other temple in that state, upon a petition signed by 1,000 Nobles.

(3) In any province in Canada in which the petition is approved and supported by all other temples in the province, upon a petition signed by 500 Nobles.

Amend. 1984

§ **329.4 Application, form and procedure.**

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.6. However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he determines that there can be compliance with the requirements of § 329.3.

Amend. 1983

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.

Amend. 1980, 1984

(h) When an application for a dispensation becomes void, no further application may be issued until the expiration of one year thereafter. If a second or further application for a dispensation

becomes void, no further application may be issued until the expiration of two years thereafter.

Amend. 1981

§ 329.5 Action by Imperial Council.

(a) Dispensation

(1) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(b) Charter

(1) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council.

Amend. 1974, 1984

(2) If the temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has shown a satisfactory increase in membership, then the Imperial Council, at the first annual session following the grant of the dispensation may grant it a charter.

Amend. 1974, 1982, 1984

(c) Spokesman

The applicants for a dispensation or charter may designate one of their number as their spokesman, and he shall have the privileges of the floor at the Imperial Council Session, but not the right to vote.

Amend. 1981

§ 329.6 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the

Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional potentate of a Temple under dispensation is not entitled to the rank of past potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in an office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

§ 329.8 Effect if dispensation is refused.

(a) When a dispensation for a new temple is refused by the Imperial Council, no further application may be made until the 3d annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter. Notwithstanding the foregoing provisions of this subsection, if the application is refused despite recommendations by the Dispensations and Charters Committee and the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of the Imperial Council.

Amend. 1974
Amend. 1981

(b) All Nobles who signed the petition remain members of their respective temples.

§ 329.9 Effect if charter is granted.

A Noble who is a member of a Temple under dispensation becomes a charter member of that Temple when such Temple receives its charter.

§ 329.10 Effect if charter is refused.

All Nobles who signed the petition for dispensation are thereby restored to membership in the Temples in which they were members prior to the dispensation. All members created by the Temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

Amend. 1983

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the Temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All Temple records concerning the complaint or charges shall be made available to the foregoing for copying.

§ 330.3 Definitions. In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a Temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the Temple.

(h) "Prosecutor" is the Noble representing the Temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice notify, provide, deliver or file" means to mail, first class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given Temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ 330.4 **Procedure.** Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the Temple. The Complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the Temple,

giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the Temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the Temple. Neither the com-

plaining Noble, the accused Noble, the Temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who willfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or

refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the Temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the Temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the Temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the Temple is permitted to attend the trial; however, notice of the trial date to Temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf

of the Temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the Temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the Temple or the accused Noble has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to

the chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ ds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ ds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the Temple from which he was expelled for membership as if he had never before been a member. PREFACE

These annotations are not "Shrine law". See § 101.3(1). They are simply references to rulings, decisions, and interpretations of the Imperial bylaws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BYLAWS (Iowa)

§ 101.3

1972 *Proceedings*, p. 155. *Obedience to Shrine law, as defined in § 101.3(1) is not optional but is required of all Shriners and of every Temple.*

1973 *Proceedings*, p. 99. *According to § 206.5(a)(4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (1), General Orders which have expired are no longer Shrine law.*

§ 101.4

1975 *Proceedings*, p. 20. *By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at Temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.*

§ 101.7

1966 *Proceedings*, p. 208. *Independent organizations are not subject to supervision or control of Temple Potentate simply because they are composed wholly of Shriners.*

§ 101.9

1966 *Proceedings*, p. 208. *Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.*

§ 203.1

1976 *Proceedings*, p. 177. *An ad vitam and emeritus Representative who demits and affiliates with another Temple becomes an ad vitam and emeritus Representative of the Temple with which he affiliates.*

ANNOTATIONS TO BYLAWS (IOWA)

tentate made pursuant to § 206.5(a)(13) is made to the Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6(e).

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208.

Also, 1984 Proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but the Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

1970 Proceedings, p. 93. Removal of a Temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1973 Proceedings, p. 99. A temple may not be moved to a city which is located in territory over which it holds only concurrent jurisdiction.

1975 Proceedings, p. 19. The removal of a Temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by the Imperial Council for the change of location of a Temple may be given only by the Imperial Council itself at an annual session in accord with § 322.5(f).

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member of his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1973 Proceedings, p. 98. Under § 323.8 a Noble is required to maintain

ANNOTATIONS TO BYLAWS (IOWA)

membership in a prerequisite body in order to retain membership in the Shrine; but according to § 323.3(b) no temple may add to that a requirement that its members provide certification of membership in symbolic lodges.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

§ 323.5

1975 Proceedings, p. 20, § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(b), the jurisdictional requirements for associate membership are the same as those relating to affiliation by demit under § 328.8. A Noble who lives in the jurisdiction of one temple may not petition another temple for associate membership without a waiver from the first.

1973 Proceedings, p. 97. Under § 323.7(b) a Noble who resides within the jurisdiction of one temple may apply for associate membership in another temple upon receiving a waiver from the temple in the jurisdiction of which he resides.

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one Temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the Temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1977 Proceedings, p. 162. By virtue of § 323.7(b), the 1976 amendments to §§ 328.2(b) and 328.6(e) apply to Associate Members.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1973 Proceedings, p. 98. Upon receipt of official written notice from a prerequisite body that a demit has been granted to one of its members who does not hold membership in the other prerequisite body, a temple must treat the member as suspended in accordance with § 323.8(c) for having failed to maintain the requirements of § 323.3(a).

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of the Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

ANNOTATIONS TO BYLAWS (IOWA)

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has been expelled must apply again for membership under § 330.2(d) (2).

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the Temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in §330.2(a)(3) have not been filed, is "free from charges" within the meaning of §323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to §332.7, a demit may be granted under 323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.11

1978 Proceedings, p. 88. Under §323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the Temple, and such terms may be expressed either by the Temple By-laws or otherwise in accordance with §324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 323.13

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

§ 324.1

1972 Proceedings, p. 152. So long as the Temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, Temple By-laws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension Order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A Temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum. Proxies are not permitted.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 328.7(c) for a ceremonial to be held aboard ship in the Caribbean during a Temple cruise.

§ 324.3

1978 Proceedings, p. 87. Inasmuch as §324.3 proscribes the transaction at a special meeting of business other than that specified in the notice, an election to fill a vacancy created by the promotion of an officer at a special election may not be conducted unless the notice of the special meeting so provides, notwithstanding the discretionary provisions of §325.13(b) which permit the filling of such a vacancy if notice is given.

§ 324.5

1985 Proceedings, Page 111. Section 324.5 does not require first class mailing of notice. Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescission by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a Temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the Temple itself to sell an asset belonging to the Temple.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1980 Proceedings, p. 28. A candidate for Temple office need not reside within the jurisdiction of the Temple, but only within the jurisdiction of the Imperial Council, as required by § 325.12.

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his Temple is eligible to serve his Temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a Temple" as required by §325.2(c) of the By-laws.

1985 Proceedings, Page 112. Matters concerning election procedures not specifically governed by the Imperial bylaws are to be governed by Roberts Rules of Order pursuant to Section 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

ANNOTATIONS TO BYLAWS (IOWA)

§ 325.6

§ 325.7

1967 Proceedings, p. 83. A Temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to the Imperial Council by virtue of his office is in conflict with the bylaws of the Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1965 Proceedings, p. 40. Use of written devices prohibited.

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for Temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of §325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for Temple office.

1975 Proceedings, p. 19. *A Temple is free to regulate campaigns for Temple office so long as the regulations are consistent with Article 25 of the Imperial bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.*

1976 Proceedings, p. 175. *An oral announcement by a prospective candidate for Temple office of his intention to become a candidate is not a violation of Shrine law, but the publication in a Temple newspaper of the fact that such announcement was made is contrary to § 325.10(a).*

1981 Proceedings, p. 165. *Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10 (c) is improper; and a new election with proper notice is required.*

1983 Proceedings, p. 212. *The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, inter alia, that "it's time for a change" is a violation of §335.10(a).*

1984 Proceedings p. 110. *Breach of temple level election procedure which does not violate the basic rules of justice and fairness and are not violations of Shrine law will not ordinarily require the Imperial Potentate to order a new election.*

§ 325.12

1977 Proceedings, p. 162. *A Temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized Temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of the Imperial Council.*

1972 Proceedings, p. 152. *The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.*

§ 325.14

1976 Proceedings, p. 176. *A vacancy in the office of Representative to the Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).*

ANNOTATIONS TO BYLAWS (IOWA)

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of Temple books and records to make them available for inspection or audit by authorized persons is contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confiscation of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A Temple bylaw provision which requires appointment of Temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of Temple bylaws or direct action of the Temple.

1967 Proceedings, p. 83. The duties of the Recorder cannot be delegated by a Temple By-laws to a "Scribe" appointed by the Potentate.

1972 Proceedings, p. 155. The Imperial bylaws do not prohibit the employment by a Temple of a business manager, but none of the Recorder's responsibilities may be transferred to him, even by specific provision of the Temple By-laws under § 327.3(b), because he is not an officer of the Temple.

1973 Proceedings, p. 97. The duties which would otherwise be those of the Recorder under § 327.3(b) may not be assigned to a "business manager" employed by the Executive Committee of the temple.

1974 Proceedings, p. 26. The Recorder must submit the documents or reports referred to § 327.3(a) with his own signature affixed, and such documents or reports signed by an "Executive Secretary" are not acceptable.

1975 Proceedings, p. 19. Unless there is some provision in the Temple By-laws to the contrary, employees of the Temple are to be hired by the Recorder, with the consent of the elective Divan, under § 327.3(a)(7).

1975 Proceedings, p. 21. While under § 327.1(a) the Potentate has the right to appoint officers and committees of his Temple, under § 327.3(a)(7) the Recorder, with the consent of the Divan, has the power to hire employees, unless by the Temple bylaws that power is vested elsewhere.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial by-laws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1977 Proceedings, p. 163. Where Temple bylaws do not specifically assign the duties listed under § 327.4 to another officer, the Treasurer must sign all checks drawn on Temple funds; and, where the Temple bylaws make him a member of the Finance Committee, he may not be excluded from its meetings.

1978 Proceedings, p. 87. Any reassignment of duties among Temple officers or employees must be accomplished in accordance with or by amendment to the Temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the Temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.5

1966 Proceedings, p. 209. By-laws may not disqualify any Noble in good standing.

1970 Proceedings, p. 93. Temple Boards of Trustees do not have arbitrary control over Temple funds.

1972 Proceedings, p. 152. In the absence of a Temple By-law otherwise providing, the Potentate as an ex-officio member of the Temple Board of Trustees has the same rights and voting privileges as other members of the Board.

1973 Proceedings, p. 90. Under § 327.5, temple bylaws may delegate specific powers to boards or committees subject to review by the temple at stated meetings; and the Potentate has no authority to countermand any lawful decisions properly within the scope of the responsibilities of such boards or committees.

1975 Proceedings, p. 20. Under § 327.4(f) and § 327.5 both the Treasurer and the Temple Trustees must account to the Temple for the expenditure of Temple funds in accordance with appropriations made pursuant to § 334.4(d).

1976 Proceedings, p. 176. According to § 327.5 the financial affairs of a Temple may not be vested exclusively in Temple Trustees, and any Temple bylaw having relation to the Temple's financial affairs must be read in light of § 327.5.

1979 Proceedings, p. 171. In the absence of Temple bylaw provisions delegating powers and fixing responsibilities of the Temple Trustees, such Trustees simply hold the bare legal title of property for the benefit of the Temple, and § 324.8 empowers the members of the Temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 99. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 327.7

1980 Proceedings, p. 29. While members of the Temple need not be given unlimited access to all of the books and records kept by its financial officers, any member may question the financial officers at a Temple

meetings; and a Temple, by action taken at a meeting, may authorize an individual or a special committee to examine any of the books or records kept by its financial officers or, indeed, it may require them to turn over such books and papers to such person and at such time as the Temple directs, pursuant to § 327.7.

§ 328.1

§ 328.2

1970 Proceedings, p. 93. Measurement of distance is by direct line, rather than by either rail or highway mileage.

1972 Proceedings, p. 152. Agreements made pursuant to § 328.2(a) may be rescinded by any of the Temples involved unless an amendment to the appropriate sections of Part IV has been adopted by the Imperial Council.

§ 328.6

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

1977 Proceedings, p. 161. Measurements of distances involved in the application of § 328.6(e) are made from the city limits of the city named in the Temple's charter to the street address of the place where the petitioner in good faith makes his home, and in a direct line. § 328.6(e) applies to petitions for affiliation as well as to petitions for initiation.

§ 328.7

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

1975 Proceedings, p. 20. A vote of the Temple is not required for the re-affiliation of one who meets the requirements of § 328.7.

1976 Proceedings, p. 177. According to § 328.7(b) one who lives in concurrent jurisdiction may not demit and affiliate with another Temple holding the same concurrent jurisdiction without the consent of the Temple of which he was first a member.

1976 Proceedings, p. 177. One who holds associate membership in a Temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.7.

1977 Proceedings, p. 161. While a Noble who lives in concurrent jurisdiction is entitled to a demit if he meets the requirements of § 323.10(a), he may not affiliate with another Temple holding the same concurrent jurisdiction without consent of the Temple from which he demits in accordance with § 328.7(b).

1980 Proceedings, p. 29. One who holds a demit may reaffiliate with the Temple which issued his demit, without a vote of the Temple, if he meets the requirements of § 328.7(b).

§ 329.6

1971 Proceedings, p. 94. One who belonged to Al Sihah Temple when he signed an application for a dispensation for Cahaba Temple became a member of Cahaba Temple under § 329.6(b) notwithstanding his affiliation with Zamora Temple before the dispensation to Cahaba Temple was granted.

1979 Proceedings, p. 169. By the provisions of § 329.6 (b), a Noble who signs an application for a dispensation for a new Temple becomes a member of that Temple when its dispensation is granted; and he need not apply for affiliation to that Temple.

ANNOTATIONS TO BYLAWS (IOWA)

1971 Proceedings, p. 94. Pursuant to §§337.4 and 329.6 (a), a Shrine club located within the exclusive jurisdiction of a temple under dispensation is under the control of that temple.

§ 330.1

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his Temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceeding under Article 30.

§ 330.2

1985 Proceedings, Page 112. Procedure for handling Temple level grievances are provided in Article 30 of the Imperial Council bylaws.

§ 330.4

1984 Proceedings, p. 109. A Noble may present a complaint against any other Noble directly to the Temple.

1986 Proceedings, Page 151. Section 330.4(a)(7) requires where Potentate has been disqualified, "Highest ranking qualified officer" shall act. Such ranking is determined by § 325.1.

§ 331.1

1977 Proceedings, p. 162. Notwithstanding an inconsistent Temple bylaw, § 331.1 requires the affirmative vote of 2/3rds or more of the members present and voting to adopt an amendment to Temple bylaws.

1982 Proceedings, p. 169. To approve an amendment to a Temple bylaw, the proposal must be approved by at least 2/3rds of the members present and voting, as required by §331.1 and cannot be approved when 95 members are present and voting and there are 62 votes in favor, 31 votes against and 2 ballots disqualified as not legible.

§ 331.2

1966 Proceedings, p. 210. Proposed amendment may be circulated among members.

1974 Proceedings, p. 26. A revision of Temple bylaws having been disapproved pursuant to § 331.2(e), the Temple continues to operate under the By-laws in effect prior to the adoption of the revision.

1977 Proceedings, p. 162. Inasmuch as § 331.2(e) requires approval by the Imperial Potentate of any Temple By-laws, which become effective only upon his approval, a Board of Trustees constituted by Temple By-laws may not act prior to such approval.

1985 Proceedings, Page 111. Notice under this section and Section 324.5 is one week. Unless provided by Temple bylaws, first class mailing is not required.

§ 332.1

1972 Proceedings, p. 152. A tour, the price of which is the same to all participants but which for candidates includes their initiation fees, violates § 332.1.

1972 Proceedings, p. 153. Payment of transportation expenses for candidates initiated at a ceremonial held outside the Temple's jurisdiction is contrary to § 332.1(e).

1973 Proceedings, p. 96. Offering candidates for membership reduced fare to an out-of-state ceremonial violates § 332.1.

1975 Proceedings, p. 19. The payment of transportation expenses for candidates initiated at a ceremonial within the jurisdiction of a Temple is a proper expense of the ceremonial itself and not prohibited by § 332.1(e).

1976 Proceedings, see p. 176. The fee for conferring the order having been established by the bylaws of a Temple, it may be changed only by an amendment to the bylaws pursuant to §§ 331.1 and 331.2 and not by simply adopting a Resolution at a stated meeting.

1976 Proceedings, p. 176. Offering candidates for initiation reduced

ANNOTATIONS TO BYLAWS (IOWA)

fares to an out-of-state ceremonial at which they are to be initiated is a violation of § 332.1(e).

1977 Proceedings, p. 163. The offer by a Temple to prospective candidates of jeweled fezzes, pins, bolo ties, or credits on ceremonial trips outside the Temple's jurisdiction is a violation of § 332.1(e).

1980 Proceedings, p. 29. Payment by a Temple for the meals and lodging of candidates attending a ceremonial outside the jurisdiction of that Temple is prohibited by § 332.1(e).

1983 Proceedings, p. 212. The inclusion of a free fez and free dues for the first year cannot be included in the initiation fee of a candidate.

§ 332.6

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.13 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 332.7

1972 Proceedings, p. 152. An assessment levied pursuant to § 332.7 must apply to all members of the Temple except life members, who are exempt unless specifically included under § 332.7(a).

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that it be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the Temple, and may not be transferred to the general funds of the Temple.

1977 Proceedings, p. 162. A Noble who joins a Temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1983 Proceedings, p. 212. Money received from a temple assessment must be used for the purposes stated in the resolution adopted by the temple, unless a new resolution is properly warned and adopted by the temple.

§ 332.8

1982 Proceedings, p. 171. A Noble is free of assessments if he applies for a demit prior to the adoption of an assessment by his Temple.

1982 Proceedings, p. 171. If assessment is payable in installments a Noble is current if he has paid the installment due for the year and he is entitled to a certificate of demit.

§ 334.4

1967 Proceedings, p. 83. A Temple bylaw provision that the Potentate and Finance Committee can depart from the Temple budget provided the overall total is not exceeded, will not be approved.

1967 Proceedings, p. 83. Bylaws of a Temple cannot authorize departures from the budget adopted by the Temple membership.

1966 Proceedings, p. 212. If done at a special meeting, timely notice required pursuant to § 324.3.

1970 Proceedings, p. 96. A Temple budget may be amended only by action of the Temple.

1972 Proceedings, p. 155. Under § 334.4(c)(2) any member of the Temple may insist that he be given an opportunity to review the budget in written form before the Temple is called upon to adopt it.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the Temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1976 Proceedings, p. 175. A Temple budget may be amended only by action of the Temple itself under § 334.4(e), and Temple officers may not transfer appropriations from one budget classification to another.

1976 Proceedings, p. 176. Capital expenditures as well as operating expenses must be included in the Temple budget in order that appropriations may be made therefor in accordance with § 334.4.

1977 Proceedings, p. 161. Notwithstanding a provision of the Temple By-laws vesting control of all Temple funds other than those budgeted for operating expenses in the Temple Trustees, under § 334.4(e) the Temple may amend its budget at any meeting of the Temple and may increase the amount budgeted for operating expenses without consent of the Temple Trustees.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the Temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the Temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the Temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the Temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All Temple funds, including those of its circus, are subject to the control of the Temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a Temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of

ANNOTATIONS TO BYLAWS (IOWA)

the Temple are authorized to amend the Temple budget under Section 334.4(e).

1985 Proceedings, Page 112. Under provisions of Section 334.4, contracts entered into by Temple officers when appropriations are made by the Temple, contracts requiring additional expenditures require Temple approval and appropriation of funds therefor by amendment of the budget.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

1985 Proceedings, Page 111. The 1983 amendment made May 1, date for filing audit report with Imperial Recorder. Nevertheless, where possible, sound judgment would suggest selection of a qualified auditor who could complete the audit prior to the annual meeting of the Temple.

§ 334.6

1972 Proceedings, p. 155. The members of the Temple are entitled to copies of the fiscal reports required of Temple officers by § 334.6.

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members at the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the Temple at any reasonable time and place.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, Temple financial officers are required to report financial transactions to the Temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the Temple at its annual or budget meeting.

§ 334.7

1967 Proceedings, p. 83. Construction by a Temple of a Mosque, without financing, does not require approval at the Imperial level.

1970 Proceedings, p. 94. Fund raising plans for a building program do not require approval by the Imperial Potentate, unless secured or long term obligations are involved.

1970 Proceedings, p. 94. An unauthorized corporation may not be used as the vehicle for a building project or attendant obligation.

1976 Proceedings, see p. 177. The purchase of golf carts for a Temple affiliated country club on a three-year loan requires the approval of the Imperial Potentate pursuant to § 334.7.

§ 334.8

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 95. A Temple proposing to form a corporation for the purpose of holding a Shrine association meeting must obtain approval under this sub-section.

1976 Proceedings, p. 176. The Board of Directors of a Temple affiliated corporation may not take action which is inconsistent with a Resolution adopted at a meeting of the members of the corporation.

§ 335.1

1976 Proceedings, p. 176. Use of the United States mails for the promotion of a lottery or raffle being unlawful under Postal Regulations, it is also contrary to § 335.1.

§ 335.2

1966 Proceedings, p. 209. Noble using emblem on article or material for commercial or business purposes subject to discipline. 1966 Proceedings, p. 211. Identification of photograph in commercial advertisement as a former Temple Potentate violates Shrine Law.

1968 Proceedings, p. 121. Ownership name or address on vehicles or equipment in a Shrine parade is commercialism and not permitted under Shrine law.

1975 Proceedings, p. 20. The use of a business card showing a photograph of a Noble in his Fez is a violation of § 335.2(a).

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2 (a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1980 Proceedings, p. 28. Placement of a sign on a Unit vehicle indicating that it was furnished by a lending institution is prohibited by § 335.2.

1986 Proceedings, Page 152. Section 335.2(a) establishes qualifications for elective office as members in good standing. Additional qualifications may only be imposed by appropriate amendments to this Imperial bylaw.

§ 335.3

1971 Proceedings, p. 94. Although §335.1 does not prohibit lotteries in states or provinces in which lotteries are licensed by the government, a "Shriners Hospitals Sweepstakes" may not be conducted without the written consent of the Chairman of the Board of Trustees under §335.3.

1976 Proceedings, see p. 177. Use of the term "unfortunate children" in connection with a Temple fund raising activity would violate § 335.3 unless the activity has the approval of the Chairman of the Board of Trustees.

§ 335.4

1974 Proceedings, p. 26. Unless permission is first obtained under Section 335.4(a), the formation of a foundation for the purpose of maintaining a burns treatment ward in a local hospital is forbidden.

1975 Proceedings, p. 20. Shrine Club bylaws which provide for fund raising programs in support of "exceptional children" as well as Shriners Hospitals for Crippled Children are inconsistent with § 335.4 of the Imperial By-laws and in direct conflict with General Order No. 1 (Series of 1974-1975).

§ 335.6

1965 Proceedings, p. 42. Permission to print Temple roster denied.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a Temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a Temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a Temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the Temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1979 Proceedings, p. 171. § 335.6(a) relates to circulation of members of a Temple for business purposes, and it does not forbid the use of Temple mailing lists for promotional purposes by the Scottish Rite.

ANNOTATIONS TO BYLAWS (IOWA)

1979 Proceedings, p. 171. Use of a Temple mailing list to solicit its members to purchase life insurance as a part of a program promoted by a commercial agency or insurance company is prohibited by § 335.6(a); but § 335.8(b) would permit paid advertising in Temple magazines, if such advertising does not otherwise violate Shrine law.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

§ 335.9

1975 Proceedings, p. 19. A Temple bylaw setting aside a certain part of annual dues to a sinking fund for the retirement of an indebtedness related to Temple real estate is not prohibited by § 335.9.

§ 335.10

1970 Proceedings, p. 95. Articles concerning ladies' organizations in Temple publications are no longer forbidden.

1979 Proceedings, p. 170. A Shrine Club which provides a meeting place for a ladies' auxiliary, sends out notices of its meetings, and permits its uniformed members to work in concession stands sponsored by the Shrine Club, thereby violates § 335.10(b) by sponsoring a women's organization.

§ 335.14

1982 Proceedings, p. 171. Abou Saad Temple and its Nobles are to abide by the laws of the Republic of Panama when they are within its jurisdiction, and its flag is to be accorded the "position of honor."

1968 Proceedings, p. 121. Use of plaques memorializing gifts of equipment or other property by Shrine Clubs or units are not prohibited.

§ 335.16

1972 Proceedings, p. 153. Application to Congress for a federal charter of a proposed corporation, the purpose of which is related to Shrine activities, may not be made without permission of the Imperial Potentate in accordance with § 335.16.

1972 Proceedings, p. 153. Formation of a corporation for the purpose of operating a Shrine circus must have the prior written consent of the Imperial Potentate under § 335.16.

1976 Proceedings, see p. 175. § 335.16 is not to be applied retroactively to corporations formed before its adoption in 1970.

§ 336.1

1967 Proceedings, p. 84. The formation of a holding company to acquire and hold property for a Temple unit is not permitted under Shrine law.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the Temple.

ANNOTATIONS TO BYLAWS (IOWA)

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the Temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a Temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a Temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own Temple under § 336.2(b) and from the Potentate of the Temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A Temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another Temple without the consent of the Potentate of the Temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their Temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2 (c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for Temples, and should not be a part of the names of Shrine clubs or holding companies.

1974 Proceedings, p. 26. The formation of a "social club" composed of members of various Shrine Temples living within the exclusive jurisdiction of another Temple is in violation of § 337.1 unless authority is obtained from the Potentate of the Temple in the jurisdiction of which the club is formed.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single Temple constitutes a Shrine Club under § 337.1 and may not be organized within the exclusive jurisdiction of another Temple without the permission of the Potentate of such Temple in accordance with §§ 337.4 and 337.5.

1978 Proceedings, p. 87. Inasmuch as § 337.2 reserves to the authorizing Temple control over its Shrine clubs, the Temple bylaws may properly contain provisions related to the ownership of real estate by such Shrine clubs.

1984 Proceedings, p. 109. Imperial Bylaws do not authorize a Shrine Club to be a member of a corporation with other non-Shrine fraternal organizations.

§ 337.3

1966 Proceedings, p. 212. Shrine Club has no independent existence. It is under complete control of the Temple, acting through its Potentate, having jurisdiction over it.

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1967 Proceedings, p. 83. A Shrine club is not removed from the control of the Potentate by a provision in its bylaws that one-half of one percent of its members shall not be Shriners.

1967 Proceedings, p. 83. A Shrine club at the seat of the Temple with a membership including all members of the Temple is not authorized by Shrine law.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his Temple pursuant to §337.3, and he may require changes in the By-laws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

1985 Proceedings, Page 113. Potentate has control of Shrine Club pursuant to Section 337.3. He may lawfully interpose his edicts regarding management, organization of the club, suspend its operations entirely during the term for which he holds office so long as such edicts are not arbitrary, capricious or penal in nature.

1986 Proceedings, Page 153. Temple Potentate has absolute control over a Shrine Club's existence. He may suspend all rules and/or suspend the club from activity during his term as Potentate.

§ 337.5

1972 Proceedings, p. 152. Section 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new Temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the Temple by the authority of which it was formed, even though it is closer to a new Temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both Temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the Temple which claims such agreement to exist.

§ 337.6

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 337.6(b); so that such activities may be continued on an annual basis after the adoption of § 337.6(b).

§ 337.7

1967 Proceedings, p. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1968 Proceedings, p. 121. Shrine Club Holding Corporations are required to submit operating statements and balance sheets annually to the Imperial Recorder.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.7(c)(3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.7 or § 335.17.

**IMPERIAL COUNCIL AAONMS
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES**

The by-laws of the Imperial Council AAONMS, an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the by-laws requirements. Because of their numerous and diverse activities, many questions confront Temples concerning accounting requirements. The American Institute of Certified Public Accountants Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

The accrual basis of accounting is recommended to Temples, particularly the larger ones, as the most meaningful accounting method. However, it is not mandatory, and for some of the smaller Temples, this method of accounting may not be practical and, therefore, the cash receipts and disbursements method may yield adequate information. However, the Temples' auditors may not be able to give an opinion on cash basis financial statements, which states that the financial statements are prepared in conformity with generally accepted accounting principles. The auditor can report on cash basis statements as a special report.

One of the problems confronting Temples is how to report on entities such as Temple Holding Corporation, circus promotions, charity funds, and unit funds, some of which are not under the control of the Temple office. All funds, entities such as Temple Holding Corporations, charitable funds under the control of the Temple, and activities such as circuses should be included in the Temples' financial statements. Where the activity is a separate incorporated entity, such as a Temple Holding Corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total. In the case of units which have their own funds, the auditor may not from a practical standpoint be able to audit the funds. In such cases, the Temple's financial statements should be prepared without the units' funds if they are not under the control of the central office. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. The practice of allowing units to have funds which are out of control of the Temple office should be discouraged. Even though such funds may be excluded from the Temple audited financial statements, such funds must be included in the Temple's annual reports to the Internal Revenue Service.

As is set out in the AICPA Statement of Position, property and equipment, under generally accepted accounting principles, should be carried at cost. Appropriate depreciation rates should be established for these fixed assets and depreciation recorded on the Temple's books.

Included with this addendum is a revised chart of accounts for Shrine Temples. This chart has been updated to assist the Temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the Temple to maintain all of the detail expense accounts that are set out in the chart. The Temple may also add accounts as necessary.

Financial statement formats with sample Notes to Financial Statements are also attached. These are guidelines since only the Temples' auditors are in a position to determine the precise reporting and disclosure requirements.

EXPLANATION OF ACCOUNTS

ASSETS

ACCOUNTS 100-119: CASH

A separate account should be maintained for each bank account, whether checking or savings. Checks should be of the voucher type and printed in duplicate. Receipts should be deposited intact on a daily basis.

The amount of cash necessary to meet minor needs should be determined and recorded as petty cash. The fund should be operated on an imprest basis.

ACCOUNTS 120-129: RECEIVABLES

At the beginning of the year, the total amount receivable from members for dues should be computed and charged to dues receivable. Accounts payable—Imperial Council—Hospital assessment should be credited for its part in Account 210. The Temple dues portion should be credited to Account 401—Dues Revenue.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations,

such as uniformed units, etc. Account 122 should be charged with the amount that has been advanced, and credited as payments are received.

ACCOUNTS 130-139: INVENTORIES

Account 130—Inventory—Fezzes should be charged with all fezzes purchased. If fezzes are given to candidates, they should be charged to Account 680 and this account credited.

Account 131—Inventory—Food and Beverage should contain items which are for resale. Such items may include food, beverages, tobacco, etc.

Account 132—Inventory—Jewels should contain the cost of jewels that are held for sale. There may, on occasion, be some Past Master's or Past Potentate's jewels. These are held in this account until disposed of.

ACCOUNTS 140-149: PREPAID EXPENSES

This group of accounts should be charged with payments for expenses and supplies for which the benefit, or use, will extend over into the next accounting period(s). Account 140 should include prepaid premiums on all types of insurance.

ACCOUNTS 150-169: PROPERTY, EQUIPMENT AND PARAPHERNALIA

Account 150—Land should include all land sites owned by the Temple, including the land on which the Mosque Building is situated, a country club, or any other real property. Land should be carried at cost. If acquired other than by purchase, a carrying value (market appraisal, etc.) should be determined for record purposes.

Account 151 includes the cost of purchase, construction, or other carrying value of the Mosque Building, and the cost of any subsequent improvements.

The cost of other buildings and improvements should be carried in Account 152.

All items of furniture and equipment which have a useful life of more than one year should be charged to Account 153. If any of the furniture or equipment is disposed of, the cost of the item disposed of should be removed from the account.

Account 155 should be charged with the original cost of uniforms, costumes, regalia, etc. Dispositions should be credited to the account when they occur.

Accumulated depreciation should be credited to Account 160. All items of building, equipment and paraphernalia should be depreciated over their useful life.

This account should be charged with the cost of all securities purchased and credited with the cost of securities sold or otherwise disposed of. When the cost of investments exceeds market or realizable value, Account 171 should be credited for the decline in value.

Investment in and advances to Temple Holding Corporations should be carried in Account 172.

As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 210 for the hospital levy. If a member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 211: ACCOUNTS PAYABLE—IMPERIAL COUNCIL—OTHER

On January 1st, each Temple owes \$1.25 per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. ABC TEMPLE

NOTES TO FINANCIAL STATEMENTS

December 31, 1981 and 1980

Summary of Significant Accounting Policies

Basis of accounting—The accompanying statements have been prepared substantially on the accrual basis of accounting.

Designated funds—Designated funds represent unrestricted funds set aside by the membership and/or Finance and Accounts Committee for specific purposes.

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Investments—Investments in stocks and bonds are carried at the lower of cost or market. Gains and losses on the sale of investments and adjustments to the provision for loss in market value of investments are charged or credited to revenue.

Property, equipment and paraphernalia—Property, equipment and paraphernalia are stated at cost. Maintenance and repairs are charged to operations as incurred. At the time items are retired or disposed of, the applicable cost and accumulated depreciation are cleared from the accounts and the difference, net of proceeds, is charged or credited to operations.

Organization

ABC Temple is a subordinate temple of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America ("Imperial Council").

The Temple remits certain fees and charges to the Imperial Council for granting dispensations, charters, certificates and diplomas and for Shriners Hospitals for Crippled Children and other charitable purposes. Such fees and charges paid to the Imperial Council were \$ and \$ for 1981 and 1980, respectively.

Various units and clubs are sponsored by the Temple. Certain of these units and clubs maintain funds outside the control of the Temple governing body. These funds are generally of nominal amounts.

Investments

Investments of the Temple consisted of the following at 1981 and 1980.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 9th day of the 2nd month, Safar, 1407 (marked 18 in red) is the 18th day of October, 1986 (also marked 18 in red).

What day in the Mohammedan year is June 6, 1987?

Finding June 6, 1987 in the Gregorian calendar it is found to be marked 249 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 4th day of the 10th month, Shauwal, 1407 (also marked 249 in red).

SHRINERS HOSPITAL

AFTERNOON SESSION
WEDNESDAY, JULY 2, 1986
ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at one-thirty o'clock p.m., Imperial Potentate Walker S. Kisselburgh presiding.

... Business was transacted in the Iowa Corporation at this time

IMPERIAL POTENTATE KISSELBURGH: We will now go into the election of the Trustees of the Colorado Corporation. I will now call upon Imperial Sir Jack Jones, Imperial Recorder, to read the nominations.

IMPERIAL SIR JONES: I nominate the following persons, by virtue of their office as Imperial Officers, to serve one year on the Board of Trustees of Shriners Hospitals for Crippled Children:

Imperial Potentate-Elect Russell H. Anthony.

Deputy (Imperial) Potentate-Elect Voris King.

Imperial Chief Rabban-Elect Edward G. McMullan.

Imperial Treasurer Webber C. Harrington.

Junior Past Imperial Potentate Walker S. Kisselburgh.

IMPERIAL POTENTATE KISSELBURGH: Again, those are the officers who will be on the Board of Trustees by virtue of their office. Do you understand that?

That is a motion, is that correct?

IMPERIAL SIR JONES: Yes.

IMPERIAL POTENTATE KISSELBURGH: Is there a second to the motion?

... The motion was severally seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have before you the motion which has been made and duly seconded.

All those in favor say aye; opposed. It is carried and so ordered.

I will now open up nominations for the Office of Trustees of the Colorado Corporation. There are two openings, both for a three-year term.

The three candidates that have been announced are Past Imperial Potentate Dr. Hogan H'Doubler; Past Imperial Potentate Randolph R. Thomas and Past Imperial Potentate Gene Bracewell.

We have received word that the fourth candidate, Andrew Hibbard, has withdrawn.

I now declare open the nominations for two Trustees to be elected for a three-year term and they are the three candidates just mentioned. Is there any question about that?

If not, I would ask that the three candidates please come forward so that you can see them.

Are there any other nominees for the Office?

I should introduce to you at this time these three candidates—Imperial Sir Dr. F. T. Hogan H'Doubler, Imperial Sir Randolph R. Thomas and Imperial Sir Gene Bracewell. I will ask these gentlemen to take their seats up here.

At this time, I will ask our newly elected Imperial Potentate-Elect, Imperial Sir Russ Anthony, to pick a name out of the Fez here.

... Drawings for nominating positions then ensued ...

IMPERIAL POTENTATE KISSELBURGH: The first one will be Dr. Hogan H'Doubler. The second will be Randolph R. Thomas and, of course, you know who the third is. Imperial Sir Gene Bracewell.

I now call upon Illustrious Sir Doug Mayes, Past Potentate from Oasis Temple, for the nomination of one of the officers for the Board of Trustees.

ILLUSTRIOUS SIR DOUG MAYES [Oasis Temple]: Imperial Sir, Imperial Sirs and My Fellow Representatives: I wish to place in nomination for Imperial Trustee, Past Imperial Potentate Dr. Hogan H'Doubler.

Since being graduated from the University of Wisconsin Medical School in 1948, Hogan has had a distinguished military, medical, civic, business and fraternal career.

As a medical officer in the Navy, he served as battalion surgeon with the Marines in the Korean Conflict, receiving the Purple Heart with an Oak Leaf Cluster and the Bronze Star. He returned to his hometown, Springfield, Missouri, where he has been a very successful physician and surgeon, author and lecturer and has served actively in organized medicine. He was a member of the famous "Singing Doctors," a group of physicians that toured the country entertaining the medical profession for twenty-five years, while raising \$400,000 for scholarships for needy medical students.

Hogan has always been active in civic affairs, serving as President of his local Jaycees and Chairman of the Citizen's Advisory Committee. He was recognized as the Outstanding Young Man of Missouri in 1959 and was the recipient of the Sigma Nu Fraternity Outstanding Alumnus Award in 1981.

He is a very successful businessman and rancher and serves on the Board of Directors of the Landmark Bank. He is also an active member of the Presbyterian Church.

A Thirty-Third Degree Mason and a member of the Red Cross of Constantine, Hogan was Potentate of Abou Ben Adhem Temple in 1968 and in 1971 was elected Imperial Outer Guard.

Hogan's family are all Shrine Masons. His father and uncle were both Shriners; his two brothers are Shriners. His two sons and his two sons-in-law are also Shriners. All have been active at different levels in Shrine Mason activities.

One of the most important responsibilities at this Imperial Session will be to help choose two Nobles to serve three-year terms on the Board of Trustees of the Colorado Corporation. I hope you will give serious consideration to Hogan's qualifications to serve you as Trustee again.

He has served on the Joint Boards for fourteen years and was our Imperial Potentate in 1980-1981. Also, as an M.D., he is most sensitive to the present and future needs of our patients.

He was Chairman of the new Chicago Hospital Unit project which has been the model pediatric-orthopedic hospital of the world.

As a former Chairman of the Long Range Planning and Medical Research Committees, Dr. H'Doubler has the experience and the expertise to help provide the leadership to ensure "patient care of excellence" and "medical research of excellence" in the fields of orthopedic and burn care in our hospitals for years to come.

As our Imperial Potentate in 1980-1981, he will be long remembered for initiating the "Stop Burns Injury Program" and producing the moving "An Ounce of Prevention" featuring Mel Blanc.

For fourteen years, Hogan has served us well, first as a member of the Imperial Divan and then as a Trustee. With his medical expertise, business acumen and great experience serving on our Joint Boards, his input has been invaluable in charging our philanthropy's destiny.

Representatives, just mark your ballot, "H-O-G-A-N." Will not you join me in reelecting Dr. Hogan H'Doubler to a well deserved three-year term as a member of our Board of Trustees. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will now recognize Illustrious Sir Robert Turley, Past Potentate and former Imperial Recorder of Oleika Temple, for a nomination.

ILLUSTRIOUS SIR ROBERT TURLEY [Oleika Temple]: Imperial Sir, Imperial Sirs and My fellow Representatives: You know, a nominator runs the risk of walking up here with three friends and walking away with only one. (Laughter)

This reminds me of the story about the man being ridden out of town on a rail who said, "You know, if it were not for the honor of the thing, I would just as soon walk." (Laughter)

However, I will assume that risk and aside from the honor, I am here because I truly and sincerely believe that Randy Thomas, now on the Board of Trustees, should be reelected to the Board of Trustees.

I have sat in the meetings of the Board of Directors and Board of Trustees for all of the fourteen years that Randy Thomas has sat on one or the other and I assure you from personal observation over all those years, that he served you well and he deserves your continued support.

Randy Thomas has done a good job and it does not make sense to me to replace him just because somebody else wants to be a Trustee.

Randy Thomas is sixty-seven years of age. He lives in Florida. He is a communicant of the Christ Episcopal Church. He is married to the former Olene Aiken.

Creative energy is manifested quite well in consideration of the fact that he was the founder and Chairman of the Board and CEO of the McDuff Appliance Stores until they were sold to the Tandy Corporation in 1985.

His record of service to community and civic affairs is manifested by the fact he is a past Chairman of the Board of Directors of the Associated Industries of Florida. He has served as Chairman for two terms of the Game and Fresh Water Fish Commission of Florida. He was Chairman for four terms of the Jacksonville Port Authority. He received the Man of the Year Award of the Propeller Club of the United States. He presently serves on the Governor's Council of One Hundred of Florida.

He is a member of the National Board of Trustees of the Leukemia Society and he has served in other capacities too numerous really to recount in the time allotted.

With respect to his fraternal activities, he is a Past Master of his Blue Lodge; Past District Deputy Grand Master; a Thirty-Third Degree Honorary of the Scottish Rite and a member of the Red Cross of Constantine, being a Past Sovereign.

He is currently serving his fifteenth year on the Investment and Endowment Fund of the Masonic Home of Florida, being Vice Chairman now.

He was Potentate of Morocco Temple and served as Imperial Potentate in 1981-1982.

He has served on the Long Range Planning Committee for many years, was Chairman at one time of the Salary and Personnel Committee and has been Chairman of the Investment Committee every year other than the year he was Imperial Potentate, since 1978.

He chaired the Spinal Cord Injury Committee which developed the eight-bed units at Philadelphia and San Francisco.

Now, if you came to Los Angeles looking for an entertainer or looking for glitter or glamour, then you would not pay much attention to Randy Thomas because he is none of those things but if you want as a Trustee of your hospitals, a quiet spoken, honest and unassuming man with unquestioned capability; if you want a man who accepts responsibility whatever the task for which he is needed; if you want a man who gets his job done quietly but well, then Randy Thomas is that man.

If you want a Trustee with vision and enthusiasm and creative energy which can be harnessed for use in your hospital corporation, then I would suggest to you that Randy Thomas fits that description.

If you want a Trustee with experience and wisdom upon which our hospitals can call for enthusiasm as well as that expertise, then I ask you to cast one of your two votes for Randolph R. Thomas. Your hospitals need him on the Board of Trustees and I urge you to vote for him.

Thank you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Illustrious Sir Mahlon Hessey, Past Potentate of Boumi Temple, Baltimore, Maryland.

ILLUSTRIOUS SIR MAHLON HESSEY (Boumi Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and My fellow Representatives: I am Mahlon Hessey, an Emeritus Representative and Past Potentate of Boumi Temple, Baltimore, Maryland and a member of the Board of Trustees and I have the same problems that Bob has—I hope that I will not lose any friends.

It is a signal honor and a rare privilege for me to come before you today for the purpose of nominating one of the most dynamic and enthusiastic Shriners in North America for a three-year term for Trustee in our beloved hospitals. At a time when our fraternity and hospitals are under attack by scurrilously inaccurate articles in the national press, it is important that we continue to elect our best and most able Nobles to positions of responsibility in our organization.

Gene is fifty-one years old, a native of Atlanta, Georgia. You all know his wife, Katharyn, and most of you have met his three wonderful children, Ricky, Vicki and Kathy.

Gene comes from a Masonic family. Gene's father is an active member of Yaarab Temple.

His brother, Jim, you may recall, served as Director General of the 1985 convention in Atlanta, following Gene's footsteps as Director General of the 1973 convention in the same city.

Gene was educated in the Atlanta public schools and the University of Georgia and Emory University, where he majored in chemistry and biology.

For over a quarter of a century, he has worked for the same company and risen to the Presidency of the National Chemical Company, a Division of National Services Industry, a Fortune 500 company. He has been President of that division since 1975. His division operates nine plants in the United States and Puerto Rico.

He is accustomed to assuming the mantle of responsibility necessarily thrust upon him in his capacity as President of this business organization.

More importantly, his presidential stature affords him the necessary time to fulfill his obligations and duties as a Trustee.

To recite to you all of Gene's distinguished Masonic career would be impossible in the time allowed, but I think it appropriate to touch on certain highlights.

Gene received his Master Mason's Degree in 1957, and traveled the route of both the York Rite and Scottish Rite before becoming a Shriner.

He is a Past Sovereign of the Red Cross of Constantine, a Thirty-Third Degree Scottish Rite Mason, an Honorary Member of the Supreme Council of the Order of DeMolay, a member of the International Cabiri Line and a Past Imperial Potentate. He has served on the Board of Directors of the Colorado Corporation from 1975 to the present and he has been a member of the Board of Trustees for the past four years and so he has eleven years of collective service on the Joint Boards. His service and accomplishments for our hospitals are legion.

He has served as Chairman of the Salary, Personnel and Retirement Committee and the Building and Equipment Committee, the Audit Committee and the Special Purpose Funds Committee. He has been a member of the Investment Committee, the Planning Committee and the Evaluation Committee. Additionally, he has chaired or been a member of Liaison Committees for the Montreal, Tampa, Greenville, Los Angeles, Philadelphia and Lexington Units, as well as Chairman of the Special Liaison Committee for the Puerto Rico Clinics.

Nobles, I earnestly request you to join me in voting for and reelecting Gene Bracewell as a member of the Board of Trustees of Shriners Hospitals.

Thank you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: In the order of their nomination, I will ask them to stand.

Imperial Sir Dr. Hogan H'Doubler.

Imperial Sir Randolph R. Thomas.

Imperial Sir Gene Bracewell.

Thank you, gentlemen.

I will now call upon the Chairman of the Jurisprudence and Laws Committee to explain the voting procedure on this so that there is no mistake on your part.

NOBLE WALTER PETTIT: Imperial Sir, Imperial Sirs and Representatives: For the purpose of refreshing your recollection, you know that there are three nominations made. There are two to be elected and so it will require that each of you cast your ballot for two. If you vote only for one, your ballot will be spoiled. If you divide it in more than two ways, it will be spoiled also. Vote for two of the three nominated.

IMPERIAL POTENTATE KISSELBURGH: I would now like to call upon our Chief Teller, Joe Howell, to explain the voting procedure for this election.

ILLUSTRIOUS SIR HOWELL: Imperial Sir, Imperial Sirs and Representatives: We will use the light salmon ballot 17. Also, again, please remember, do not fold your ballots. We can get your results back much quicker. Also, be sure to vote for two. Thank you.

IMPERIAL POTENTATE KISSELBURGH: Because of the confusion in relation to the names, we will accept—I repeat—we will accept "Hogan," "Randy" and "Gene" for first names on the ballot. You will vote on ballot 17, the light salmon colored ballot and, again, vote for two. With that, I will declare the ballot open.

... Balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE KISSELBURGH: Has everybody voted? If you have not placed your ballot in the box, please raise your hands.

ILLUSTRIOUS SIR HOWELL: Again, has everybody voted that desires to vote? I believe, Imperial Sir, we can declare the ballot closed.

IMPERIAL POTENTATE KISSELBURGH: I will declare the ballot closed.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I would now like to call on the Chief of the Election Tellers, Illustrious Sir Joe Howell, for the returns on the ballot.

ILLUSTRIOUS SIR HOWELL: I will read this rather slowly if you want to take it down.

Imperial Sir and Representatives, it is with pleasure I give you the result of ballot 17 for the Office of Trustee for three years.

There were a possible 878 votes and 847 actually voted. There was one spoiled ballot. Necessary for choice, 424. The vote was distributed as follows:

Thomas	462
H'Doubler	587
Bracewell	643

You have elected Imperial Sir Gene Bracewell and you have elected Imperial Sir Dr. Hogan H'Doubler to the Board of Trustees for a three-year term. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will next recognize our Imperial Recorder, Jack Jones. We will now take up the election of officers of the Colorado Corporation.

We will now proceed with the election of the President of the Colorado Corporation and I will ask our Chairman of Jurisprudence and Laws to explain how this will go.

ILLUSTRIOUS SIR PETTIT: First there will be the election of the Chairman of the Board of Directors of the Colorado Corporation. Secondly, there will be the election of the President of the Board of Directors, who by virtue of that office, serves as Chairman of the Board of Trustees.

IMPERIAL RECORDER JONES: Imperial Sir, I move that we elect Imperial Potentate-Elect Dr. Russell Anthony to serve as the chairman of the Board of Directors for the Colorado Corporation.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that Dr. Anthony at the moment Deputy Imperial Potentate and our Imperial Potentate-Elect, be elected Chairman of the Board of Directors of the Colorado Corporation. Is there discussion?

If not, all in favor indicate by saying aye; opposed no. The motion is unanimously carried.

I will now recognize Illustrious Sir Walter Pettit.

ILLUSTRIOUS SIR PETTIT: Imperial Sir, Imperial Sirs and Representatives: What you are going to do next is to elect the President of the Colorado Corporation. He will serve as Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children. Is everybody clear on that? Thank you.

IMPERIAL POTENTATE KISSELBURGH: Nominations are now in order for the Office of President of the Colorado Corporation. I will ask that the nominators please come forward to the podium so that we can draw lots here. I understand that there are two candidates running for the office at this time, Imperial Sir Richard Olfene and Imperial Sir Gene Bracewell.

Let me first ask, are there other nominees? Is there anyone else who desires to be nominated for this office?

... Whereupon, the numbers for procedure of nomination were drawn by lot at this point ...

IMPERIAL POTENTATE KISSELBURGH: Let me say that the nominator of Imperial Sir Bracewell will be the first to present his nomination. Therefore, I will now call upon Illustrious Sir Mahlon Hessey for the purpose of presenting a nomination.

ILLUSTRIOUS SIR MAHLON HESSEY: Imperial Sir, Imperial Sirs and Representatives: This is the second time that you have permitted me to stand before you today and nominate Gene

Bracewell for an office—this time as the President of the Colorado Corporation who, under the Bylaws, also serves as Chairman of the Board of Trustees.

You have already heard me enumerate his many accomplishments in my earlier nomination of him for the Office of Trustee and so I see no need to repeat those accomplishments again.

Rather, I would like to talk to you about those qualities that make him ideally suited to assume the position of leadership as Chairman of our hospitals' Board of Trustees.

Gene has his own way of doing things and getting them done. First, as Vice Chairman and then as Chairman of the Building and Equipment Committee, he has personally overseen the construction of new hospitals at Los Angeles, Tampa, Lexington and Shreveport and major renovations at Erie, Salt Lake City, San Francisco and Houston, with others underway.

Gene is a veritable "well of creativity." One of the things I did not mention to you earlier was his former service as Chairman of the Public Relations Committee of the Shrine, from 1979 to 1982 and, brother, do we need public relations acumen.

During his tenure, he:

(1) Put into effect the "800 toll-free number so that the public could contact us directly and advise us of children who needed treatment.

(2) He initiated the billboard program to support the toll free number. I am sure you have all read the sign "If you know of a crippled child, call this number free." This has had a positive impact and provided many new patients for our hospitals.

(3) He developed and implemented the PSAs. In television jargon, this stands for public service announcements. Many of you have seen the Fred Flintstone series and the Mel Blanc cartoons.

(4) He was responsible for the "Grand Ole Opry" show in Nashville, Tennessee, which was filmed and used by Temples in many areas.

Gene is a leader who sees possibilities and opportunities where others see problems. Where others fear failure, he pursues innovation, new approaches and new ideas. Where others accept mediocrity, Gene demands excellence—and he gets it.

However, he is a different kind of leader in more ways than just in his accomplishments. He knows how to find the best in people around him and he never settles for less. He knows how to keep people asking questions, listening, responding, and he does a lot of that work personally.

Gene firmly believes that "Service to humanity is the best work of life."

Also, you know about the Orlando Sentinel articles released to the nation via UPI wire, attacking our Fraternity. Those two Orlando reporters accuse us of creating wrong impressions and making misrepresentations and yet they deliberately confuse the relationship between our hospitals and our Fraternity and are themselves guilty of the same things with which they charge us.

In such a time of trouble, we had best turn to our leaders with public relations and executive experience of Gene's caliber. No other person better understands the needs of our institution at this crucial time or how to address them.

Gene has a remarkable facility not possessed by many. He brings people together in a participating manner, rather than in a political one.

Nobles, once again I ask you to join me in support of Gene Bracewell for this most crucial position at this most crucial time. Also, once again, I thank you for your attention. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will now recognize Imperial Sir Robert J. Turley of Oleika Temple, for a nomination.

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, Imperial Sirs, Representatives and Nobles: There was a farmer who had two sons. The elder he chose to be the general manager of his farm and the younger was given the responsibility for building the barns and fences. The farm prospered because each brother did his job and did it well.

Then one day the younger brother came to his father and said, "I want to be the manager of the farm."

"Why," said his father, "Has your brother not done well?"

"No," said the younger brother, "I cannot honestly criticize his work. He has done well."

"Then why," said the father.

"Well, I just want to be the manager," said the younger son.

"But you have an important job caring for my fences and barns and your job is not finished," said the father. "Besides, you planned for the construction of other barns and you should carry out those plans because you can best do that."

"Well," said the young son to his father, "Some of my friends say that I should be the manager."

So the father replied, "Do they say your elder brother has been derelict in his duties?"

"No," said the younger son, "But they like me better than they like him."

Now, this is what the old man said, "Son, there are three ways to view your request. (1) What is best for your brother; (2) What is best for you and (3) What is best for the farm? It is my responsibility to do what is best for the farm. Your ole grandpappy used to tell me when I was growing up, 'If it ain't broke, don't fix it.' Your brother is doing a good job. Nobody denies that the farm and I need you and for the present we need you to finish building the new barns. Nobody can do that job better than you can.

"Be patient, my son, finish the job you have already undertaken and surely one day your time will come."

Two years ago, you elected Dick Olfene to be the President of the Colorado Corporation and under our Bylaws he serves as Chairman of the Board of Trustees. He has done a fine job. I submit to you he should be reelected.

Therefore, I put in nomination before you as President of this corporation, the name of Richard B. Olfene, a Past Potentate of Kora Temple, who has served you well and is willing to continue to serve you in that capacity.

Thank you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Are there further nominations?

I would like to have each of our candidates please stand at this point—Imperial Sir Richard Olfene and Imperial Sir Gene Bracewell. Thank you very much.

Also, to make things simple, if you have trouble spelling their last names, it will be perfectly proper for you to use the names of "Dick" and "Gene" on your ballot.

I will now call upon the Chairman of the Tellers Committee to give you your instructions.

ILLUSTRIOUS SIR HOWELL: Imperial Sirs and Fellow Representatives: We will be using ballot 20. Several of you have torn out two ballots. Let us use 20.

Also, please do not fold your ballots. Again, we will use ballot 20, the green ballot.

... Whereupon, balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE KISSELBURGH: Has everybody voted? Has everybody voted? Hearing no comments to the contrary, I will now declare the ballot closed.

... Business was conducted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE KISSELBURGH: I see the Chairman of our Tellers Committee has arrived back and so I will recognize Illustrious Sir Howell at this point, I believe, for an election return report.

ILLUSTRIOUS SIR HOWELL: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you the result of ballot 20 for the Office of the Chairman of the Board of Trustees.

There were a possible 878 votes; 851 actually voted. There was one spoiled ballot. Necessary for choice was 476.

The votes were distributed as follows: Richard Olfene 324; Gene Bracewell, 525.

... Cheers and applause ensued . . .

IMPERIAL POTENTATE KISSELBURGH: I declare Imperial Sir Gene Bracewell to be the President of the Colorado Corporation. Do you accept, Gene?

PAST IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs and My fellow Representatives: I thank you for your support and I pledge to you that I will serve you and our great and wonderful hospitals to the very best of my ability. Thank you very much. (Applause)

... Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE KISSELBURGH: The Parliamentarian has advised me we have the

ballot of the election of officers of the Colorado Corporation and so I will recognize Imperial Sir Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, in addition to the election we have already had for Chairman of the Board of Trustees of the Colorado Corporation, the Imperial Potentate-Elect now nominates the following persons to serve as officers of the Colorado Corporation:

As President, Imperial Sir Gene Bracewell.

As First Vice President, Voris King.

As Second Vice president, Edward G. McMullan.

As Treasurer, Webber C. Harrington.

As secretary, George W. Powell.

An assistant Secretary, Joseph P. Padgett.

IMPERIAL POTENTATE KISSELBURGH: That is a motion to elect, is that correct?

IMPERIAL SIR JONES: Yes, Imperial Sir.

IMPERIAL POTENTATE KISSELBURGH: Is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KISSELBURGH: All in favor will please say aye; opposed. It is carried unanimously.

IMPERIAL SIR JONES: Imperial Sir, I would like to nominate the following persons for election as Directors of the Colorado Corporation, Shriners Hospitals for Crippled Children.

Voris King

Edward G. McMullan

George W. Powell

Joseph P. Padgett

John W. Dean

Webber C. Harrington

Jack H. Jones

Everett M. Evans

Richard L. Bukey

Burton E. Ravellette, Jr.

Robert B. Bailey

John VerMaas

Walker S. Kisselburgh

Gene Bracewell

IMPERIAL POTENTATE KISSELBURGH: Do I hear a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE KISSELBURGH: All in favor say aye; opposed. It is unanimously carried and so ordered.

Thank you, Imperial Sir Jack and now I will call upon Imperial Sir John Dean, Chairman of the Endowments, Wills and Gifts Committee, for his report.

IMPERIAL SIR JOHN W. DEAN: Thank you, Imperial Sir.

Imperial Sir, My Imperial Colleagues, Illustrious Sirs and Fellow Representatives: This is an exciting time in the history of the Shrine. It is exciting for a number of reasons.

We have, at this point, not only all the publicity that is going on but we have today for you an exciting new program which, for the first time, is going to recognize all of our donors. We are going to recognize the people who give money to Shriners Hospitals for Crippled Children.

Last year at the Session you amended the Bylaws of the Colorado Corporation, providing that we continue to memorialize in our hospitals any individual and you provided that it could be done by virtue of a rule and regulation to be adopted by the Board of Trustees.

Pursuant to that, a rule was adopted and your Imperial Potentate appointed a committee consisting of myself as Chairman of EWG, Everett Evans as Chairman of Public Relations and Gene Bracewell as the Chairman of Building and Equipment. We met on several different occasions and I consulted with a firm called Marketing Associates.

As a result of that, we came up with an overall program that we are going to present to you today. We have a short film for you that will tell you about this program—it will tell you that

we have donors whom we are going to recognize and, also, it is to supplement the Hundred Million Dollar Club because once a person has given \$100, he is a member of the One Hundred Million Dollar Club. There is no incentive to move any higher.

Now, also, we have always had a PCM (Permanent Contributing Membership) which has been at \$150. Also, you always got your name in the Gold Book when you gave \$500.

Now, you will still get your name in the Gold Book but now, starting at \$2,000, gentlemen, you will receive a membership in the Gold Book Society and rather than go into any details at this time, I would like to roll the film.

... A film presentation indicating the function of this program ensued ... (Applause)

IMPERIAL SIR DEAN: What do you think of that, gentlemen? (Applause)

Now, fellows, you have had passed out to you or there is being passed out to you now the brochure that explains the Philanthropic Society and the Gold Book Society. It also explains the requirements concerning each of these awards.

Also, each one of the awards that have to do with the Gold Book Society and are pictured in the brochure, they are likewise on display at the endowments, wills and gifts table and, as you leave this room, you will be able to see them. You will be able to see what they look like.

We will be calling on you, on the Hospital Board members, on our EWG Chairmen, on the Potentates, to present everything from a Four-Star award on up personally.

Likewise, we are going to need your help in this and we are going to make the determination as to who is going to do it based on how we can find out they produced their individual money.

Now, when we were talking about who was going to receive the award, we had to make a couple of decisions.

In relation to the Gold Book Society, the awards there are set up in connection with very unusual circumstances—they are for living donors, individuals, corporations or foundations. In other words, they are for living people who do not qualify for the Gold Book society.

Now, on the other hand, it is rather obvious that we have exceptions built into this and there are reasons for these exceptions.

If, for example, a husband dies and leaves us \$50,000 and his wife is sitting out there with another \$1 million or \$2 million, we want to make sure that we present her with that particular award. If so, we will make an exception.

In relation to this program, the exception will be made by either General Counsel or the Chairman of the EWG Committee. Further, we are going to be liberal in relation to our decisions because, after all, we do not want to turn anybody off but, by the same token, there is no point in sending anything out if there are no heirs. In general, the idea here is to promote additional giving.

With regard to the Philanthropic Society, which is the one where you get your name on the wall, that starts at a figure of \$250,000.

Now, I also want to tell you that in relation to all of the programs, a determination was made that the awards will not be given to the Temples, Shrine Clubs, Shrine Units or allied Masonic or affiliated bodies, either male or female. We have too many organizations that give us money. Now, we may reexamine that but currently these are the rules.

Also, what I would like to say to you is that the software that we have in our hospitals to run our computers and our donor recognition programs will keep track of everything so that all of the donations that you make or someone else makes as a memorial or anything else will go into the computer.

Further, they are cumulative. You can start out, for example, by giving \$500 this year, \$500 next year, \$500 the following year and when you give the \$500 the next year, then you have just hit the first Star Award and that will come out.

What I am trying to say here is that you do not have to give the total \$2,000 at one point to get in even on the bottom line.

If you give us \$2,500 this year and \$2,500 next year you are going to get first the One Star Award, then next year you are going to get the Second Star Award and then, the following year, it will be right in the middle so that you will not be receiving anything. However, it is possible for somebody to get all of the six awards and then continue on giving and get on the wall.

This program is to promote overall giving and I think we will do well with it.

We have had printed some two million of these (indicating) brochures. They will not get out of date.

Also, we worked hard on these individual gifts that we are giving.

Also, I want to tell you that the date this program started was on January 1, 1986. We have already made some representations under this.

For example, I had the privilege of presenting one of these pyramids up in Canada—went up to Rameses Temple at Toronto. When I got up there, I found out that the lady involved there was one of our exceptions.

This lady had left us \$180,000. She also had some nieces and nephews and they said they would like to have that pyramid. We took the pyramid up, we presented it and found out she was a Past Queen of the Nile; was a Past Matron of her Eastern Star Chapter. At that point we must have had at least fifty or sixty members of the Daughters of the Nile present and they did a great job up there. As a matter of fact, they had their whole Divan present there—they served coffee and tea for everybody.

Now, I could go on with a further explanation but I do not know if any of you have questions about this program but if you do, please ask them now because if you do have a question and receive an answer, I would like everybody here to hear the answer so that we do not get you going out of here confused.

Again, I think this program is pretty well explained in the brochure and I also thought that the film pretty well explained it.

Now, if you should receive a call from us and we should ask you to make a presentation, please, fellows, make it quick because there is nothing worse than stale recognition.

Now, I also want to tell you that in relation to our EWG Committee this year, we were, at one point, running behind in relation to wills. However, we are catching up. As of June 30th, for example, we are just twelve behind last year.

We have probated thus far this year some 901 wills as opposed to 913 last year.

I do want to take this opportunity to thank each and every one of you for the work you are doing out there.

Also, I would like to repeat to all of you Potentates, Chief Rabbans, Assistant Rabbans and other members of your Divan, please get me salesmen as EWG Chairmen.

We are creating, with the permission of the incoming Imperial Potentate, a new Endowments, Wills and Gifts Committee called "Endowments, Wills and Gifts Attorneys." I figure that is the only way I am going to get you to take those people as Chairmen of your various EWG Committees—namely, by creating a committee mainly for them.

Imperial Sir, that concludes my most excellent report and I move for its adoption.

IMPERIAL POTENTATE KISSELBURGH: Thank you.

All in favor of accepting this report please say aye; opposed no. It is carried.

You know, really, there is a lot of meat in there. Further, I know it is a little bit difficult for you to digest it in this fashion but, nevertheless, let me reiterate, it is an exciting program, a milestone in relation to the efforts of the Shrine for North America.

You Representatives here last year did a very significant thing to enable us to raise money for the future and what you did was that you took the word "prohibited" out of the Colorado Corporation Bylaws insofar as our hospitals are concerned. We can now memorialize in our hospitals. Therefore, we approved the employment of this fantastic marketing company and they came up with this particular program.

This could enable us, if properly used, to raise another \$200 million or \$300 million and, of course, as you all know, these hospitals are costing us large sums of money.

Now, at this point, perhaps you ought to all stand for just a brief moment to try to stretch yourselves a little bit.

... A brief standing break ensued at this point ...

IMPERIAL POTENTATE KISSELBURGH: Now, Representatives, I will ask you all again to sit down and we will proceed.

Now, I believe you all have your Calls present with you and we will get into some of that at this point.

... Business was conducted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now call on Illustrious Sir Tingle for a report of the Committee on Jurisprudence and Laws.

NOBLE J. M. TINGLE [Reading]: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, item number 23 on Call of the Annual Session of 1986, located on page 38 of the Call. Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Burton Ravellette of the Insurance Committee for its report.

IMPERIAL POTENTATE KISSELBURGH: I now call on Imperial Sir Ravellette for a report of the Insurance Committee concerning this issue.

IMPERIAL SIR RAVELLETTE: To the Members of the Colorado Corporation: There has been referred to your Insurance Committee item number 24 on Call for the Annual Session of 1986, found on page 38 of the Call. It is a resolution for insurance indemnity.

A hearing on the resolution was held before your committee. No person appeared in opposition to this resolution. Your committee finds that a crisis does not exist in liability insurance coverage for those persons described in the resolution and that it is only fair, reasonable and just that such persons be indemnified and held harmless for their official acts in your behalf.

The Insurance Committee recommends the adoption of this resolution.

Respectfully submitted,
INSURANCE COMMITTEE

Imperial Sir, if there are no questions or comments on this report, I request that you call upon the proponent, Ted Corsones for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: I will now call on Ted Corsones for a motion.

NOBLE CORSONES: I would move for the adoption of this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that this resolution concerning insurance relative to the Colorado Corporation likewise be adopted. Is there any discussion?

If not, all in favor say aye; opposed no. It is unanimously carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now call on Illustrious Sir Bob Lake for a report from the Jurisprudence and Laws Committee.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, time number 25 on Call of the Annual Session of 1986, located on page 39 of the Call. It is a resolution for insurance review recommendation. Such resolution will read as follows:

RESOLUTION

WHEREAS, it has been the past practice of Shriners Hospitals for Crippled Children, a Colorado Corporation, to provide insurance coverage for its property, and also for its personnel while they are conducting the business and affairs of the corporation, including medical and professional liability insurance; and

WHEREAS, the historical exposure of Shriners Hospitals for Crippled Children to large medical and professional liability claims has been much lower than general hospitals of similar size and function; and

WHEREAS, in recent months full and adequate insurance coverage has been difficult to obtain and, when obtainable, has been extraordinarily expensive; and

WHEREAS, temporary measures have been adopted by your Board of Directors to provide indemnification protection to our personnel in areas previously covered by insurance; and

WHEREAS, it appears in the best interests of the corporation to explore all reasonable methods of providing adequate protection for our property and for our personnel while they are discharging their duties for the corporation.

NOW, THEREFORE, BE IT RESOLVED, that:

1. The Board of Directors is hereby authorized to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation.

2. The investigation shall include, but shall not be limited to, the formation of a captive insurance company.

3. Upon the completion of their investigation and review, the Board of Directors is authorized to take such action, including the formation of a captive insurance company, as the Board of Directors, in its discretion may determine will be in the best interests of the corporation and which will provide adequate and economically feasible protection for our property and for our personnel while they are discharging their duties to the corporation.

The committee reports that the resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Burt Ravellette of the Insurance Committee for its report.

IMPERIAL POTENTATE KISSELBURGH: The Chair will recognize Imperial Sir Burt Ravellette.

IMPERIAL SIR RAVELLETT: First of all, Representatives, let me assure you that your Insurance Committee works diligently in your behalf, along with General Counsel and the Joint Boards, and I can assure you from this end we are never going to do anything to harm this corporation and our wonderful children.

Therefore, I would like to present our report regarding item 25 in the Call for the Annual Session.

To the Members of the Colorado Corporation: There has been referred to your Insurance Committee item number 25 in the Call for the Annual Session of 1986, located on page 39. It is a resolution authorizing the Board of Directors of the Colorado Corporation to investigate alternative methods of providing adequate liability coverage for its property and its personnel while they are conducting the business and affairs of the corporation, including medical and professional liability insurance.

A hearing on this resolution was held. No person appeared in opposition to this resolution. Your committee found that it is imperative that adequate and economically feasible protection for our property and our personnel be provided and that the adoption of this resolution will afford the Board of Directors of the Colorado Corporation another option in their continuing efforts to solve the presently existing crises in insurance coverage.

The Insurance Committee recommends the adoption of this resolution.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I request that you call upon the proponent, Ted Corsones, for an appropriate motion.

IMPERIAL POTENTATE KISSELBURGH: The Chair will recognize our legal counsel, Ted Corsones.

NOBLE CORSONES: Imperial Sir, I would move adoption of this resolution and the remarks that I made earlier will apply to this resolution as well.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: We have a motion and a second to adopt this resolution. Is there any discussion?

NOBLE BILL NIGH [Bedouin Temple]: I would like to say that the same explanation that I made previously goes to this one and so I will object to this one in the same manner in which I objected to the first one.

At no time do I think that the Insurance Committee or any person would do anything damaging to this body or this body's projects but I would also like to indicate to you that

there are a few of us out here who have been in the insurance business and most of us have been involved with Insurance Committees concerning the state legislatures we they know what happens with regard to these.

We, for example, know how to form an insurance company and we know what you have to put up with regard to by way of a deposit to form an insurance company.

Now, if we do not intend to form an insurance company, then let us take that part of the message out of the resolution and let everything else be in there.

I am merely calling to your attention that there is a sentence in there that could be very, very damaging because you will not have again a chance to vote on this project because the committee will meet and decide and they will subsequently come back and tell you what they have done.

At any rate, Imperial Sir, I have made my objections to all of this and I hope you will understand that they were made with love and loyalty for all of the rest of Shrinedom.

IMPERIAL POTENTATE KISSELBURGH: Thank you for your comments. (Applause)

The Chair will recognize Imperial Sir Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir and My Fellow Representatives: As many of you know, I was Chairman of the Insurance Committee just before Imperial Sir Burt Ravellette.

I might say that the Joint Boards did have a major discussion concerning this particular issue and the least of that was a question of a captive insurance company. We realized exactly what you are calling to our attention is true. We still have to investigate the whole field and the whole realm in relation to self-insuring and the manner in which we can protect our hospitals, our properties and all of the assets of this corporation.

Now, if as a result of a close study it turned out that the only way we could do it was to form a captive insurance company, so be it.

I, for one, as a Director you have elected and given a responsibility of protecting these funds, do not want to have to wait one year to come back and get the authority from you in order to do it and, during that period of time, have those assets unprotected.

I can also say to you that in some of the areas around the country we just cannot purchase the coverage we need and where we will probably be running totally bare and if we find that if it has to be a captive insurance company, if we have to do it, we would do it.

Do you think, however, for one minute that we want to have to go before the Insurance Commission of every state in relation to every organization where we exist? That would be the last thing in the world we would want to do. There is some federal legislation pending and if that makes sense, we would do it but, fellows, we just need the authority and, really, all we are asking you to do is to give us that power.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion?

NOBLE NIGH [Bedouin Temple]: I would like to make an amendment, sir.

I would move that Section 2 on page 39 be removed and Section 3 be numbered Section 2.

IMPERIAL POTENTATE KISSELBURGH: Is there a second?

... The amendment was severally seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded to amend the resolution by deleting Section 2, is that correct? I understand that is the amendment.

Is there any discussion on this amendment? I will recognize our legal counsel, Ted Corsones.

NOBLE CORSONES: Fellow Representatives, I do ask that you vote against this motion to amend.

There will be a full investigation of this matter and a full report will be given to your Board of Directors and then the Board of Directors will have all the facts and, as I said earlier, you should not eliminate your options at this time.

These Boards of Directors have exercised good business judgment in the operation of your corporation. I believe you should vote "no" to the amendment.

NOBLE NIGH [Bedouin Temple]: Imperial Sir, I will withdraw my amendment because in reading Article 3, it gives them the same authority as Section 2 does. (Laughter) So, you know —

IMPERIAL POTENTATE KISSELBURGH: Will the seconder withdraw the second?

... Cries of "yes" ...

IMPERIAL POTENTATE KISSELBURGH: The seconder agrees with the withdrawal and so I will declare the motion withdrawn. The motion is withdrawn.

Thank you, sir. It is a pleasure to see you. (Laughter) You know, I spent one day with him and it seemed like a week. (Laughter)

As a matter of fact, his brother is the Governor of Oklahoma. (Laughter)

We are now back to the original motion, which is for adoption. Is there any further discussion on the original motion?

If not, all in favor say aye; opposed no. It is carried by the necessary two-thirds majority.

NOBLE ERICKSON: Imperial Sir, if I may be permitted to do so, I think it would be helpful for a one minute explanation as to what happens in relation to the preparation of a budget.

This month, July of 1986, the hospitals will be informed and advised of an inflationary allowance for the next year and then in early September of 1986, the budgets then from each hospital are due at the Headquarters. They are reviewed and summarized as to the total amount requested by all the Units.

Later in September, the Budget Committee meets and determines the initial budget to be recommended to the Joint Boards and they then, at that point, advise each individual Unit.

Immediately prior to the October Board meeting of the Joint Boards, the Budget Committee does hold a conference telephone call with these Units and, at that point, there is discussion relative to specific items before they, in turn, finalize their recommendations to the Joint Boards.

Also, during the year, there are interim requests made by the hospitals and these interim requests are presented to the Budget Committee and then to the Joint Boards. The requests that are approved are the reason for the departures in the budget approved at this Session and again presented to the Representatives in 1987 for your approval.

Just to give you an idea of a few of the interim requests, not dollars but just what happens in the interim between your approval and next year, you can, for example, have an increase in the number of patients and so this then requires an increase in medical staff. You have an increase in the prosthetics needed. You also have some conversions of certain beds of the spinal cord injury unit. You likewise do have adjustments to some of your projects that are in force.

Also, at one point in time, we had outside care needed for patients and this was an interim request. This gives you an idea of some of the adjustments that were made.

Now, going to the packets that you have, you have, on the first page, for example, the amount that was approved at Atlanta and then, in relation to the investment income, you will notice there is a change of \$7,600,000. This occurred because of the decline in interest rates.

We also reflect adjustments during the course of the year for the Units and the total hospital expense was \$1.788 million. There was an increase in adjustments concerning research of \$1.493 million and also some increases in administrative expenses and other costs.

On the second page, we have the 1986 budget reflected and the first category would be your Orthopedic Units; the second category is the SCI and the third category would be the Burn Institutes.

The proposed budget at that point was \$106,171,000.

In relation to the departures and changes during the year, beginning on page 5, those are all small adjustments.

However, let us go over one of the items that we should just briefly mention and that is that because of the excellent report yesterday, and that is on page 8, relative to Endowments, Wills and Gifts, and this is the donor recognition program, that is the only major difference.

With those additions, I will be happy to answer any questions if there are any.

Imperial Sir, if there are no questions, I move the ratifications, approval and adoption of the adjusted budget for the year 1986 and 1987 proposed budgets be approved as submitted.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: You have before you the motion and the second for ratification and approval and adoption of the report, etc. Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE KISSELBURGH: Those in favor of the motion please say aye; opposed. It is unanimously carried.

IMPERIAL POTENTATE KISSELBURGH: Now, next is something we like to hear about, something upon which we can agree.

I will now call upon the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children to give us a real exciting report on how Shriners Hospitals have done during this past year.

PAST IMPERIAL POTENTATE OLFENE: Imperial Sir, Imperial Sirs and Fellow Representatives: This morning I am going to make one or two requests of you.

First is that there are some pieces of literature being circulated to you which we are going to be using in a moment or two and I would urge that you very carefully retain that or totally destroy it. When you leave here, please do not leave it here in this room. One never knows who may pick up this material and from the problems we have been having here recently, let us not give anyone any more opportunity to do that, especially in relation to things they do not understand. Therefore, I urge you to take this material with you, if you wish, destroy it.

Also, I would like to add one other thing and that is that after the luncheon break here today, I think you are going to be extremely pleased to listen to a presentation that will be given by one of the Chiefs of Staff of one of our hospitals in the system. Many of you, I am sure, were at Atlanta last year and will remember when Dr. Remensnyder made a slide presentation on a case and then we were fortunate enough to have the young lady involved in that hospital case join us.

I think we will have another surprise of like kind for you this afternoon.

In beginning this report, I would first like to thank the entire staff at Tampa and the Board of Trustees and Board of Directors and the various Boards of Governors and the staffs of the twenty-two hospitals for assisting me in what I believe was a very upbeat, a very successful and fruitful year in relation to our hospital year during 1985.

Several building projects are underway and others were completed.

During the past year we dedicated new Units at Shreveport and also at Tampa, two beautiful facilities, this having been attested to by those who have visited them. If you have not had an opportunity to do so, I would urge you to make every effort to get there as soon as possible.

Also, we will very soon be completing an addition at Montreal and I believe we have a dedication date set for September 6th.

Also, I might tell you that at the moment we are in the architectural stages of bidding new Units in both Greenville, South Carolina and Lexington, Kentucky. We expect to begin those construction jobs rather soon, this meaning late this fall, and move forward with a sixty-bed Unit at Greenville on a new site—the campus of the Greenville Hospital System—and a new fifty-bed Unit at Lexington, Kentucky, on the same site as where our present Unit is. However, in relation to the layout of this new Unit, we can build a whole new Unit without destroying the old one.

During this last year, in September of 1985, we completed an approximately \$2 million renovation and addition to the Erie Unit. This consisted of the remodeling of both the boy's and girl's wards, plus an added addition to the outpatient clinic center.

We will be taking bids to improve a project of approximately \$1 million to \$1.5 million of upgrading the mechanical, electrical and remodeling the kitchen facilities in the Honolulu Unit and so we will be doing some very needed remodeling there, particularly in the operating room.

In relation to St. Louis, we are programming a renovation and remodeling project there and most of the program work has been completed and we will continue to move forward there.

We have completed a program at the Twin Cities Unit. We have engaged an architectural firm to become involved and we will continue forward there in the building of a new forty-bed Unit at Twin Cities.

In relation to Spokane, we have acquired the land. We have also engaged our consulting architects, Karlsberger and Associates, who have been authorized to begin a program for this new facility.

Scheduled for a new Unit, of course, is Philadelphia and we will proceed as soon as we practically and financially are able to do so with that Unit.

Also, I might tell you we have opened dialogue with the Bay State Medical Center at Springfield, Massachusetts, on the possibility of having a new location on their campus for a new hospital at Springfield and that dialogue has now gotten to a serious discussion with the Bay State people.

The local Board of Governors has unanimously adopted a position of encouraging us to go to the Bay State location and we will report to you, I am sure, as that project moves along.

In Boston, we expect to either add on to the Unit or, if so ordained, proceed to a new location, as long as it is in the proximity of the teaching hospital, Massachusetts General. We are at the stage of just moving as quickly and as organized as we can in making progress in relation to Boston.

In relation to Cincinnati, we have agreed, as we announced to you before, and I believe you confirmed it, the building of a new Burns Unit there. We are now in the negotiating stage of a new location at Cincinnati, all encompassed in the same general medical complex that we are in now at the University of Cincinnati Medical School.

The University has identified a site which we have accepted and now our legal counsel and our Special Committee, which I believe is headed by Everett Evans, is negotiating in relation to the early stages to see if we indeed can come to something that is livable and in agreement with both us and the university in finding this new location as a possibility of building a new Unit.

Similar action is being done in relation to Galveston.

Galveston is a location that we have agreed to rebuild a new Burns Hospital on and we are working with the University of Texas Medical Branch on a new site there, also in the medical complex—a site that the university offered to us at a time and we are now at the negotiating stage of trying to get that locked together, as well as the various people involved with that.

The subcommittee, consisting of Mahlon Hessey and others, are moving along with Galveston.

Now, in each of these cases that I have referred to, I want to you clearly know, gentlemen, that there are a number of people involved in accomplishing this mission.

Each one of these projects, for example, has a Special Committee and the committee has a Chairman and usually one or two other members and they do the work. They are doing the work just like staff and others do.

I am awful sorry to have to say this but I want it made very clear that I do not take the credit for all of this. I want to give the credit where it belongs and it belongs to the people that have been doing the work.

I am only saying that in this responsibility, this will be the last time I will have to make a report to you and I believe you want all of this information.

So, gentlemen, we are moving forward.

As to what is happening in relation to our programs themselves, we have increased our research work and I particularly suggested, which was agreed upon, that this year in your packet you receive this book that was put together by our research consultant, Dr. Whedon. That provides, in my judgment, in layman's language, information as to what is happening concerning our research work.

Each of you has received one of these in your packet and I would urge you to review this and look at it thoroughly because now this will begin to tell you why we are spending the dollars and what the results are in research and, as you know, the research budget this year is something, I believe, in excess of \$11 million.

This is a very important part of our program and, of course, the research of today we look upon as the treatment and hopeful cure of tomorrow.

We have expanded into a new program just this last week—a myelodysplasia program that will help these children with these deformities. This is, I believe, a spine deformity that is on the outside of the body and affects the urological and neurological body and requires an extreme amount of care.

We have adopted a program to expand that into the Lexington Unit, which will begin to review other Units and their ability to provide a more total care for these unfortunate myelodysplasia patients.

Well, gentlemen, I think that will give you just a quick overview of what is taking place, along with the information that I had sent to you with your annual Call.

Now, I want to go into something else here for a little bit and, in that connection, I want you to know that we have had a striking group of accomplishments this past year. They were

obtained without sacrificing the commitment of Shriners Hospitals to maintaining a sound financial corporation.

Now, I apologize to those of you who belong to the Northeast Shrine Association, of which I am a member, because I made a similar presentation to them at their March meeting and the response was such that I felt it might be of interest to you and to help you understand where we are in relation to the Colorado Corporation—what is our financial history, what are we up to today and also with the hope that we may be able to help you understand what we believe is some of the misinformation that is coming through in relation to some of these matters.

Now, I am going to have to speak to you as a fellow who is possibly sitting out there for the first time and so I will apologize to all of you who have been here many times before and know the structure of this corporation. However, I also know, both from experience and from fact, that there are some thirty-five to maybe thirty-eight percent of those who are out here among you for the first time and I know you are probably as confused as I have been in the early outset, back in 1965, when I first served as a Representative.

You know, when some of us first began hearing about both Iowa and Colorado, some of us thought for awhile that it was merely two states but, in that connection, let me tell you about what I believe to be the actual fact.

When you hear, for example, the words "Iowa Corporation," put your mind at ease immediately that you are going to be talking about and dealing with the Shrine as a fraternity. That is the fraternal corporation.

Now, on the other hand, when you are talking "Colorado Corporation," put your mind at ease that you are going to be talking about the Shrine Hospital organization, the hospitals. So, as you can see, we have two separate corporations, a fraternal and a hospital corporation, called the Iowa and Colorado corporations.

I want to speak to you a little bit today as Chairman of the Board of Trustees and President of the Colorado Corporation, a little bit about the financial status and then bring you up to date as to where we have been and then see if you do not agree, among other things, that we have been quite successful and that we are going in a very positive and straightforward manner in the way I believe you want us to go.

Therefore, I am going to use some slides over here.

Now, what I want you fellows to do is to look at the handout piece which, at the top, says "Slide 1."

The reason I give you that is that some of these figures you will have on the slides are better outlined on these handouts and, also, many times it is difficult to see these slides from way back in the room.

Now, I want to tell you about the sources in relation to how we receive or generate our income with which to run the hospital programs.

You will note, for example, the first thing you see is "revenues" and you will also note that there are three methods of receiving our revenue to run the program—only three.

Actually, these revenues come to us from the financial audit statements of 1985—three sources—and these also are in thousands of dollars so that what it actually means is that our investment income was \$122,405,000; the assessment was \$3.9 million and "other" was \$818,000.

Now, what I want to do is to go in reverse.

Now, what is "other"?

Well, basically this involves a combination of items, the major one of which is the restricted gifts.

For example, someone gives us a gift and restricts us as to what we can do with it.

For example, someone here left us \$2,000 to have us, for example, buy a wheelchair or use it for a piece of operating equipment or, on the other hand, you may have to purchase only a television, or whatever it is that they restrict their gift to in relation to what we can actually do with it.

Therefore, this is something that we move out within the same year. In other words, we do what they tell us to do.

That number itself, however, is significantly small in relation to the toto. As a matter of fact, it only amounts to some \$818,000.

Now, where do we get the \$3.9 million?

Well, every member belonging to this organization pays a \$5 assessment and you multiply that by 800,000 members and you will see that comes to more than \$4 million. However, what happens here is that there are a number of us who have lifetime memberships, contributing memberships in relation to the hospital assessment program and that money, in turn, is invested and then the income from it goes up there into line 1.

Therefore, what we are actually collecting on a year to year basis, direct from the membership, is about \$3.9 million.

Now, in 1985, for example, our investment income generated income of \$122,405,000, none of which is principal. As a matter of fact, none of this is principal. This (indicating) is the income we derived from the principal of the fund.

Somebody asked a question at one of the meetings I was at—what do you do with the money raised by our Temples for football games, fish fries and all of that type of fund raising activity? Well, that money goes into the principal of the fund—it does not go into the annual revenue to run the program this year—goes into the fund to build that fund up so that subsequently we will have the necessary income to maintain a strong financial program and be able to add to it and be able to do the things we need to do.

Gentlemen, the health care field is one of the fastest changing fields in this country and we have to stay with it. It is competitive.

How many of you, for example, back in your various Lodges, know about hospitals closing wings, shutting down wards, merging in order to survive financial difficulty? Why? It is because of empty beds, over-building, insurance companies cutting back, Medicare programs being down and so we have to compete.

You know, this morning I received a telephone call from a press reporter in Toronto and that is why I was late for the session. It involved a lady and she was writing an article and was very nice about it.

By the way, fellows, I think that with your cooperation, we have pretty well diffused our problem. I think these boys are jockeying around just trying to save face for themselves but, anyway, one of the questions this lady asked me is "How long do you think Shriners Hospitals will be in existence?" My answer was simple. "Forever." After all, we are here to stay and to continue to provide a service. If it is not crippled children or we run out of crippled children, run out of burned children, then we can put in new programs to serve the needs of the child. If it is not one thing, it is another.

By the way, contrary to what some people say, we are preparing, we have to keep moving forward and how in the world can we move forward unless we are financially sound?

Now, you may want us to run, well, no you do not, either, ourselves as our federal government runs the budget.

We all know how our government in Washington is run and, at one time, in talking to a Congressman, I said, "I will tell you, Mr. Congressman, if you do not know how to straighten out the budget in Washington, why do not you take a look at Shriners Hospitals of North America, we will show you how to do it."

Well, anyway, fellows, we are here to stay and the only way we are going to stay is exercise sound financial planning and do it in the proper way.

Now, from this chart we are also attempting to arrive at our next budget. For example, in relation to our 1986 figures, we do project our interest income. This is interest totally and no principal.

You can see some of our budget projections here and, further, let me add that these projections are being worked on constantly by the Budget Committee, the Imperial Treasurer and our staff.

We are planning to take in some \$140 million in 1986 to run our program.

Now, let us have the next slide.

[Slide]: This slide involves a graph and is not contained within the papers you were furnished with.

This slide shows you, starting at the bottom, in the year 1975 and it runs through to include the budget for 1986, how the budget figures are coming along.

Now, let me say, in explaining this, that the reason the budget figures are in the thousands and, also, the reason I wanted to have you see this was to make it clear and impress upon all of you how important that endowment fund is.

Now, out of that \$140 million, that whole section that we spoke about earlier, some \$136 million of that comes from investment income.

So, what are we really relying upon to support the hospitals?

Now, you, as the leaders, are out there working for EWG, donations and fund raising activities, circuses and whatever but, on the other hand, please do not forget that it is the general public that supports this program and also please do not let that get away from your thinking because you have to continually thank them. You have to continually recognize them and you have to continue to work with them. Also, fellows, we ought to learn the lesson that we have learned out of this newspaper deal—namely, be sure you always do this within the rules and regulations of the Shrine because if we do not have their support, I think you can see that we would have some rather difficult moments.

Now, let us look at slide 3 here.

[Slide]: I thought I would show you this slide to show you where our investment fund has gone in recent years.

Now, in 1975, there on the left, and this is millions of dollars, on the left side you can see that the red figure is the carrying value of the fund. On the right, in the blue, is the market value of our endowment fund. Also, on the left, in the red, you will see that in 1976 we had something of a cash value in the fund of some \$860 million. Now, I might say that was in 1975. However, let us go on here eleven years later, go up to 1985, and there the carrying value is close to the range of \$1.8 billion and also please look at the market value—the market value of this fund at the end of 1985 was just shy of that new actual figure. However, what has happened in relation to the market in the past few months now has our endowment fund having a market value in excess of \$2 billion.

Sure, the press has said, "Well, you have so much money now, what do you want more for?" However, again, the point is that we are not going to spend that money—we dedicated that to the people who gave it to us. We said, "If you will entrust us with your money, we will put it to work." Also, by continuing to build this fund up more and more, we are going to have more revenue so that, in turn, we can move forward with our total program and do the things we have to do to stay competitive, get children into our Units and provide the best medical care known anywhere in the world to these children.

I want you to know that is presently what is happening in relation to the endowment fund and the EWG program and we wish to congratulate you for a job well done.

Now, someone is going to ask, "Where do you keep all of that money?" Well, that money is given to some approximately seventy banks in North America, including a bank or two in Canada and that money is administered under an Investment Committee made up, I believe, of seven members and they are responsible for overseeing all of this.

Each Trust Department in the banking institution has guidelines under which to operate.

Also, there have been some who have asked, "Why do you have so many banks? Why do not you cut them back?"

Well, when you attempt to get into that, you likewise get into the political structure, at least somewhat, of the Shrine and so when you people all over the country are raising these funds and encouraging people to give to us through wills and gifts, etc., it has been our intent to retain that money given to us as near to your geographic location as possible. Now, for example, in the Los Angeles area, we do have one of these banks and so we are endeavoring to keep the money in one of these banks in Los Angeles.

On the other hand, if it comes from the Detroit area, then we attempt to keep it in that particular area.

Therefore, it helps us to sell the program by having a good cross-section of your representation helping us by telling these people who give these gifts that the money they give will stay in the area.

I would like to tell you a true story that our Imperial Treasurer was very much a part of. This happened about a year ago.

One day I was in my office when I received a telephone call saying, "We have received a request from an attorney in Oregon who has a client, a very elderly man, who wants to give a donation." Now, that man was in the hospital at the time and was going to have surgery the very next day and he wanted to make a donation to the Shrine before he went on the surgical table.

However, what the attorney wanted to make sure about is that this gentleman had a stipulation to his gift right from the very beginning—in other words, he wanted to be sure that the money involved stayed in the State of Oregon.

Well, this was quite a natural thing to work out because we already had a hospital in Portland and also a bank or two in the State of Oregon. Well, at that time, the man made a large donation to us. However, a month or maybe two passed by, during which time the man passed away. He had never been an active Shriner at all, lived in the eastern part of Oregon but he wanted to make a donation if we kept the money in Oregon.

Well, when we got the donation, gentlemen, it was valued at \$5 million.

So that is why these funds are kept in these various banks and this is the status of that account or portfolio at this time.

I could go into a lot of detail with regard to this but then time does not permit. Therefore, let us go to the next slide.

[Slide]: Now, in connection with this particular slide, I want to show you what has happened in relation to the new monies that have been coming into the endowment fund.

This is again in millions of dollars, 1976 through 1985 "actual" and then the "estimate" in connection with 1986.

There is a line with a number indicating and tracking the history of new monies into the fund.

Now, new monies coming into the fund since 1976 have amounted to approximately \$56.6 million—new money. These new dollars went up for awhile and then dropped down in 1979. However, again look how it subsequently took off. In 1981, for example, we took in \$90.1 million in new monies—bequests and donations, fund raisers, etc. It is all lumped into that figure that you fellows and others have worked so hard to generate for us and increase and, of course, you still continue to do that.

In 1982, we took in \$114 million and thought we were on top of the world. Suddenly, however, the figure dropped off a little bit and last year what happened? Well, we had an all-time high of new monies that we put to work—we added to the fund some \$124.7 million.

Now, as I said before, what actually happens to that money is that it is added to the principal of the fund. It is not spent on running the program. It is the interest of that money and all other funds that is added to in the endowment fund and which is the main source of generating that \$136 million we look forward to getting during the coming year.

I want you to know what happened last year. Also, why are we projecting our estimates down in relation to 1986?

History tells us that this is a conservative approach that, for example, we are projecting as an estimate in 1986, that we will take in about \$110 million. We can also tell you that this does run true to form.

Also, we know that the wills we have been probating lately involve some slight reduction. I think Jack mentioned that to you yesterday. However, fortunately what is happening is that we are getting a little bit more from each of these and so the average is up in dollars while the numbers are down perhaps a little bit. So, again, we are hoping to, on a conservative basis, take in about \$110 million new dollars into the fund.

Now, let me go one step to the next step and this will give you an idea as to what the bequests represent, what the donations represent.

Now, for example, let us go right to the year 1985.

For example, the red lines to the right represent the percentage. In other words, 71.16 percent of this total \$127 million that we showed before was from bequests—people who had passed on and were from estates that raised money in that sense.

The remaining 28.84 percent of that total new money up at the top was from donations.

Those, for example, are from people who give us outright cash gifts or others giving during their lifetime, plus the money you fellows raised for the Shrine Hospital program each year and year after year.

Therefore, the total here is the amount of breakdown of the \$127 million that we referred to as new money in 1985. This also projects in 1986.

Therefore, you can constantly see how important it is that the Wills and Gifts Committee continue to work diligent and hard because that is truly our greatest source of income in the future.

Now, let me go into the next one and here I think we are going to be going into your charts in just a minute.

I want you to again look on page 1 and we are going to just run down that very briefly.

Now, what that particular chart shows you is, at the top, for example, we have the investment section or the revenue section, which you saw in an earlier slide.

Now, the lower section of this is the expenses, the actual expenses through 1983, 1984 and 1985 for running the hospital programs.

Well, for example, let us look at 1985. I am sure we have talked about it before.

We have a total income at the top, concerning revenue, of \$169 million now. You can see there the breakdown in relation to how that was obtained.

Now you come down in the column of expenses, starting with line 5, and you will see the various amounts it took to run the various sections of the program, starting with orthopedics and spinal cord and so on down the line.

For example, Research was .8 in 1985. Research earlier was over \$11 million.

Now, we also have there the expenses of running the entire Headquarters operation.

Of course, the Headquarters office in Tampa is owned in the name of the Colorado Corporation and the Iowa Corporation is housed in there and they share some proportionate expenses to the space that they take.

However, total administrative expenses, including all of the expenses to administer the program from a national level, is included in the \$5.5 million.

Now, as to depreciation, somebody has asked, "Why do tax-exempt organizations need depreciation?"

Well, the basis for that is we feel we should use proper accounting practices and by taking this and doing so, we are writing down and depreciating our building and equipment and what are we doing with this other? In a sense, of course, it can be cash.

However, in relation to what we are doing with this, I can only visualize, for example, that we picked that \$4.8 million up and we literally, in fact, gave it, signed it over to the Building and Equipment Committee, so those are the funds that we generate to provide monies to buy and furnish these routine, typical improvements in relation to our buildings around the country. This is not the major contributions. We are going to come to those. However, it includes the general repair of roofs, purchase of heavy equipment, etc. So that is in reality where the money comes from to purchase that equipment in relation to the financial structure.

We take this money, for example, and give it to the Building and Equipment Committee, to Gene Bracewell, for the last few years, who has been the Chairman of that, and that, in turn, is what he has to work with to purchase the necessary equipment and get these Units into good physical condition.

What are some other additional costs?

Well, there are those that you would have in connection with any business—hospitalization insurance, for example; long term disability; retirement; group life, etc.

Now, in relation to the contingency fund in 1985, you see that blank. The reason for that is that because the year is already closed and if there were anything left, it would be just washed out and left in the operating surplus.

However, if you want to look at 1986, and I do want to call your attention to this line because there is a change in the packet item that you have and Sam just read it to you, but if you look at the top line that I had on an earlier slide, here (indicating) is your investment income; here is your assessment from the members and here is the total revenue of \$140 million.

Now, coming down this other line, we have orthopedics, spinal cord and so on the down the line and in relation to which we are getting toward fixed costs.

Now, also, you see a little figure there of \$519,000 left as a contingency. Now, why do we need a contingency in this budget? It is simply because of the unknown—the unknown, gentlemen, something we do not expect.

Someone, for example, has a child in one of our hospitals and that child gets into some form of medical difficulty and an operation is necessitated because of that. They make a proper medical evaluation with respect to that. For example, the child may need some intensive care and so, what do we do? We move the child to a convenient hospital and our policy at this point is, for example, that if the parent does have a third party pay method, we discharge the patient from our hospital and transfer him to the other hospital.

Suppose, for example, we have a real sick kid on our hands and the medical people say, we have to move the child to a general hospital that has an intensive care section. When that happens, we discharge that patient from our hospitals and then the other hospital admits the patient and by doing that, we find that other hospitals can, in most cases, take any kind of assistance to pay that bill while the child is in that particular general hospital.

However, our policy is that if there is anything left between the insurance income or Medicare income and the bill, we will pick that up and, also, if that patient is there and there are no other sources of income to pay for it, we will pick it up.

Also, you do have these emergencies that will happen from time to time and so you have some contingency to provide for that.

For example, in relation to this meeting here this week, realizing we are only half way through the year and concerned about a number of things that we even do not know about, we increase the number and that also increases our up-to-date packet piece.

For example, we added some \$2 million to this number right here, making a total of \$138 million.

Now, what do you see there at the bottom? Well, you see that this is budgeted to give us a \$4 million revenue surplus and this new addition shows approximately a \$2 million surplus.

Now, let us go to the next one and see what we have.

This chart I just brought along and, as you can see, it is a bar chart.

You can see from it that it gives you kind of a breakdown in relation to every dollar spent, for a total budget here of about \$130 million to \$138 million.

Now, into this portion goes orthopedics, burns and administration, also research.

What this really shows is how this curve has been over the total increase year by year in relation to the cost of running our program.

You can see what has happened in, for example, from ten to eleven years and in order to do that and allow it to happen and provide the services it goes right back to the history of our financial planning that has moved us forward in a systematic, well planned manner so, in turn, we can provide the funds when they are needed.

Now, I am also going to take you to this next one which is nothing more than a pie shaped chart. Again, it has some similar things in it as in the other one.

It will show you, for example, that out of every dollar spent and projected in the 1986 budget, 59.1 cents will go to the orthopedic hospitals, 17.9 to the burns, fixed costs, etc., and, when you add all those figures up, that gives you the total, broken down in that fashion, of how we are going to spend it in relation to the 1986 budget.

Also, I want to show you this next chart which I think is also extremely important.

Now, perhaps I am doing too much talking up here but then I am here and I want you to know and give you information that will be helpful to you.

This, for example, indicates a history of our operating expenses and operating revenues.

If you will look at the red line on the top, you will see that is operating income and then if you look at the lower line, you will note it is operating expense.

Now, let us go back to 1975 and see what happened.

Please note how close to the line we were in 1975 in relation to revenue income and expenses. Again, the upper one is the income and the lower one is the expenses and, as you can see, that line was very, very close together.

Now, why are we spending these millions of dollars in refurbishing these hospitals?

There was a time, gentlemen, and, in fact, you can see it at the beginning of this chart and perhaps a little before, and please remember that we started the program in the twenties and then it began to mushroom in 1929 when we were building these hospitals, etc., and as we went forward, just about every dollar we could scrape up without spending the principal was going into running the program and we had nothing left over.

So, for all these years, we have only been able, in a sense, to keep the band aids on and the rubber bands around some of these old, antiquated facilities because we had not generated sufficient revenue surplus to do the job that should be done.

What we would have probably had to do at that time was to borrow money, which we would not have done, or dipped into the principal of the fund.

Well, for those years, we merely went along and then, all of a sudden, we had planning, through the efforts of the Planning Committee, the Budget Committee and all involved. Also, at that point, you notice that the Investment Committee was getting us a pretty good return on our investments.

With everyone working together, you will notice that we started to widen the gap between our income and our expenses and you can see there how it has widened.

Then, subsequently, it started to narrow again and what happened along in here (indicating)? Well, I think we all know.

For example, we went out of this high interest rate back in here, where we were getting interest rates as high as sixteen or seventeen percent on our short term monies and you will note how that has dropped and, of course, we are concerned but, nevertheless, we still have to have a positive outlook and keep the program going in a very positive direction and so we are beginning to narrow a little bit. However, please do not get upset over that. We have it in tow. We are in good shape and we will watch it.

Now, as I said before, as long as you give me this position, I will do my level best always to see that we never go into deficit spending. I will do my best on the Board to see that we hold that thing together.

Now, going back here, what was happening in between here (indicating)? Where did that money go to?

Now, as you might guess, we had two or three things we could do with the money.

The first thing we could have done with it is we could have just picked it up and added it back into the principal of the fund to get more money. At any rate, that is what good business judgement would have told us.

The second thing we could have done is began to expand our programs—spend more money for new programs.

You know, of course, that the cost of putting a new program into this organization with some twenty-two hospitals is not the initial start-up costs—it is the ongoing costs once you get there. Once you get a Unit there, you have to continue to pay and it goes up and up and up.

Now, we are spending but, on the other hand, we are doing it carefully. However, what we did is that we looked at the overall physical plant problems that we had, these old structures, and, being in competition, we needed to get the best that we could have—the best medical people, the best plants and the best facilities.

Therefore, with that in the back of our minds, we started taking the differences, the surplus dollars from income generated from our fund and our investments—we started taking those surpluses and setting them aside into a capital improvement account so that we could generate funds to do these construction projects which we are now in the midst of.

Now, let us take a look at that fund. You will see it there at the bottom of page 1 of the material supplied to you. I have a slide of it up here.

This (indicating slide) is the capital reserve and building fund. Also, we have here the audited report of this fund as of the year 1985 ending in December.

On January 1, 1985, we had in that building fund \$82,103,396. Now, where did that come from?

Well, that came from a combination of years of building up the figures that we did not

always spend, plus surpluses that were between those lines on the prior slide. Really, it consisted of interest that was generated in relation to the funds.

Now, what happened during the year? Well, as you can see, there was income from investments.

Now, income from what investments? Well, this money here (indicating) is investment income and when you keep doing this, you generate funds quite rapidly and so, as a result, this has enabled us to move forward with our various building programs.

Also, there is a \$15 million figure here entitled "transferred from operating funds."

Now, in that connection, if you will look back again at the top of the page, look at column 2, 1984, you will see there the revenue surplus in 1984 over the expenses of running the program in 1984 and, at the beginning of 1985, as I told you a moment ago, we transferred that surplus into the capital reserve account to build that up to do these big construction jobs.

Now, as a matter of fact, when you see the 1986 financial statement completed, you will see in it, when the time comes, we have transferred \$7 million, which is on line 15 under the actual 1985 surplus and that, I might add, came from the 1984 operating surplus—in other words, it came from line 11. This is, in fact, a depreciation fund and it goes into the capital reserve account to handle the day by day, week by week capital improvements and equipment.

Therefore, what did we do during the last year of 1985? Well, we had some major expenditures. It probably involved Shreveport, also probably finishing up some things at Tampa and other things which were of major proportion and, with the routine capital expenditures lumped together, we spent out of this fund about \$37 million. The majority of this went into new buildings and thus we ended up the year with \$73,586,000 in the fund to continue on with the completion of what I believe to be a very magnificent building program.

So, if I do not leave any other message with you today, I want you to know that we, at this point, and I hope we always will, will be able to do the entire program, expand and operate these hospitals with, of course, some limitations, and also do the necessary construction jobs without spending the principal and that is what counts, of course, because, as I said previously, we are here to stay. (Applause)

Now, I will tell you something else. If you ever let them spend the principal, they will get a foot in the door and you can just forget about it, because when that happens, we will be on the way down and then we are going to have real troubles.

I would like to emphasize again that we are not going to put this corporation, at least in my time here, into any deficit spending and find ourselves in the same position as our federal government.

Now, I want you to turn to item 12, page 2 on side 2 and what I want to indicate here is that this is more or less a total cash layout that we project for 1986. I want to go right to the 1986 budget.

Now, this will give you an idea of how things have increased but, again, let us look at the 1986 budget. It relates to the page before.

Except for lines 10, 11 and 12, if you want to be totally accurate, you would have to add to line 8, to the \$519 million, you would want to put a figure 2 before it because, as I told you, we added \$2 million to the contingency fund for 1986 and so if you will add that in there, you will be right on target with what you actually have in your packet.

Now, we project on line 10 what we anticipate spending in new construction and renovation in the year of 1986, which is, as you can see there, approximately \$22 million. Then we also indicate routine capital expenditures of about \$8.6 million. Really, what that shows you, gentlemen, is that we expect to have, in the year 1986, a total of \$169 million, of which \$138 million is the operating program and the balance is for the improvement of the physical plants and facilities around the country.

Now, fellows, I hope that if I have done nothing else up here this morning, that I have given you some information that will be helpful to you when you get back home.

Again, as I have said on many occasions, if you can be a well informed Shriner regarding the statistics concerning this organization, you are also, in turn, going to be a good

communicator. Both good communication and truthful factual information being furnished is very, very helpful.

Now, I am going to be around here, I think, for another day or two and I will attempt to answer any questions you may have of me.

Also, as I say, I will do whatever I am asked to do, if I am allowed to do it and, once again, rather than closing this report at this time, I would ask you for the privilege of allowing me, this afternoon, to present to you one of our outstanding Chiefs of Staff who is going to talk to you about a particular case which I am sure you will be vitally interested in.

With that, gentlemen, thank you for allowing me the time to give this presentation to you. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, Dick.

I have a question here that came from a Past Potentate of Kismet Temple and which reads—"Explain, if you consider it appropriate here, the basis of what we mean when we say, for example, that 98.66 percent of our income goes to patient care."

You know, that is a very difficult thing to understand and that is one of the things the reporters are questioning us about.

PAST IMPERIAL POTENTATE OLFENE: Well, perhaps I can say it in this manner and that is that the figure that most of us seem to have forgotten is a figure in the same range and that figure was ninety-eight percent, point something, something less than two percent, it costs us to run our business.

Basically, I think where part of the confusion lies is that in raising our funds, in raising the \$136 million, it costs us less than two percent to raise that money.

IMPERIAL POTENTATE KISSELBURGH: Yes, that is the important point.

PAST IMPERIAL POTENTATE OLFENE: Yes, it cost us less than two percent to raise those funds.

IMPERIAL POTENTATE KISSELBURGH: That is the important point. I have been told by our Imperial Auditor that this is a very, very small amount but that we do have to add some figures in there involving administrative expenses to even get it up to 1.6 percent which, as I understand it, is the actual figure.

PAST IMPERIAL POTENTATE OLFENE: Actually, the cost of raising this money is less than two percent because that is just the legal fees and our in-house staff that will be involved there. However, what some of our Nobility here does not understand is that there are other groups in the fund raising business whose costs are anywhere from twenty to thirty-five percent. Now, why are ours so low? Well, it is because we have some 880,000 salesmen in this country who are donating their time and energy to do it for us. Therefore, it is truthful that we spend less than two cents per dollar to raise and administer our money to get it into our programs.

That will help to answer that question. Of course, I will be happy to answer all the questions you ask me but I do not know, at the moment, as to what type of time frame I am in up here.

IMPERIAL POTENTATE KISSELBURGH: I will recognize Bob Turley who wants to give further clarification with regard to this.

NOBLE TURLEY: Imperial Sir, I think you have to be careful when you talk about percentage figures, that you know what you are applying them to.

For example, to apply percentage of expenses to income does not give you a realistic view. What you need to do is think in terms of budgeted expenses and the overall budget.

When we deal with that concept, what we are talking about is fund raising for the hospital corporation, it is not related to the Temples, but a part of the budget of the hospital corporation is the cost of the EWG Committee, the cost of public relations insofar as that is a part of the Colorado Corporation budget and, further, we can even add in a part of the cost of our General Counsel's office, much of which is related to fund raising in terms of the acceptance of wills and trusts in that regard and when all of this is done, it comes to less than five percent of our operating budget.

So it is a fair figure but maybe it ought to be related to the budget instead of to the income figures. However, related to the income figure, it comes out to less than one-half of one percent.

IMPERIAL POTENTATE KISSELBURGH: Thank you.

NOBLE GEORGE CHRISTIE [Kismet Temple]: Let me say that the question previously presented by the Imperial Sir was one of my questions and this was for the purpose of giving us an answer to a question that we receive when we go to the various Masonic Lodges and to other fraternal groups back home showing the film and telling the Story of Shriners Hospitals.

It would be very useful to me personally, and, I think, to some of the Past Potentates who have worked with me, to have a fact sheet published and made available to us indicating what precisely the basis of that calculation is, because it is very difficult to talk in terms of numbers.

I did one calculation, for example, and came up with a figure of .006 and then did another one and came up with a figure of 1.5.

IMPERIAL POTENTATE KISSELBURGH: I just have received a note indicating that this will be worked on and we will get it to you in a packet. Thank you, however, for bringing it up.

NOBLE B. H. TAYLOR [Potentate, Hejaz Temple]: Imperial Sir, Imperial Sirs and Representatives: Let me say that I have made my living during most of my life in the banking and finance field and I think it is great to clarify this. However, there are still some questions as to what the percentage that you are getting is. Is that to total revenue?

Secondly, is this on a consolidated basis with both Colorado and Iowa?

IMPERIAL POTENTATE KISSELBURGH: No, sir, definitely not. On that point, as a matter of fact, that is what the reporters have attempted to do and that is where the difficulty lies.

NOBLE TAYLOR: Well then, on the Colorado Corporation, the percentile that you have been expressing, is that based on revenue, total income or revenue, whatever it may be?

IMPERIAL POTENTATE KISSELBURGH: Well, I believe that Bob Turley wants to comment on that one.

NOBLE ROBERT TURLEY: Well, first let me make it clear that when you read in your Book of Reports about the consolidated statement on the consolidated fund balances, anything that is consolidated in your Book of Reports is a consolidation of our Colorado Corporation and what amounts to some subsidiary corporations—the Canadian Corporation, Massachusetts Corporation and Quebec Corporation.

It is not, and I repeat, “not,” a consolidation of the Colorado Corporation and the Iowa Corporation.

For fifty years we have had a separate hospital charitable corporation, the Colorado Corporation, and we have had a separate fraternal corporation.

When we speak of the Shrine and do so accurately, we are actually talking about the Iowa Corporation, the Imperial Council and its 188 Temples. Further, if we are accurate in speaking of the Colorado Corporation, then we speak of the Colorado Corporation as Shriners Hospitals for Crippled Children and, once again, because there cannot be any mistake about this, we do not consolidate the financial statements of the Shrine and Shriners Hospitals.

You know, much of this misinformation that has been in the press recently is as a result of that having been done. It is improper, it is wrong and it violates the very purposes for which fifty years ago we separated these two corporations.

Now, does that answer your question about the consolidated statement?

NOBLE TAYLOR: Yes, thank you, sir.

Now, just for clarification as to what we are mathematically doing here, I understand that the Colorado Corporation was organized in 1936. In other words, you have total income, whether it be investments or whatnot. Then you have total fixed costs and, again, we talk specifically about the Colorado Corporation. Is this divided into the general GNA total expense for the Colorado Corporation and, if so, what is that percentage?

NOBLE TURLEY: Well, that is a little bit different. If you have, for example, your Book of Reports or if you have the annual report, either one, if you will look at the section in there that shows the audit report, you will see generally two things.

One is that you will see the statement of condition and the statement of condition is a snap shot of the financial condition at a particular point in time and, actually, it is the end of business on the 31st of December of each year.

Now, on that statement of financial condition you will see what our assets are and you see what our liabilities are and then you will see the difference between the two and the difference between the two is what we refer to as our fund balances or our consolidated fund balances.

If you likened that to the sort of report you get for your business corporation, from your accountant, that would be like the net worth.

We are on a fund accounting basis, which is a little bit different but it can be likened to the net worth and, further, this figure of \$2 billion that you have heard about, the newspaper article said that the Shrine was worth \$2 billion, that is just simply not true.

If you will look at the fund balances of the Shrine, which is the Iowa Corporation, you will see that the net worth of the fund balances, that bottom figure, is a little less than \$6.5 million. If you will look at Shriners Hospitals' statement of its financial condition at the end of the year, you will see that the fund balances are just a little less than \$2 billion and, of course, with the increase in the stock market over the last six months, it is now over \$2 billion.

Now, the next thing you will find in that Book of Reports is the consolidated statement of revenues and expenses. This shows you how much the revenues were and what they were used for. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much for that explanation.

Now, may we continue on?

... Business was transacted in the Iowa Corporation at this time ...

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at twelve o'clock noon ...

AFTERNOON SESSION

JULY 3, 1986

ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, Colorado Corporation, reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at one-thirty o'clock p.m., Imperial Potentate Walker Kisselburgh presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I would now like to call on our Imperial Treasurer who has a brief and concise explanation of what we were talking about just before lunch. I call on our Imperial Treasurer, Imperial Sir Webber Harrington. Please give him your attention.

IMPERIAL TREASURER HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: This morning there was a question raised with respect to the fund raising costs for Shriners Hospitals for Crippled Children. I would like to read to you an excerpt of what all of you will be given in writing before you leave this convention and it reads as follows, with respect to the fund raising costs:

"Fact: That Shriners Hospitals for Crippled Children fund raising costs for 1985 amounted to \$1,648,000, which represents one-half of one percent of the 1985 revenue and 1.4 percent of the 1985 total expenses.

"The fund raising costs include expenses of the Endowments, Wills and Gifts Committee, costs of the Public Relations Department and cost of the General Counsel's Office. There is no cost included therein for the substantial voluntary time and the effort made by members who serve on the Endowments, Wills and Gifts Committee."

As I said initially, this information will be given to you before you leave this Session.

IMPERIAL POTENTATE KISSELBURGH: That should be the most important piece of paper in your possession. Is that not great? (Applause)

You know, that is the first time the Imperial Treasurer has done anything worthwhile. (Laughter)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Imperial Sir Richard B. Offene to continue on with his report concerning the Chairmanship of the Board of Trustees. He has some wonderful news that he would now like to present to you.

PAST IMPERIAL POTENTATE OLFENE: Imperial Sir, would you be kind enough to call this great convention from labor to refreshment, please?

IMPERIAL POTENTATE KISSELBURGH: I now call this convention from labor to refreshment for the purpose of honoring certain people.

PAST IMPERIAL POTENTATE OLFENE: Nobles, this afternoon we have a very delightful experience for us and particularly for me because within our Shrine Hospital system in this past year, we had had three of our long-time Chiefs of Staff take their retirement. Each of these gentlemen is here to be honored by you and by Shriners Hospitals for Crippled Children of North America.

Also, accompanying these gentlemen, at least in the case of two of them, will be their ladies, who have asked if they could possibly come in and see these presentations being made to their husbands. I felt it only proper and fitting to do so. That is why I have requested that we go from labor to refreshment.

Also accompanying them will be another acting Chief of Staff from our Intermountain Unit at Salt Lake City, who will be making a brief slide presentation on a patient on whom he operated and helped tremendously some years ago.

Also, within that group of gentlemen, will be another gentlemen that will speak to us as we move further along in the program.

With that, would somebody ask the Marshals at the back door if they will kindly escort these distinguished Chiefs of Staff, their wives and others to the podium?

... Whereupon, these distinguished individuals as above-mentioned were escorted to the podium ...

PAST IMPERIAL POTENTATE OLFENE: While they are coming down, I want to tell you what they represent in toto.

Four of these men represent a total of 141 years of service as medical men in the Shrine program and I think we owe them all a real round of applause.

... Applause ensued at this point ...

PAST IMPERIAL POTENTATE OLFENE: Also, let me add that we have the two lovely wives of two of these men down here in the front and as I indicated to you previously, they are here to see what will transpire here this afternoon.

Ladies, let me say that you are, for the first time in you lifetime and perhaps the only time in your lifetime, before the National Shrine Representatives of North America. They have a lot of good judgement, they are very dedicated and they do everything right, with the exception of one thing they did yesterday which was not very good. (Laughter)

However, I would now like to present to you Representatives the present Chief of Staff who has been with our Shrine system for twenty-nine years, a man who can tell some of the finest stories about what we have done for crippled children of any man you will ever find. This man has a tremendous track record in his profession.

He has been associated with and the head of various orthopedic societies in this country. He has served us for these number of years in the finest and highest of medical tradition. He was willing to come here today to present to you a little case involving a patient that he treated some time back at the Intermountain Unit. Now, to avoid any further delay and a great deal of time, it is my pleasure to present to you the Chief of Staff of our Intermountain Unit, Dr. Sherman S. Coleman. (Applause)

DR. SHERMAN S. COLEMAN [Chief of Staff, Intermountain Unit]: Thank you very much.

Imperial Sir Kisselburgh and Representatives: You know, I consider myself having been complimented with being asked to make this presentation here to you this afternoon.

Now, first of all I want to make a correction to his statement, when he said that I was involved with this case in its execution. I personally did not do this—it is “we” that actually did it. I would much prefer the “we” approach and I am sure that Mr. Olfene was just being nice to me.

However, the end purpose of this was to present to you the product of your efforts, the end results of all the things you have been doing and to give you an example of what kind of investment you are putting into these hospitals.

In so doing, I reviewed all of the youngsters we had been involved with and thanks to your

hospitals, have had opportunity to treat in the last twenty-nine years that I have been at Salt Lake City as your representative to the Intermountain Unit.

In relation to the case involving the individual that was treated, I was very pleased, after contacting him, to find that he was very willing to come down here and let me tell you a little bit about him. I have put some slides together because you probably know, and if you did not I will tell you, that most surgeons, and I know most plastic surgeons, just cannot talk without slides and, therefore, I have brought some with me.

Now, if we can have that first slide exhibited, I would like to tell you about this particular patient.

[Slides]: This young man came to us at the age of twelve. He was born in June of 1953 and, at that time, had a history of having had massive septicemia which, of course, is otherwise known as blood poisoning of his system and it involved his left lower limb, destroying the growth matter just below the bone and upper portion around the knee.

At that time, he was a little over three and three-quarter inches short on the left side and by our growing prediction chart was going to result in approximately seven inches of discrepancy of the limb and you can imagine what this would mean in terms of a young man's future.

Here you see what he looked like. Here you also see the lower limb and then, right here, what we had to equalize.

X-rays showed, in this case, a rather dramatic involvement of the growth centers. These (indicating) are the growth centers that we like to see straight across, such as this one (indicating) down here. That, however, had been destroyed.

He had previously had surgical procedures done on these bones by an orthopedic surgeon in Utah and he came to us, however, still with a difference in limb length such as you saw.

So we admitted him to the hospital the day before you saw him on the slide and at that time we had considered performing a lengthening of his lower limb. That was back in 1965.

And you can see the difference here. This (indicating) is his ankle joint on the left shortened side. Here is the hip joint and that is the full length of his limb in this (indicating) special film that we took, which is calibrated by centimeters to show the exact and precise difference in length.

For example, you cannot even see the ankle joint over on the slide but you can surely see the hip joint up here (indicating) and the distance there, I might say, was close to four inches.

So we proceeded to do a surgical lengthening of his left tibia.

Mind you, he was admitted in the fall of 1965 and stayed with us faithfully in the hospital with some time off for good behavior, until September of 1966.

Now, here you see the actual operation that was being performed at that time. This is a rather compact device which I will explain to you more about in a moment. We put this device on the tibia, as you can see. First of all, over here, we are in the process of making an incision to just cut the bone and, as you can see, a saw is being used to cut the bone crosswise and then we start to lengthen it and we turn this little knob on this gadget once a day.

Of course, this is a device which the young man could have turned himself but we have to keep them in the hospital for a treatment program and so we tend to do that while they are there.

Now, this procedure eventually resulted in a gain of length of just a little over two and a quarter inches. We called six centimeters his initial length.

Now, here we see the results of this procedure some six months later and you can see that it is being solidly, the bone, held together and he has also, in the process, gained two and a quarter inches of increased length.

Well, he went about his way for awhile and then we readmitted him that fall, in October and at that time he was still short on this (indicating) side and, therefore, we lengthened his left femur.

At that particular time, because he felt he would be willing to accept some degree of shortening on the long side, we stopped the growth in the same growth center on his opposite side. Through this next procedure, he stayed with us nearly six months and, at that time, we also began to give him extensive physical therapy.

We had to make sure that the device stayed intact and in place and the result here is a length of gain up six centimeters with, the second time, the same kind of devices being used.

We are also doing a procedure here which releases some tendons on the ligament which, in turn, permit the bone to be elongated and the result shows a gain in length of nearly, again, six centimeters.

Now, we would, in this day and age, do that all in one sitting, both the thigh bone and the shin bone, in our hospitals but in his day we were doing some things sequentially.

Also, here again, you can see that nature tends to fill in the bone and now again we have achieved a length of five inches.

Now, because we stopped the growth in his long side, he was destined to be short somewhere between a half and three-quarters of an inch.

Well, he put up with all of this but came in a little bit later, however, with an abnormal knee joint where his patella or kneecap kept flipping over to the side and, therefore, we had to do a repair of that and we did that in July of 1968.

That is some eighteen years ago. He was only in for a few days then and, at that time, we were also learning to get rid of children a little bit quicker then and, of course, this kind of thing does not require long postoperative immobilization.

Well, I did add up the number of days that this young gentleman stayed in the hospital. His first admission involved 150 days; his second admission 146; his third some ten days and all of you know what expense that entails in the average hospital, not to mention even nursing care and perhaps independently the surgical skill that is required to do this.

Now, I would like to give you a brief concerning his present status.

His name today is Dr. Milton Thomas. He is healthy, and I think he is telling me exactly what he means.

He eventually decided he wanted to be a physician. He is thirty-three years of age now, married and has two beautiful children. He is a doctor of medicine and a specialist in rehabilitation of children and adults:

It is now my sincere pleasure to present to you one of your products, one of the results of your efforts and, I think from what you can see, you should be as proud as I am.

Dr. Thomas, would you please come up here.

DR. STELLING: Let me ask you, Dr. Coleman, suppose you had not followed this procedure, what would have been the alternative for this patient?

DR. COLEMAN: Excuse me, that is certainly a very good question.

You can see, of course, why Dr. Stelling did so well. He is one of those from whom you will be hearing momentarily.

Well, at that time, we probably would have ended up with removing the foot and giving him an artificial limb. So you end up looking at a person who is getting around in the way that you can see and which you are going to see in a moment without an artificial limb.

PAST IMPERIAL POTENTATE OLFENE: Could we have the lights up, please?

Let me say to you, Nobles, that I thought you would be interested to know that little story and of the kind of work that is being done in your hospitals by such dedicated people as Dr. Sherman Coleman.

Now, as indicated, our surprise visitor with us today is Dr. Thomas, M.D., and I will ask him to come forward.

How about that? I am sure you will agree with me that he personally looks very great. (Applause)

Now, I know that Dr. Coleman, and he can talk the medical language pretty well together, and so I am going to ask Dr. Coleman if he would just ask Dr. Thomas a couple of leading questions. In other words, I would like to know what he actually thinks of what the Shrine did for him when it was needed.

DR. COLEMAN: I do have two questions to ask of Dr. Thomas but, mind you, let me first say that neither of us has rehearsed this part of the program.

First of all, did you really get the idea, perhaps the seed of an idea, to become a physician when you were undergoing that rather torturous appearing act that these Nobles saw and, if so, was it related at all to the kind of care you received?

DR. THOMAS: Thank you, Dr. Coleman.

First of all, let me thank all of you for allowing me to come here today. To me this is a privilege and an honor.

In answer to that question, first of all, without a doubt, it was Dr. Coleman who was the major impetus in my desiring to become a physician. I went back there twice a week at that time and as I did, he came in with a resident physician there and watched over us and, without a doubt, as he did come in to see us, he was very caring and concerned and loving and treated us just like the father you did not have while you were there. Without a doubt, that was the reason I became a physician and I honor him for that. (Applause)

PAST IMPERIAL POTENTATE OLFENE: I am sure, Nobles, you saw, as this gentleman walked in, no indication of any limp of any type.

Let me ask you, Doctor, do you have any difficulty at all with walking today?

DR. THOMAS: Only when I get tired. (Laughter)

PAST IMPERIAL POTENTATE OLFENE: Do you ever get that way? (Laughter)

DR. THOMAS: Yes.

PAST IMPERIAL POTENTATE OLFENE: Well, today I certainly know how you would feel. However, I just wanted you to have another illustration of what we are accomplishing in our hospitals and what we come up with as a finished product.

Dr. Thomas is going to be with us and depart with the rest of the group and perhaps you can catch him and ask him questions later on.

However, I really personally feel that this is another example of the great service we have done to an individual and which has especially resulted in his decision to become a medical doctor.

Now, good luck to you, Dr. Thomas, and at this point I would also like to have your wife stand up and face the audience.

... Whereupon, Mrs. Thomas arose in recognition ... (Applause)

PAST IMPERIAL POTENTATE OLFENE: There is one other thing that I would like to say and that is that we do have an Orthopedic Advisory Board that is made up presently of five members who are the leading orthopedic people that we have anywhere in this country, including Canada. They are our advisors. They are not, indeed, Shrine related except for one of our Chiefs of Staff being on that Advisory Committee and it is Dr. Sherman Coleman and we appreciate that. (Applause)

We now get to what is referred to as the "Old Fogies." In reality, we are down to the old timers, the individuals who have given us all this service over the years.

All three of these gentlemen sitting up here are individuals that I have gotten to know over the years and perhaps one more than the others but I want to tell you that each of these gentlemen we are about to make presentations to have dedicated a mature lifetime of service to helping others, "others" meaning the unfortunate people who do have orthopedic problems and, in particular for us, the children of our hospitals.

As I call their names, I am going to ask them to stand for just a moment, stand in place and I am then going to say a few words about them and then we are going to make a presentation to them and then also, at that time, I will introduce two of their lovely wives who are also, as I said initially, in attendance here today.

The first individual, and they are in no particular order but because he is nearest to the home court of where I live, I would like to ask Dr. Howard Steel, the retired Chief of Staff of the Philadelphia Unit, to please stand.

This man has a world of credentials, a C.V. so long that I would take much, much more time in presenting it to you. He has been everything and anything to the medical society in his specialty.

Dr. Steel has been with the Shriner system for some thirty-seven years and he has been our Chief of Staff and done an excellent job.

Therefore, it is with a deep sense of gratitude that we congratulate you, Dr. Steel, and say to both you, Howard, and your lovely wife, that we offer to you a wealth of health in the years ahead, an opportunity to rest, relax and do a few things that we know you would like to have done and your retirement will give you an opportunity to do it.

Therefore, it is a great opportunity for me to present to you the retired Chief of Staff of our Philadelphia Unit, Dr. Howard Steel. (Applause)

Now, also, at this point, I would like to ask Mrs. Steel if she would mind rising and facing the audience.

... Applause ensued as Mrs. Steel arose in recognition ...

The next man I am going to introduce is Dr. Ed Millar. He is our retired Chief of Staff from our Chicago Unit.

Believe it or not, he likewise has served thirty-seven years in the Shrine system and for many years as a Chief Surgeon and, by the way, you will note that all of these three gentlemen are wearing a Fez—not bad is it? (Applause)

So, Dr. Millar, like Dr. Steel, has had a great wealth of honors bestowed upon him, has a great wealth of experience and association with his various medical organizations and to you, Ed, and let me say that I call these individuals on a first name basis because that is what they call me most of the time but, again, to you Dr. Ed Millar, and to your lovely wife, we also wish you many years of good health and happiness in your retirement.

We applaud you for what you have done for the Shrine, yes, but more so, what you have done for unfortunate children throughout our entire area of Chicago.

My fellow Representatives, it is a pleasure for me to present to you the Chief of Staff, retired, Dr. Edward Millar of the Chicago Unit. (Applause)

I would also like to present to you for recognition, Mrs. Edward Millar.

... Applause ensued as Mrs. Millar arose in recognition ...

PAST IMPERIAL POTENTATE OLFENE: Now, this last individual that I am going to talk to you about is one that I have worked with very closely. He has a long background with Shriners Hospitals. In fact, he is the senior man here by one year in length of service, having begun to serve the Shrine some thirty-eight years ago.

During that time, he has served at our Greenville Hospital and in recent years was Chief of Staff of that Unit until just a few years ago, when we got him on board as our Director of Medical Affairs. He had the awesome responsibility of overseeing all of the medical service provided in our twenty-two Shrine Hospitals.

He is a most delightful man and, Frank, I thought you could get up out of that chair and stand while I am talking about you.

However, Dr. Frank Stelling is a real fine gentleman, a real outstanding orthopedic surgeon. He has written books and papers and if you look into the "Who's Who" of orthopedic people in this country, you will find he stands high on that list.

He has served the Shrine extremely well as our Director of Medical Affairs and he and I have enjoyed working together.

He certainly does deserve retirement at this point in his life. Frank also loves to play golf, went to the Master's at Augusta.

He has been a most delightful man and Noble that wholeheartedly deserves your reception and recognition and so I offer you the Chief of Staff, retired, of the Greenville Unit and our retired Director of Medical Affairs, Dr. Frank Stelling of Greenville, South Carolina. (Applause)

Frank, please be sure to say hello to Donna.

Now, if you three doctors will be kind enough to stand, I will ask the Imperial Potentate if he would indeed present to you your little plaques of appreciation.

Now, of course, this is not all you should have for all of the years you have had with us but we give it with a deep felt heart of thanks and gratitude for all you have done to help the Shrine of North America in relation to its hospital program.

At this point, Imperial Sir, would you make the presentation of the plaques, please?

IMPERIAL POTENTATE KISSELBURGH: Dr. Millar, it is my pleasure to present this beautiful plaque to you with a likeness of you engraved thereon.

... Presentation of plaque and applause ensued ...

IMPERIAL POTENTATE KISSELBURGH: Also, Dr. Stelling, here is your plaque, which I am likewise most happy to present to you. There you are, Dr. Stelling. This is presented to you in thanks for your many years of devotion to Shriners Hospitals for Crippled Children and, I might just add a footnote—you are a lousy golfer.

... Laughter, presentation of plaque and applause then ensued ...

IMPERIAL POTENTATE KISSELBURGH: Also, Dr. Steel, you are truly admired in your profession. Perhaps this is not a good likeness of you because you are really a lot better looking than that. But, at any rate, this plaque is presented to you with our thanks and appreciation for all the service you have rendered to Shriners Hospitals over these many years.

... Presentation of plaque and applause then ensued ...

IMPERIAL POTENTATE KISSELBURGH: May we again have one round of appreciation, Representatives, in appreciation for all the work these doctors have performed for Shriners Hospitals for Crippled Children.

... Rising applause then ensued ...

PAST IMPERIAL POTENTATE OLFENE: I would again like to, in closing my report, extend my thanks and appreciation to all of these gentlemen for the marvelous work they have done throughout the years. Now, Doctors, I would suggest you proceed over to the right of the stage where we will have some picture taking ensue.

Also, with that, Imperial Sir, I would request that you call the Assembly back from refreshment to labor.

IMPERIAL POTENTATE KISSELBURGH: I now call this assembly from refreshment to labor.

Now, I have a pleasant duty to perform. Is Trustee Emeritus Billy Mattison in the room? Will you please come forward.

Nobles, as you probably know, in the rules of the Colorado Corporation for service on the Board of Trustees, there are one or two stipulations.

One of these, for example, concerns the age factor which this fellow whom I am about to honor now has not really reached. The other stipulation is that you cannot serve on the Board of Trustees or cannot be reelected to the Board of Trustees after you have completed three consecutive three-year terms for a total of nine years. The intention here is that you would have to at least lay off a year in the event you wanted to run again. Of course, I cannot imagine anyone being prepared to do that. (Laughter)

However, I would like to indicate to you that this gentleman, Trustee Billy Mattison of Arabia Temple, a Past Potentate, will, at this session, have completed his third year of his third consecutive term and at the last Board meeting, the National Board elevated him to the position of Trustee Emeritus.

Billy has made a great contribution, not only to the Shrine for North America but to the hospital corporation, having served on the National Board and having served on many of its many, many committees.

Therefore, Billy Mattison, we welcome you as a Trustee Emeritus and say to you that we know you will stay active and continue to return and in connection with this event, we have a little presentation to make to you.

We have for you, Billy, a bronze plaque and I would like to read it because it is only going to take just a moment.

It is entitled "Imperial Council, A.A.O.N.M.S., Shriners Hospitals for Crippled Children."

It reads: "In recognition of his inexhaustible dedication and unselfish service as a Trustee for Shriners Hospitals from 1977 to 1986, and for him having donated his time and talents toward the betterment of the Shrine and its philosophy, we hereby unanimously appoint William E. Mattison to the position of Trustee Emeritus."

This is signed by your Imperial Potentate and the Chairman of the Board.

Congratulations, Billy, and, gentlemen, please give him the recognition he deserves.

... Rising applause ensued as the above indicated plaque was tendered to Illustrious Sir Billy Mattison ...

PAST IMPERIAL POTENTATE OLFENE: Imperial Sir, I would like to move, in accordance with your action just taken, that Illustrious Sir Mattison be made a Trustee Emeritus.

... The motion was severally seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that Billy be made a Trustee Emeritus.

All in favor will say aye; those opposed. It is unanimously carried.

PAST IMPERIAL POTENTATE OLFENE: And now, Imperial Sir, unless there are some other

things to be brought forth, I would move that this report be accepted. Let me say that I am sorry for the length and the time taken in connection with it.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that the report of the Chairman of the Board of Trustees be accepted. Is there discussion?

ILLUSTRIOUS SIR EDWARD MAAG [Ainad Temple]: When the President of our beloved Colorado Corporation was giving his report, he solicited other questions regarding his report. I do have a question, Imperial Sir.

Now, in connection with your report, you reviewed the administrative budget for Shriners Hospitals for Crippled Children and, in that connection, I would refer you to page 7 thereof and I will give you an opportunity to get to page 7, if you will, sir. That is the white sheet entitled "Shriners Hospitals Administrative Budget," page 7.

PAST IMPERIAL POTENTATE OLFENE: I have it, Ed.

NOBLE MAAG: This is my eighteenth year as a member of this corporation and in examining the corporate report I would like an explanation of a matter which appears on page 7 of this report that I have never known to have shown up in a corporate report concerning Shriners Hospitals before.

Mr. President, under "Board Expense," there is an item of "Airline Club Memberships." It is listed at \$50,000.

Please, Mr. President, tell us what that means and what benefit that is intended, sir, in relation to Shriners Hospitals for Crippled Children?

PAST IMPERIAL POTENTATE OLFENE: Ed, I will do my best for you.

That item was proposed by a member of the Joint Boards, namely, to purchase lifetime memberships up to three maximum—up to three lifetime memberships in an airline club or airline hospitality rooms. It was passed by the Joint Boards, which is the Board of Directors of the Iowa and Colorado Corporations meeting jointly and it was passed on the basis, as I recall, of making available three airline memberships to each of the Joint Board members.

Now, I believe that the intent of the gentleman who sponsored this was a little bit twofold.

The first was that once the appropriation of \$50,000 was allocated or appropriated, because it was starting anew at this point, this involving the present Board members, from then it would apply to only the newly elected individuals and, in this case, in relation to the Joint Boards, include the new Imperial Outer Guard and it would likewise include a new Trustee in the event one were elected.

Therefore, on that basis, I believe that the appropriation would be down to a very small figure in the years ahead.

Now, I believe that will explain to you why that particular amount of \$50,000 is indicated.

Now, as to why, I guess rather than my trying to explain the reason behind it, I think perhaps it would be in order to ask the sponsor of this arrangement or this suggestion if he would be willing to answer the question and, therefore, perhaps it might be in order for the Imperial Potentate to, at this time, call upon the sponsor of that item. At any rate, that is all I know about the situation. I believe the man who, according to our proceedings, brought that up, I believe, was Jack Dean.

IMPERIAL POTENTATE KISSELBURGH: Yes, that was the case. Is Jack Dean in the room? I do not see him or I do not hear him respond.

Therefore, in the interest of time, Illustrious Sir Maag, may we defer this until the sponsor of the resolution returns?

NOBLE EDWARD MAAG: Certainly, Imperial Sir. All I want is before we leave this place, somebody to answer my question.

IMPERIAL POTENTATE KISSELBURGH: Yes, thank you very much and we appreciate it and we will take it up again as soon as the sponsor of the resolution returns.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: We will now go back to the item that we postponed further consideration on due to the then absence of Imperial Sir Jack Dean. This concerns the airline membership cards.

I would now like to call upon Imperial Sir Jack Dean to further discuss that issue, he being the proponent of this issue.

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: It came to my attention over the last three or four years that I have been serving on these Joint Boards that as you miss airplanes, as you miss a number of other things when you are traveling with your wife, that you sit there and it is rather inconvenient—not only inconvenient, but if you are doing hospital work and trying to get something done, you have reports to read and you have other things to do and you do not have a place in which to do it.

Therefore, in that connection, I was the one that presented this particular recommendation—namely, that we approve the purchase of three lifetime memberships in airline clubs.

The reason I proposed “lifetime” was because it was cheaper than paying the annual dues for ten or twelve years.

I will also say to you personally that I have nothing to gain from this because I happen to have nine individual life memberships that I purchased myself before I ever got involved with the Shrine. However, I feel very strongly that there should be something done about this. It is something that we really do need.

Now, I have seen two incidents in the Chicago airport, two individuals, with their wives, get into the Chicago airport and because they had an honorary life membership, for example, in Delta, they had to go all the way up from the far corner of the airline on which they arrived all the way to the Delta facilities at the other end of the depot. This is not the most pleasant thing in the world to undergo, especially when you are involved with a snowstorm.

As I say, personally, I do not have to worry whether it is approved, disapproved or anything else because I have taken care of it in my own case. However, I tell you, gentlemen, it is something that should be made available.

I felt very strongly about it and therefore I made the original motion with respect to it. I did it because I felt it was something we should do. Therefore, I made the motion, it was discussed and subsequently carried.

That is the issue behind it all. Thank you.

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Imperial Sir George Powell who would like to make a statement.

IMPERIAL SIR POWELL: Thank you.

Imperial Sir, Imperial Sirs, Representatives and Nobles: I have an apology to make to all of you and I want to make it here and I want to correct it.

I made an error weeks ago when this proposal came forth in voting for it. Now, I voted for it essentially for the reasons that Imperial Sir Jack Dean has just indicated to you. There are many times when something of this sort is most convenient in relation to all the traveling we have to do.

Now, it was my thought, and perhaps the record will show it, that this item was to be an Iowa Corporation expense and not one of the Colorado Corporation. Last week, at our budget meeting, and I am a member, at least until tomorrow, of the Budget Committee, this sum that you now see in the report, of \$50,000 in the Colorado Corporation, was brought up and, again, the record, I am sure, will show that George Powell objected to that sum of money being spent for that purpose in relation to the Colorado Corporation.

The record, I am sure, will also show that I thought, in addition to the fact it was an Iowa Corporation item, the amount was only to be \$12,000 for the Iowa Corporation.

Now, I am sorry, I apologize to you and I can assure that when I return home you will find the amount of money that had been forwarded to me for my memberships returned in a check issued to the Shrine for North America, Colorado Corporation, including, if you are satisfied, twelve percent interest. Thank you for accepting my apology. (Applause)

IMPERIAL POTENTATE KISSELBURGH: I will next recognize Edward Maag, a Representative from Ainad Temple.

ILLUSTRIOUS SIR EDWARD MAAG [Ainad Temple]: Imperial Sir, I applaud not with my hands but with my heart the words of George Powell and I am here to say to you, Imperial Sir, and all of your peers and all of us here assembled, that what we do with the Iowa Corporation money is our business and we can do, almost unbridled, whatever we want. However, the funds of the Colorado Corporation are Trust funds for charitable purposes and

we owe the highest fiduciary duty and responsibility to spend those funds for charitable purposes.

I also respectively submit that my membership in the Ionosphere Club of Eastern Airlines, and I have had one during all of the years that I served on J and L and the corporation did not purchase it for me, and I have had one all the years I was General Counsel and the corporation did not purchase it for me because I felt I could afford to purchase my own membership in each airline in relation to these clubs.

Therefore, I would respectively submit that the fiduciaries we have elected, the Directors and Trustees of the Colorado Corporation, can do no less than purchase their own memberships in social clubs. (Applause)

PAST IMPERIAL POTENTATE OLFENE: I just want to make one clarifying comment in relation to when he said that the Joint Boards approved this. I want to make it clear that there were some members of these Boards, as we can best judge, who may not have been there at the moment and so I do not want to paint everybody with the same brush. I just want you to know that.

One individual, I know, was sick and could not be there and, therefore, I do not want it inferred that this individual was there at the time the action was taken.

IMPERIAL POTENTATE KISSELBURGH: Let me ask you, Sam, can you tell us as to what money has been expended in connection with that item concerning this budget?

NOBLE ERICKSON: Imperial Sir, it will take me just a moment to find that figure.

IMPERIAL POTENTATE KISSELBURGH: While we are waiting, perhaps we can take care of another matter.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now call on Imperial Sir Randolph R. Thomas, Chairman of the Investment Committee, for a report of the Investment Committee. Please listen to this report, fellows. It is real exciting and this is also where your money is invested.

PAST IMPERIAL POTENTATE THOMAS: Imperial Sir, Imperial Sirs, Representatives and Distinguished Guests: It is my pleasure on behalf of the Investment Committee, to present our annual report, concerning the endowment fund of Shriners Hospitals for Crippled Children.

Primarily because of a strong equity market during the closing months of 1985, our endowment fund performance was outstanding. I would refer you to the Book of Reports for details and dollar values of our investments. However, I am pleased to report that our fund is now in excess of \$2 billion and last year (1985) the total return earned on our investment management accounts was 25.17 percent, of which 7.40 percent represented appreciation (realized and unrealized gains).

The Investment Committee has continued its search for methods and programs to enhance our investment return and this past year the committee concentrated on lowering the costs of operating our endowment fund by reducing the transaction charges by sixteen percent. We have identified other areas of potential savings and intend to continue working to make this fund more efficient.

I have thoroughly enjoyed this challenge and would like to thank the Imperial Potentate and the Board of Directors for appointing me to the Chairmanship of this committee. I would also like to express my sincere thanks to the members of the committee and to the Headquarters staff for their hard work and efforts throughout the year.

Respectfully submitted,
Randolph R. Thomas, Chairman

Imperial Sir, I would move this report be accepted.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded that this report be accepted.

All in favor please say aye; opposed. It is unanimously carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now call upon Illustrious and Imperial Sir Robert J. Turley for a report on the Planning Committee. This is our future, fellows, and this is what we are living for—the future.

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, Imperial Sirs and Representatives: First, a little about the past.

I really, until Sunday, thought that the “Kisselburgh” was like an Easter Bunny—that there really was not any such thing—and then last Sunday morning Susan and I went out to the LaBrea Tar Pits where they have a museum and they had found in the tar pits the skeletons of prehistoric animals and birds.

One of those that was shown out there was a sort of long-necked bird that they had found the skeleton of and I figured it must have been the first “Kisselburgh.”

Now, it had a long technical name involved with it but, in relation to its common name, it was called “Turkey.” (Laughter)

Now, Nobles, I believe this is the twenty-sixth convention or the twenty-seventh that I have attended and I have heard us, you and me, year after year, talk about the past and how we have done.

In about sixty-five years or so, we have built eighteen Orthopedic Hospitals, we have three Burns Institutes, we have three Spinal Cord Injury Centers and we engage in tremendous research—about \$11 million to be budgeted for research this year.

We have participated in the teaching of orthopedic surgeons and other health care personnel for many years and we have been doing a magnificent job developing new modalities and techniques of treatment in Shriners Hospitals.

Who among us can fail to feel the pride of our accomplishments?

At the turn of this decade, we had a consolidated fund balance, which I was trying to tell you about this morning, sort of like a net worth of almost a billion dollars. The figure was approximately \$954 million. That was on January 1, 1980.

Last January, the first time in six years, that consolidated fund balance had more than doubled. It was \$1,980,157,842 and that is after all of the expenses that we had over the course of these six years for patient care and research and teaching and, further, that figure does not include the unrealized gains.

If you will look in your Book of Reports, you will see that as of the end of last year, we are \$154 million in unrealized gains on our securities. Furthermore, that figure values our land and acquisition value, and it values our oil interests at \$1 each. Right now our net worth is in excess of \$2 billion in 1985 alone—one year. We had an increase in the endowment fund, after all expenses, of \$213,201,397.

Really, if one looks at the bottom line, we are doing great. We have out-performed some real growth industry but if you saw some of these recent newspaper articles, we are up pretty high on the Fortune 500 and it is not hard to just sit back and, in a way, brag about that, is it?

But how shall we measure success—by the number of dollars we have accumulated or by the service we render?

So much then for the pride of accomplishment because today's question is not what we have done, it is as to what is our potential?

On the National Archives Building in Washington, D.C., across the top of the tabloid, is inscribed—“The Past is Prologue” and, indeed, our proper concern today is the future. The moving finger has already hit, another line will be erased but the future is another matter because the future depends upon us. Every man is his own ancestor and every man his own past. He devises his own future and he inherits his own past.

So it is with institutions, institutions such as Shriners Hospitals for Crippled Children.

And I want to talk to you today for a few moments about a matter of the utmost importance to this institution and to this group and I say to you a matter which is of the greatest importance to us—planning, devising our future, long range planning, first, planning with purpose.

Planning is, of necessity, goal oriented and so the first essential question is what are our goals, what are our purposes?

If you will look at Article 20 of the Articles of Incorporation of the Colorado Corporation,

it says that our hospital purpose is a charity—that we are to be involved with charities and benevolences. They use terms like “eleemosynary”—this is a nonstock, non-profit corporation, the profit of which is irrevocably dedicated to the hospitals, charitable and scientific purposes.

We have no shareholders demanding dividends or profits. We pay dividends only in the case of crutches and discarded braces of little boys and girls who need them no longer.

We are in business to take care of those who cannot take care of themselves. We are not in business to make money but to spend it.

Shriners Hospitals for Crippled Children is not a business—it is charity and our planning must keep that fact in mind. In no other way can we plan with purpose.

Secondly, we must plan responsibly—planning to match needs with resources and resources with needs. Our function is to look at the resources and identify the needs.

We all agree that this must be done in a responsible fashion. Some of us call it “fiscal responsibility.” I would like to talk about that in just a moment and like Cicero wrote to his son—“Before we can embark upon a systematic discussion of any topic, we must define our terms.”

In the process of Shriners Hospitals for Crippled Children, this charity, how do we define fiscal responsibility?

I would suggest to you that we define it in terms of who, why, how, what and when.

First of all, to whom are we responsible and why? Well, I submit to you that we are responsible first, to the children, second to the Shriners and thirdly to the public.

We are responsible to the children because Shriners Hospitals was created for their sake; to the Shriners because they chose us to act in their name and to the public because we are far the greatest part of these vast resources which are entrusted to our care by the public, which continues to support our efforts in a magnificent fashion.

How are we responsible to the children, to the Shriner and to the public?

To the children, in identifying and meeting their needs; to Shriners in preserving this institution and its representation, and to the public in wisely utilizing the resources entrusted to our care.

We are responsible to the children of today and the children of tomorrow; to the Shriners of yesteryear who delivered unto us this heritage we are responsible and to the Shriners of tomorrow whom we must deliver this institution we are responsible today; to the public we are responsible today and in perpetuity and so, for the way we respond to all three—for the value judgments which determine (1) what needs will be met, (2) what resources will be utilized today and how much shall we put aside for tomorrow's needs and (3) how can we allocate limited resources among competing needs?

Next, I would like to speak about planning fairly and now we are into the value judgments are we not, because I am sure every one of us will agree we need to plan fairly but then sometimes we will have some disagreements about what is fair. Here is my suggestion, if you will.

Fair planning is consistent with the purpose, and you know what that is—it is consistent with our responsibilities, and you will agree with me on those. It sets something aside for tomorrow's needs while, at the same time, even now, planning first meets the needs of today so that today's children and their needs are not sacrificed for tomorrow's unknowns. However, it also puts something away for tomorrow, even though the needs are unknown.

Limited resources are allocated among needs which I have identified and evaluated in terms of relative importance and priorities which have been thus determined.

Fair planning starts a balance. It does not waste but neither does it accumulate millions and millions of dollars so that we can simply accumulate it and marvel.

Do you remember the parable of the talents? Do not, for example, the Scriptures say—“To whom much is given, of him shall much be required”?

We must plan creatively and the Long Range Planning Committee was given that charge—to undertake such investigation, surveys and studies as may be necessary or appropriate to (1) identify and define the present and future needs of crippled children which are best served by Shriners Hospitals; (2) establish priorities for meeting such needs, considering the extent and availability of Shriners Hospitals resources, both present and potential and

considering social, economic and political developments and trends; (3) to develop plans for meeting unmet needs and in a manner that will best utilize the resources of Shriners Hospitals.

My friends, this will not be easy—this will not be easy because in this environment of 1986, the whole health care industry of which we are per force a part is in the midst of a revolution.

You have heard of DRGs, HMOs and PPOs and all of these things. What that means, as you have seen, is that competition in the health care industry has become intense. Do you remember, five or six years ago, ever seeing a television commercial telling you how great the hospital in your city is; how you must come to one or the other? Do you remember a few years ago an ad in a paper about how marvelous one or another doctor is?

We must identify unmet needs and then we must develop the best products to meet those needs and, finally, we must market that product in a competitive environment and so, we develop centers of excellence. We shall develop "state of the art" facilities; we shall provide world-class leadership in health care; we shall not be left in the backwaters of health care but we shall be in the mainstream and, indeed, be leading the way.

Will that be expensive? Of course it will but would you have anything less?

If the past is prologue and today we stand at the threshold of a new and exciting era, our opportunities are limited only by the limits of our imaginations. We can give hope to others, which is homeless children and their families, if we but have faith in our future and in our hospitals and in ourselves.

Ours has been a "parade to glory" to be sure but the path to greater glory is the path of greater service and now we ask you to embark upon that path with us, simply in love for the children we serve, the institutions through which we serve them and the God in whose blessed name we do so.

Come with us along the path of greater service to greater glory and greater heights.
(Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you, Bob.

That is a tough job, being on the Long Range Planning Committee. That is looking into the future. Thank you for a fine job, Bob.

... Business was transacted in the Iowa Corporation at this time . . .

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-thirty-five o'clock p.m. . . .

MORNING SESSION
FRIDAY, JULY 4, 1986
ELEVEN-TEN O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, reconvened at the Westin Bonaventure Hotel, Los Angeles, California, at eleven-ten o'clock a.m., Imperial Potentate Walker S. Kisselburgh presiding.

IMPERIAL POTENTATE KISSELBURGH: If you will take your seats, gentlemen, we will start our meeting.

... Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE KISSELBURGH: The Chair recognizes Illustrious Sir Ed Maag.

NOBLE ED MAAG [Ainad Temple]: Imperial Sir, Imperial Sirs and Representatives: I speak as a member of the Colorado Corporation and not as a Representative of the Iowa Corporation.

I hope and pray that when Bob Turley goes on the "Today" show, it will be successful in ameliorating some of the horrible public relations that we have had within the past several weeks.

I think we ought to support Bob in every way we can and I think we ought to send Bob to New York City with a clean slate and a clear conscience for all of us because he will be our conscience.

Therefore, on that basis, I think we should do some housecleaning and, as a housecleaning measure, let it be indicated that I voted in favor of the approval of the Colorado Corporation

budget as submitted to you earlier and because I voted in favor and have learned some other things about that budget yesterday afternoon from certain corporate officers, I now move that this assembly reconsider the Colorado Corporation budget and, in particular reconsider that item under Board expense entitled "Airline Club Memberships."

I would move you now, Imperial Sir, that we reconsider that item in the Colorado Corporation budget.

IMPERIAL POTENTATE KISSELBURGH: Will somebody second the motion?

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: It has been moved and seconded to reconsider the Colorado Corporation budget and we refer you specifically to the item entitled "Airline Club Memberships." Is there any discussion on the motion to reconsider?

... The question was severally called for ...

IMPERIAL POTENTATE KISSELBURGH: The question has been called for.

All those in favor of reconsideration please say aye; opposed. It is carried and so ordered.

NOBLE MAAG: Now, Imperial Sir, having voting to reconsider the item, I move you that we amend the Colorado Corporation budget as it was supplied to us earlier to eliminate the \$50,000 expenditure for airline club memberships. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Is there a second?

... The motion was severally seconded ...

IMPERIAL POTENTATE KISSELBURGH: The motion has been made and seconded to amend the Colorado budget and to totally eliminate the line item "Airline Club Memberships." Is that correct, Ed?

NOBLE MAAG: It is, Imperial Sir, and fairly stated.

IMPERIAL POTENTATE KISSELBURGH: Thank you. Is there any discussion on the motion?

IMPERIAL SIR TURLEY: Imperial Sir, I had nothing to say about this until my name was dropped into the hopper and I did not know what was going on but, the action having been taken, let me tell you that I was not present at that meeting at which that action was taken by the Joint Boards and I have not been furnished with an airline club membership. Further I have not asked for one and, indeed, told the Treasurer that I would not accept one.

Now, I would not have said that except that my name was brought up here and I think the record ought to be clear under those circumstances.

IMPERIAL POTENTATE KISSELBURGH: I think that the Chair can clearly state that Bob Turley's name was only brought up with regard to the fact you are going to appear next week on the "Today" show and that you should be armed with the best ammunition possible. Is that fairly stated?

NOBLE MAAG: Yes, sir, you bet your life it is.

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion on the motion?

IMPERIAL SIR ROBERT BAILEY: Imperial Sir and Imperial Sirs, Illustrious Sirs and Representatives and My Fellow Nobles: May I take just a moment of your valuable time to tell you that I have four airline club memberships.

In the twenty-one months that I ran asking you for this office, I covered some 150,000 miles visiting some eighty-six Temples and thirty-six Shrine Associations.

We discussed during our campaign, Sarah and I, that we would purchase these four memberships. However, the reason that we did not do so was because the cash outflow as such was that we felt it was more important to be devoted to the campaign than it was to the airline clubs.

We have sat up in air terminals from San Francisco to Philadelphia up to as high as seven hours because of aborted take-offs because of storms, because of some other reason that the aircraft did not move.

In the last three months, I have only had two flights that actually left on time and about two weeks ago sat in the St. Louis airport for five hours because of a mechanical breakdown on a piece of equipment. That is my personal side of it.

Now, let me explain to you as to what an airline club is.

... Cries of "no, no" ...

IMPERIAL SIR BAILEY: Your Imperial Officers have met in Atlanta, Houston, many places where they have furnished us rooms to meet in those clubs rather than to rent a hotel room

in which to have the same type of meeting. We think that it is important that we have the opportunity to meet at places like that rather than expending additional expense in behalf of the corporations.

Now, again, we have done this in behalf of both corporations and we likewise do this in your behalf.

Also, I think I speak for my colleagues on the Imperial Divan when I say that we came here with little expense to anyone except ourselves.

We are not asking for a free ride. The \$50,000 has not been spent. It was a projection of what might be spent and I am sure that if you choose out of the thirteen Imperial Officers and seven Board of Trustee members, that probably fifteen of them are in the air someplace in the United States or Mexico every week of the year.

IMPERIAL POTENTATE KISSELBURGH: Thank you very much, Imperial Sir Bob.

In the interest of time, we are going to have to move this along.

IMPERIAL SIR BAILEY: Imperial Sir, would you allow me to finish?

IMPERIAL POTENTATE KISSELBURGH: Yes, go ahead, if you will make it brief.

IMPERIAL SIR BAILEY: If you feel that this is not worthwhile to you or to the corporations, I, for one, am sure that I speak for my fellow Imperial Officers that those funds that have been expended will be returned to the corporation and I, for one, will write my check on Tuesday morning if you decide this is not a positive piece of business of either corporation.

Thank you very much. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Thank you very much. Is there further discussion on the motion?

... The question was called for ...

ILLUSTRIOUS SIR J. R. DEVISH [Potentate, Afifi Temple]: Imperial Sir, with all due respect to Imperial Sir Bailey, I think the point that is being made here is that a budget was approved in 1985 in Atlanta. However, somebody has come along in their infinite wisdom and added \$50,000 here and another item in the Iowa Corporation of \$46,000 that are very questionable when it comes to the public relations image of the Shrine.

This is not a big issue in total dollars that we deal with but the important point that is being made in the message, and I hope being conveyed, is do not spend the money in a manner of that nature without getting the message to those who have to be responsible to the troops out in the field. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Is there further discussion.

... The question was again severally called for ...

IMPERIAL POTENTATE KISSELBURGH: The question has been called for.

All those in favor of the motion to amend the Colorado budget and totally eliminate that line item, the airline club memberships, will please say aye; opposed no. It is unanimously carried. Thank you.

I will now call on the Imperial Treasurer for his report.

Also, let me announce that there will be presentations of checks shortly and so if you have any presentations to make for publicity and pictures, please do not leave.

ILLUSTRIOUS SIR DICK MATTHEWS [Potentate, Kena Temple]: Imperial Sir, do we not now need a motion to pass the budget of the Colorado Corporation as amended?

IMPERIAL POTENTATE KISSELBURGH: I will ask for a ruling on that—do we need a motion to pass the Colorado Corporation budget as amended?

NOBLE COOPER [Parliamentarian]: You only reconsidered one part of that. We did not reconsider the entire budget.

IMPERIAL POTENTATE KISSELBURGH: However, if there is any doubt in your mind, we can take a motion. If you would like to make a motion to that effect, that certainly will clear up the matter. Would you care to make a motion?

NOBLE MATTHEWS: Imperial Sir, if only to clean up the record here, I would move that we affirmatively pass the Colorado budget as amended. I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: Is there discussion?

Hearing none, all in favor please say aye; opposed. It is unanimously carried.

With that, we will extract the \$50,000 from the total of that budget.

I will now recognize our Imperial Treasurer, Webber Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and My Fellow Representatives: Before I get into the report of the Treasurer for both corporations, and I will be very brief, I do want to clarify one point.

Yesterday, I gave you a statement with respect to the fund raising costs of Shriners Hospitals for Crippled Children. The statement which I gave you yesterday is on page 3 of the statement which has been handed out to you today and I want to make sure that you understand one thing.

You will notice, for example, on the fifth line from the bottom of that page, where it says, "Shriners Hospitals for Crippled Children Fund Raising," the costs amounted to \$1,648,000, which represents one-half of one percent of 1985 total revenues and 1.4 percent of the 1985 total expense.

As a matter of fact, that is exactly what I read to you yesterday but I do not want you to be confused by the summary which is from the newspaper article, which appears two pages later and way down on the bottom segment it shows Shriners Hospitals for Crippled Children, where, with respect to fund raising, it had the correct figure, but then over in the other column it says "management and fund raising as a percent of total expenses," and it has a figure of 4.2 in that column.

Now, that includes a lot of other things, such as the Headquarters, administrative expenses and other things and that figure should not be confused by any of you as to what our fund raising expenses are. The correct figure is on page 3 of that statement.

Now, with that clarification, I would like to touch briefly on the Treasurer's report for the Colorado Corporation.

First let me say that you have it in your Book of Reports and I hope that all of you have read your Book of Reports.

In particular, I call your attention to the report of our independent auditors.

Now, I have tried not to repeat any of those numbers in my report except to highlight things which I think are important to us.

For example, I gave you a comparison of the 1985 approved budget and also the actual numbers. This is on the first page in your Book of Reports.

I also, over on the second page, gave you a list of the items which constituted the increase in the endowment fund, showing a total increase of \$213,201,397, which was a tremendous figure for the year but, in addition to that and, incidentally, included in that, were realized gains from investments of some \$98.4 million but, also, I have given you a breakdown of the excess of market values, of carrying values. In other words, those were the realized gains for last year in our portfolio of \$153,927,000.

Now, I recognize we have been in a bull market—that we have really had marvelous performance by our bank managers and I am pleased to tell you that since January 1, 1986, we have had approximately a \$300 million gain in our endowment, mostly because of the market conditions.

Now, with that, Imperial Sir, I would like to turn to the report of the Treasurer for the Iowa Corporation. There are two or three things that I think need to be mentioned.

First of all, you will recognize that for the past two years, we have initially budgeted deficits with respect to the Iowa Corporation, which were then converted to very nice excesses of revenues over expenses because of the great savings which have been experienced on the airline fares for the Imperial Council. You Representatives deserve credit for that. That was a great job you have done in seeing that our costs were minimized both for the last year's Imperial Council session and this year's.

Therefore, what I would like to tell you is that although the insert in your packets this year showed a budget at Atlanta that was a projected deficit of \$466,983, we were able to tell, by the published airline fares as of May 1, which is what we use as our guide, that we were able to recommend to you adjustments in that budget which then brought the budget deficit down to \$79,833.

Also, I am able to tell you now that a rough calculation of the actual airline fares for this convention now leads us to believe that we will save another \$210,000 and we will indeed

have a surplus instead of a deficit for the year of 1986 of approximately \$125,000. (Applause)

Just one more comment and that relates to the 1987 budget.

You will notice that a very sizable deficit is presently budgeted for 1987 but we will have to see what happens to the airline fares this year. We hope that we will be the recipients of the same kind of good fortune which we have had in the last two years but until we know what those airline fares are on next May 1, and particularly when we get the actual, we will not be able to tell.

I just want to say one more thing and that is I want to thank the Budget Committee, the Investment Committee, the Long Range Planning Committee and the Executive Vice President for the great assistance which they have been giving the Imperial Treasurer's Office, particularly with respect to the dissemination of information to the Imperial Divan and Joint Boards. I feel, as a result of this, that we have a Joint Board who are much better informed with respect to all of the financial affairs, as was the case several years ago.

Thank you. (Applause)

Imperial Sir, I would move for the acceptance of these reports.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: We have a motion and a second for the acceptance of the Treasurer's report.

All in favor please say aye; opposed. It is unanimously carried.

Now, I just received a check from the Potentate of Aleppo Temple, who had to rush to catch a plane and I want you to know I told him I would make an announcement that he had turned over \$50,000 in checks to Shriners Hospitals for Crippled Children and he promised another \$50,000 to come and that is what Aleppo Temple and their great effort in relation to that beautiful football classic has done.

I would like to also announce that I received a check from the International Shrine Clown Association and I would like to call on Imperial Sir Ed McMullan for just a moment. Do not leave yet, we have some minor things yet to do and I promise you that we will be out of here in approximately twenty minutes.

IMPERIAL SIR McMULLAN: I would like to have you look at this gentleman here, who is the President of the International Shrine Clown Association for North America.

I had the privilege of accepting checks in behalf of the Imperial Potentate at the International Shrine Clown Association this year at Winnipeg. It says here that this is in the amount of \$85,000 from the Sneaker Fund.

I want to tell you, gentlemen, that not one cent of that money was used for expenses to acquire that \$85,000. Also, in the year of 1974, this small group of Nobles, 5,400 in the entire North American continent, gave the sum of \$700 and now it is \$85,000 and they are going to reach \$100,000 for next year. If they reach that figure, the gentleman here will lose his beard. If they go to \$120,000, we are going to shave him bald and so we want them to get the \$120,000. (Laughter)

At any rate, in both cases, we will be the winners. Thank you very much.

IMPERIAL POTENTATE KISSELBURGH: Thank you.

Let me ask all of the Potentates from the various Temples who want to make a presentation to come over here at the side of the podium. I am sorry fellows, but in the interest of time, I am going to have to go on but, again, you will receive your recognition.

At this point, I would like to have the Potentate of El Karubah and the Potentate of Egypt Temple go over there by Imperial Sir Gene Bracewell.

PAST IMPERIAL POTENTATE BRACEWELL: Imperial Sir, Imperial Sirs and Representatives: I guess it is time for me.

You know, when you Representatives approve the construction of a new facility, new hospital, there are many jobs that have to be done. First, for example, we have to employ a company to do the appropriate programming. Then we have to select an architectural firm to actually do the drawings and specifications and then, thirdly and more importantly, we must select and appoint an agent for the Shrine.

Now, this responsibility is tremendous.

This agent for the Shrine is the person that acts in our behalf to make sure the hospital is

built according to plans and specifications and to make sure we are receiving the type of job we desire and the type of job we are paying for.

This job as an agent for a new hospital will normally take between three to five years from the time it starts and the drawings are made until you have the construction completed.

In Los Angeles, Noble Ken Boucher, the Recorder of Al Malaikah Temple, was the agent for the beautiful new Los Angeles Unit and, in recognition of his services, I have this plaque for Ken.

I will read the plaque for Ken and then, in relation to the other two gentlemen, I will not read them.

This plaque reads: "Presented to Ken Boucher for your tireless efforts and sincere devotion in acting as Shriners Agent during the construction of the Los Angeles Unit of Shriners for Crippled Children. Your invaluable assistance and self-dedication has helped create a hospital that should be of benefit to crippled children in the years to come.

On behalf of the children and the Shrine for North America, we thank you for all you have so generously given to us."

This is signed by our Imperial Potentate, Walker Kisselburgh and by the Chairman of the Board of Trustees, Dick Olfene.

Also, I might add that this job is a nonpaying job. Noble Ken Boucher, it gives me a great deal of pleasure to present this beautiful plaque to you and thank you for the wonderful job you did.

... Presentation of plaque and applause ensued ...

PAST IMPERIAL POTENTATE BRACEWELL: And now, Illustrious Sir Truby Jones, Potentate of Egypt Temple, will you do me the honor of taking this beautiful plaque and present it to Danny Manrique, Past Potentate of Egypt Temple, because he was involved as agent for the Tampa Hospital and thank him for his service.

Also, in the essence of time, I would like to give this plaque to the Potentate of El Karubah Temple and ask him, in the essence of time, to present it to George N. Gray, agent for the Shrine during the construction of the Shreveport Unit.

Thank you very much, Representatives. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: I will now call on our Imperial Recorder, Imperial Sir Jack Jones.

IMPERIAL SIR JACK JONES: Imperial Sir, Imperial Sirs and Representatives: I move that all of the acts and transactions of the Officers, Board of Directors and Board of Trustees of the Colorado Corporation for the past year and at this Session be ratified and approved.

... The motion was duly seconded ...

IMPERIAL POTENTATE KISSELBURGH: All in favor please say aye; opposed. It is unanimously carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: The Chair will again recognize the Imperial Recorder.

IMPERIAL SIR JONES: Imperial Sir, in accordance with Imperial Council Bylaws, Section 504.2, I move that all members of the Colorado Corporation who did not register at this Session or who were not elected at this Session, have their membership terminated.

... The motion was duly seconded, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE KISSELBURGH: I would now like to call on Imperial Sir Gene Bracewell for a short announcement.

PAST IMPERIAL POTENTATE BRACEWELL: Thank you, Imperial Sir.

I would like to take just a moment to compliment Chairman Olfene on the report he made yesterday and the presentation given to us by Dr. Sherman Coleman and I ask that you fellow Representatives join me in a round of applause for Chairman Olfene for the many years of service he has given to this organization.

... Rising applause ensued ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE KISSELBURGH: Now, over here we have the pride of the Shrine. These are the Potentates of the various Temples who want to come up and make a presentation to the Imperial Potentate and Chairman of the Board of Trustees. Now, I cannot deny them that opportunity because their picture will be taken and sent back home for them to take advantage of. This is the pride of the Fraternal organization.

So I shall ask the Potentates to come up on the stage and very clearly tell us the amount of money that they are making as a contribution to Shriners Hospitals for Crippled Children and the event that has taken place in relation to the making of these funds.

... At this point, a check was presented in the amount of \$645,721.34 in behalf of the six Temples in Ohio ... (Applause)

ILLUSTRIOUS SIR ROBERT WILSON [Potentate, Hasan Temple]: Imperial Sir, on behalf of our 3,800 members, I would like to present this check from our paper sale in the amount of \$100,000. (Applause)

ILLUSTRIOUS SIR RAYMOND PALANGE [Potentate, Islam Temple]: Imperial Sir, in behalf of the East-West Shrine Football Classic, I would like to present to you this check in the amount of \$287,359. (Applause)

ILLUSTRIOUS SIR W. D. WHILES [Potentate, Gizeh Temple]: Imperial Sir, in behalf of the 3,800 Nobles of our Temple, I would like to present this check for \$100,000 to Shriners Hospitals for Crippled Children and also another check for \$4,464. (Applause)

ILLUSTRIOUS SIR ROBERT A. JONES [Potentate, Amran Temple]: Imperial Sir, it gives me a great privilege and honor to represent the six Temples of the Carolinas and I would also like to say this is also an honor for our Grand Master, I wish to present to you the results of our bowl game for 1985. I have a check to present in the amount of \$2,501,985.49. (Applause)

ILLUSTRIOUS SIR L. G. BERRY [Potentate, Abdallah Temple]: Imperial Sir, for the five Kansas Temples, we would like to present to you this check for \$58,189.59 from our Kansas Shrine Football Game. (Applause)

ILLUSTRIOUS SIR A. H. TIGNOR [Potentate, Kazim Temple]: In behalf of more than 4,000 of Kazim Temple's Nobles, it gives me a great deal of pleasure to present this check for \$176,468.31. (Applause)

ILLUSTRIOUS SIR RICARDO G. VITA [Potentate, Jerusalem Temple]: On behalf of the Shriners of Jerusalem Temple, I would like to present to you a check in the amount of \$65,000, which brings our total for the year up to \$385,348.11. (Applause)

ILLUSTRIOUS SIR R. W. BUTTRAM [Potentate, Hadi Temple]: Imperial Sir, Hadi Temple would like to present this check in the amount of \$154,000 to you. (Applause)

ILLUSTRIOUS SIR W. G. PADGETT [Potentate, Hamasa Temple]: In behalf of the 5,400 Nobles of Hamasa Temple, we would like to present this check in the amount of \$30,000 to you. (Applause)

REPRESENTATIVE: In behalf of the Shrine Oriental Band Ladder of Smiles, I have been asked to present this check to you in the amount of \$68,027.71. (Applause)

IMPERIAL POTENTATE KISSELBURGH: Let me say, fellows, we just had to do that because those pictures are so very important to these fellows. Thank you very, very much.

**ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER,
SHRINERS HOSPITAL FOR CRIPPLED CHILDREN**

JANUARY 1-DECEMBER 31, 1985

Imperial Sir Walker S. Kisselburgh, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S., at the One Hundred Twelfth Annual Imperial Council Session at Los Angeles, California, July 1986:

IMPERIAL SIR, IMPERIAL SIRs, ILLUSTRIOUS SIRs AND NOBLES:

The comments in this report should be considered in conjunction with a careful review of the report of our auditors, KMG Main Hurdman, which shows the financial position, results of operations and supplementary data regarding Shriners Hospitals for Crippled Children.

The format of the Combined Statement of Revenues, Expenses and Changes in Fund Balances has been changed this year so that it is easier to compare the Operating Revenues and Expenses with amounts budgeted and reported to the Imperial Council by the Finance and Accounts Committee. We are continuing to update our ten year forecast of revenues and expenditures and are operating on a pay as we go basis, both with respect to current operations and our hospital rebuilding program. We have seen a narrowing of the gap between operating revenues and expenses, compared with amounts approved in the 1985 budget by the Imperial Council last year, as follows:

	<i>1985 Approved Budget</i>	<i>Actual</i>	<i>Actual Under Budget</i>
Revenues designated			
for operations	\$134,000,000	\$128,056,170	\$(5,943,830)
Operating expenses	<u>122,000,000</u>	<u>121,585,680</u>	<u>(414,320)</u>
Excess of revenues designated			
for operations over			
operating expenses	<u>\$ 12,000,000</u>	<u>\$ 6,470,490</u>	<u>\$(5,529,510)</u>

The principal reason for reduction in revenues was the decline in interest rates on our fixed income portfolio in 1985. This trend is expected to continue on a near-term basis. However, we have been very fortunate to have experienced excellent growth in gifts and bequests to our endowment fund and in both realized and unrealized gains on our equity portfolio.

The following schedule summarizes the principal of our endowment fund at December 31, 1985 and 1984:

	<i>1985</i>	<i>1984</i>
Cash and cash equivalents	\$ 1,377,585	\$ 8,902,138
Temporary investments	92,629,879	77,459,651
Securities	1,542,812,904	1,342,202,880
Mortgages, real estate and miscellaneous	58,090,972	58,612,522
	<u>1,694,911,340</u>	<u>1,487,177,191</u>
Less liabilities	<u>4,678,752</u>	<u>4,370,866</u>
	<u>1,690,232,588</u>	<u>1,482,806,325</u>
Add amount due from Operations Fund		
to Investment Fund	5,775,134	
	<u>\$1,696,007,722</u>	<u>\$1,482,806,325</u>
Consisting of:		
Funds held for transfer	\$ 108,982,715	\$ 85,615,003
Designated and restricted for investment	<u>1,587,025,007</u>	<u>1,397,191,322</u>
	<u>\$1,696,007,722</u>	<u>\$1,482,806,325</u>

The increase in the endowment fund was attributable to the following:

Life memberships	\$ 274,283
Unrestricted gifts and bequests (exclusive of \$599,325 to current operations)	121,544,524
Restricted gifts and bequests	2,546,529
Realized gains from investments	98,401,073
Other income (expense), net	(162,769)
Interfund transfers, net	(8,331,178)
Foreign currency translation and exchange losses	(1,071,065)
	<u>\$213,201,397</u>

In addition to our realized gains, we had a substantial increase in unrealized gains as shown in the following comparison of market value to carrying value of securities held:

	<i>Market Value</i>	<i>Carrying Value</i>	<i>Excess of Market Over Carrying Value</i>
1985	\$1,818,900,586	\$1,542,812,904	\$276,087,682
1984	1,464,363,335	1,342,202,880	122,160,455
Increase	<u>\$ 354,537,251</u>	<u>\$ 200,610,024</u>	<u>\$153,927,227</u>

I wish to thank the Budget, Investment and Planning Committees together with the Executive Vice President and Controller for the work which they have done during the past year in financial planning, expense control and dissemination of financial information to the Joint Boards. Much of this information will be included in the reports of the committees and officers during the Imperial Council session.

Respectfully submitted,

Yours in the Faith,

WEBBER C. HARRINGTON, *Treasurer*

THE BOARD OF DIRECTORS**SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

We have examined the combined balance sheet of Shriners Hospitals for Crippled Children as of December 31, 1985 and 1984, and the related combined statements of revenues, expenses, and changes in fund balance and of changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, such financial statements present fairly the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1985 and 1984, and the combined results of their operations and the combined changes in their financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO COMBINED FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Combined Organizations—The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All organizations are exempt from federal income taxes.

Gifts and Bequests—Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are not included in these financial statements. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that unit and an equal amount is transferred from revenues designated for operations to investments.

Securities—Marketable equity securities are carried at the lower of aggregate cost (or estimated market value at date of receipt) or market determined at the balance sheet date. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

Property, Plant and Equipment—Property, plant and equipment are carried at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is computed using the straight-line method. When significant assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized currently. The cost of maintenance and repairs is charged to expense as incurred whereas significant renewals and betterments are capitalized. Deduction is made for significant retirements resulting from renewals or betterments.

Deferred Charges—The Hospitals sometimes incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred and charged against revenues upon receipt of the gift or bequest.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Pension Costs—The Hospitals fund pension costs accrued on its noncontributory pension plans covering substantially all U. S. and Mexican employees.

Funds Designated and Restricted for Investment—The Hospitals, under policy established by the Board of Directors, designated for investment, receipts from gifts, bequests and gains from investment sales; generally only the income from the investments is used for operations. Receipts from gifts and bequests are designated as funds held for transfer pending permanent investment.

The Hospitals do not generally maintain separate accounting records for funds restricted by outside sources since their policy is to retain gifts and bequests for investment purposes. Management does not believe that the total of funds restricted by outside sources and retained for investment is significant in relation to total investments.

Foreign Currency Translation—Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of excess of revenues over expenses for the period in

which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustment," a separate component of fund balance.

Reclassifications—Certain reclassifications have been made to the 1984 financial statements to conform to the 1985 presentation.

During 1985, the old Portland unit was sold for \$1,500,000, and the resulting gain of \$607,305 is included in other nonoperating revenues.

4. CAPITAL RESERVE FUND

The Capital Reserve Fund is used for property, plant and equipment expenditures. The Hospitals fund depreciation by a cash transfer from operations to the Capital Reserve Fund. All investment income of the Capital Reserve Fund is retained within the fund.

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

The Board of Directors approved transfers of \$15,000,000 and \$14,000,000 from funds designated for operations to the Capital Reserve Fund in 1985 and 1984, respectively. These transfers were made to fund future hospital construction.

Construction and major renovations committed to by the Board of Directors totalled \$66,246,856 at December 31, 1985. The following summarizes these commitments:

<i>Unit</i>	<i>Nature</i>	<i>Total Appropriation</i>	<i>Unexpended</i>
Greenville	Replacement unit	\$ 16,000,000 (1)	\$15,692,113
Lexington	Replacement unit	20,000,000	19,174,919

Shreveport	Replacement unit	16,000,000	390,538
Other	Renovation and expansion	1,115,856	1,009,434
		<u>\$ 66,246,856</u>	<u>\$41,396,022</u>

- (1) Preliminary estimates reported to the Board of Directors indicate that construction costs will be significantly higher.

The renovation of the Montreal unit is being paid from Canadian funds presently designated for investment.

5. TRANSACTIONS WITH THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$444,244 and \$184,827 were due from the Imperial Council as of December 31, 1985 and 1984, respectively.

6. RETIREMENT PLANS

The employees of U. S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. The Hospitals have no past service liability. At June 30, 1985 and 1984, information regarding the Plan is as follows:

	<i>1985</i>	<i>1984</i>
Actuarial present value of accumulated benefits:		
Vested	\$14,771,638	\$12,811,025
Nonvested	247,093	290,836
	<u>\$15,018,731</u>	<u>\$13,101,861</u>
Net assets available for benefits	<u>\$29,861,754</u>	<u>\$23,624,823</u>

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

The weighted average assumed rate of return used in determining the actuarial present value of accumulated plan benefits was 9% for 1985 and 1984.

The Hospitals established a retirement savings plan for all eligible employees during 1985. Under the plan, the Hospitals will match up to a certain percentage of employee contributions.

Contributions under both retirement plans were approximately \$875,000 in 1985. There was no contribution required for the year ended December 31, 1984, due to changes in actuarial assumptions for expected salary increases and expected earnings on investments of the plan.

Canadian hospital employees are included in provincial government retirement programs.

Employees of the Mexico City unit are included in the Shriners Hospitals for Crippled Children Retirement Plan for Mexico City employees. As a result of plan amendments, there was an unfunded vested accrued liability of \$38,664 as of June 30, 1985. There was no unfunded vested accrued liability as of June 30, 1984.

7. OTHER LIABILITIES

Other liabilities at December 31, 1985 and 1984, include annuities payable of \$1,571,779 and \$1,371,430, respectively, under certain deferred compensation agreements with staff doctors. An asset equal to the liability is included in mortgages, real estate, and miscellaneous assets in the investments category of the accompanying combined balance sheet.

Also included in other liabilities are annuities of \$3,106,053 and \$2,994,687 at December 31, 1985 and 1984, respectively, payable to beneficiaries of various donors. By agreement, the Hospitals are required to pay specified annual amounts to these beneficiaries during their lifetime.

8. CONTINGENCIES

The Hospitals are a party to various claims and legal actions arising in the ordinary course of business. In the opinion of management, all such matters are adequately covered by insurance, or if not covered, are without merit or are of such kind, or involve such amounts that unfavorable disposition would not have a material effect on the financial position of the Hospitals.
